AN ACT relating to education; requiring the Department of Education to share certain aggregate data concerning certain pupils with the Interagency Council on Veterans Affairs; revising provisions concerning the assessment of tuition charges against veterans of the Armed Forces of the United States who were honorably discharged within a certain period; requiring the Board of Regents of the University of Nevada to submit certain reports to the Legislature; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Department of Education to establish and maintain an
2 automated system of accountability information for Nevada. In part, existing law
3 requires the system, to the extent money is available for this purpose, to include a
4 unique identifier for each pupil whose parent or guardian is a member of the Armed
5 Forces of the United States, a reserve component thereof or the National Guard.
6 (NRS 386.650) **Section 1** of this bill requires the Department to share with the
7 Interagency Council on Veterans Affairs, on an annual basis, aggregate data
8 collected under the system concerning those pupils.

9 **Section 2** of this bill requires the Board of Regents to submit a biennial report
10 to the Legislature which includes: (1) the number of students who are veterans or
11 who are receiving payments or benefits from the United States Department of
12 Veterans Affairs; (2) information about how policy changes may have affected the
13 number of students who are veterans enrolled in the Nevada System of Higher
14 Education; (3) the number of students who are veterans who graduated during each
15 of the academic years covered by the report; and (4) the efforts undertaken by each
16 institution within the System to retain and graduate students who are veterans.

17 Under existing law, any provision of state legislation enacted on or after July 1,
18 2013, which adds or revises a requirement to submit a report to the Legislature
19 must: (1) expire by limitation 5 years after the effective date of the addition or
20 revision; or (2) contain a statement justifying the extension of the requirement for
21 more than 5 years. (NRS 218D.380) Pursuant to that requirement, **section 5** of this
22 act expires **section 2** by limitation on July 1, 2020.

23 Existing law encourages the Board of Regents to implement measures pursuant
24 to which the educational needs of students and prospective students will be met.
25 (NRS 396.504) **Section 3** of this bill encourages the Board of Regents to implement
26 measures pursuant to which the educational needs of students and prospective
27 students who are veterans will be met by fostering a culture that recognizes the
28 unique challenges of those students.

29 Existing law authorizes the Board of Regents to assess charges against students
30 who are not residents of Nevada at all campuses of the System. The charges are in
31 addition to registration fees and other fees assessed against students who are
32 residents of Nevada. Existing law also provides that a veteran of the Armed Forces
33 of the United States who has been honorably discharged within the 2 years
34 immediately preceding the date of the veteran's matriculation is eligible
35 for free tuition at a university, state college or community college within the
36 System. (NRS 396.540) **Section 4** of this bill extends that period from 2 years to 3
37 years. (NRS 396.540)
