103RD GENERAL ASSEMBLY

INTRODUCED BY SENATOR BRATTIN.

5753S.011

KRISTINA MARTIN, Secretary

## AN ACT

To amend chapter 1, RSMo, by adding thereto one new section relating to the protection of second amendment rights.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 1, RSMo, is amended by adding thereto  
2 one new section, to be known as section 1.487, to read as  
3 follows:

1.487. 1. The general assembly declares that:

2 (1) The freedom and protection that follow from the  
3 right to keep and bear arms as granted by Amendment II of  
4 the Constitution of the United States are meaningless in a  
5 society where the federal government ostensibly maintains  
6 the power to determine which arms the people may or may not  
7 bear;

8 (2) Any federal act, law, executive order, rule, or  
9 regulation that restricts the type of arms that law abiding  
10 citizens may bear is a transparent attempt to maintain  
11 control of the people in violation of the sacred trust the  
12 people have put into the federal government to act as agents  
13 on their behalf; and

14 (3) The state of Missouri will not violate the  
15 sovereignty of its own people by assisting, aiding, or in  
16 any other way furthering the restriction of the rights

17 granted to them by their creator, as put down by the  
18 founding fathers of this country.

19       2. Notwithstanding any provision of law to the  
20 contrary, all federal acts, laws, executive orders,  
21 administrative orders, rules, and regulations, regardless of  
22 whether they were enacted before or after the provisions of  
23 this section, that restrict the people's right to keep and  
24 bear the following types of arms, as guaranteed by the  
25 Second Amendment to the Constitution of the United States  
26 and Article I, Section 23 of the Constitution of Missouri,  
27 shall be invalid to this state, shall not be recognized by  
28 this state, shall be specifically rejected by this state,  
29 and shall not be enforced by this state:

30       (1) Any weapon which shoots, is designed to shoot, or  
31 can be readily restored to shoot, automatically more than  
32 one shot, without manual reloading, by a single function of  
33 the trigger;

34       (2) The frame or receiver of any weapon described in  
35 subdivision (1) of this subsection, or any part designed and  
36 intended solely and exclusively, or combination of parts  
37 designed and intended, for use in converting a weapon into a  
38 weapon described in subdivision (1) of this subsection;

39       (3) Any combination of parts from which a weapon can  
40 be assembled as described in subdivision (1) of this  
41 subsection if such parts are in the possession or under the  
42 control of a person; and

43       (4) Any other weapon or part that meets the definition  
44 of "machinegun" as provided in 26 U.S.C. 5845(b).

45       3. It shall be the duty of the courts and law  
46 enforcement agencies of this state to protect the rights of  
47 law-abiding citizens to keep and bear arms within the

48 borders of this state and to protect these rights from the  
49 infringements by the federal government.
