required by law or by an ordinance or resolution adopted under 330  
division (C) of this section to award a contract to the lowest 331  
responsive and responsible bidder, a bidder on the contract shall 332  
be considered responsive if the bidder's proposal responds to bid 333  
specifications in all material respects and contains no 334  
irregularities or deviations from the specifications which would 335  
affect the amount of the bid or otherwise give the bidder a 336  
competitive advantage. The factors that the state agency or 337  
political subdivision shall consider in determining whether a 338  
bidder on the contract is responsible include the experience of 339  
the bidder, the bidder's financial condition, conduct and 340  
performance on previous contracts, facilities, management skills, 341  
and ability to execute the contract properly. 342

For purposes of this division, the provision of a bid 343  
guaranty in accordance with divisions (A)(1) and (B) of section 344  
153.54 of the Revised Code issued by a surety licensed to do 345  
business in this state is evidence of financial responsibility, 346

but a state agency or political subdivision may request additional 347  
financial information for review from an apparent low bidder after 348  
it opens all submitted bids. A state agency or political 349  
subdivision shall keep additional financial information it 350  
receives pursuant to a request under this division confidential, 351  
except under proper order of a court. The additional financial 352  
information is not a public record under section 149.43 of the 353  
Revised Code. 354

An apparent low bidder found not to be responsive and 355  
responsible shall be notified by the state agency or political 356  
subdivision of that finding and the reasons for it. Except for 357  
contracts awarded by the department of administrative services 358  
pursuant to section 125.11 of the Revised Code, the notification 359  
shall be given in writing and by certified mail. When awarding 360  
contracts pursuant to section 125.11 of the Revised Code, the 361  
department may send such notice in writing by first class mail or 362  
by electronic means. 363

(B) Where a state agency or a political subdivision that has 364  
adopted an ordinance or resolution under division (C) of this 365  
section determines to award a contract to a bidder other than the 366  
apparent low bidder or bidders for the construction, 367  
reconstruction, improvement, enlargement, alteration, repair, 368  
painting, or decoration of a public improvement, it shall meet 369  
with the apparent low bidder or bidders upon a filing of a timely 370  
written protest. The protest must be received within five days of 371  
the notification required in division (A) of this section. No 372  
final award shall be made until the state agency or political 373  
subdivision either affirms or reverses its earlier determination. 374

procedure described in this division is not subject to Chapter 376

any other political subdivision required by law to award contracts 380  
by competitive bidding may by ordinance or resolution adopt a 381  
policy of requiring each competitively bid contract it awards to 382  
be awarded to the lowest responsive and responsible bidder in 383  
accordance with this section. 384

**Sec. 9.333.** (A) No public authority shall enter into a 385  
construction management contract with a construction manager 386  
unless the construction manager provides a letter of credit 387  
pursuant to Chapter 1305. of the Revised Code, a surety bond 388

department of administrative services to purchase liability 433  
insurance for all state vehicles in a single policy of insurance 434  
or to cover all state vehicles under a single plan of 435  
self-insurance. 436

department pursuant to section 5145.16 of the Revised Code and in 445  
which the prisoner is required to operate a motor vehicle, as 446

applied to the payment of liability claims that are filed against 460  
the state in the court of claims and determined in the manner 461  
provided in Chapter 2743. of the Revised Code. The director of 462  
administrative services may procure the services of a qualified 463

of money that is required to maintain adequate reserves for a 465  
specified period of time. 466

from each state agency or any participating state body its 468

resolution of the political subdivision and not subject to section 566

reserve the funds necessary for an individual or joint 568  
self-insurance program in a special fund established pursuant to a 569  
resolution duly adopted by the agency's or instrumentality's 570  
governing board. The political subdivision may allocate the costs 571  
of insurance or any self-insurance program, or both, among the 572  
funds or accounts established under this division on the basis of 573  
relative exposure and loss experience. 574

the terms and conditions set forth in the contract. 599

(4) The individual or joint self-insurance program shall 600  
include a contract with a certified public accountant and a member 601  
of the American academy of actuaries for the preparation of the 602  
written evaluations required under division (C)(1) of this 603  
section. 604

(5) A joint self-insurance program may allocate the costs of 605  
funding the program among the funds or accounts established under 606  
this division to the participating political subdivisions on the 607  
basis of their relative exposure and loss experience. 608

(6) An individual self-insurance program may allocate the 609  
costs of funding the program among the funds or accounts 610  
established under this division to the political subdivision that 611  
established the program. 612

establishment and maintenance of a joint health care cost 614  
containment program, including, but not limited to, the employment 615  
of risk managers, health care cost containment specialists, and 616  
consultants, for the purpose of preventing and reducing health 617  
care costs covered by insurance, individual self-insurance, or 618  
joint self-insurance programs. 619

(8) A political subdivision is not liable under a joint 620  
self-insurance program for any amount in excess of amounts payable 621  
pursuant to the written agreement for the participation of the 622  
political subdivision in the joint self-insurance program. Under a 623  
joint self-insurance program agreement, a political subdivision 624  
may, to the extent permitted under the written agreement, assume 625  
the risks of any other political subdivision. A joint 626  
self-insurance program established under this section is deemed a 627  
separate legal entity for the public purpose of enabling the 628  
members of the joint self-insurance program to obtain insurance or 629  
to provide for a formalized, jointly administered self-insurance 630

(b) An existing or former law of this state, any other state, 1658  
or the United States that is substantially equivalent to any of 1659  
the offenses listed in division (A)(12)(a) of this section. 1660

(B) Subject to division (F) of this section, the 1661  
superintendent shall conduct any criminal records check to be 1662  
conducted under this section as follows: 1663

(1) The superintendent shall review or cause to be reviewed 1664  
any relevant information gathered and compiled by the bureau under 1665  
division (A) of section 109.57 of the Revised Code that relates to 1666  
the person who is the subject of the criminal records check, 1667  
including, if the criminal records check was requested under 1668  
section 113.041, 121.08, 173.27, 173.38, 173.381, 1121.23, 1669  
1155.03, 1163.05, 1315.141, 1321.37, 1321.53, 1321.531, 1322.03, 1670

information contained in records that have been sealed under 1675

section 2953.32 of the Revised Code; 1676

(2) If the request received by the superintendent asks for 1677  
information from the federal bureau of investigation, the 1678  
superintendent shall request from the federal bureau of 1679  
investigation any information it has with respect to the person 1680  
who is the subject of the criminal records check, including 1681  
fingerprint-based checks of national crime information databases 1682  
as described in 42 U.S.C. 671 if the request is made pursuant to 1683  
section 2151.86, ~~5104.012~~, or 5104.013 of the Revised Code or if 1684  
any other Revised Code section requires fingerprint-based checks 1685  
of that nature, and shall review or cause to be reviewed any 1686  
information the superintendent receives from that bureau. If a 1687  
request under section 3319.39 of the Revised Code asks only for 1688  
information from the federal bureau of investigation, the 1689  
superintendent shall not conduct the review prescribed by division 1690  
(B)(1) of this section. 1691

(3) The superintendent or the superintendent's designee may 1692  
request criminal history records from other states or the federal 1693

(4) The superintendent shall include in the results of the 1696  
criminal records check a list or description of the offenses 1697  
listed or described in division (A)(1), (2), (3), (4), (5), (6), 1698  
(7), (8), (9), (10), (11), or (12) of this section, whichever 1699  
division requires the superintendent to conduct the criminal 1700  
records check. The superintendent shall exclude from the results 1701  
any information the dissemination of which is prohibited by 1702  
federal law. 1703

(5) The superintendent shall send the results of the criminal 1704  
records check to the person to whom it is to be sent not later 1705  
than the following number of days after the date the 1706  
superintendent receives the request for the criminal records 1707

check, the completed form prescribed under division (C)(1) of this 1708  
section, and the set of fingerprint impressions obtained in the 1709  
manner described in division (C)(2) of this section: 1710

(a) If the superintendent is required by division (A) of this 1711  
section (other than division (A)(3) of this section) to conduct 1712  
the criminal records check, thirty; 1713

(b) If the superintendent is required by division (A)(3) of 1714  
this section to conduct the criminal records check, sixty. 1715

(C)(1) The superintendent shall prescribe a form to obtain 1716  
the information necessary to conduct a criminal records check from 1717  
any person for whom a criminal records check is to be conducted 1718  
under this section. The form that the superintendent prescribes 1719  
pursuant to this division may be in a tangible format, in an 1720  
electronic format, or in both tangible and electronic formats. 1721

(2) The superintendent shall prescribe standard impression 1722  
sheets to obtain the fingerprint impressions of any person for 1723  
whom a criminal records check is to be conducted under this 1724  
section. Any person for whom a records check is to be conducted 1725  
under this section shall obtain the fingerprint impressions at a 1726  
county sheriff's office, municipal police department, or any other 1727  
entity with the ability to make fingerprint impressions on the 1728  
standard impression sheets prescribed by the superintendent. The 1729  
office, department, or entity may charge the person a reasonable 1730  
fee for making the impressions. The standard impression sheets the 1731  
superintendent prescribes pursuant to this division may be in a 1732  
tangible format, in an electronic format, or in both tangible and 1733  
electronic formats. 1734

(3) Subject to division (D) of this section, the 1735  
superintendent shall prescribe and charge a reasonable fee for 1736  
providing a criminal records check under this section. The person 1737  
requesting the criminal records check shall pay the fee prescribed 1738

pursuant to this division. In the case of a request under section 1739  
1121.23, 1155.03, 1163.05, 1315.141, 1733.47, 1761.26, 2151.33, 1740  
2151.412, or 5164.34 of the Revised Code, the fee shall be paid in 1741  
the manner specified in that section. 1742

(4) The superintendent of the bureau of criminal 1743  
identification and investigation may prescribe methods of 1744  
forwarding fingerprint impressions and information necessary to 1745  
conduct a criminal records check, which methods shall include, but 1746  
not be limited to, an electronic method. 1747

(D) The results of a criminal records check conducted under 1748  
this section, other than a criminal records check specified in 1749  
division (A)(7) of this section, are valid for the person who is 1750  
the subject of the criminal records check for a period of one year 1751  
from the date upon which the superintendent completes the criminal 1752  
records check. If during that period the superintendent receives 1753  
another request for a criminal records check to be conducted under 1754  
this section for that person, the superintendent shall provide the 1755  
results from the previous criminal records check of the person at 1756  
a lower fee than the fee prescribed for the initial criminal 1757  
records check. 1758

(E) When the superintendent receives a request for 1759  
information from a registered private provider, the superintendent 1760  
shall proceed as if the request was received from a school 1761  
district board of education under section 3319.39 of the Revised 1762  
Code. The superintendent shall apply division (A)(1)(c) of this 1763  
section to any such request for an applicant who is a teacher. 1764

(F)(1) All information regarding the results of a criminal 1765  
records check conducted under this section that the superintendent 1766  
reports or sends under division (A)(7) or (9) of this section to 1767  
the director of public safety, the treasurer of state, or the 1768  
person, board, or entity that made the request for the criminal 1769  
records check shall relate to the conviction of the subject 1770

person, or the subject person's plea of guilty to, a criminal 1771  
offense. 1772

(2) Division (F)(1) of this section does not limit, restrict, 1773  
or preclude the superintendent's release of information that 1774  
relates to the arrest of a person who is eighteen years of age or 1775  
older, to an adjudication of a child as a delinquent child, or to 1776  
a criminal conviction of a person under eighteen years of age in 1777  
circumstances in which a release of that nature is authorized 1778  
under division (E)(2), (3), or (4) of section 109.57 of the 1779  
Revised Code pursuant to a rule adopted under division (E)(1) of 1780  
that section. 1781

(G) As used in this section: 1782

(1) "Criminal records check" means any criminal records check 1783  
conducted by the superintendent of the bureau of criminal 1784  
identification and investigation in accordance with division (B) 1785  
of this section. 1786

(2) "Minor drug possession offense" has the same meaning as 1787  
in section 2925.01 of the Revised Code. 1788

(3) "OVI or OVUAC violation" means a violation of section 1789  
4511.19 of the Revised Code or a violation of an existing or 1790  
former law of this state, any other state, or the United States 1791  
that is substantially equivalent to section 4511.19 of the Revised 1792  
Code. 1793

(4) "Registered private provider" means a nonpublic school or 1794  
entity registered with the superintendent of public instruction 1795  
under section 3310.41 of the Revised Code to participate in the 1796  
autism scholarship program or section 3310.58 of the Revised Code 1797  
to participate in the Jon Peterson special needs scholarship 1798  
program. 1799

**Sec. 113.07.** The treasurer of state may enter into a contract 1800

with any financial institution under which the financial 1801  
institution, in accordance with the terms of the contract, 1802  
receives tax and fee payments at a post office box, opens the mail 1803  
delivered to that box, processes the checks and other payments 1804  
received in such mail and deposits them into the treasurer of 1805  
state's account, and provides the treasurer of state daily receipt 1806  
information with respect to such payments. The contract shall not 1807  
be entered into unless: 1808

(A) There is attached to the contract a certification by the 1809  
auditor of state that the financial institution and the treasurer 1810  
of state have given assurances satisfactory to the auditor of 1811  
state that the records of the financial institution which relate 1812  
to tax and fee payments covered by the contract, and only such 1813  
records, shall be subject to audit by the auditor of state to the 1814  
same extent as if the services which the financial institution has 1815  
agreed to perform were being performed by the treasurer of state; 1816

(B) The contract is awarded in accordance with ~~section 125.07~~ 1817  
Chapter 125. of the Revised Code; 1818

(C) The treasurer of state's surety bond includes within its 1819  
coverage any loss that may occur as the result of the contract; 1820

(D) The contract does not conflict with the requirements for 1821  
accounting and financial reporting for public offices prescribed 1822  
by the auditor of state. 1823

**Sec. 118.04.** (A) The existence of a fiscal emergency 1824  
condition constitutes a fiscal emergency. The existence of fiscal 1825  
emergency conditions shall be determined by the auditor of state. 1826  
Such determination, for purposes of this chapter, may be made only 1827  
upon the filing with the auditor of state of a written request for 1828  
such a determination by the governor, by the county budget 1829  
commission, by the mayor of the municipal corporation, or by the 1830  
presiding officer of the legislative authority of the municipal 1831

corporation when authorized by a majority of the members of such 1832  
legislative authority, by the board of county commissioners, or by 1833  
the board of township trustees, or upon initiation by the auditor 1834  
of state. The request may designate in general or specific terms, 1835  
but without thereby limiting the determination thereto, the 1836  
condition or conditions to be examined to determine whether they 1837  
constitute fiscal emergency conditions. Promptly upon receipt of 1838  
such written request, or upon initiation by the auditor of state, 1839  
the auditor of state shall transmit copies of such request or a 1840  
written notice of such initiation to the mayor and the presiding 1841  
officer of the legislative authority of the municipal corporation 1842  
or to the board of county commissioners or the board of township 1843  
trustees by personal service or certified mail. Such 1844  
determinations shall be set forth in written reports and 1845  
supplemental reports, which shall be filed with the mayor, fiscal 1846  
officer, and presiding officer of the legislative authority of the 1847  
municipal corporation, or with the board of county commissioners 1848  
or the board of township trustees, and with the treasurer of 1849  
state, secretary of state, governor, director of budget and 1850  
management, and county budget commission, within thirty days after 1851  
the request. The auditor of state shall so file an initial report 1852  
immediately upon determining the existence of any fiscal emergency 1853  
condition. 1854

(B) In making such determination, the auditor of state may 1855  
rely on reports or other information filed or otherwise made 1856  
available by the municipal corporation, county, or township, 1857  
accountants' reports, or other sources and data the auditor of 1858  
state considers reliable for such purpose. As to the status of 1859  
funds or accounts, a determination that the amounts stated in 1860  
section 118.03 of the Revised Code are exceeded may be made 1861  
without need for determination of the specific amount of the 1862  
excess. The auditor of state may engage the services of 1863  
independent certified or registered public accountants, including 1864

public accountants engaged or previously engaged by the municipal corporation, county, or township, to conduct audits or make reports or render such opinions as the auditor of state considers desirable with respect to any aspect of the determinations to be made by the auditor of state.

(C) A determination by the auditor of state under this section that a fiscal emergency condition does not exist is final and conclusive and not appealable. A determination by the auditor of state under this section that a fiscal emergency exists is final, except that the mayor of any municipal corporation affected by a determination of the existence of a fiscal emergency condition under this section, when authorized by a majority of the members of the legislative authority, or the board of county commissioners or board of township trustees, may appeal the determination of the existence of a fiscal emergency condition to the court of appeals having territorial jurisdiction over the municipal corporation, county, or township. The appeal shall be heard expeditiously by the court of appeals and for good cause shown shall take precedence over all other civil matters except earlier matters of the same character. Notice of such appeal must be filed with the auditor of state and such court within thirty days after certification by the auditor of state to the mayor and presiding officer of the legislative authority of the municipal corporation or to the board of county commissioners or board of township trustees as provided for in division (A) of this section. In such appeal, determinations of the auditor of state shall be presumed to be valid and the municipal corporation, county, or township shall have the burden of proving, by clear and convincing evidence, that each of the determinations made by the auditor of state as to the existence of a fiscal emergency condition under section 118.03 of the Revised Code was in error. If the municipal corporation, county, or township fails, upon presentation of its case, to prove by clear and convincing evidence that each such

determination by the auditor of state was in error, the court 1898  
shall dismiss the appeal. The municipal corporation, county, or 1899  
township and the auditor of state may introduce any evidence 1900  
relevant to the existence or nonexistence of such fiscal emergency 1901  
conditions at the times indicated in the applicable provisions of 1902  
divisions (A) and (B) of section 118.03 of the Revised Code. The 1903  
pendency of any such appeal shall not affect or impede the 1904  
operations of this chapter; no restraining order, temporary 1905  
injunction, or other similar restraint upon actions consistent 1906  
with this chapter shall be imposed by the court or any court 1907  
pending determination of such appeal; and all things may be done 1908  
under this chapter that may be done regardless of the pendency of 1909  
any such appeal. Any action taken or contract executed pursuant to 1910  
this chapter during the pendency of such appeal is valid and 1911  
enforceable among all parties, notwithstanding the decision in 1912  
such appeal. If the court of appeals reverses the determination of 1913  
the existence of a fiscal emergency condition by the auditor of 1914  
state, the determination no longer has any effect, and any 1915  
procedures undertaken as a result of the determination shall be 1916  
terminated. 1917

(D) All expenses incurred by the auditor of state relating to 1918  
a determination or termination of a fiscal emergency under this 1919  
section, a fiscal watch under section 118.021 of the Revised Code, 1920  
or a fiscal caution under section 118.025 of the Revised Code, 1921  
including providing technical and support services, or for 1922  
conducting a performance audit under section 118.041 of the 1923  
Revised Code, shall be reimbursed from an appropriation for that 1924  
purpose. If necessary, the controlling board may provide 1925  
sufficient funds for these purposes. 1926

Sec. 118.041. The auditor of state, on the auditor of state's 1927  
initiative, may conduct a performance audit of a municipal 1928  
corporation, county, or township that is under a fiscal caution, a 1929

fiscal watch, or a fiscal emergency. 1930

**Sec. 119.12.** Any party adversely affected by any order of an 1931  
agency issued pursuant to an adjudication denying an applicant 1932  
admission to an examination, or denying the issuance or renewal of 1933  
a license or registration of a licensee, or revoking or suspending 1934  
a license, or allowing the payment of a forfeiture under section 1935  
4301.252 of the Revised Code may appeal from the order of the 1936  
agency to the court of common pleas of the county in which the 1937  
place of business of the licensee is located or the county in 1938  
which the licensee is a resident, except that appeals from 1939  
decisions of the liquor control commission, the Ohio casino 1940  
control commission, the state medical board, the state 1941  
chiropractic board, and the board of nursing shall be to the court 1942  
of common pleas of Franklin county. If any party appealing from 1943  
the order is not a resident of and has no place of business in 1944  
this state, the party may appeal to the court of common pleas of 1945  
Franklin county. 1946

Any party adversely affected by any order of an agency issued 1947  
pursuant to any other adjudication may appeal to the court of 1948  
common pleas of Franklin county, except that appeals from orders 1949  
of the fire marshal issued under Chapter 3737. of the Revised Code 1950  
may be to the court of common pleas of the county in which the 1951  
building of the aggrieved person is located and except that 1952  
appeals under division (B) of section 124.34 of the Revised Code 1953  
from a decision of the state personnel board of review or a 1954  
municipal or civil service township civil service commission shall 1955  
be taken to the court of common pleas of the county in which the 1956  
appointing authority is located or, in the case of an appeal by 1957  
the department of rehabilitation and correction, to the court of 1958  
common pleas of Franklin county. 1959

This section does not apply to appeals from the department of 1960

taxation. 1961

Any party desiring to appeal shall file a notice of appeal 1962  
with the agency setting forth the order appealed from and stating 1963  
that the agency's order is not supported by reliable, probative, 1964  
and substantial evidence and is not in accordance with law. The 1965  
notice of appeal may, but need not, set forth the specific grounds 1966  
of the party's appeal beyond the statement that the agency's order 1967  
is not supported by reliable, probative, and substantial evidence 1968  
and is not in accordance with law. The notice of appeal shall also 1969  
be filed by the appellant with the court. In filing a notice of 1970  
appeal with the agency or court, the notice that is filed may be 1971  
either the original notice or a copy of the original notice. 1972  
Unless otherwise provided by law relating to a particular agency, 1973  
notices of appeal shall be filed within fifteen days after the 1974  
mailing of the notice of the agency's order as provided in this 1975  
section. For purposes of this paragraph, an order includes a 1976  
determination appealed pursuant to division (C) of section 119.092 1977  
of the Revised Code. The amendments made to this paragraph by Sub. 1978  
H.B. 215 of the 128th general assembly are procedural, and this 1979  
paragraph as amended by those amendments shall be applied 1980  
retrospectively to all appeals pursuant to this paragraph filed 1981  
before ~~the effective date of those amendments~~ September 13, 2010, 1982  
but not earlier than May 7, 2009, which was the date the supreme 1983  
court of Ohio released its opinion and judgment in *Medcorp, Inc.* 1984  
*v. Ohio Dep't. of Job and Family Servs.* (2009), 121 Ohio St.3d 1985  
622. 1986

The filing of a notice of appeal shall not automatically 1987  
operate as a suspension of the order of an agency. If it appears 1988  
to the court that an unusual hardship to the appellant will result 1989  
from the execution of the agency's order pending determination of 1990  
the appeal, the court may grant a suspension and fix its terms. If 1991  
an appeal is taken from the judgment of the court and the court 1992

has previously granted a suspension of the agency's order as 1993  
provided in this section, the suspension of the agency's order 1994  
shall not be vacated and shall be given full force and effect 1995  
until the matter is finally adjudicated. No renewal of a license 1996  
or permit shall be denied by reason of the suspended order during 1997  
the period of the appeal from the decision of the court of common 1998  
pleas. In the case of an appeal from the Ohio casino control 1999  
commission, the state medical board, or the state chiropractic 2000  
board, the court may grant a suspension and fix its terms if it 2001  
appears to the court that an unusual hardship to the appellant 2002  
will result from the execution of the agency's order pending 2003  
determination of the appeal and the health, safety, and welfare of 2004  
the public will not be threatened by suspension of the order. This 2005  
provision shall not be construed to limit the factors the court 2006  
may consider in determining whether to suspend an order of any 2007  
other agency pending determination of an appeal. 2008

The final order of adjudication may apply to any renewal of a 2009  
license or permit which has been granted during the period of the 2010  
appeal. 2011

Notwithstanding any other provision of this section, any 2012  
order issued by a court of common pleas or a court of appeals 2013  
suspending the effect of an order of the liquor control commission 2014  
issued pursuant to Chapter 4301. or 4303. of the Revised Code that 2015  
suspends, revokes, or cancels a permit issued under Chapter 4303. 2016  
of the Revised Code or that allows the payment of a forfeiture 2017  
under section 4301.252 of the Revised Code shall terminate not 2018  
more than six months after the date of the filing of the record of 2019  
the liquor control commission with the clerk of the court of 2020  
common pleas and shall not be extended. The court of common pleas, 2021  
or the court of appeals on appeal, shall render a judgment in that 2022  
matter within six months after the date of the filing of the 2023  
record of the liquor control commission with the clerk of the 2024

court of common pleas. A court of appeals shall not issue an order 2025  
suspending the effect of an order of the liquor control commission 2026  
that extends beyond six months after the date on which the record 2027  
of the liquor control commission is filed with a court of common 2028  
pleas. 2029

Notwithstanding any other provision of this section, any 2030  
order issued by a court of common pleas or a court of appeals 2031  
suspending the effect of an order of the Ohio casino control 2032  
commission issued under Chapter 3772. of the Revised Code that 2033  
limits, conditions, restricts, suspends, revokes, denies, not 2034  
renews, fines, or otherwise penalizes an applicant, licensee, or 2035  
person excluded or ejected from a casino facility in accordance 2036  
with section 3772.031 of the Revised Code shall terminate not more 2037  
than six months after the date of the filing of the record of the 2038  
Ohio casino control commission with the clerk of the court of 2039  
common pleas and shall not be extended. The court of common pleas, 2040  
or the court of appeals on appeal, shall render a judgment in that 2041  
matter within six months after the date of the filing of the 2042  
record of the Ohio casino control commission with the clerk of the 2043  
court of common pleas. A court of appeals shall not issue an order 2044  
suspending the effect of an order of the Ohio casino control 2045  
commission that extends beyond six months after the date on which 2046  
the record of the Ohio casino control commission is filed with the 2047  
clerk of a court of common pleas. 2048

Notwithstanding any other provision of this section, any 2049  
order issued by a court of common pleas suspending the effect of 2050  
an order of the state medical board or state chiropractic board 2051  
that limits, revokes, suspends, places on probation, or refuses to 2052  
register or reinstate a certificate issued by the board or 2053  
reprimands the holder of the certificate shall terminate not more 2054  
than fifteen months after the date of the filing of a notice of 2055  
appeal in the court of common pleas, or upon the rendering of a 2056

final decision or order in the appeal by the court of common 2057  
pleas, whichever occurs first. 2058

Within thirty days after receipt of a notice of appeal from 2059  
an order in any case in which a hearing is required by sections 2060  
119.01 to 119.13 of the Revised Code, the agency shall prepare and 2061  
certify to the court a complete record of the proceedings in the 2062  
case. Failure of the agency to comply within the time allowed, 2063  
upon motion, shall cause the court to enter a finding in favor of 2064  
the party adversely affected. Additional time, however, may be 2065  
granted by the court, not to exceed thirty days, when it is shown 2066  
that the agency has made substantial effort to comply. The record 2067  
shall be prepared and transcribed, and the expense of it shall be 2068  
taxed as a part of the costs on the appeal. The appellant shall 2069  
provide security for costs satisfactory to the court of common 2070  
pleas. Upon demand by any interested party, the agency shall 2071

Notwithstanding any other provision of this section, any 2075  
party desiring to appeal an order or decision of the state 2076

manner prescribed in rules that the board shall adopt in 2079  
accordance with this chapter. In addition, the board is not 2080  
required to prepare or transcribe the record of any of its 2081  
proceedings unless the appellant has provided the deposit 2082  
described above. The failure of the board to prepare or transcribe 2083  
a record for an appellant who has not provided a security deposit 2084  
shall not cause a court to enter a finding adverse to the board. 2085

Unless otherwise provided by law, in the hearing of the 2086  
appeal, the court is confined to the record as certified to it by 2087  
the agency. Unless otherwise provided by law, the court may grant 2088

a request for the admission of additional evidence when satisfied 2089  
that the additional evidence is newly discovered and could not 2090

The court shall conduct a hearing on the appeal and shall 2093  
give preference to all proceedings under sections 119.01 to 119.13 2094

in the trial of a civil action, and the court shall determine the 2106  
rights of the parties in accordance with the laws applicable to a 2107  
civil action. At the hearing, counsel may be heard on oral 2108  
argument, briefs may be submitted, and evidence may be introduced 2109  
if the court has granted a request for the presentation of 2110  
additional evidence. 2111

The court may affirm the order of the agency complained of in 2112  
the appeal if it finds, upon consideration of the entire record 2113  
and any additional evidence the court has admitted, that the order 2114  
is supported by reliable, probative, and substantial evidence and 2115  
is in accordance with law. In the absence of this finding, it may 2116  
reverse, vacate, or modify the order or make such other ruling as 2117  
is supported by reliable, probative, and substantial evidence and 2118  
is in accordance with law. The court shall award compensation for 2119  
fees in accordance with section 2335.39 of the Revised Code to a 2120

prevailing party, other than an agency, in an appeal filed 2121  
pursuant to this section. 2122

The judgment of the court shall be final and conclusive 2123  
unless reversed, vacated, or modified on appeal. These appeals may 2124  
be taken either by the party or the agency, shall proceed as in 2125  
the case of appeals in civil actions, and shall be pursuant to the 2126  
Rules of Appellate Procedure and, to the extent not in conflict 2127  
with those rules, Chapter 2505. of the Revised Code. An appeal by 2128  
the agency shall be taken on questions of law relating to the 2129  
constitutionality, construction, or interpretation of statutes and 2130  
rules of the agency, and, in the appeal, the court may also review 2131  
and determine the correctness of the judgment of the court of 2132  
common pleas that the order of the agency is not supported by any 2133  
reliable, probative, and substantial evidence in the entire 2134  
record. 2135

The court shall certify its judgment to the agency or take 2136  
any other action necessary to give its judgment effect. 2137

to the news media that have requested notification, except in the 2465  
event of an emergency requiring immediate official action. In the 2466  
event of an emergency, the member or members calling the meeting 2467  
shall notify the news media that have requested notification 2468  
immediately of the time, place, and purpose of the meeting. 2469

The rule shall provide that any person, upon request and 2470  
payment of a reasonable fee, may obtain reasonable advance 2471  
notification of all meetings at which any specific type of public 2472  
business is to be discussed. Provisions for advance notification 2473  
may include, but are not limited to, mailing the agenda of 2474  
meetings to all subscribers on a mailing list or mailing notices 2475  
in self-addressed, stamped envelopes provided by the person. 2476

(G) Except as provided in divisions (G)(8) and (J) of this 2477  
section, the members of a public body may hold an executive 2478  
session only after a majority of a quorum of the public body 2479  
determines, by a roll call vote, to hold an executive session and 2480  
only at a regular or special meeting for the sole purpose of the 2481  
consideration of any of the following matters: 2482

(1) To consider the appointment, employment, dismissal, 2483  
discipline, promotion, demotion, or compensation of a public 2484  
employee or official, or the investigation of charges or 2485  
complaints against a public employee, official, licensee, or 2486  
regulated individual, unless the public employee, official, 2487  
licensee, or regulated individual requests a public hearing. 2488  
Except as otherwise provided by law, no public body shall hold an 2489

executive session for the discipline of an elected official for 2490  
conduct related to the performance of the elected official's 2491  
official duties or for the elected official's removal from office. 2492  
If a public body holds an executive session pursuant to division 2493  
(G)(1) of this section, the motion and vote to hold that executive 2494  
session shall state which one or more of the approved purposes 2495  
listed in division (G)(1) of this section are the purposes for 2496  
which the executive session is to be held, but need not include 2497  
the name of any person to be considered at the meeting. 2498

(2) To consider the purchase of property for public purposes, 2499  
or for the sale of property at competitive bidding, if premature 2500  
disclosure of information would give an unfair competitive or 2501  
bargaining advantage to a person whose personal, private interest 2502  
is adverse to the general public interest. No member of a public 2503  
body shall use division (G)(2) of this section as a subterfuge for 2504  
providing covert information to prospective buyers or sellers. A 2505  
purchase or sale of public property is void if the seller or buyer 2506  
of the public property has received covert information from a 2507  
member of a public body that has not been disclosed to the general 2508  
public in sufficient time for other prospective buyers and sellers 2509  
to prepare and submit offers. 2510

If the minutes of the public body show that all meetings and 2511  
deliberations of the public body have been conducted in compliance 2512  
with this section, any instrument executed by the public body 2513  
purporting to convey, lease, or otherwise dispose of any right, 2514  
title, or interest in any public property shall be conclusively 2515  
presumed to have been executed in compliance with this section 2516  
insofar as title or other interest of any bona fide purchasers, 2517  
lessees, or transferees of the property is concerned. 2518

(3) Conferences with an attorney for the public body 2519  
concerning disputes involving the public body that are the subject 2520  
of pending or imminent court action; 2521

(4) Preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment;	2522 2523 2524
(5) Matters required to be kept confidential by federal law or regulations or state statutes;	2525 2526
(6) Details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office;	2527 2528 2529 2530 2531
(7) In the case of a county hospital operated pursuant to Chapter 339. of the Revised Code, a joint township hospital operated pursuant to Chapter 513. of the Revised Code, or a municipal hospital operated pursuant to Chapter 749. of the Revised Code, to consider trade secrets, as defined in section 1333.61 of the Revised Code;	2532 2533 2534 2535 2536 2537
(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:	2538 2539 2540 2541 2542 2543 2544
<del>(1)</del> (a) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of Chapter 715., 725., 1724., or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 5709.43, 5709.61 to 5709.69, 5709.73 to 5709.75, or 5709.77 to 5709.81 of the Revised Code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.	2545 2546 2547 2548 2549 2550 2551 2552

~~(2)~~(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

If a public body holds an executive session to consider any of the matters listed in divisions (G)(2) to (8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

A public body specified in division (B)(1)(c) of this section shall not hold an executive session when meeting for the purposes specified in that division.

(H) A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in division (G) or (J) of this section and conducted at an executive session held in compliance with this section. A resolution, rule, or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule, or formal action violated division (F) of this section.

(I)(1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2)(a) If the court of common pleas issues an injunction

pursuant to division (I)(1) of this section, the court shall order 2584  
the public body that it enjoins to pay a civil forfeiture of five 2585  
hundred dollars to the party that sought the injunction and shall 2586  
award to that party all court costs and, subject to reduction as 2587  
described in division (I)(2) of this section, reasonable 2588  
attorney's fees. The court, in its discretion, may reduce an award 2589  
of attorney's fees to the party that sought the injunction or not 2590  
award attorney's fees to that party if the court determines both 2591  
of the following: 2592

(i) That, based on the ordinary application of statutory law 2593  
and case law as it existed at the time of violation or threatened 2594  
violation that was the basis of the injunction, a well-informed 2595  
public body reasonably would believe that the public body was not 2596  
violating or threatening to violate this section; 2597

(ii) That a well-informed public body reasonably would 2598  
believe that the conduct or threatened conduct that was the basis 2599  
of the injunction would serve the public policy that underlies the 2600  
authority that is asserted as permitting that conduct or 2601  
threatened conduct. 2602

(b) If the court of common pleas does not issue an injunction 2603  
pursuant to division (I)(1) of this section and the court 2604  
determines at that time that the bringing of the action was 2605  
frivolous conduct, as defined in division (A) of section 2323.51 2606  
of the Revised Code, the court shall award to the public body all 2607  
court costs and reasonable attorney's fees, as determined by the 2608  
court. 2609

(3) Irreparable harm and prejudice to the party that sought 2610  
the injunction shall be conclusively and irrebuttably presumed 2611  
upon proof of a violation or threatened violation of this section. 2612

(4) A member of a public body who knowingly violates an 2613  
injunction issued pursuant to division (I)(1) of this section may 2614

be removed from office by an action brought in the court of common  
pleas for that purpose by the prosecuting attorney or the attorney  
general.

(J)(1) Pursuant to division (C) of section 5901.09 of the  
Revised Code, a veterans service commission shall hold an  
executive session for one or more of the following purposes unless  
an applicant requests a public hearing:

(a) Interviewing an applicant for financial assistance under  
sections 5901.01 to 5901.15 of the Revised Code;

(b) Discussing applications, statements, and other documents  
described in division (B) of section 5901.09 of the Revised Code;

(c) Reviewing matters relating to an applicant's request for  
financial assistance under sections 5901.01 to 5901.15 of the  
Revised Code.

(2) A veterans service commission shall not exclude an  
applicant for, recipient of, or former recipient of financial  
assistance under sections 5901.01 to 5901.15 of the Revised Code,  
and shall not exclude representatives selected by the applicant,  
recipient, or former recipient, from a meeting that the commission  
conducts as an executive session that pertains to the applicant's,  
recipient's, or former recipient's application for financial  
assistance.

(3) A veterans service commission shall vote on the grant or  
denial of financial assistance under sections 5901.01 to 5901.15  
of the Revised Code only in an open meeting of the commission. The  
minutes of the meeting shall indicate the name, address, and  
occupation of the applicant, whether the assistance was granted or  
denied, the amount of the assistance if assistance is granted, and  
the votes for and against the granting of assistance.

**Sec. 121.372.** (A) As used in this section, "substitute care

provider" means any of the following: 2645

(1) A community addiction services provider ~~subject to~~ 2646  
~~certification under section 5119.36, as defined in section 5119.01~~ 2647  
of the Revised Code; 2648

(2) An institution or association subject to certification 2649  
under section 5103.03 of the Revised Code; 2650

(3) A residential facility subject to licensure under section 2651

(4) A residential facility subject to licensure under section 2653  
5123.19 of the Revised Code. 2654

(B) Not later than ninety days after March 18, 1999, the 2655  
members of the Ohio family and children first cabinet council, 2656  
other than the director of budget and management, shall enter into 2657  
an agreement to establish an office to perform the duties 2658  
prescribed by division (C) of this section. The agreement shall 2659  
specify one of the departments represented on the council as the 2660  
department responsible for housing and supervising the office. The 2661  
agreement shall include the recommendation of the council for 2662  
funding the office. 2663

(C) The office established pursuant to the agreement entered 2664  
into under this section shall review rules governing the 2665  
certification and licensure of substitute care providers and 2666  
determine which of the rules can be made substantively identical 2667  
or more similar in order to minimize the number of differing 2668  
certification and licensure standards and simplify the 2669  
certification or licensure process for substitute care providers 2670  
seeking certification or licensure from two or more of the 2671  
departments represented on the council. The office shall provide 2672  
county family and children first councils, substitute care 2673  
providers, and persons interested in substitute care providers the 2674  
opportunity to help the office with the review and determination. 2675

The office shall report its findings to the council. Each of the departments represented on the council that has adopted rules governing the certification or licensure of substitute care providers shall review the report and amend the rules as that department considers appropriate, except that no rule shall be amended so as to make it inconsistent with substitute care provider certification or licensure procedures and standards established by federal or state law. A department shall give priority to amendments that will not increase the department's administrative costs. In amending a rule, a department shall comply with Chapter 119. or section 111.15 of the Revised Code, as required by the Revised Code section governing the adoption of the particular rule.

(D) In accordance with section 124.27 of the Revised Code, the council shall select a coordinator to oversee the office established pursuant to the agreement entered into under this section. The coordinator shall be in the classified service. In addition to overseeing the office, the coordinator shall perform any other duties the council assigns to the coordinator. The duties the council assigns to the coordinator shall be related to the duties of the office under division (C) of this section.

preceding the date the tax credit authority approves the 2713  
taxpayer's application or the date the tax credit authority 2714  
receives the recommendation described in division (C)(2)(a) of 2715  
this section, whichever occurs first, multiplied by the sum of one 2716

credit authority. 2718

(3) "Ohio employee payroll" means the total taxable income 2719

employee employed in the project who is a resident of this state, 2722  
as defined in section 5747.01 of the Revised Code, or to each 2723  
home-based employee employed in the project, to the extent such 2724

taxpayer must meet all of the commitments included in the 2744

section to foster job creation in this state. Such a grant shall 2747  
take the form of a refundable credit allowed against the tax 2748  
imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 2749  
5747.02 or levied under Chapter 5751. of the Revised Code. The 2750  
credit shall be claimed for the taxable years or tax periods 2751

~~which the remaining taxable years specified in the agreement end.~~ 2770

(C)(1) A taxpayer or potential taxpayer who proposes a 2771  
project to create new jobs in this state may apply to the tax 2772  
credit authority to enter into an agreement for a tax credit under 2773  
this section. 2774

An application shall not propose to include both home-based 2775  
employees and employees who are not home-based employees in the 2776  
computation of ~~income tax revenue~~ Ohio employee payroll for the 2777  
purposes of the same tax credit agreement. If a taxpayer or 2778  
potential taxpayer employs both home-based employees and employees 2779  
who are not home-based employees in a project, the taxpayer shall 2780  
submit separate applications for separate tax credit agreements 2781  
for the project, one of which shall include home-based employees 2782  
in the computation of ~~income tax revenue~~ Ohio employee payroll and 2783  
one of which shall include all other employees in the computation 2784  
of ~~income tax revenue~~ Ohio employee payroll. 2785

The director of development services shall prescribe the form 2786  
of the application. After receipt of an application, the authority 2787  
may enter into an agreement with the taxpayer for a credit under 2788  
this section if it determines all of the following: 2789

(a) The taxpayer's project will increase payroll ~~and income~~ 2790  
~~tax revenue;~~ 2791

(b) The taxpayer's project is economically sound and will 2792  
benefit the people of this state by increasing opportunities for 2793  
employment and strengthening the economy of this state; 2794

(c) Receiving the tax credit is a major factor in the 2795  
taxpayer's decision to go forward with the project. 2796

(2)(a) A taxpayer that chooses to begin the project prior to 2797  
receiving the determination of the authority may, upon submitting 2798  
the taxpayer's application to the authority, request that the 2799  
chief investment officer of the nonprofit corporation formed under 2800

section 187.01 of the Revised Code and the director review the taxpayer's application and recommend to the authority that the taxpayer's application be considered. As soon as possible after receiving such a request, the chief investment officer and the director shall review the taxpayer's application and, if they determine that the application warrants consideration by the authority, make that recommendation to the authority not later than six months after the application is received by the authority.

(b) The authority shall consider any taxpayer's application for which it receives a recommendation under division (C)(2)(a) of this section. If the authority determines that the taxpayer does not meet all of the criteria set forth in division (C)(1) of this section, the authority and the development services agency shall proceed in accordance with rules adopted by the director pursuant to division (I) of this section.

(D) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement;

(2)(a) The term of the tax credit, which, except as provided in division (D)(2)(b) of this section, shall not exceed fifteen years, and the first taxable year, or first calendar year that includes a tax period, for which the credit may be claimed;

(b) If the tax credit is computed on the basis of home-based employees, the term of the credit shall expire on or before the last day of the taxable or calendar year ending before the beginning of the seventh year after September 6, 2012, the effective date of H.B. 327 of the 129th general assembly.

(3) A requirement that the taxpayer shall maintain operations at the project location for at least the greater of seven years or

the term of the credit plus three years; 2832

(4) The percentage, as determined by the tax credit 2833  
authority, of excess ~~income tax revenue~~ payroll that will be 2834  
allowed as the amount of the credit for each taxable year or for 2835  
each calendar year that includes a tax period; 2836

(5) The pay increase factor to be applied to the taxpayer's 2837  
baseline ~~income tax revenue~~ payroll; 2838

(6) A requirement that the taxpayer annually shall report to 2839  
the director of development services ~~employment, tax withholding~~ 2840  
full-time equivalent employees, payroll, Ohio employee payroll, 2841  
investment, the provision of health care benefits and tuition 2842  
reimbursement if required in the agreement, and other information 2843  
the director needs to perform the director's duties under this 2844  
section; 2845

(7) A requirement that the director of development services 2846  
annually review the information reported under division (D)(6) of 2847  
this section and verify compliance with the agreement; if the 2848  
taxpayer is in compliance, a requirement that the director issue a 2849  
certificate to the taxpayer stating that the information has been 2850  
verified and identifying the amount of the credit that may be 2851  
claimed for the taxable or calendar year; 2852

(8) A provision providing that the taxpayer may not relocate 2853  
a substantial number of employment positions from elsewhere in 2854  
this state to the project location unless the director of 2855  
development services determines that the legislative authority of 2856  
the county, township, or municipal corporation from which the 2857  
employment positions would be relocated has been notified by the 2858  
taxpayer of the relocation. 2859

For purposes of this section, the movement of an employment 2860  
position from one political subdivision to another political 2861  
subdivision shall be considered a relocation of an employment 2862

position unless the employment position in the first political 2863  
subdivision is replaced. 2864

(9) If the tax credit is computed on the basis of home-based 2865  
employees, that the tax credit may not be claimed by the taxpayer 2866  
until the taxable year or tax period in which the taxpayer employs 2867  
at least two hundred employees more than the number of employees 2868  
the taxpayer employed on June 30, 2011. 2869

(E) If a taxpayer fails to meet or comply with any condition 2870  
or requirement set forth in a tax credit agreement, the tax credit 2871  
authority may amend the agreement to reduce the percentage or term 2872  
of the tax credit. The reduction of the percentage or term may 2873  
take effect in the current taxable or calendar year. 2874

(F) Projects that consist solely of point-of-final-purchase 2875  
retail facilities are not eligible for a tax credit under this 2876  
section. If a project consists of both point-of-final-purchase 2877  
retail facilities and nonretail facilities, only the portion of 2878  
the project consisting of the nonretail facilities is eligible for 2879  
a tax credit and only the excess ~~income tax revenue~~ payroll from 2880  
the nonretail facilities shall be considered when computing the 2881  
amount of the tax credit. If a warehouse facility is part of a 2882  
point-of-final-purchase retail facility and supplies only that 2883  
facility, the warehouse facility is not eligible for a tax credit. 2884  
Catalog distribution centers are not considered 2885  
point-of-final-purchase retail facilities for the purposes of this 2886  
division, and are eligible for tax credits under this section. 2887

(G) Financial statements and other information submitted to 2888  
the development services agency or the tax credit authority by an 2889  
applicant or recipient of a tax credit under this section, and any 2890  
information taken for any purpose from such statements or 2891  
information, are not public records subject to section 149.43 of 2892  
the Revised Code. However, the chairperson of the authority may 2893  
make use of the statements and other information for purposes of 2894

issuing public reports or in connection with court proceedings 2895  
concerning tax credit agreements under this section. Upon the 2896  
request of the tax commissioner or, if the applicant or recipient 2897  
is an insurance company, upon the request of the superintendent of 2898  
insurance, the chairperson of the authority shall provide to the 2899  
commissioner or superintendent any statement or information 2900  
submitted by an applicant or recipient of a tax credit in 2901  
connection with the credit. The commissioner or superintendent 2902  
shall preserve the confidentiality of the statement or 2903  
information. 2904

(H) A taxpayer claiming a credit under this section shall 2905

the commissioner or superintendent within ~~sixty~~ thirty days after 2914  
the commissioner or superintendent requests it. 2915

considers a taxpayer's application for which it receives a 2922  
recommendation under division (C)(2)(a) of this section but does 2923  
not approve it. The rules may provide for recipients of tax 2924  
credits under this section to be charged fees to cover 2925  
administrative costs of the tax credit program. The fees collected 2926

shall be credited to the business assistance fund created in 2927

is submitted. If the election is made, the credit shall be 2945  
apportioned among those persons in the same proportions as those 2946  
in which the income or profit is distributed. 2947

the taxpayer to refund to this state a portion of the credit in 2955

by the taxpayer under this section. 2982

(3) In determining the portion of the tax credit to be 2983  
refunded to this state, the tax credit authority shall consider 2984  
the effect of market conditions on the taxpayer's project and 2985

this state. After making the determination, the authority shall 2987  
certify the amount to be refunded to the tax commissioner or 2988

shall make an assessment for that amount against the taxpayer 2994  
under Chapter 5725. or 5729. of the Revised Code. The time 2995  
limitations on assessments under those chapters do not apply to an 2996  
assessment under this division, but the commissioner or 2997

one year after the date the authority certifies to the 2999

or requirement set forth in a tax credit agreement, the tax credit 3341  
authority may amend the agreement to reduce the percentage or term 3342

effect in the current taxable or calendar year. 3344

(G) Financial statements and other information submitted to 3345  
the department of development services or the tax credit authority 3346  
by an applicant for or recipient of a tax credit under this 3347  
section, and any information taken for any purpose from such 3348  
statements or information, are not public records subject to 3349  
section 149.43 of the Revised Code. However, the chairperson of 3350  
the authority may make use of the statements and other information 3351

under division (E)(6) of this section with the taxpayer's tax 3365  
report or return for the taxable year or for the calendar year 3366

that includes the tax period. Failure to submit a copy of the 3367  
certificate with the report or return does not invalidate a claim 3368  
for a credit if the taxpayer submits a copy of the certificate to 3369  
the commissioner or superintendent within ~~sixty~~ thirty days after 3370  
the commissioner or superintendent requests it. 3371

other such business entity may elect to pass the credit received 3377  
under this section through to the persons to whom the income or 3378  
profit of the partnership, S-corporation, or other entity is 3379  
distributed. The election shall be made on the annual report 3380  
required under division (E)(5) of this section. The election 3381  
applies to and is irrevocable for the credit for which the report 3382  
is submitted. If the election is made, the credit shall be 3383  
apportioned among those persons in the same proportions as those 3384  
in which the income or profit is distributed. 3385

(J)(1) If the director of development services determines 3386  
that a taxpayer that received a certificate under division (E)(6) 3387  
of this section is not complying with the ~~requirement under~~ 3388  
~~division (E)(3) of this section~~ requirements of the agreement, the 3389  
director shall notify the tax credit authority of the 3390  
noncompliance. After receiving such a notice, and after giving the 3391  
taxpayer an opportunity to explain the noncompliance, the 3392  
authority may terminate the agreement and require the taxpayer, or 3393  
any related member or members that claimed the tax credit under 3394  
division (N) of this section, to refund to the state all or a 3395  
portion of the credit claimed in previous years, as follows: 3396

~~(1)~~(a) If the taxpayer fails to comply with the requirement 3397  
under division (E)(3) of this section, an amount determined in 3398

for less than or equal to the term of the credit, an amount not to 3401  
exceed one hundred per cent of the sum of any tax credits allowed 3402  
and received under this section. 3403

~~(2)(ii)~~ If the taxpayer maintained operations at the project 3404  
site longer than the term of the credit, but less than the greater 3405

~~(b) seven years~~, the amount required to be refunded shall not 3407  
exceed seventy-five per cent of the sum of any tax credits allowed 3408  
and received under this section. 3409

(b) If the taxpayer fails to substantially maintain both the 3410  
number of full-time equivalent employees and the amount of Ohio 3411  
employee payroll required under the agreement at any time during 3412  
the term of the agreement or during the post-term reporting 3413  
period, an amount determined at the discretion of the authority. 3414

(2) If a taxpayer files for bankruptcy and fails as described 3415  
in division (J)(1)(a) or (b) of this section, the director may 3416  
immediately commence an action to recoup an amount not exceeding 3417  
one hundred per cent of the sum of any credits received by the 3418  
taxpayer under this section. 3419

(3) In determining the portion of the credit to be refunded 3420  
to this state, the authority shall consider the effect of market 3421  
conditions on the taxpayer's project and whether the taxpayer 3422  
continues to maintain other operations in this state. After making 3423  
the determination, the authority shall certify the amount to be 3424  
refunded to the tax commissioner or the superintendent of 3425  
insurance. If the taxpayer, or any related member or members who 3426  
claimed the tax credit under division (N) of this section, is not 3427  
an insurance company, the commissioner shall make an assessment 3428  
for that amount against the taxpayer under Chapter 5726., 5733., 3429

5736., 5747., or 5751. of the Revised Code. If the taxpayer, or 3430  
any related member or members that claimed the tax credit under 3431  
division (N) of this section, is an insurance company, the 3432  
superintendent of insurance shall make an assessment under section 3433  
5725.222 or 5729.102 of the Revised Code. The time limitations on 3434  
assessments under those chapters and sections do not apply to an 3435  
assessment under this division, but the commissioner or 3436  
superintendent shall make the assessment within one year after the 3437  
date the authority certifies to the commissioner or superintendent 3438  
the amount to be refunded. 3439

(K) The director of development services, after consultation 3440  
with the tax commissioner and the superintendent of insurance and 3441  
in accordance with Chapter 119. of the Revised Code, shall adopt 3442  
rules necessary to implement this section. The rules may provide 3443  
for recipients of tax credits under this section to be charged 3444  
fees to cover administrative costs of the tax credit program. The 3445  
fees collected shall be credited to the business assistance fund 3446  
created in section 122.174 of the Revised Code. At the time the 3447  
director gives public notice under division (A) of section 119.03 3448  
of the Revised Code of the adoption of the rules, the director 3449  
shall submit copies of the proposed rules to the chairpersons of 3450  
the standing committees on economic development in the senate and 3451  
the house of representatives. 3452

(L) On or before the first day of August of each year, the 3453  
director of development services shall submit a report to the 3454  
governor, the president of the senate, and the speaker of the 3455  
house of representatives on the tax credit program under this 3456  
section. The report shall include information on the number of 3457  
agreements that were entered into under this section during the 3458  
preceding calendar year, a description of the project that is the 3459  
subject of each such agreement, and an update on the status of 3460  
projects under agreements entered into before the preceding 3461

calendar year. 3462

(M)~~(1)~~ The aggregate amount of nonrefundable tax credits 3463  
issued under ~~division (B)(1)~~ of this section during any calendar 3464

and 2013 combined shall not exceed twenty five million dollars. An 3476  
amount equal to the aggregate amount of credits first authorized 3477  
in calendar year 2011, 2012, and 2013 may be claimed over the 3478  
ensuing period up to fifteen years, subject to the terms of 3479  
individual tax credit agreements. 3480~~

The limitations in division (M) of this section do not apply 3481  
to credits for capital investment projects approved by the tax 3482  
credit authority before July 1, 2009. 3483

(N) This division applies only to an eligible business that 3484  
is part of an affiliated group that includes a diversified savings 3485  
and loan holding company or a grandfathered unitary savings and 3486

certificate holder is subject to, then against the tax imposed by, 3501  
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and 3502

among the members of the affiliated group in such manner as the 3504  
eligible business elects, but subject to the sequential order 3505  
required under this division. This division applies to credits 3506  
granted before, on, or after March 27, 2013, the effective date of 3507

annually review the annual reports of each taxpayer subject to the 3683  
agreement to verify the information reported under division (E)(5) 3684  
of this section and compliance with the agreement. Upon 3685  
verification, the director shall issue a certificate to each such 3686  
taxpayer stating that the information has been verified and that 3687  
the taxpayer remains eligible for the exemption specified in the 3688  
agreement. 3689

(7) A provision providing that the taxpayers subject to the 3690  
agreement may not relocate a substantial number of employment 3691

the director of development services determines that the 3693  
appropriate taxpayer notified the legislative authority of the 3694  
county, township, or municipal corporation from which the 3695  
employment positions would be relocated. For purposes of this 3696  
paragraph, the movement of an employment position from one 3697  
political subdivision to another political subdivision shall be 3698  
considered a relocation of an employment position unless the 3699  
movement is confined to the project site. The transfer of an 3700  
employment position from one political subdivision to another 3701  
political subdivision shall not be considered a relocation of an 3702  
employment position if the employment position in the first 3703  
political subdivision is replaced by another employment position. 3704

(8) A waiver by each taxpayer subject to the agreement of any 3705  
limitations periods relating to assessments or adjustments 3706  
resulting from the taxpayer's failure to comply with the 3707  
agreement. 3708

(F) The term of an agreement under this section shall be 3709  
determined by the tax credit authority, and the amount of the 3710  
exemption shall not exceed one hundred per cent of such taxes that 3711

would otherwise be owed in respect to the exempted computer data center equipment. 3712  
3713

(G) If any taxpayer subject to an agreement under this section fails to meet or comply with any condition or requirement set forth in the agreement, the tax credit authority may amend the agreement to reduce the percentage of the exemption or term during which the exemption applies to the computer data center equipment used or to be used by the noncompliant taxpayer at an eligible computer data center. The reduction of the percentage or term may take effect in the current calendar year. 3714

However, the chairperson of the authority may make use of the statements and other information for purposes of issuing public reports or in connection with court proceedings concerning tax exemption agreements under this section. Upon the request of the tax commissioner, the chairperson of the authority shall provide to the tax commissioner any statement or other information submitted by an applicant for or recipient of an exemption under this section. Such direct payment permit shall authorize the taxpayer to pay any sales and use taxes due on purchases of computer data center equipment used or to be used in an eligible computer data center and to pay any sales and use taxes due on purchases of tangible personal property or 3737

taxable services other than computer data center equipment used or 3744  
to be used in an eligible computer data center directly to the tax 3745  
commissioner. Each such taxpayer shall pay pursuant to such direct 3746  
payment permit all sales tax levied on such purchases under 3747  
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 3748  
Code and all use tax levied on such purchases under sections 3749  
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 3750  
consistent with the terms of the agreement entered into under this 3751  
section. 3752

During the term of an agreement under this section each 3753  
taxpayer subject to the agreement shall submit to the tax 3754  
commissioner a return that shows the amount of computer data 3755  
center equipment purchased for use at the eligible computer data 3756  
center, the amount of tangible personal property and taxable 3757  
services other than computer data center equipment purchased for 3758  
use at the eligible computer data center, the amount of tax under 3759  
Chapter 5739. or 5741. of the Revised Code that would be due in 3760  
the absence of the agreement under this section, the exemption 3761  
percentage for computer data center equipment specified in the 3762  
agreement, and the amount of tax due under Chapter 5739. or 5741. 3763  
of the Revised Code as a result of the agreement under this 3764  
section. Each such taxpayer shall pay the tax shown on the return 3765  
to be due in the manner and at the times as may be further 3766  
prescribed by the tax commissioner. Each such taxpayer shall 3767  
include a copy of the director of development services' 3768  
certificate of verification issued under division (E)(6) of this 3769  
section. Failure to submit a copy of the certificate with the 3770  
return does not invalidate the claim for exemption if the taxpayer 3771  
submits a copy of the certificate to the tax commissioner within 3772  
sixty days after the tax commissioner requests it. 3773

(J) If the director of development services determines that 3774  
one or more taxpayers received an exemption from taxes due on the 3775

purchase of computer data center equipment purchased for use at a 3776  
computer data center that no longer complies with the requirement 3777  
under division (E)(3) of this section, the director shall notify 3778  
the tax credit authority and, if applicable, the taxpayer that 3779  
applied to enter the agreement for the exemption under division 3780  
(C) ~~if~~ of this section of the noncompliance. After receiving such 3781  
a notice, and after giving each taxpayer subject to the agreement 3782  
an opportunity to explain the noncompliance, the authority may 3783  
terminate the agreement and require each such taxpayer to pay to 3784  
the state all or a portion of the taxes that would have been owed 3785  
in regards to the exempt equipment in previous years, all as 3786  
determined under rules adopted pursuant to division (K) of this 3787  
section. In determining the portion of the taxes that would have 3788  
been owed on the previously exempted equipment to be paid to this 3789  
state by a taxpayer, the authority shall consider the effect of 3790  
market conditions on the eligible computer data center, whether 3791  
the taxpayer continues to maintain other operations in this state, 3792  
and, with respect to agreements involving multiple taxpayers, the 3793  
taxpayer's level of responsibility for the noncompliance. After 3794  
making the determination, the authority shall certify to the tax 3795  
commissioner the amount to be paid by each taxpayer subject to the 3796  
agreement. The tax commissioner shall make an assessment for that 3797  
amount against each such taxpayer under Chapter 5739. or 5741. of 3798  
the Revised Code. The time limitations on assessments under those 3799  
chapters do not apply to an assessment under this division, but 3800  
the tax commissioner shall make the assessment within one year 3801  
after the date the authority certifies to the tax commissioner the 3802  
amount to be paid by the taxpayer. 3803

(K) The director of development services, after consultation 3804  
with the tax commissioner and in accordance with Chapter 119. of 3805  
the Revised Code, shall adopt rules necessary to implement this 3806  
section. The rules may provide for recipients of tax exemptions 3807  
under this section to be charged fees to cover administrative 3808

costs incurred in the administration of this section. The fees 3809  
collected shall be credited to the business assistance fund 3810  
created in section 122.174 of the Revised Code. At the time the 3811  
director gives public notice under division (A) of section 119.03 3812  
of the Revised Code of the adoption of the rules, the director 3813  
shall submit copies of the proposed rules to the chairpersons of 3814  
the standing committees on economic development in the senate and 3815  
the house of representatives. 3816

(L) On or before the first day of August of each year, the 3817  
director of development services shall submit a report to the 3818  
governor, the president of the senate, and the speaker of the 3819  
house of representatives on the tax exemption authorized under 3820  
this section. The report shall include information on the number 3821  
of agreements that were entered into under this section during the 3822  
preceding calendar year, a description of the eligible computer 3823  
data center that is the subject of each such agreement, and an 3824  
update on the status of eligible computer data centers under 3825  
agreements entered into before the preceding calendar year. 3826

(M) A taxpayer may be made a party to an existing agreement 3827  
entered into under this section by the tax credit authority and 3828  
another taxpayer or group of taxpayers. In such a case, the 3829  
taxpayer shall be entitled to all benefits and bound by all 3830  
obligations contained in the agreement and all requirements 3831  
described in this section. When an agreement includes multiple 3832  
taxpayers, each taxpayer shall be entitled to a direct payment 3833  
permit as authorized in division (I) of this section. 3834

**Sec. 122.177.** (A) As used in this section: 3835

(1) "Business" means a sole proprietorship, a corporation for 3836  
profit, or a pass-through entity as defined in section 5733.04 of 3837  
the Revised Code. 3838

(2) "Career exploration internship" means a paid employment 3839

relationship between a student intern and a business in which the 3840  
student intern acquires education, instruction, and experience 3841  
relevant to the student intern's career aspirations. 3842

(3) "Student intern" means an individual who, at the time the 3843  
business applies for a grant under division (B) of this section, 3844  
meets both of the following criteria: 3845

internship. To qualify for a grant under the program, the career 3853  
exploration internship shall be at least twenty weeks in duration 3854  
and include at least two hundred hours of paid work and 3855  
instruction in this state. To obtain a grant, the business shall 3856  
apply to the development services agency before the starting date 3857  
of the career exploration internship. The application shall 3858  
include all of the following: 3859

(1) A brief description of the career exploration internship; 3860

(2) A signed statement by the student intern briefly 3861

not otherwise deny an application unless the application is 3883  
incomplete, the proposed employment relationship does not qualify 3884  
as a career exploration internship for which a grant may be 3885  
awarded under this section, the business is ineligible to receive 3886  
a grant under division (D)(1) of this section, or the agency 3887  
determines that approving the application would cause the amount 3888  
that could be awarded to exceed the amount of money in the career 3889  
exploration internship fund. 3890

(2) The agency shall send written notice of its determination 3891  
to the applicant within thirty days after receiving the 3892

not be approved, the notice shall include the reasons for such 3894  
determination. 3895

(3) The agency's determination is final and may not be 3896

shall not award grants under this section to any business that has 3901

received grants for three career exploration internships in that 3902

division (D)(1) of this section and that the career exploration 3921  
internship described in the report complies with all the 3922  
provisions of this section, the agency shall award a grant to the 3923  
business. The amount of the grant shall equal the lesser of the 3924

thirty days following the end of the career exploration internship 3933  
or in the thirteenth month following the start of the career 3934  
exploration internship, whichever comes first. The purpose of the 3935  
meeting is to discuss the student intern's experiences during the 3936  
career exploration internship, consider the practical applications 3937  
of these experiences to the student intern's career aspirations, 3938  
and to establish or confirm goals for the student intern. If 3939

and (D)(1)(e) of this section, the number of student interns that 3955  
continued employment with the business after the termination of 3956  
the career exploration internship, and the total amount of grants 3957  
awarded under this section. The report shall not disclose any 3958  
student interns' personally identifiable information. The agency 3959  
shall provide copies of the report to the governor, the speaker 3960  
and minority leader of the house of representatives, and the 3961

may be used by the cultural organization to administer the 4531  
project; 4532

(4) Identify the facility to be constructed, renovated, 4533  
remodeled, or improved; 4534

~~(4)~~(5) Specify that the project scope meets the intent and 4535  
purpose of the project appropriation and that the project can be 4536  
completed and ready ~~for full occupancy~~ to support culture without 4537  
exceeding appropriated funds; 4538

~~(5)~~(6) Specify that the cultural organization shall hold the 4539

and 123.281 of the Revised Code; and 4545

~~(7)~~(8) Provide that amendments to the agreement shall require 4546  
the approval of the Ohio facilities construction commission. 4547

(D) For an Ohio sports facility that is financed in part by 4548  
obligations issued under Chapter 154. of the Revised Code, 4549  
construction services shall be provided on behalf of the state by 4550  
or at the direction of the governmental agency or nonprofit 4551  
corporation that will own or be responsible for the management of 4552  
the facility. Any construction services to be provided by a 4553  
governmental agency or nonprofit corporation shall be specified in 4554

of an Ohio sports facility, excluding any site acquisition cost, 4564  
and no state funds, including any state bond proceeds, shall be 4565  
spent on any Ohio sports facility under this chapter unless, with 4566  
respect to that facility, all of the following apply: 4567

(1) The Ohio facilities construction commission has received 4568  
a financial and development plan satisfactory to it, and provision 4569

for planning or determining the feasibility of or need for the 4580  
facility does not constitute authorization to spend money on, or 4581  
an appropriation for, costs of constructing the facility. 4582

the facility or in the portion or portions of the facility 4586  
financed from proceeds of state bonds, which may include, but is 4587  
not limited to, the right to use or to require the use of the 4588  
facility for the presentation of sport and athletic events to the 4589

this section, no state funds, including any state bond proceeds, 4592

following apply: 4595

(1) Motorsports events shall be presented at the facility 4596  
pursuant to a lease entered into with the owner of the facility. 4597  
The term of the lease shall be for a period of not less than the 4598  
greater of the useful life of the portion of the facility financed 4599  
from proceeds of state bonds as determined using the guidelines 4600  
for maximum maturities as provided under divisions (B) and (C) of 4601  
section 133.20 of the Revised Code, or the period of time 4602  
remaining to the date of payment or provision for payment of 4603  
outstanding state bonds allocable to costs of the facility, all as 4604  
determined by the director of budget and management and certified 4605  
by the executive director of the Ohio facilities construction 4606  
commission and to the treasurer of state. 4607

(2) Any motorsports organization that commits to using the 4608  
facility for an established period of time shall give the 4609

political subdivision in which the facility is located not less 4610  
than six months' advance notice if the organization intends to 4611  
cease utilizing the facility prior to the expiration of that 4612  
established period. Such a motorsports organization shall be 4613  
liable to the state for any state funds used on the construction 4614  
costs of the facility. 4615

~~(F)~~(G) In addition to the requirements of division ~~(D)~~(E) of 4616  
this section, no state bond proceeds shall be spent on any Ohio 4617  
sports facility that is a tennis facility, unless the owner or 4618  
manager of the facility provides contractual commitments from a 4619  
national or international professional tennis organization in a 4620  
form acceptable to the Ohio facilities construction commission 4621  
that assures that one or more sanctioned professional tennis 4622  
events will be presented at the facility during each year that the 4623  
bonds remain outstanding. 4624

**Sec. 124.14.** (A)(1) The director of administrative services 4625  
shall establish, and may modify or rescind, ~~by rule,~~ a job 4626  
classification plan for all positions, offices, and employments in 4627  
the service of the state. The director shall group jobs within a 4628  
classification so that the positions are similar enough in duties 4629  
and responsibilities to be described by the same title, to have 4630  
the same pay assigned with equity, and to have the same 4631  
qualifications for selection applied. The director shall, ~~by rule,~~ 4632  
assign a classification title to each classification within the 4633  
classification plan. However, the director shall consider in 4634  
establishing classifications, including classifications with 4635  
parenthetical titles, and assigning pay ranges such factors as 4636  
duties performed only on one shift, special skills in short supply 4637  
in the labor market, recruitment problems, separation rates, 4638  
comparative salary rates, the amount of training required, and 4639  
other conditions affecting employment. The director shall describe 4640  
the duties and responsibilities of the class, establish the 4641

qualifications for being employed in each position in the class, 4642  
and file with the secretary of state a copy of specifications for 4643  
all of the classifications. The director shall file new, 4644  
additional, or revised specifications with the secretary of state 4645  
before they are used. 4646

The director shall, ~~by rule,~~ assign each classification, 4647  
either on a statewide basis or in particular counties or state 4648  
institutions, to a pay range established under section 124.15 or 4649  
section 124.152 of the Revised Code. The director may assign a 4650  
classification to a pay range on a temporary basis for a period of 4651  
six months. The director may establish, ~~by rule adopted under~~ 4652  
~~Chapter 119. of the Revised Code,~~ experimental classification 4653  
plans for some or all employees paid directly by warrant of the 4654  
director of budget and management. ~~The rule~~ Any such experimental 4655  
classification plan shall include specifications for each 4656  
classification within the plan and shall specifically address 4657  
compensation ranges, and methods for advancing within the ranges, 4658  
for the classifications, which may be assigned to pay ranges other 4659  
than the pay ranges established under section 124.15 or 124.152 of 4660  
the Revised Code. 4661

(2) The director of administrative services may reassign to a 4662  
proper classification those positions that have been assigned to 4663  
an improper classification. If the compensation of an employee in 4664  
such a reassigned position exceeds the maximum rate of pay for the 4665  
employee's new classification, the employee shall be placed in pay 4666  
step X and shall not receive an increase in compensation until the 4667  
maximum rate of pay for that classification exceeds the employee's 4668  
compensation. 4669

(3) The director may reassign an exempt employee, as defined 4670  
in section 124.152 of the Revised Code, to a bargaining unit 4671  
classification if the director determines that the bargaining unit 4672  
classification is the proper classification for that employee. 4673

Notwithstanding Chapter 4117. of the Revised Code or instruments 4674  
and contracts negotiated under it, these placements are at the 4675  
director's discretion. 4676

(4) The director shall, ~~by rule~~, assign related 4677  
classifications, which form a career progression, to a 4678  
classification series. The director shall, ~~by rule~~, assign each 4679  
classification in the classification plan a five-digit number, the 4680  
first four digits of which shall denote the classification series 4681  
to which the classification is assigned. When a career progression 4682  
encompasses more than ten classifications, the director shall, ~~by~~ 4683  
~~rule~~, identify the additional classifications belonging to a 4684  
classification series. The additional classifications shall be 4685  
part of the classification series, notwithstanding the fact that 4686  
the first four digits of the number assigned to the additional 4687  
classifications do not correspond to the first four digits of the 4688  
numbers assigned to other classifications in the classification 4689  
series. 4690

(B) Division (A) of this section and sections 124.15 and 4691  
124.152 of the Revised Code do not apply to the following persons, 4692

of state, auditor of state, treasurer of state, and attorney 4699  
general, and employees of the supreme court; 4700

(3) Any position for which the authority to determine 4701  
compensation is given by law to another individual or entity; 4702

compensation the administrator of workers' compensation 4704

establishes under division (B) of section 4121.121 of the Revised Code. 4705

(C) The director may employ a consulting agency to aid and assist the director in carrying out this section. 4707

(2) When the director proposes to reclassify any employee in the service of the state so that the employee is adversely affected, the director shall give to the employee affected and to the employee's appointing authority a written notice setting forth the proposed new classification, pay range, and salary. Upon the request of any classified employee in the service of the state who is not serving in a probationary period, the director shall perform a job audit to review the classification of the employee's position to determine whether the position is properly classified. The director shall give to the employee affected and to the employee's appointing authority a written notice of the director's determination whether or not to reclassify the position or to reassign the employee to another classification. An employee or appointing authority desiring a hearing shall file a written request for the hearing with the state personnel board of review within thirty days after receiving the notice. appointing authority, or any authorized representative of the 4737  
employee who wishes to submit facts for the consideration of the 4738  
board shall be afforded reasonable opportunity to do so. After the 4739  
hearing, the board shall consider anew the reclassification and 4740  
may order the reclassification of the employee and require the 4741  
director to assign the employee to such appropriate classification 4742  
as the facts and evidence warrant. As provided in division (A)(1) 4743  
of section 124.03 of the Revised Code, the board may determine the 4744  
most appropriate classification for the position of any employee 4745  
coming before the board, with or without a job audit. The board 4746  
shall disallow any reclassification or reassignment classification 4747  
of any employee when it finds that changes have been made in the 4748  
duties and responsibilities of any particular employee for 4749  
political, religious, or other unjust reasons. 4750

(E)(1) Employees of each county department of job and family 4751  
services shall be paid a salary or wage established by the board 4752  
of county commissioners. The provisions of section 124.18 of the 4753  
Revised Code concerning the standard work week apply to employees 4754  
of county departments of job and family services. A board of 4755  
county commissioners may do either of the following: 4756

(a) Notwithstanding any other section of the Revised Code, 4757  
supplement the sick leave, vacation leave, personal leave, and 4758  
other benefits of any employee of the county department of job and 4759  
family services of that county, if the employee is eligible for 4760  
the supplement under a written policy providing for the 4761  
supplement; 4762

(b) Notwithstanding any other section of the Revised Code, 4763  
establish alternative schedules of sick leave, vacation leave, 4764  
personal leave, or other benefits for employees not inconsistent 4765  
with the provisions of a collective bargaining agreement covering 4766  
the affected employees. 4767

(2) Division (E)(1) of this section does not apply to 4768

employees for whom the state employment relations board 4769  
establishes appropriate bargaining units pursuant to section 4770  
4117.06 of the Revised Code, except in either of the following 4771  
situations: 4772

(a) The employees for whom the state employment relations 4773  
board establishes appropriate bargaining units elect no 4774  
representative in a board-conducted representation election. 4775

(b) After the state employment relations board establishes 4776  
appropriate bargaining units for such employees, all employee 4777  
organizations withdraw from a representation election. 4778

(F)(1) Notwithstanding any contrary provision of sections 4779  
124.01 to 124.64 of the Revised Code, the board of trustees of 4780  
each state university or college, as defined in section 3345.12 of 4781  
the Revised Code, shall carry out all matters of governance 4782  
involving the officers and employees of the university or college, 4783  
including, but not limited to, the powers, duties, and functions 4784  
of the department of administrative services and the director of 4785  
administrative services specified in this chapter. Officers and 4786  
employees of a state university or college shall have the right of 4787  
appeal to the state personnel board of review as provided in this 4788  
chapter. 4789

(2) Each board of trustees shall adopt rules under section 4790  
111.15 of the Revised Code to carry out the matters of governance 4791  
described in division (F)(1) of this section. Until the board of 4792  
trustees adopts those rules, a state university or college shall 4793  
continue to operate pursuant to the applicable rules adopted by 4794  
the director of administrative services under this chapter. 4795

(G)(1) Each board of county commissioners may, by a 4796  
resolution adopted by a majority of its members, establish a 4797  
county personnel department to exercise the powers, duties, and 4798  
functions specified in division (G) of this section. As used in 4799

division (G) of this section, "county personnel department" means 4800  
a county personnel department established by a board of county 4801  
commissioners under division (G)(1) of this section. 4802

(2)(a) Each board of county commissioners, by a resolution 4803  
adopted by a majority of its members, may designate the county 4804  
personnel department of the county to exercise the powers, duties, 4805  
and functions specified in sections 124.01 to 124.64 and Chapter 4806  
325. of the Revised Code with regard to employees in the service 4807  
of the county, except for the powers and duties of the state 4808  
personnel board of review, which powers and duties shall not be 4809  
construed as having been modified or diminished in any manner by 4810  
division (G)(2) of this section, with respect to the employees for 4811  
whom the board of county commissioners is the appointing authority 4812  
or co-appointing authority. 4813

(b) Nothing in division (G)(2) of this section shall be 4814  
construed to limit the right of any employee who possesses the 4815  
right of appeal to the state personnel board of review to continue 4816  
to possess that right of appeal. 4817

(c) Any board of county commissioners that has established a 4818  
county personnel department may contract with the department of 4819  
administrative services, in accordance with division (H) of this 4820  
section, another political subdivision, or an appropriate public 4821  
or private entity to provide competitive testing services or other 4822  
appropriate services. 4823

(3) After the county personnel department of a county has 4824  
been established as described in division (G)(2) of this section, 4825  
any elected official, board, agency, or other appointing authority 4826  
of that county, upon written notification to the county personnel 4827  
department, may elect to use the services and facilities of the 4828  
county personnel department. Upon receipt of the notification by 4829  
the county personnel department, the county personnel department 4830  
shall exercise the powers, duties, and functions as described in 4831

division (G)(2) of this section with respect to the employees of 4832  
that elected official, board, agency, or other appointing 4833  
authority. 4834

(4) Each board of county commissioners, by a resolution 4835  
adopted by a majority of its members, may disband the county 4836  
personnel department. 4837

(5) Any elected official, board, agency, or appointing 4838  
authority of a county may end its involvement with a county 4839  
personnel department upon actual receipt by the department of a 4840  
certified copy of the notification that contains the decision to 4841  
no longer participate. 4842

(6) A county personnel department, in carrying out its 4843  
duties, shall adhere to merit system principles with regard to 4844  
employees of county departments of job and family services, child 4845  
support enforcement agencies, and public child welfare agencies so 4846  
that there is no threatened loss of federal funding for these 4847  
agencies, and the county is financially liable to the state for 4848  
any loss of federal funds due to the action or inaction of the 4849  
county personnel department. 4850

(H) County agencies may contract with the department of 4851  
administrative services for any human resources services, 4852  
including, but not limited to, establishment and modification of 4853  
job classification plans, competitive testing services, and 4854  
periodic audits and reviews of the county's uniform application of 4855  
the powers, duties, and functions specified in sections 124.01 to 4856  
124.64 and Chapter 325. of the Revised Code with regard to 4857  
employees in the service of the county. Nothing in this division 4858  
modifies the powers and duties of the state personnel board of 4859  
review with respect to employees in the service of the county. 4860  
Nothing in this division limits the right of any employee who 4861  
possesses the right of appeal to the state personnel board of 4862  
review to continue to possess that right of appeal. 4863

(I) The director of administrative services shall establish 4864  
the rate and method of compensation for all employees who are paid 4865  
directly by warrant of the director of budget and management and 4866  
who are serving in positions that the director of administrative 4867  
services has determined impracticable to include in the state job 4868  
classification plan. This division does not apply to elected 4869  
officials, legislative employees, employees of the legislative 4870  
service commission, employees who are in the unclassified civil 4871  
service and exempt from collective bargaining coverage in the 4872  
office of the secretary of state, auditor of state, treasurer of 4873  
state, and attorney general, employees of the courts, employees of 4874  
the bureau of workers' compensation whose compensation the 4875  
administrator of workers' compensation establishes under division 4876  
(B) of section 4121.121 of the Revised Code, or employees of an 4877  
appointing authority authorized by law to fix the compensation of 4878  
those employees. 4879

(J) The director of administrative services shall set the 4880  
rate of compensation for all intermittent, seasonal, temporary, 4881  
emergency, and casual employees in the service of the state who 4882  
are not considered public employees under section 4117.01 of the 4883  
Revised Code. Those employees are not entitled to receive employee 4884  
benefits. This rate of compensation shall be equitable in terms of 4885  
the rate of employees serving in the same or similar 4886  
classifications. This division does not apply to elected 4887  
officials, legislative employees, employees of the legislative 4888  
service commission, employees who are in the unclassified civil 4889  
service and exempt from collective bargaining coverage in the 4890  
office of the secretary of state, auditor of state, treasurer of 4891  
state, and attorney general, employees of the courts, employees of 4892  
the bureau of workers' compensation whose compensation the 4893  
administrator establishes under division (B) of section 4121.121 4894  
of the Revised Code, or employees of an appointing authority 4895

(B) The pay schedule of all employees shall be on a biweekly basis, with amounts computed on an hourly basis. 5007  
5008

(C) Part-time employees shall be compensated on an hourly basis for time worked, at the rates shown in division (A) of this section or in section 124.152 of the Revised Code. 5009  
5010  
5011

(D) The salary and wage rates in division (A) of this section or in section 124.152 of the Revised Code represent base rates of compensation and may be augmented by the provisions of section 124.181 of the Revised Code. In those cases where lodging, meals, laundry, or other personal services are furnished an employee in the service of the state, the actual costs or fair market value of the personal services shall be paid by the employee in such amounts and manner as determined by the director of administrative services and approved by the director of budget and management, and those personal services shall not be considered as a part of the employee's compensation. An appointing authority that appoints employees in the service of the state, with the approval of the director of administrative services and the director of budget and management, may establish payments to employees for uniforms, tools, equipment, and other requirements of the department and 5012

payments for the maintenance of them. 5027

The director of administrative services may review collective 5028  
bargaining agreements entered into under Chapter 4117. of the 5029  
Revised Code that cover employees in the service of the state and 5030  
determine whether certain benefits or payments provided to the 5031  
employees covered by those agreements should also be provided to 5032  
employees in the service of the state who are exempt from 5033  
collective bargaining coverage and are paid in accordance with 5034  
section 124.152 of the Revised Code or are listed in division 5035  
(B)(2) or (4) of section 124.14 of the Revised Code. On completing 5036  
the review, the director of administrative services, with the 5037  
approval of the director of budget and management, may provide to 5038  
some or all of these employees any payment or benefit, except for 5039  
salary, contained in such a collective bargaining agreement even 5040  
if it is similar to a payment or benefit already provided by law 5041  
to some or all of these employees. Any payment or benefit so 5042  
provided shall not exceed the highest level for that payment or 5043  
benefit specified in such a collective bargaining agreement. The 5044  
director of administrative services shall not provide, and the 5045  
director of budget and management shall not approve, any payment 5046  
or benefit to such an employee under this division unless the 5047  
payment or benefit is provided pursuant to a collective bargaining 5048  
agreement to a state employee who is in a position with similar 5049  
duties as, is supervised by, or is employed by the same appointing 5050  
authority as, the employee to whom the benefit or payment is to be 5051  
provided. 5052

As used in this division, "payment or benefit already 5053  
provided by law" includes, but is not limited to, bereavement, 5054  
personal, vacation, administrative, and sick leave, disability 5055  
benefits, holiday pay, and pay supplements provided under the 5056  
Revised Code, but does not include wages or salary. 5057

(E) New employees paid in accordance with schedule B of 5058

division (A) of this section or schedule E-1 of section 124.152 of 5059  
the Revised Code shall be employed at the minimum rate established 5060  
for the range unless otherwise provided. Employees with 5061  
qualifications that are beyond the minimum normally required for 5062  
the position and that are determined by the director to be 5063  
exceptional may be employed in, or may be transferred or promoted 5064  
to, a position at an advanced step of the range. Further, in time 5065  
of a serious labor market condition when it is relatively 5066  
impossible to recruit employees at the minimum rate for a 5067  
particular classification, the entrance rate may be set at an 5068  
advanced step in the range by the director of administrative 5069  
services. This rate may be limited to geographical regions of the 5070  
state. Appointments made to an advanced step under the provision 5071  
regarding exceptional qualifications shall not affect the step 5072  
assignment of employees already serving. However, anytime the 5073  
hiring rate of an entire classification is advanced to a higher 5074  
step, all incumbents of that classification being paid at a step 5075  
lower than that being used for hiring, shall be advanced beginning 5076  
at the start of the first pay period thereafter to the new hiring 5077  
rate, and any time accrued at the lower step will be used to 5078  
calculate advancement to a succeeding step. If the hiring rate of 5079  
a classification is increased for only a geographical region of 5080  
the state, only incumbents who work in that geographical region 5081  
shall be advanced to a higher step. When an employee in the 5082  
unclassified service changes from one state position to another or 5083  
is appointed to a position in the classified service, or if an 5084  
employee in the classified service is appointed to a position in 5085  
the unclassified service, the employee's salary or wage in the new 5086  
position shall be determined in the same manner as if the employee 5087  
were an employee in the classified service. When an employee in 5088  
the unclassified service who is not eligible for step increases is 5089  
appointed to a classification in the classified service under 5090  
which step increases are provided, future step increases shall be 5091

based on the date on which the employee last received a pay 5092  
increase. If the employee has not received an increase during the 5093  
previous year, the date of the appointment to the classified 5094  
service shall be used to determine the employee's annual step 5095  
advancement eligibility date. In reassigning any employee to a 5096  
classification resulting in a pay range increase or to a new pay 5097  
range as a result of a promotion, an increase pay range 5098  
adjustment, or other classification change resulting in a pay 5099  
range increase, the director shall assign such employee to the 5100  
step in the new pay range that will provide an increase of 5101  
approximately four per cent if the new pay range can accommodate 5102  
the increase. When an employee is being assigned to a 5103  
classification or new pay range as the result of a class plan 5104  
change, if the employee has completed a probationary period, the 5105  
employee shall be placed in a step no lower than step two of the 5106  
new pay range. If the employee has not completed a probationary 5107  
period, the employee may be placed in step one of the new pay 5108  
range. Such new salary or wage shall become effective on such date 5109  
as the director determines. 5110

(F) If employment conditions and the urgency of the work 5111  
require such action, the director of administrative services may, 5112  
upon the application of a department head, authorize payment at 5113  
any rate established within the range for the class of work, for 5114  
work of a casual or intermittent nature or on a project basis. 5115  
Payment at such rates shall not be made to the same individual for 5116  
more than three calendar months in any one calendar year. Any such 5117  
action shall be subject to the approval of the director of budget 5118  
and management as to the availability of funds. This section and 5119  
sections 124.14 and 124.152 of the Revised Code do not repeal any 5120  
authority of any department or public official to contract with or 5121  
fix the compensation of professional persons who may be employed 5122  
temporarily for work of a casual nature or for work on a project 5123  
basis. 5124

(G)(1) Except as provided in divisions (G)(2) and (3) of this section, each state employee paid in accordance with schedule B of this section or schedule E-1 of section 124.152 of the Revised Code shall be eligible for advancement to succeeding steps in the range for the employee's class or grade according to the schedule established in this division. Beginning on the first day of the pay period within which the employee completes the prescribed probationary period in the employee's classification with the state, each employee shall receive an automatic salary adjustment equivalent to the next higher step within the pay range for the employee's class or grade.

Except as provided in divisions (G)(2) and (3) of this section, each employee paid in accordance with schedule E-1 of section 124.152 of the Revised Code shall be eligible to advance to the next higher step until the employee reaches the top step in the range for the employee's class or grade, if the employee has maintained satisfactory performance in accordance with criteria established by the employee's appointing authority. Those step advancements shall not occur more frequently than once in any twelve-month period.

When an employee is promoted, the step entry date shall be set to account for a probationary period. When an employee is reassigned to a higher pay range, the step entry date shall be set to allow an employee who is not at the highest step of the range to receive a step advancement one year from the reassignment date. Step advancement shall not be affected by demotion. A promoted employee shall advance to the next higher step of the pay range on the first day of the pay period in which the required probationary period is completed. Step advancement shall become effective at the beginning of the pay period within which the employee attains the necessary length of service. Time spent on authorized leave of absence shall be counted for this purpose.

If determined to be in the best interest of the state 5157  
service, the director of administrative services may, either 5158  
statewide or in selected agencies, adjust the dates on which 5159  
annual step advancements are received by employees paid in 5160  
accordance with schedule E-1 of section 124.152 of the Revised 5161  
Code. 5162

(2)(a) There shall be a moratorium on annual step 5163  
advancements under division (G)(1) of this section beginning June 5164  
21, 2009, through June 20, 2011. Step advancements shall resume 5165  
with the pay period beginning June 21, 2011. Upon the resumption 5166  
of step advancements, there shall be no retroactive step 5167  
advancements for the period the moratorium was in effect. The 5168  
moratorium shall not affect an employee's performance evaluation 5169  
schedule. 5170

An employee who begins a probationary period before June 21, 5171  
2009, shall advance to the next step in the employee's pay range 5172  
at the end of probation, and then become subject to the 5173  
moratorium. An employee who is hired, promoted, or reassigned to a 5174  
higher pay range between June 21, 2009, through June 20, 2011, 5175  
shall not advance to the next step in the employee's pay range 5176  
until the next anniversary of the employee's date of hire, 5177  
promotion, or reassignment that occurs on or after June 21, 2011. 5178

(b) The moratorium under division (G)(2)(a) of this section 5179  
shall apply to the employees of the secretary of state, the 5180  
auditor of state, the treasurer of state, and the attorney 5181  
general, who are subject to this section unless the secretary of 5182  
state, the auditor of state, the treasurer of state, or the 5183  
attorney general decides to exempt the office's employees from the 5184  
moratorium and so notifies the director of administrative services 5185  
in writing on or before July 1, 2009. 5186

(3) Employees in intermittent positions shall be employed at 5187  
the minimum rate established for the pay range for their 5188

classification and are not eligible for step advancements. 5189

(H) Employees in appointive managerial or professional 5190  
positions paid in accordance with schedule C of this section or 5191  
schedule E-2 of section 124.152 of the Revised Code may be 5192  
appointed at any rate within the appropriate pay range. This rate 5193  
of pay may be adjusted higher or lower within the respective pay 5194  
range at any time the appointing authority so desires as long as 5195  
the adjustment is based on the employee's ability to successfully 5196  
administer those duties assigned to the employee. Salary 5197  
adjustments shall not be made more frequently than once in any 5198  
six-month period under this provision to incumbents holding the 5199  
same position and classification. 5200

(I) When an employee is assigned to duty outside this state, 5201  
the employee may be compensated, upon request of the department 5202  
head and with the approval of the director of administrative 5203  
services, at a rate not to exceed fifty per cent in excess of the 5204  
employee's current base rate for the period of time spent on that 5205  
duty. 5206

(J) Unless compensation for members of a board or commission 5207  
is otherwise specifically provided by law, the director of 5208  
administrative services shall establish the rate and method of 5209  
payment for members of boards and commissions pursuant to the pay 5210  
schedules listed in section 124.152 of the Revised Code. 5211

(K) Regular full-time employees in positions assigned to 5212  
classes within the instruction and education administration series 5213  
under the ~~rules~~ job classification plans of the director of 5214  
administrative services, except certificated employees on the 5215  
instructional staff of the state school for the blind or the state 5216  
school for the deaf, whose positions are scheduled to work on the 5217  
basis of an academic year rather than a full calendar year, shall 5218  
be paid according to the pay range assigned by ~~such rules~~ the 5219  
applicable job classification plan, but only during those pay 5220

periods included in the academic year of the school where the 5221  
employee is located. 5222

(1) Part-time or substitute teachers or those whose period of 5223  
employment is other than the full academic year shall be 5224  
compensated for the actual time worked at the rate established by 5225  
this section. 5226

(2) Employees governed by this division are exempt from 5227  
sections 124.13 and 124.19 of the Revised Code. 5228

(3) Length of service for the purpose of determining 5229  
eligibility for step advancements as provided by division (G) of 5230  
this section and for the purpose of determining eligibility for 5231  
longevity pay supplements as provided by division (E) of section 5232  
124.181 of the Revised Code shall be computed on the basis of one 5233  
full year of service for the completion of each academic year. 5234

(L) The superintendent of the state school for the deaf and 5235  
the superintendent of the state school for the blind shall, 5236  
subject to the approval of the superintendent of public 5237  
instruction, carry out both of the following: 5238

(1) Annually, between the first day of April and the last day 5239  
of June, establish for the ensuing fiscal year a schedule of 5240  
hourly rates for the compensation of each certificated employee on 5241  
the instructional staff of that superintendent's respective school 5242  
constructed as follows: 5243

(a) Determine for each level of training, experience, and 5244  
other professional qualification for which an hourly rate is set 5245  
forth in the current schedule, the per cent that rate is of the 5246  
rate set forth in such schedule for a teacher with a bachelor's 5247  
degree and no experience. If there is more than one such rate for 5248  
such a teacher, the lowest rate shall be used to make the 5249  
computation. 5250

(b) Determine which six city, local, and exempted village 5251

school districts with territory in Franklin county have in effect 5252  
on, or have adopted by, the first day of April for the school year 5253  
that begins on the ensuing first day of July, teacher salary 5254  
schedules with the highest minimum salaries for a teacher with a 5255  
bachelor's degree and no experience; 5256

(c) Divide the sum of such six highest minimum salaries by 5257  
ten thousand five hundred sixty; 5258

(d) Multiply each per cent determined in division (L)(1)(a) 5259  
of this section by the quotient obtained in division (L)(1)(c) of 5260  
this section; 5261

(e) One hundred five per cent of each product thus obtained 5262  
shall be the hourly rate for the corresponding level of training, 5263  
experience, or other professional qualification in the schedule 5264  
for the ensuing fiscal year. 5265

(2) Annually, assign each certificated employee on the 5266  
instructional staff of the superintendent's respective school to 5267  
an hourly rate on the schedule that is commensurate with the 5268  
employee's training, experience, and other professional 5269  
qualifications. 5270

If an employee is employed on the basis of an academic year, 5271  
the employee's annual salary shall be calculated by multiplying 5272

a person under the age of eighteen" means information that is kept 7731  
in the ordinary course of business by a public office, that 7732  
pertains to the recreational activities of a person under the age 7733  
of eighteen years, and that discloses any of the following: 7734

(a) The address or telephone number of a person under the age 7735

(B)(1) Upon request and subject to division (B)(8) of this section, all public records responsive to the request shall be promptly prepared and made available for inspection to any person at all reasonable times during regular business hours. Subject to division (B)(8) of this section, upon request, a public office or person responsible for public records shall make copies of the requested public record available at cost and within a reasonable period of time. If a public record contains information that is exempt from the duty to permit public inspection or to copy the public record, the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any redaction or make the redaction plainly visible. A redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction. 7758

(2) To facilitate broader access to public records, a public office or the person responsible for public records shall organize 7777  
7778

and maintain public records in a manner that they can be made 7779  
available for inspection or copying in accordance with division 7780  
(B) of this section. A public office also shall have available a 7781  
copy of its current records retention schedule at a location 7782  
readily available to the public. If a requester makes an ambiguous 7783  
or overly broad request or has difficulty in making a request for 7784  
copies or inspection of public records under this section such 7785  
that the public office or the person responsible for the requested 7786  
public record cannot reasonably identify what public records are 7787  
being requested, the public office or the person responsible for 7788  
the requested public record may deny the request but shall provide 7789  
the requester with an opportunity to revise the request by 7790  
informing the requester of the manner in which records are 7791  
maintained by the public office and accessed in the ordinary 7792  
course of the public office's or person's duties. 7793

(3) If a request is ultimately denied, in part or in whole, 7794  
the public office or the person responsible for the requested 7795  
public record shall provide the requester with an explanation, 7796  
including legal authority, setting forth why the request was 7797  
denied. If the initial request was provided in writing, the 7798  
explanation also shall be provided to the requester in writing. 7799  
The explanation shall not preclude the public office or the person 7800  
responsible for the requested public record from relying upon 7801  
additional reasons or legal authority in defending an action 7802  
commenced under division (C) of this section. 7803

(4) Unless specifically required or authorized by state or 7804  
federal law or in accordance with division (B) of this section, no 7805  
public office or person responsible for public records may limit 7806  
or condition the availability of public records by requiring 7807  
disclosure of the requester's identity or the intended use of the 7808  
requested public record. Any requirement that the requester 7809  
disclose the requestor's identity or the intended use of the 7810

requested public record constitutes a denial of the request. 7811

(5) A public office or person responsible for public records 7812  
may ask a requester to make the request in writing, may ask for 7813  
the requester's identity, and may inquire about the intended use 7814  
of the information requested, but may do so only after disclosing 7815  
to the requester that a written request is not mandatory and that 7816  
the requester may decline to reveal the requester's identity or 7817  
the intended use and when a written request or disclosure of the 7818  
identity or intended use would benefit the requester by enhancing 7819  
the ability of the public office or person responsible for public 7820  
records to identify, locate, or deliver the public records sought 7821  
by the requester. 7822

(6) If any person chooses to obtain a copy of a public record 7823  
in accordance with division (B) of this section, the public office 7824  
or person responsible for the public record may require that 7825  
person to pay in advance the cost involved in providing the copy 7826  
of the public record in accordance with the choice made by the 7827  
person seeking the copy under this division. The public office or 7828  
the person responsible for the public record shall permit that 7829  
person to choose to have the public record duplicated upon paper, 7830  
upon the same medium upon which the public office or person 7831  
responsible for the public record keeps it, or upon any other 7832  
medium upon which the public office or person responsible for the 7833  
public record determines that it reasonably can be duplicated as 7834  
an integral part of the normal operations of the public office or 7835  
person responsible for the public record. When the person seeking 7836  
the copy makes a choice under this division, the public office or 7837  
person responsible for the public record shall provide a copy of 7838  
it in accordance with the choice made by the person seeking the 7839  
copy. Nothing in this section requires a public office or person 7840  
responsible for the public record to allow the person seeking a 7841  
copy of the public record to make the copies of the public record. 7842

(7) Upon a request made in accordance with division (B) of 7843  
this section and subject to division (B)(6) of this section, a 7844  
public office or person responsible for public records shall 7845  
transmit a copy of a public record to any person by United States 7846  
mail or by any other means of delivery or transmission within a 7847  
reasonable period of time after receiving the request for the 7848  
copy. The public office or person responsible for the public 7849  
record may require the person making the request to pay in advance 7850  
the cost of postage if the copy is transmitted by United States 7851  
mail or the cost of delivery if the copy is transmitted other than 7852  
by United States mail, and to pay in advance the costs incurred 7853  
for other supplies used in the mailing, delivery, or transmission. 7854

Any public office may adopt a policy and procedures that it 7855  
will follow in transmitting, within a reasonable period of time 7856  
after receiving a request, copies of public records by United 7857  
States mail or by any other means of delivery or transmission 7858  
pursuant to this division. A public office that adopts a policy 7859  
and procedures under this division shall comply with them in 7860  
performing its duties under this division. 7861

In any policy and procedures adopted under this division, a 7862  
public office may limit the number of records requested by a 7863  
person that the office will transmit by United States mail to ten 7864  
per month, unless the person certifies to the office in writing 7865  
that the person does not intend to use or forward the requested 7866  
records, or the information contained in them, for commercial 7867  
purposes. For purposes of this division, "commercial" shall be 7868  
narrowly construed and does not include reporting or gathering 7869  
news, reporting or gathering information to assist citizen 7870  
oversight or understanding of the operation or activities of 7871  
government, or nonprofit educational research. 7872

(8) A public office or person responsible for public records 7873  
is not required to permit a person who is incarcerated pursuant to 7874

a criminal conviction or a juvenile adjudication to inspect or to 7875  
obtain a copy of any public record concerning a criminal 7876  
investigation or prosecution or concerning what would be a 7877  
criminal investigation or prosecution if the subject of the 7878  
investigation or prosecution were an adult, unless the request to 7879  
inspect or to obtain a copy of the record is for the purpose of 7880  
acquiring information that is subject to release as a public 7881  
record under this section and the judge who imposed the sentence 7882  
or made the adjudication with respect to the person, or the 7883  
judge's successor in office, finds that the information sought in 7884  
the public record is necessary to support what appears to be a 7885  
justiciable claim of the person. 7886

(9)(a) Upon written request made and signed by a journalist 7887  
on or after December 16, 1999, a public office, or person 7888  
responsible for public records, having custody of the records of 7889  
the agency employing a specified peace officer, parole officer, 7890  
probation officer, bailiff, prosecuting attorney, assistant 7891  
prosecuting attorney, correctional employee, community-based 7892  
correctional facility employee, youth services employee, 7893  
firefighter, EMT, or investigator of the bureau of criminal 7894  
identification and investigation shall disclose to the journalist 7895  
the address of the actual personal residence of the peace officer, 7896  
parole officer, probation officer, bailiff, prosecuting attorney, 7897  
assistant prosecuting attorney, correctional employee, 7898  
community-based correctional facility employee, youth services 7899  
employee, firefighter, EMT, or investigator of the bureau of 7900  
criminal identification and investigation and, if the peace 7901  
officer's, parole officer's, probation officer's, bailiff's, 7902  
prosecuting attorney's, assistant prosecuting attorney's, 7903  
correctional employee's, community-based correctional facility 7904  
employee's, youth services employee's, firefighter's, EMT's, or 7905  
investigator of the bureau of criminal identification and 7906  
investigation's spouse, former spouse, or child is employed by a 7907

public office, the name and address of the employer of the peace 7908  
officer's, parole officer's, probation officer's, bailiff's, 7909  
prosecuting attorney's, assistant prosecuting attorney's, 7910  
correctional employee's, community-based correctional facility 7911  
employee's, youth services employee's, firefighter's, EMT's, or 7912  
investigator of the bureau of criminal identification and 7913  
investigation's spouse, former spouse, or child. The request shall 7914  
include the journalist's name and title and the name and address 7915  
of the journalist's employer and shall state that disclosure of 7916  
the information sought would be in the public interest. 7917

(b) Division (B)(9)(a) of this section also applies to 7918  
journalist requests for customer information maintained by a 7919  
municipally owned or operated public utility, other than social 7920  
security numbers and any private financial information such as 7921  
credit reports, payment methods, credit card numbers, and bank 7922  
account information. 7923

(c) As used in division (B)(9) of this section, "journalist" 7924  
means a person engaged in, connected with, or employed by any news 7925  
medium, including a newspaper, magazine, press association, news 7926  
agency, or wire service, a radio or television station, or a 7927  
similar medium, for the purpose of gathering, processing, 7928  
transmitting, compiling, editing, or disseminating information for 7929  
the general public. 7930

(C)(1) If a person allegedly is aggrieved by the failure of a 7931  
public office or the person responsible for public records to 7932  
promptly prepare a public record and to make it available to the 7933  
person for inspection in accordance with division (B) of this 7934  
section or by any other failure of a public office or the person 7935  
responsible for public records to comply with an obligation in 7936  
accordance with division (B) of this section, the person allegedly 7937  
aggrieved may commence a mandamus action to obtain a judgment that 7938  
orders the public office or the person responsible for the public 7939

record to comply with division (B) of this section, that awards 7940  
court costs and reasonable attorney's fees to the person that 7941  
instituted the mandamus action, and, if applicable, that includes 7942  
an order fixing statutory damages under division (C)(1) of this 7943  
section. The mandamus action may be commenced in the court of 7944  
common pleas of the county in which division (B) of this section 7945  
allegedly was not complied with, in the supreme court pursuant to 7946  
its original jurisdiction under Section 2 of Article IV, Ohio 7947  
Constitution, or in the court of appeals for the appellate 7948  
district in which division (B) of this section allegedly was not 7949  
complied with pursuant to its original jurisdiction under Section 7950  
3 of Article IV, Ohio Constitution. 7951

If a requestor transmits a written request by hand delivery 7952  
or certified mail to inspect or receive copies of any public 7953  
record in a manner that fairly describes the public record or 7954  
class of public records to the public office or person responsible 7955  
for the requested public records, except as otherwise provided in 7956  
this section, the requestor shall be entitled to recover the 7957  
amount of statutory damages set forth in this division if a court 7958  
determines that the public office or the person responsible for 7959  
public records failed to comply with an obligation in accordance 7960  
with division (B) of this section. 7961

The amount of statutory damages shall be fixed at one hundred 7962  
dollars for each business day during which the public office or 7963  
person responsible for the requested public records failed to 7964  
comply with an obligation in accordance with division (B) of this 7965  
section, beginning with the day on which the requester files a 7966  
mandamus action to recover statutory damages, up to a maximum of 7967  
one thousand dollars. The award of statutory damages shall not be 7968  
construed as a penalty, but as compensation for injury arising 7969  
from lost use of the requested information. The existence of this 7970  
injury shall be conclusively presumed. The award of statutory 7971

damages shall be in addition to all other remedies authorized by 7972  
this section. 7973

The court may reduce an award of statutory damages or not 7974  
award statutory damages if the court determines both of the 7975  
following: 7976

(a) That, based on the ordinary application of statutory law 7977  
and case law as it existed at the time of the conduct or 7978  
threatened conduct of the public office or person responsible for 7979  
the requested public records that allegedly constitutes a failure 7980  
to comply with an obligation in accordance with division (B) of 7981  
this section and that was the basis of the mandamus action, a 7982  
well-informed public office or person responsible for the 7983  
requested public records reasonably would believe that the conduct 7984  
or threatened conduct of the public office or person responsible 7985  
for the requested public records did not constitute a failure to 7986  
comply with an obligation in accordance with division (B) of this 7987  
section; 7988

(b) That a well-informed public office or person responsible 7989  
for the requested public records reasonably would believe that the 7990  
conduct or threatened conduct of the public office or person 7991  
responsible for the requested public records would serve the 7992  
public policy that underlies the authority that is asserted as 7993  
permitting that conduct or threatened conduct. 7994

(2)(a) If the court issues a writ of mandamus that orders the 7995  
public office or the person responsible for the public record to 7996  
comply with division (B) of this section and determines that the 7997  
circumstances described in division (C)(1) of this section exist, 7998  
the court shall determine and award to the relator all court 7999  
costs. 8000

(b) If the court renders a judgment that orders the public 8001  
office or the person responsible for the public record to comply 8002

with division (B) of this section, the court may award reasonable attorney's fees subject to reduction as described in division (C)(2)(c) of this section. The court shall award reasonable attorney's fees, subject to reduction as described in division (C)(2)(c) of this section when either of the following applies:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified period of time but failed to fulfill that promise within that specified period of time.

(c) Court costs and reasonable attorney's fees awarded under this section shall be construed as remedial and not punitive. Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount of the fees and to otherwise litigate entitlement to the fees. The court may reduce an award of attorney's fees to the relator or not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to

comply with an obligation in accordance with division (B) of this section; 8035  
8036

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records as described in division (C)(2)(c)(i) of this section would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct. 8037

(E)(1) To ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in section 109.43 of the Revised Code. In addition, all public offices shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. Except as otherwise provided in this section, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours. 8046

8066

custodian or records manager or otherwise has custody of the 8067  
records of that office. The public office shall require that 8068  
employee to acknowledge receipt of the copy of the public records 8069

public records policy and shall post the poster in a conspicuous 8071  
place in the public office and in all locations where the public 8072  
office has branch offices. The public office may post its public 8073  
records policy on the internet web site of the public office if 8074  
the public office maintains an internet web site. A public office 8075  
that has established a manual or handbook of its general policies 8076  
and procedures for all employees of the public office shall 8077  
include the public records policy of the public office in the 8078  
manual or handbook. 8079

(F)(1) The bureau of motor vehicles may adopt rules pursuant 8080  
to Chapter 119. of the Revised Code to reasonably limit the number 8081  
of bulk commercial special extraction requests made by a person 8082  
for the same records or for updated records during a calendar 8083  
year. The rules may include provisions for charges to be made for 8084  
bulk commercial special extraction requests for the actual cost of 8085  
the bureau, plus special extraction costs, plus ten per cent. The 8086  
bureau may charge for expenses for redacting information, the 8087  
release of which is prohibited by law. 8088

(2) As used in division (F)(1) of this section: 8089

(a) "Actual cost" means the cost of depleted supplies, 8090  
records storage media costs, actual mailing and alternative 8091  
delivery costs, or other transmitting costs, and any direct 8092  
equipment operating and maintenance costs, including actual costs 8093  
paid to private contractors for copying services. 8094

(b) "Bulk commercial special extraction request" means a 8095  
request for copies of a record for information in a format other 8096  
than the format already available, or information that cannot be 8097  
extracted without examination of all items in a records series, 8098

class of records, or database by a person who intends to use or 8099  
forward the copies for surveys, marketing, solicitation, or resale 8100  
for commercial purposes. "Bulk commercial special extraction 8101  
request" does not include a request by a person who gives 8102  
assurance to the bureau that the person making the request does 8103  
not intend to use or forward the requested copies for surveys, 8104  
marketing, solicitation, or resale for commercial purposes. 8105

(c) "Commercial" means profit-seeking production, buying, or 8106

programs to make the special extraction. "Special extraction 8112  
costs" include any charges paid to a public agency for computer or 8113

(3) For purposes of divisions (F)(1) and (2) of this section, 8115

purposes" shall be narrowly construed and does not include 8117  
reporting or gathering news, reporting or gathering information to 8118

natural resources the division of oil and gas resources 12354  
management, which shall be administered by the chief of the 12355  
division of oil and gas resources management. The division has 12356  
sole and exclusive authority to regulate the permitting, location, 12357  
and spacing of oil and gas wells and production operations within 12358  
the state, excepting only those activities regulated under federal 12359  
laws for which oversight has been delegated to the environmental 12360  
protection agency and activities regulated under sections 6111.02 12361

activities is a matter of general statewide interest that requires 12363  
uniform statewide regulation, and this chapter and rules adopted 12364  
under it constitute a comprehensive plan with respect to all 12365  
aspects of the locating, drilling, well stimulation, completing, 12366

authority granted to the director of transportation and local 12380  
authorities in section 723.01 or 4513.34 of the Revised Code, 12381  
provided that the authority granted under those sections shall not 12382

required under this division, the person may appeal the order to 12453  
the oil and gas commission or the Franklin county court of common 12454  
pleas. Notwithstanding any other provision of this chapter and 12455  
rules adopted under it, the chief shall not issue a permit, 12456

protective area, as "reservoir protective area" is defined in 12643  
section 1571.01 of the Revised Code. If the well is or is to be 12644  
located in a coal bearing township, the application shall be 12645  
accompanied by the affidavit of the landowner prescribed in 12646  
section 1509.08 of the Revised Code. 12647

In addition to a complete application for a permit that meets 12648  
the requirements of this section and the permit fee prescribed by 12649  
this section, a request for expedited review shall be accompanied 12650  
by a separate nonrefundable filing fee of two hundred fifty 12651  
dollars. Upon the filing of a request for expedited review, the 12652  
chief shall cause the county engineer of the county in which the 12653  
well is or is to be located to be notified of the filing of the 12654  
permit application and the request for expedited review by 12655  
telephone or other means that in the judgment of the chief will 12656  
provide timely notice of the application and request. The chief 12657  
shall issue a permit within seven days of the filing of the 12658  
request unless the chief denies the application by order. 12659  
Notwithstanding the provisions of this section governing expedited 12660  
review of permit applications, the chief may refuse to accept 12661

requests for expedited review if, in the chief's judgment, the 12662  
acceptance of the requests would prevent the issuance, within 12663  
twenty-one days of their filing, of permits for which applications 12664  
are pending. 12665

(E) A well shall be drilled and operated in accordance with 12666  
the plans, sworn statements, and other information submitted in 12667  
the approved application. 12668

(F) The chief shall issue an order denying a permit if the 12669  
chief finds that there is a substantial risk that the operation 12670  
will result in violations of this chapter or rules adopted under 12671  
it that will present an imminent danger to public health or safety 12672  
or damage to the environment, provided that where the chief finds 12673  
that terms or conditions to the permit can reasonably be expected 12674  
to prevent such violations, the chief shall issue the permit 12675  
subject to those terms or conditions, including, if applicable, 12676  
terms and conditions regarding subjects identified in rules 12677  
adopted under section 1509.03 of the Revised Code. The issuance of 12678  
a permit shall not be considered an order of the chief. 12679

The chief shall post notice of each permit that has been 12680  
approved under this section on the division's web site not later 12681  
than two business days after the application for a permit has been 12682  
approved. 12683

(G) Each application for a permit required by section 1509.05 12684  
of the Revised Code, except an application ~~to plug back an~~ 12685  
~~existing well that is required by that section and an application~~ 12686  
for a well drilled or reopened for purposes of section 1509.22 of 12687  
the Revised Code, also shall be accompanied by a nonrefundable fee 12688  
as follows: 12689

(1) Five hundred dollars for a permit to conduct activities 12690  
in a township with a population of fewer than ten thousand; 12691

For purposes of calculating fee amounts, populations shall be determined using the most recent federal decennial census.	12701 12702
Each application for the revision or reissuance of a permit shall be accompanied by a nonrefundable fee of two hundred fifty dollars.	12703 12704 12705
(H)(1) Prior to the commencement of well pad construction and prior to the issuance of a permit to drill a proposed horizontal well or a proposed well that is to be located in an urbanized area, the division shall conduct a site review to identify and evaluate any site-specific terms and conditions that may be attached to the permit. At the site review, a representative of the division shall consider fencing, screening, and landscaping requirements, if any, for similar structures in the community in which the well is proposed to be located. The terms and conditions that are attached to the permit shall include the establishment of fencing, screening, and landscaping requirements for the surface facilities of the proposed well, including a tank battery of the well.	12706 12707 12708 12709 12710 12711 12712 12713 12714 12715 12716 12717 12718

substance and of each chemical component in a product, fluid, or 12906  
substance that is designated as a trade secret pursuant to 12907  
division (I) of this section, the person claiming the trade secret 12908  
protection pursuant to that division shall provide to the medical 12909

professional the exact chemical composition of the product, fluid, 12910  
or substance and of the chemical component in a product, fluid, or 12911

owner or person may pursue enforcement of any rights or remedies 12930  
established in sections 1333.61 to 1333.69 of the Revised Code for 12931  
misappropriation, as defined in section 1333.61 of the Revised 12932  
Code, with respect to the identity, amount, concentration, or 12933  
purpose of a product, fluid, or substance or a chemical component 12934

chemical component in a product, fluid, or substance may commence 12946  
a civil action in the court of common pleas of Franklin county 12947  
against an owner or person described in division (I)(1) of this 12948  
section challenging the owner's or person's claim to entitlement 12949  
to trade secret protection for the specific identity, amount, 12950  
concentration, or purpose of a product, fluid, or substance or of 12951  
a chemical component in a product, fluid, or substance pursuant to 12952  
division (I)(1) of this section. A person who commences a civil 12953  
action pursuant to division (I)(2) of this section shall provide 12954  
notice to the chief in a manner prescribed by the chief. In the 12955  
civil action, the court shall conduct an in camera review of 12956  
information submitted by an owner or person described in division 12957  
(I)(1) of this section to determine if the identity, amount, 12958  
concentration, or purpose of a product, fluid, or substance or of 12959  
a chemical component in a product, fluid, or substance pursuant to 12960  
division (I)(1) of this section is entitled to trade secret 12961  
protection. 12962

(J)(1) Except for any information that is designated as a 12963  
trade secret pursuant to division (I)(1) of this section and 12964  
except as provided in division (J)(2) of this section, the owner 12965  
of a well shall maintain records of all chemicals placed in a well 12966  
for a period of not less than two years after the date on which 12967  
each such chemical was placed in the well. The chief may inspect 12968  
the records at any time concerning any such chemical. 12969

(2) An owner or person who has designated the identity, 12970  
amount, concentration, or purpose of a product, fluid, or 12971

substance as a trade secret pursuant to division (I)(1) of this 12973

section shall maintain the records for such a product, fluid, or 12974  
substance or for a chemical component in a product, fluid, or 12975  
substance for a period of not less than two years after the date 12976  
on which each such product, fluid, or substance or each such 12977  
chemical component in a product, fluid, or substance was ~~placed in~~ 12978  
the well brought to a location that is regulated under or is 12979  
subject to this chapter or rules adopted under it. Upon the 12980  
request of the chief, the owner or person, as applicable, without 12981  
undue delay shall disclose the records or information to the chief 12982

release, or investigation. ~~However~~ The owner or person who 12984  
received a request for records or information under this division 12985  
shall label and clearly identify all records or information that 12986  
has been designated as a trade secret. 12987

The chief may provide the records or information to any 12988  
agency of the state or emergency responder that is responding to a 12989  
spill or release or that is participating in an investigation of a 12990  
spill or release. If the chief provides the records or information 12991  
to an agency of the state or an emergency responder, the chief 12992  
shall notify, as soon as practicable, the owner or person who 12993  
disclosed the records or information that the chief has provided 12994  
the records or information to the agency of the state or emergency 12995  
responder, as applicable. Unless otherwise authorized by the 12996  
Revised Code, the chief or an agency of the state or emergency 12997  
responder receiving the records or information shall not disclose 12998  
the records or information that ~~is~~ has been designated as a trade 12999  
secret. 13000

The provision of records or information by the chief to a 13001  
state agency or emergency responder under this division does not 13002  
affect the designation of a trade secret under division (I)(1) of 13003  
this section. In addition, the chief's provision of records or 13004  
information to a state agency or emergency responder under this 13005

division does not subject the records or information to public disclosure. Nothing in this division precludes an owner or person who has designated the identity, amount, concentration, or purpose of a product, fluid, or substance or of a chemical component in a product, fluid, or substance as a trade secret and discloses records or information to the chief pursuant to a request by the chief under this division from requesting a confidentiality agreement with a recipient of the records or information.

(K)(1) For purposes of correcting inaccuracies and incompleteness in chemical information required by divisions (A)(9) and (10) and (B)(3) of this section, an owner shall be considered in substantial compliance if the owner has made reasonable efforts to obtain the required information from the supplier.

(2) For purposes of reporting under this section, an owner is not required to report chemicals that occur incidentally or in trace amounts.

(L) As used in this section, the term "material safety data sheet" shall conform to any revision of or change in the term by the occupational safety and health administration in the United States department of labor.

**Sec. 1509.11.** (A)(1)(a) The owner of any well, except a horizontal well, that is producing or capable of producing oil or gas shall file with the chief of the division of oil and gas resources management, on or before the thirty-first day of March, a statement of production of oil, gas, and brine for the last preceding calendar year in such form as the chief may prescribe.

An owner that has more than one hundred such wells in this state shall submit electronically the statement of production in a format that is approved by the chief. ~~The chief shall include on~~

~~the form, at the minimum, a request for the submittal of the~~ 13037  
~~information that a person who is regulated under this chapter is~~ 13038

Sec. 1509.211. (A) Except as otherwise provided in this 13097  
section, no person shall store, recycle, treat, or process brine 13098

or other waste substances pursuant to a permit or order issued 13099  
under division (B)(2)(a) of section 1509.22 of the Revised Code if 13100  
the person has not satisfied the financial assurance requirements 13101  
established in this section. 13102

(B)(1) An applicant for a permit or order under division 13103  
(B)(2)(a) of section 1509.22 of the Revised Code or rules adopted 13104  
under it shall execute and file with the director of natural 13105

division (B)(2) of this section. The surety bond shall be payable 13109

under it. The surety bond shall be in an amount established in 13112  
rules adopted by the director in accordance with Chapter 119. of 13113  
the Revised Code. However, the amount shall not exceed two million 13114

there is attached a certificate of the director of insurance that 13123  
the company is authorized to transact a fidelity and surety 13124  
business in this state. 13125

(2) In lieu of a surety bond, an applicant may deposit with 13126  
the director or the director's designee cash in an amount equal to 13127  
the amount of the surety bond established in rules adopted under 13128  
this section or negotiable certificates of deposit issued by any 13129  
bank organized or transacting business in this state or by any 13130

savings and loan association as defined in section 1151.01 of the 13131  
Revised Code, having a cash value equal to or greater than the 13132  
amount of the surety bond established in rules adopted under this 13133  
section. Cash or certificates of deposit shall be deposited on the 13134  
same terms as those on which surety bonds shall be deposited. If 13135  
certificates of deposit are deposited with the director or the 13136  
director's designee instead of a surety bond, the director or the 13137  
director's designee shall require the bank or the savings and loan 13138  
association that issued the certificates to pledge securities of a 13139  
cash value equal to the amount of the certificate that is in 13140

regulations adopted under it, including at least the federal 13144  
deposit insurance corporation, bank insurance fund, and savings 13145  
association insurance fund. Immediately upon a deposit of cash or 13146  
certificates of deposit with the director or the director's 13147  
designee, the director or the director's designee shall deliver 13148  
them to the treasurer of state who shall hold them in trust for 13149  
the purposes for which they have been deposited. 13150

(C) The surety bond or other financial assurance required by 13151  
this section shall be maintained until the person complies with 13152  
rules adopted under section 1509.22 of the Revised Code for the 13153  
closure of a location for which a permit or order was issued under 13154  
division (B)(2)(a) of section 1509.22 of the Revised Code. If 13155  
rules are not adopted under that section for the closure of a 13156  
location for which a permit or order was issued to store, recycle, 13157  
treat, or process brine or other waste substances, the person 13158  
shall maintain the surety bond or other financial assurance until 13159  
the director or the director's designee inspects the location for 13160  
which a permit or order was issued to store, recycle, treat, or 13161  
process brine or other waste substances and issues a written 13162  
approval of closure for the location. 13163

(D)(1) When the director or the director's designee finds 13164  
that a person who has been issued a permit or order under division 13165  
(B)(2)(a) of section 1509.22 of the Revised Code has failed to 13166  
comply with a final nonappealable order issued or a compliance 13167  
agreement entered into under section 1509.04 of the Revised Code, 13168

Code, or an order relating thereto, the director or the director's 13170  
designee shall make a finding of that fact and may issue a bond 13171  
forfeiture order to the person. The bond forfeiture order shall 13172  
include provisions that do all of the following: 13173

(a) Specify the violation giving rise to the order; 13174

(b) Declare that the entire amount of the bond or other form 13175  
of financial assurance is forfeited; 13176

(c) If the bond filed with the director or the director's 13177  
designee is supported by or in the form of cash or negotiable 13178  
certificates of deposit, declare the cash or certificates property 13179  
of the state. 13180

(2) The director or the director's designee shall certify the 13181  
total forfeiture to the attorney general, and the attorney general 13182  
shall proceed to collect the amount of the forfeiture. 13183

(E) All money collected because of the forfeiture of a bond 13184  
or other financial assurance as provided in this section shall be 13185  
deposited in the state treasury to the credit of the oil and gas 13186  
well fund created in section 1509.02 of the Revised Code and shall 13187  
be used to restore the location for which the bond or other 13188  
financial assurance was provided. Nothing in this division 13189  
requires the director or the director's designee to use money in 13190  
excess of the amount of the bond or other financial assurance to 13191  
restore the location. 13192

(F) A person that submits an application for a permit or 13193  
order to store, recycle, treat, or process brine or other waste 13194

substances under division (B)(2)(a) of section 1509.22 of the Revised Code or rules adopted under it shall obtain liability insurance coverage from a company authorized to do business in this state in an amount established in rules adopted by the director. The amount of the liability insurance shall not exceed twelve million dollars. The liability insurance shall provide coverage to pay damages for injury to persons or damage to property caused by the location for which the permit or order was issued.

The insurance policy required by division (A)(2)(d) of this section shall be maintained in effect during the term of the registration certificate. The policy or policies providing the coverage shall require the insurance company to give notice to the chief if the policy or policies lapse for any reason. Upon such termination of the policy, the chief may suspend the registration certificate until proper insurance coverage is obtained.

(3) Each application for a registration certificate shall be accompanied by a nonrefundable fee of five hundred dollars.

(4) If a business entity that has been issued a registration certificate under this section changes its name due to a business reorganization or merger, the business entity shall revise the bond or certificates of deposit required by section 1509.225 of the Revised Code and obtain a new certificate from an insurance company in accordance with division (A)(2)~~(e)~~(d) of this section to reflect the change in the name of the business entity.

plan under procedures that the chief shall prescribe by rule. 13275  
However, at a minimum, an application for a revision shall list 13276  
all ~~sources and~~ disposal sites of brine currently transported. The 13277  
chief shall deny any application for a revision of a plan under 13278  
this division if the chief finds that the proposed revised plan 13279  
does not provide for compliance with the requirements of this 13280

"facility," and "fire department" have the same meanings as in 13444  
section 3750.01 of the Revised Code. 13445

**Sec. 1509.232.** (A) A person engaging in an activity regulated 13446  
under this chapter and rules adopted under it shall notify the 13447  
director of natural resources or the director's designee of the 13448  
occurrence of any of the following within thirty minutes of the 13449  
occurrence: 13450

(1) Emergency medical treatment at a location other than the 13451  
production operation of a person exposed to a chemical or injured 13452  
at a production operation or a fatality occurring at a production 13453  
operation; 13454

(2) The response of a fire department to a fire at a 13455  
production operation, excluding flaring or controlled burns 13456  
authorized under this chapter and rules adopted under it or by the 13457  
terms and conditions of a permit issued under this chapter; 13458

(3) An uncontrolled release of gas or oil that may jeopardize 13459  
worker safety or public safety; 13460

(4) A discharge or spill of a liquid, solid, or semisolid 13461  
substance or material associated with a production operation or 13462  
other activity regulated under this chapter and rules adopted 13463  
under it, excluding a discharge or spill consisting solely of 13464  
fresh water; 13465

(5) Any other occurrence that the director specifies in rules 13466  
adopted under this section. 13467

(B) If a person performs services on behalf of the owner of a 13468  
well and an occurrence specified in division (A) of this section 13469

occurs at the well or associated production operation, the person 13470  
shall notify the owner of the well within thirty minutes of the 13471  
occurrence. 13472

(C) The director may adopt rules in accordance with Chapter 13473  
119. of the Revised Code that are necessary for the administration 13474  
of this section. 13475

(D) Failure to comply with this section is a strict liability 13476  
offense, and section 2901.20 of the Revised Code does not apply. 13477  
The designation of that failure as a strict liability offense 13478  
shall not be construed to imply that any other offense, for which 13479  
there is no specified degree of culpability, is not a strict 13480  
liability offense. 13481

**Sec. 1509.27.** ~~If a tract of land is~~ or tracts are of 13482  
insufficient size or shape to meet the requirements for drilling a 13483  
proposed well thereon as provided in section 1509.24 or 1509.25 of 13484  
the Revised Code, whichever is applicable, and the owner ~~of the~~ 13485  
~~tract who also is the owner of the mineral interest~~ has been 13486  
unable to form a drilling unit under agreement as provided in 13487  
section 1509.26 of the Revised Code, on a just and equitable 13488  
basis, ~~such as~~ the owner may make application to the division of 13489  
oil and gas resources management for a mandatory pooling order. 13490

The application shall include information as shall be 13491  
reasonably required by the chief of the division of oil and gas 13492  
resources management and shall be accompanied by an application 13493  
for a permit as required by section 1509.05 of the Revised Code. 13494  
The chief shall notify all mineral rights owners of ~~land~~ tracts 13495  
within the area proposed to be pooled by an order and included 13496  
within the drilling unit of the filing of the application and of 13497  
their right to a hearing. After the hearing or after the 13498  
expiration of thirty days from the date notice of application was 13499  
mailed to such owners, the chief, if satisfied that the 13500

application is proper in form and that mandatory pooling is 13501  
necessary to protect correlative rights and to provide effective 13502  
development, use, and conservation of oil and gas, shall issue a 13503  
drilling permit and a mandatory pooling order complying with the 13504  
requirements for drilling a well as provided in section 1509.24 or 13505  
1509.25 of the Revised Code, whichever is applicable. The 13506  
mandatory pooling order shall: 13507

(A) Designate the boundaries of the drilling unit within 13508  
which the well shall be drilled; 13509

(B) Designate the proposed production site; 13510

(C) Describe each separately owned tract or part thereof 13511  
pooled by the order; 13512

(D) Allocate on a surface acreage basis a pro rata portion of 13513  
the production to ~~the owner of~~ each tract pooled by the order. The 13514  
pro rata portion shall be in the same proportion that the 13515  
percentage of the ~~owner's~~ tract's acreage is to the state minimum 13516  
acreage requirements established in rules adopted under this 13517  
chapter for a drilling unit unless the applicant demonstrates to 13518  
the chief using geological evidence that the geologic structure 13519  
containing the oil or gas is larger than the minimum acreage 13520  
requirement in which case the pro rata portion shall be in the 13521  
same proportion that the percentage of the ~~owner's~~ tract's acreage 13522  
is to the geologic structure. 13523

(E) Specify the basis upon which each mineral rights owner of 13524  
a tract pooled by the order shall share all reasonable costs and 13525  
expenses of drilling and producing if the mineral rights owner 13526  
elects to participate in the drilling and operation of the well; 13527

(F) Designate the person to whom the permit shall be issued. 13528

A person shall not submit more than five applications for 13529  
mandatory pooling orders per year under this section unless 13530  
otherwise approved by the chief. 13531

No surface operations or disturbances to the surface of the land shall occur on a tract pooled by an order without the written consent of or a written agreement with the surface rights owner of the tract that approves the operations or disturbances.

If ~~an~~ a mineral rights owner of a tract pooled by the order does not elect to participate in the risk and cost of the drilling and operation of a well, the mineral rights owner shall be designated as a nonparticipating owner in the drilling and operation of the well on a limited or carried basis and is subject to terms and conditions determined by the chief to be just and reasonable. In addition, if ~~an~~ a mineral rights owner is designated as a nonparticipating owner, the mineral rights owner is not liable for actions or conditions associated with the drilling or operation of the well. If the applicant bears the costs of drilling, equipping, and operating a well for the benefit of a nonparticipating owner, as provided for in the pooling order, then the applicant shall be entitled to the share of production from the drilling unit accruing to the interest of that nonparticipating owner, exclusive of the nonparticipating owner's proportionate share of the royalty interest until there has been received the share of costs charged to that nonparticipating owner plus such additional percentage of the share of costs as the chief shall determine. The total amount receivable hereunder shall in no event exceed two hundred per cent of the share of costs charged to that nonparticipating owner. After receipt of that share of costs by such an applicant, a nonparticipating owner shall receive a proportionate share of the working interest in the well in addition to a proportionate share of the royalty interest, if any.

If there is a dispute as to costs of drilling, equipping, or operating a well, the chief shall determine those costs.

**Sec. 1509.28.** (A) A person that has obtained the mineral

rights to at least sixty-five per cent of the tracts overlying a 13563  
pool may submit an application to the chief of the division of oil 13564  
and gas resources management to consider the need to issue a 13565  
compulsory unitization order for operation as a unit and to 13566  
consider the tracts to be included within the unit. 13567

(B) An application for a compulsory unitization order shall 13568

by all of the following information: 13570

(1) The applicant's name, address, and telephone number; 13571

proposed unit, including all unleased mineral rights owners; 13580

(5) An identification of all working interest owners in the 13581  
proposed unit; 13582

(6) Maps illustrating the location of the proposed unit 13583  
within each applicable county and township and of the proposed 13584  
boundaries of the unit; 13585

(7) Geophysical data identifying the proposed geological 13586  
formation to be developed; 13587

(8) An itemized statement of proposed expenditures; 13588

(9) An affidavit detailing attempts to lease unleased mineral 13589  
rights; 13590

(10) Any other information the chief determines necessary. 13591

(C)(1) Upon receipt of an application for a compulsory unitization order, the chief shall review the application to determine if the application is complete. If the application is incomplete, the chief shall notify the applicant of all items that are missing, and the applicant may submit any missing item upon receipt of the notification. When the application is complete, the chief shall schedule a hearing on the compulsory unitization order application and notify the applicant of the scheduled hearing date. 13592

The applicant shall send to the chief, not later than fourteen days before the scheduled hearing date, proof of receipt of certified mailing to each unleased mineral rights owner and each working interest owner to be included in the proposed unit. The applicant also shall publish notice of the hearing in a newspaper of general circulation in the county or counties, as applicable, where the proposed unit is to be located. (3) The chief shall review the proof of receipt of certified mailing to each unleased mineral rights owner and each working interest owner to be included in the proposed unit as required in division (C)(2) of this section to determine if the hearing should proceed as scheduled. If the chief determines that the hearing should not proceed as scheduled because of incomplete or improper notification, the chief shall notify the applicant, all unleased mineral rights owners, all working interest owners, and any other person determined necessary by the chief. (4) The chief may establish procedures and requirements 13626  
governing hearings under this section. 13627

(D) The chief may issue a compulsory unitization order if the 13628  
chief finds that operation as a unit is reasonably necessary to 13629  
increase substantially the ultimate recovery of oil and gas, and 13630  
the value of the estimated additional recovery exceeds the 13631  
estimated additional costs to conduct the operation. 13632

(E) If an applicant is unable to enter into a voluntary 13633  
agreement creating a unit pursuant to section 1509.26 of the 13634  
Revised Code and the chief determines that a compulsory 13635  
unitization order will prevent or assist in preventing waste, 13636  
avoid drilling of unnecessary wells, or protect correlative 13637  
rights, the chief, in a compulsory unitization order issued under 13638  
division (D) of this section, may include in the unit any tract 13639  
that is not subject to a voluntary agreement. The mineral rights 13640  
owner of such a tract included in the unit shall be considered an 13641  
unleased mineral rights owner. 13642

(F)(1) The person to whom a compulsory unitization order is 13643  
issued under this section shall pay each unleased mineral rights 13644  
owner included in the unit a monthly cash payment equal to a 13645  
one-eighth landowner royalty interest calculated on gross 13646  
proceeds. The person to whom an order is issued under this section 13647  
shall pay each unleased mineral rights owner at the same time that 13648  
a royalty payment is made to a voluntary participant in the unit 13649  
that is owed a royalty payment. 13650

(2) After the person to whom a compulsory unitization order 13651  
is issued under this section recovers not more than two hundred 13652  
per cent of the actual cost of well site construction, drilling, 13653  
testing, completing, and producing for a well, the person to whom 13654

the order is issued shall pay an unleased mineral rights owner a 13655  
monthly cash payment equal to a seven-eighths share of the net 13656  
proceeds of production in addition to the payment required by 13657  
division (F)(1) of this section. When a cost is charged to a well, 13658  
the same cost shall not be charged to subsequent wells in the unit 13659  
or in another unit. 13660

(3) Allocation of royalties under divisions (F)(1) and (2) of 13661  
this section shall be based on the unit participation of an 13662  
unleased mineral rights owner's tract, to be determined on a 13663  
surface acreage basis unless otherwise specified in the compulsory 13664  
unitization order. 13665

(4) No person shall fail to comply with division (F)(1) or 13666  
(2) of this section. 13667

(G) The chief shall include in a compulsory unitization order 13668  
terms and conditions that are just and reasonable. The order also 13669  
shall prescribe a plan for unit operation that includes all of the 13670  
following: 13671

(1) A description of the unitized area, termed the unit area; 13672

(2) A statement of the nature of the operations contemplated; 13673

(3) An allocation to the separately owned tracts in the unit 13674  
area of all the oil, gas, condensate, and natural gas liquids that 13675  
are produced from the unit area and that are not used in the 13676  
conduct of operations on the unit area or not unavoidably lost; 13677

(4) A provision for the credits and charges to be made in the 13678  
adjustment among the person to whom a compulsory unitization order 13679  
is issued and working interest owners in the unit area for their 13680  
respective investments in wells, tanks, pumps, machinery, 13681  
materials, and equipment contributed to the unit operations; 13682

(5) A provision providing how the expenses of unit 13683  
operations, including capital investment, will be determined and 13684

charged to the separately owned tracts and how the expenses will 13685  
be paid; 13686

(6) A provision, if necessary, for carrying or otherwise 13687  
financing any person who is unable to meet the person's financial 13688  
obligations in connection with the unit, allowing a reasonable 13689  
interest charge for that service; 13690

(7) A provision for the supervision and conduct of the unit 13691  
operations, in respect to which each person must have a vote with 13692  
a value corresponding to the percentage of the expenses of unit 13693  
operations chargeable against the interest of that person; 13694

(8) The time when the unit operations will commence, and the 13695  
manner in which, and the circumstances under which, the unit 13696  
operations will terminate; 13697

(9) A provision requiring an accounting of the actual costs 13698  
of unit creation and operation, including costs of producing, 13699  
gathering, storing, separating, treating, dehydrating, 13700  
compressing, processing, transporting, pipeline construction and 13701  
maintenance, and marketing and taxes; 13702

(10) A provision requiring an accounting that demonstrates 13703  
net proceeds for unit creation and operation; 13704

(11) Additional provisions that are appropriate for carrying 13705  
on the unit operations and for the protection or adjustment of 13706  
correlative rights. 13707

(H)(1) A person to whom a compulsory unitization order is 13708  
issued shall not conduct surface operations on or cause 13709  
disturbances to the surface of the land on a tract belonging to an 13710  
unleased mineral rights owner included in the unit by the order 13711  
unless the person does both of the following: 13712

(a) Obtains the written consent of the owner of the tract 13713  
approving the operations or disturbance; 13714

(b) Provides a copy of that written consent to the chief. 13715

(2) No person shall fail to comply with this division. 13716

(I) An unleased mineral rights owner of any tract included in 13717  
a compulsory unitization order shall not incur liability for any 13718  
personal or property damage associated with any drilling, testing, 13719  
completing, producing, operating, or plugging activities of any 13720  
well within a unit subject to a compulsory unitization order 13721  
issued under this section. 13722

(J) The operations conducted pursuant to a compulsory 13723  
unitization order issued under this section constitute a 13724  
fulfillment of all the express or implied obligations of each 13725  
lease or contract covering tracts in the unit to the extent that 13726  
compliance with those obligations cannot be had because of the 13727  
order of the chief. 13728

(K) No compulsory unitization order of the chief shall become 13729  
effective unless and until the plan for unit operations prescribed 13730  
by the chief in the compulsory unitization order has been approved 13731  
in writing by a majority of the mineral rights owners of the unit, 13732  
including the person to whom the order is issued and the working 13733  
interest owners who, under the chief's order, will be required to 13734  
pay the costs of the unit operation. If the person to whom the 13735  
order is issued and the working interest owners do not approve the 13736  
plan for unit operations prescribed in the compulsory unitization 13737  
order within a period of six months from the date on which the 13738  
compulsory unitization order is issued, the compulsory unitization 13739  
order ceases to be of force and shall be revoked by the chief. 13740

(L) The person to whom a compulsory unitization order is 13741  
issued shall record the compulsory unitization order in the office 13742  
of the county recorder in each county in which the unit is to be 13743  
located within ten days after the effective date of the order as 13744  
established by division (K) of this section. If the person fails 13745

to record the compulsory unitization order within that time, the 13746  
compulsory unitization order ceases to be of force and shall be 13747  
revoked by the chief. The person also shall file certification of 13748  
the recording with the chief within thirty days after recording 13749  
the compulsory unitization order. No person shall fail to comply 13750  
with this division. 13751

(M) A compulsory unitization order may be amended by an order 13752  
of the chief. 13753

The chief shall determine if any of the following are 13754  
required for an amendment of a compulsory unitization order: 13755

(1) Additional information; 13756

(2) A hearing; 13757

(3) A new application for a compulsory unitization order. 13758

The chief may amend a compulsory unitization order after 13759  
commencement of operations on a unit. 13760

(N) The chief retains continuing jurisdiction over any unit 13761  
created by a compulsory unitization order consistent with the 13762  
chief's authority under this chapter and rules adopted under it. 13763

(O) A compulsory unitization order issued by the chief under 13764  
this section takes precedence over any terms included in any 13765  
agreement between the person to whom a compulsory unitization 13766  
order is issued and any voluntary participants in the unit, 13767  
including working interest owners. 13768

(P) A compulsory unitization order issued under this section 13769  
terminates if drilling operations in the unit are not begun by the 13770  
date required by the compulsory unitization order. 13771

(Q) Oil, gas, condensate, and natural gas liquids allocated 13772  
to a separately owned tract shall be deemed, for all purposes, to 13773  
have been actually produced from the tract, and all operations, 13774  
including the commencement, drilling, operation of, or production 13775

from a well on any portion of the unit area shall be deemed for 13776  
all purposes the conduct of such operations and production from 13777  
any lease or contract for lands any portion of which is included 13778  
in the unit area. 13779

(R) No order of the chief or other contract relating to the 13780  
sale or purchase of production from a separately owned tract shall 13781  
be terminated by the order providing for unit operations, but 13782  
shall remain in force and apply to oil and gas allocated to the 13783  
tract until terminated in accordance with the provisions thereof. 13784

(S) Except to the extent that the parties affected so agree, 13785  
no order providing for unit operations shall be construed to 13786  
result in a transfer of all or any part of the title of any person 13787  
to the oil and gas rights in any tract in the unit area. All 13788  
property, whether real or personal, that may be acquired for the 13789  
account of the owners within the unit area shall be the property 13790  
of those owners in the proportion that the expenses of unit 13791  
operations are charged. 13792

(T) A violation of division (C)(2), (F)(5), (H)(2), or (L) of 13793  
this section is a strict liability offense, and section 2901.20 of 13794  
the Revised Code does not apply. The designation of those 13795  
violations as strict liability offenses shall not be construed to 13796  
imply that any other offense, for which there is no specified 13797  
degree of culpability, is not a strict liability offense. 13798

(U) As used in this section: 13799

(1) "Working interest owner" means a person who has obtained 13800  
a right to the mineral interests of a tract and is obligated, 13801  
under an agreement or otherwise, to pay a percentage of the cost 13802  
of leasing, drilling, producing, or operating a well in the unit 13803  
or of the cost of operating the unit. "Working interest owner" 13804  
does not include an unleased mineral rights owner. 13805

(2) "Gross proceeds" means a share of the gross production of 13806

oil, gas, condensate, and natural gas liquids free of any and all 13807  
cost of producing, gathering, storing, separating, treating, 13808  
dehydrating, compressing, processing, transporting, marketing, or 13809  
pipeline construction and maintenance. "Gross proceeds" does not 13810  
include costs that result in enhancing the value of marketable 13811  
oil, gas, condensate, natural gas liquids, or other products to 13812  
receive a better price so long as the costs are the actual costs 13813  
of such enhancement and an unleased mineral rights owner's pro 13814  
rata part of such cost is less than the amount of the enhanced 13815  
value of the product. 13816

(3) "Net proceeds" means the share of gross production of 13817  
oil, gas, condensate, or natural gas liquids after payment of all 13818  
costs of producing, gathering, storing, separating, treating, 13819  
dehydrating, compressing, processing, transporting, and marketing 13820  
and taxes. 13821

any rules adopted or orders issued to administer, implement, or 13844  
enforce that section shall pay a civil penalty of not more than 13845  
five thousand dollars for each violation. 13846

(G) In addition to any other penalties provided in this 13847  
chapter, whoever violates section 1509.05, section 1509.21, 13848  
division (B) of section 1509.22, or division (A)(1) of section 13849  
1509.222 of the Revised Code or a term or condition of a permit or 13850  
an order issued by the chief of the division of oil and gas 13851  
resources management under this chapter or knowingly violates 13852  
division (A) of section 1509.223 of the Revised Code is liable for 13853  
any damage or injury caused by the violation and for the actual 13854  
cost of rectifying the violation and conditions caused by the 13855  
violation. If two or more persons knowingly violate one or more of 13856  
those divisions in connection with the same event, activity, or 13857  
transaction, they are jointly and severally liable under this 13858  
division. 13859

(H) The attorney general, upon the request of the chief of 13860  
the division of oil and gas resources management, shall commence 13861  
an action under this section against any person who violates 13862  
sections 1509.01 to 1509.31 of the Revised Code, or any rules 13863  
adopted or orders or terms or conditions of a permit or 13864  
registration certificate issued pursuant to these sections. Any 13865  
action under this section is a civil action, governed by the Rules 13866  
of Civil Procedure and other rules of practice and procedure 13867  
applicable to civil actions. The remedy provided in this division 13868  
is cumulative and concurrent with any other remedy provided in 13869

this chapter, and the existence or exercise of one remedy does not 13870  
prevent the exercise of any other, except that no person shall be 13871  
subject to both a civil penalty under division (A), (B), (C), or 13872  
(D) of this section and a ~~criminal penalty under~~ fine established 13873  
in section 1509.99 of the Revised Code for the same offense. 13874

(I) For purposes of this section, each day of violation 13875  
constitutes a separate offense. 13876

**Sec. 1509.34.** (A)(1) If an owner fails to pay the fees 13877  
imposed by this chapter, or if the chief of the division of oil 13878  
and gas resources management incurs costs under division (E) of 13879  
section 1509.071 of the Revised Code to correct conditions 13880  
associated with the owner's well that the chief reasonably has 13881  
determined are causing imminent health or safety risks, the 13882  
division of oil and gas resources management shall have a priority 13883  
lien against that owner's interest in the applicable well in front 13884  
of all other creditors for the amount of any such unpaid fees and 13885  
costs incurred. The chief shall file a statement in the office of 13886  
the county recorder of the county in which the applicable well is 13887  
located of the amount of the unpaid fees and costs incurred as 13888  
described in this division. The statement shall constitute a lien 13889  
on the owner's interest in the well as of the date of the filing. 13890  
The lien shall remain in force so long as any portion of the lien 13891  
remains unpaid or until the chief issues a certificate of release 13892  
of the lien. If the chief issues a certificate of release of the 13893  
lien, the chief shall file the certificate of release in the 13894  
office of the applicable county recorder. 13895

(2) A lien imposed under division (A)(1) of this section 13896  
shall be in addition to any lien imposed by the attorney general 13897  
for failure to pay the assessment imposed by former section 13898  
1509.50 of the Revised Code or the tax levied under division 13899  
(A)(5) or (6) of section 5749.02 of the Revised Code, as 13900

applicable. 13901

(3) If the attorney general cannot collect from a severer or 13902  
an owner for an outstanding balance of amounts due under former 13903  
section 1509.50 of the Revised Code or of unpaid taxes levied 13904  
under division (A)(5) ~~or~~, (6), (10), (11), (12), or (13) of 13905  
section 5749.02 of the Revised Code, as applicable, the tax 13906  
commissioner may request the chief to impose a priority lien 13907  
against the owner's interest in the applicable well. Such a lien 13908  
has priority in front of all other creditors. 13909

(B) The chief promptly shall issue a certificate of release 13910  
of a lien under either of the following circumstances: 13911

(1) Upon the repayment in full of the amount of unpaid fees 13912  
imposed by this chapter or costs incurred by the chief under 13913  
division (E) of section 1509.071 of the Revised Code to correct 13914  
conditions associated with the owner's well that the chief 13915  
reasonably has determined are causing imminent health or safety 13916  
risks; 13917

(2) Any other circumstance that the chief determines to be in 13918  
the best interests of the state. 13919

(C) The chief may modify the amount of a lien under this 13920  
section. If the chief modifies a lien, the chief shall file a 13921  
statement in the office of the county recorder of the applicable 13922  
county of the new amount of the lien. 13923

(D) An owner regarding which the division has recorded a lien 13924  
against the owner's interest in a well in accordance with this 13925  
section shall not transfer a well, lease, or mineral rights to 13926  
another owner or person until the chief issues a certificate of 13927  
release for each lien against the owner's interest in the well. 13928

(E) All money from the collection of liens under this section 13929  
shall be deposited in the state treasury to the credit of the oil 13930  
and gas well fund created in section 1509.02 of the Revised Code. 13931

(F) As used in this section, "former section 1509.50 of the Revised Code" means section 1509.50 of the Revised Code as it existed before its repeal by ...B... of the 131st general assembly. 13932

(4) The court shall issue the search warrant for the purposes 14026

not in compliance with this section. The finding of probable cause 14028  
may be based on hearsay, provided that there is a reasonable basis 14029  
for believing that the source of the hearsay is credible. 14030

(D) This section does not affect any restrictions established 14031

(E) As used in this section, "western basin" has the same 14035  
meaning as in section 905.326 of the Revised Code. 14036

**Sec. 1511.11.** (A) The director of natural resources may 14037  
assess a civil penalty against a person that violates section 14038  
1511.10 of the Revised Code. The director may impose a civil 14039  
penalty only if the director affords the person an opportunity for 14040  
an adjudication hearing under Chapter 119. of the Revised Code to 14041  
challenge the director's determination that the person violated 14042  
section 1511.10 of the Revised Code. The person may waive the 14043  
right to an adjudication hearing. 14044

(B) If the opportunity for an adjudication hearing is waived 14045  
or if, after an adjudication hearing, the director determines that 14046  
a violation has occurred or is occurring, the director may issue 14047  
an order requiring compliance with section 1511.10 of the Revised 14048  
Code and assess the civil penalty. The order and the assessment of 14049  
the civil penalty may be appealed in accordance with section 14050  
119.12 of the Revised Code. 14051

(C) A person that has violated section 1511.10 of the Revised 14052

Code shall pay a civil penalty in an amount established in rules. 14053  
Each thirty-day period during which a violation continues 14054  
constitutes a separate violation. 14055

(D) The director shall adopt rules in accordance with Chapter 14056  
119. of the Revised Code that establish the amount of the civil 14057  
penalty assessed under this section. The civil penalty shall not 14058  
be more than ten thousand dollars for each violation. 14059

**Sec. 1511.99.** Whoever violates division (A) of section 14060  
1511.07 or division (A) of section 1511.10 of the Revised Code is 14061  
guilty of a misdemeanor of the first degree. Each day of violation 14062  
is a separate offense. In addition to the penalty provided in this 14063  
division, the sentencing court may assess damages in an amount 14064  
equal to the costs of reclaiming, restoring, or otherwise 14065  
repairing any damage to public or private property caused by any 14066  
violation of division (A) of section 1511.07 or division (A) of 14067  
section 1511.10 of the Revised Code. All fines and moneys assessed 14068  
as damages under this section shall be paid into the agricultural 14069  
pollution abatement fund created in section 1511.071 of the 14070  
Revised Code. 14071

**Sec. 1513.16.** (A) Any permit issued under this chapter to 14072  
conduct coal mining operations shall require that the operations 14073  
meet all applicable performance standards of this chapter and such 14074  
other requirements as the chief of the division of mineral 14075  
resources management shall adopt by rule. General performance 14076  
standards shall apply to all coal mining and reclamation 14077  
operations and shall require the operator at a minimum to do all 14078  
of the following: 14079

(1) Conduct coal mining operations so as to maximize the 14080  
utilization and conservation of the solid fuel resource being 14081  
recovered so that re-affecting the land in the future through coal 14082

mining can be minimized; 14083

(2) Restore the land affected to a condition capable of 14084  
supporting the uses that it was capable of supporting prior to any 14085  
mining, or higher or better uses of which there is reasonable 14086  
likelihood, so long as the uses do not present any actual or 14087  
probable hazard to public health or safety or pose any actual or 14088  
probable threat of diminution or pollution of the waters of the 14089  
state, and the permit applicants' declared proposed land uses 14090  
following reclamation are not considered to be impractical or 14091  
unreasonable, to be inconsistent with applicable land use policies 14092  
and plans, to involve unreasonable delay in implementation, or to 14093  
violate federal, state, or local law; 14094

(3) Except as provided in division (B) of this section, with 14095  
respect to all coal mining operations, backfill, compact where 14096  
advisable to ensure stability or to prevent leaching of toxic 14097  
materials, and grade in order to restore the approximate original 14098  
contour of the land with all highwalls, spoil piles, and 14099  
depressions eliminated unless small depressions are needed in 14100  
order to retain moisture to assist revegetation or as otherwise 14101  
authorized pursuant to this chapter, provided that if the operator 14102  
demonstrates that due to volumetric expansion the amount of 14103  
overburden and the spoil and waste materials removed in the course 14104  
of the mining operation are more than sufficient to restore the 14105  
approximate original contour, the operator shall backfill, grade, 14106  
and compact the excess overburden and other spoil and waste 14107  
materials to attain the lowest grade, but not more than the angle 14108  
of repose, and to cover all acid-forming and other toxic materials 14109  
in order to achieve an ecologically sound land use compatible with 14110  
the surrounding region in accordance with the approved mining 14111  
plan. The overburden or spoil shall be shaped and graded in such a 14112  
way as to prevent slides, erosion, and water pollution and shall 14113  
be revegetated in accordance with this chapter. 14114

(4) Stabilize and protect all surface areas, including spoil piles affected by the coal mining and reclamation operation, to control erosion and attendant air and water pollution effectively;

(5) Remove the topsoil from the land in a separate layer, replace it on the backfill area, or, if not utilized immediately, segregate it in a separate pile from the spoil, and when the topsoil is not replaced on a backfill area within a time short enough to avoid deterioration of the topsoil, maintain a successful cover by quick-growing plants or other means thereafter so that the topsoil is preserved from wind and water erosion, remains free of any contamination by acid or other toxic material, and is in a usable condition for sustaining vegetation when restored during reclamation. If the topsoil is of insufficient quantity or of poor quality for sustaining vegetation or if other strata can be shown to be more suitable for vegetation requirements, the operator shall remove, segregate, and preserve in a like manner such other strata as are best able to support vegetation.

(6) Restore the topsoil or the best available subsoil that is best able to support vegetation;

(7) For all prime farmlands as identified in division (B)(1)(p) of section 1513.07 of the Revised Code to be mined and reclaimed, perform soil removal, storage, replacement, and reconstruction in accordance with specifications established by the secretary of the United States department of agriculture under the "Surface Mining Control and Reclamation Act of 1977," 91 Stat. 445, 30 U.S.C.A. 1201. The operator, at a minimum, shall be required to do all of the following:

(a) Segregate the A horizon of the natural soil, except where it can be shown that other available soil materials will create a final soil having a greater productive capacity, and, if not utilized immediately, stockpile this material separately from the

spoil and provide needed protection from wind and water erosion or 14147  
contamination by acid or other toxic material; 14148

(b) Segregate the B horizon of the natural soil, or 14149  
underlying C horizons or other strata, or a combination of such 14150  
horizons or other strata that are shown to be both texturally and 14151  
chemically suitable for plant growth and that can be shown to be 14152  
equally or more favorable for plant growth than the B horizon, in 14153  
sufficient quantities to create in the regraded final soil a root 14154  
zone of comparable depth and quality to that which existed in the 14155  
natural soil, and, if not utilized immediately, stockpile this 14156  
material separately from the spoil and provide needed protection 14157  
from wind and water erosion or contamination by acid or other 14158  
toxic material; 14159

(c) Replace and regrade the root zone material described in 14160  
division (A)(7)(b) of this section with proper compaction and 14161  
uniform depth over the regraded spoil material; 14162

(d) Redistribute and grade in a uniform manner the surface 14163  
soil horizon described in division (A)(7)(a) of this section. 14164

(8) Create, if authorized in the approved mining and 14165  
reclamation plan and permit, permanent impoundments of water on 14166  
mining sites as part of reclamation activities only when it is 14167  
adequately demonstrated by the operator that all of the following 14168  
conditions will be met: 14169

(a) The size of the impoundment is adequate for its intended 14170  
purposes. 14171

(b) The impoundment dam construction will be so designed as 14172  
to achieve necessary stability with an adequate margin of safety 14173  
compatible with that of structures constructed under the 14174  
"Watershed Protection and Flood Prevention Act," 68 Stat. 666 14175  
(1954), 16 U.S.C. 1001, as amended. 14176

(c) The quality of impounded water will be suitable on a 14177

permanent basis for its intended use and discharges from the 14178  
impoundment will not degrade the water quality below water quality 14179  
standards established pursuant to applicable federal and state law 14180  
in the receiving stream. 14181

(d) The level of water will be reasonably stable. 14182

(e) Final grading will provide adequate safety and access for 14183  
proposed water users. 14184

(f) The water impoundments will not result in the diminution 14185  
of the quality or quantity of water utilized by adjacent or 14186  
surrounding landowners for agricultural, industrial, recreational, 14187  
or domestic uses. 14188

(9) Conduct any augering operation associated with strip 14189  
mining in a manner to maximize recoverability of mineral reserves 14190  
remaining after the operation and reclamation are complete and 14191  
seal all auger holes with an impervious and noncombustible 14192  
material in order to prevent drainage, except where the chief 14193  
determines that the resulting impoundment of water in such auger 14194  
holes may create a hazard to the environment or the public health 14195  
or safety. The chief may prohibit augering if necessary to 14196  
maximize the utilization, recoverability, or conservation of the 14197  
solid fuel resources or to protect against adverse water quality 14198  
impacts. 14199

(10) Minimize the disturbances to the prevailing hydrologic 14200  
balance at the mine site and in associated offsite areas and to 14201  
the quality and quantity of water in surface and ground water 14202  
systems both during and after coal mining operations and during 14203  
reclamation by doing all of the following: 14204

(a) Avoiding acid or other toxic mine drainage by such 14205  
measures as, but not limited to: 14206

(i) Preventing or removing water from contact with toxic 14207  
producing deposits; 14208

(ii) Treating drainage to reduce toxic content that adversely affects downstream water upon being released to water courses in accordance with rules adopted by the chief in accordance with section 1513.02 of the Revised Code; 14209  
14210  
14211  
14212

(iii) Casing, sealing, or otherwise managing boreholes, shafts, and wells, and keeping acid or other toxic drainage from entering ground and surface waters. 14213  
14214  
14215

(b)(i) Conducting coal mining operations so as to prevent, to the extent possible using the best technology currently available, additional contributions of suspended solids to streamflow or runoff outside the permit area, but in no event shall contributions be in excess of requirements set by applicable state or federal laws; 14216  
14217  
14218  
14219  
14220  
14221

(ii) Constructing any siltation structures pursuant to division (A)(10)(b)(i) of this section prior to commencement of coal mining operations. The structures shall be certified by persons approved by the chief to be constructed as designed and as approved in the reclamation plan. 14222  
14223

14225  
14226

(c) Cleaning out and removing temporary or large settling ponds or other siltation structures from drainways after disturbed areas are revegetated and stabilized, and depositing the silt and debris at a site and in a manner approved by the chief; 14227  
14228  
14229  
14230

(d) Restoring recharge capacity of the mined area to approximate premining conditions; 14231  
14232

(e) Avoiding channel deepening or enlargement in operations requiring the discharge of water from mines; 14233  
14234

(f) Such other actions as the chief may prescribe. 14235

(11) With respect to surface disposal of mine wastes, tailings, coal processing wastes, and other wastes in areas other than the mine working areas or excavations, stabilize all waste 14236  
14237  
14238

piles in designated areas through construction in compacted 14239  
layers, including the use of noncombustible and impervious 14240  
materials if necessary, and ensure that the final contour of the 14241  
waste pile will be compatible with natural surroundings and that 14242  
the site can and will be stabilized and revegetated according to 14243  
this chapter; 14244

(12) Refrain from coal mining within five hundred feet of 14245  
active and abandoned underground mines in order to prevent 14246  
breakthroughs and to protect the health or safety of miners. The 14247  
chief shall permit an operator to mine near, through, or partially 14248  
through an abandoned underground mine or closer than five hundred 14249  
feet to an active underground mine if both of the following 14250  
conditions are met: 14251

(a) The nature, timing, and sequencing of the approximate 14252  
coincidence of specific strip mine activities with specific 14253  
underground mine activities are approved by the chief. 14254

(b) The operations will result in improved resource recovery, 14255  
abatement of water pollution, or elimination of hazards to the 14256  
health and safety of the public. 14257

(13) Design, locate, construct, operate, maintain, enlarge, 14258  
modify, and remove or abandon, in accordance with the standards 14259  
and criteria developed pursuant to rules adopted by the chief, all 14260  
existing and new coal mine waste piles consisting of mine wastes, 14261  
tailings, coal processing wastes, or other liquid and solid 14262  
wastes, and used either temporarily or permanently as dams or 14263  
embankments; 14264

(14) Ensure that all debris, acid-forming materials, toxic 14265  
materials, or materials constituting a fire hazard are treated or 14266  
buried and compacted or otherwise disposed of in a manner designed 14267  
to prevent contamination of ground or surface waters and that 14268  
contingency plans are developed to prevent sustained combustion; 14269

(15) Ensure that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable with the coal mining operations, except that where the applicant proposes to combine strip mining operations with underground mining operations to ensure maximum practical recovery of the mineral resources, the chief may grant a variance for specific areas within the reclamation plan from the requirement that reclamation efforts proceed as contemporaneously as practicable to permit underground mining operations prior to reclamation if:

(a) The chief finds in writing that:

(i) The applicant has presented, as part of the permit application, specific, feasible plans for the proposed underground mining operations.

(ii) The proposed underground mining operations are necessary or desirable to ensure maximum practical recovery of the mineral resource and will avoid multiple disturbance of the surface.

(iii) The applicant has satisfactorily demonstrated that the plan for the underground mining operations conforms to requirements for underground mining in this state and that permits necessary for the underground mining operations have been issued by the appropriate authority.

(iv) The areas proposed for the variance have been shown by the applicant to be necessary for the implementing of the proposed underground mining operations.

(v) No substantial adverse environmental damage, either on-site or off-site, will result from the delay in completion of reclamation as required by this chapter.

(vi) Provisions for the off-site storage of spoil will comply with division (A)(21) of this section.

(b) The chief has adopted specific rules to govern the 14300  
granting of such variances in accordance with this division and 14301  
has imposed such additional requirements as the chief considers 14302  
necessary. 14303

(c) Variances granted under this division shall be reviewed 14304  
by the chief not more than three years from the date of issuance 14305  
of the permit. 14306

(d) Liability under the performance security filed by the 14307  
applicant with the chief pursuant to section 1513.08 of the 14308  
Revised Code shall be for the duration of the underground mining 14309  
operations and until the requirements of this section and section 14310  
1513.08 of the Revised Code have been fully complied with. 14311

(16) Ensure that the construction, maintenance, and 14312  
postmining conditions of access roads into and across the site of 14313  
operations will control or prevent erosion and siltation, 14314  
pollution of water, and damage to fish or wildlife or their 14315  
habitat, or to public or private property; 14316

(17) Refrain from the construction of roads or other access 14317  
ways up a stream bed or drainage channel or in such proximity to 14318  
the channel as to seriously alter the normal flow of water; 14319

(18) Establish, on the regraded areas and all other lands 14320  
affected, a diverse, effective, and permanent vegetative cover of 14321  
the same seasonal variety native to the area of land to be 14322  
affected and capable of self-regeneration and plant succession at 14323  
least equal in extent of cover to the natural vegetation of the 14324  
area, except that introduced species may be used in the 14325  
revegetation process where desirable and necessary to achieve the 14326  
approved postmining land use plan; 14327

(19)(a) Assume the responsibility for successful 14328  
revegetation, as required by division (A)(18) of this section, for 14329  
a period of five full years after the last year of augmented 14330

seeding, fertilizing, irrigation, or other work in order to ensure 14331  
compliance with that division, except that when the chief approves 14332  
a long-term intensive agricultural postmining land use, the 14333  
applicable five-year period of responsibility for revegetation 14334  
shall commence at the date of initial planting for that long-term 14335  
intensive agricultural postmining land use, and except that when 14336  
the chief issues a written finding approving a long-term intensive 14337  
agricultural postmining land use as part of the mining and 14338  
reclamation plan, the chief may grant an exception to division 14339  
(A)(18) of this section; 14340

(b) On lands eligible for remining, assume the responsibility 14341  
for successful revegetation, as required by division (A)(18) of 14342  
this section, for a period of two full years after the last year 14343  
of augmented seeding, fertilizing, irrigation, or other work in 14344  
order to ensure compliance with that division. 14345

(20) Protect off-site areas from slides or damage occurring 14346  
during the coal mining and reclamation operations and not deposit 14347  
spoil material or locate any part of the operations or waste 14348  
accumulations outside the permit area; 14349

(21) Place all excess spoil material resulting from coal 14350  
mining and reclamation operations in such a manner that all of the 14351  
following apply: 14352

(a) Spoil is transported and placed in a controlled manner in 14353  
position for concurrent compaction and in such a way as to ensure 14354  
mass stability and to prevent mass movement. 14355

(b) The areas of disposal are within the permit areas for 14356  
which performance security has been provided. All organic matter 14357  
shall be removed immediately prior to spoil placement except in 14358  
the zoned concept method. 14359

(c) Appropriate surface and internal drainage systems and 14360  
diversion ditches are used so as to prevent spoil erosion and mass 14361

movement. 14362

(d) The disposal area does not contain springs, natural 14363  
watercourses, or wet weather seeps unless lateral drains are 14364  
constructed from the wet areas to the main underdrains in such a 14365  
manner that filtration of the water into the spoil pile will be 14366  
prevented unless the zoned concept method is used. 14367

(e) If placed on a slope, the spoil is placed upon the most 14368  
moderate slope among those slopes upon which, in the judgment of 14369  
the chief, the spoil could be placed in compliance with all the 14370  
requirements of this chapter and is placed, where possible, upon, 14371  
or above, a natural terrace, bench, or berm if that placement 14372  
provides additional stability and prevents mass movement. 14373

(f) Where the toe of the spoil rests on a downslope, a rock 14374  
toe buttress of sufficient size to prevent mass movement is 14375  
constructed. 14376

(g) The final configuration is compatible with the natural 14377  
drainage pattern and surroundings and suitable for intended uses. 14378

(h) Design of the spoil disposal area is certified by a 14379  
qualified registered professional engineer in conformance with 14380  
professional standards. 14381

(i) All other provisions of this chapter are met. 14382

(22) Meet such other criteria as are necessary to achieve 14383  
reclamation in accordance with the purpose of this chapter, taking 14384  
into consideration the physical, climatological, and other 14385  
characteristics of the site; 14386

(23) To the extent possible, using the best technology 14387  
currently available, minimize disturbances and adverse impacts of 14388  
the operation on fish, wildlife, and related environmental values, 14389  
and achieve enhancement of such resources where practicable; 14390

(24) Provide for an undisturbed natural barrier beginning at 14391

the elevation of the lowest coal seam to be mined and extending 14392  
from the outslope for such distance as the chief shall determine 14393  
to be retained in place as a barrier to slides and erosion; 14394

(25) Restore on the permit area streams and wetlands affected 14395  
by mining operations unless the chief approves restoration off the 14396  
permit area without a permit required by section 1513.07 or 14397  
1513.074 of the Revised Code, instead of restoration on the permit 14398  
area, of a stream or wetland or a portion of a stream or wetland, 14399  
provided that the chief first makes all of the following written 14400  
determinations: 14401

(a) A hydrologic and engineering assessment of the affected 14402  
lands, submitted by the operator, demonstrates that restoration on 14403  
the permit area is not possible. 14404

(b) The proposed mitigation plan under which mitigation 14405  
activities described in division (A)(25)(c) of this section will 14406  
be conducted is limited to a stream or wetland, or a portion of a 14407  
stream or wetland, for which restoration on the permit area is not 14408  
possible. 14409

(c) Mitigation activities off the permit area, including 14410  
mitigation banking and payment of in-lieu mitigation fees, will be 14411  
performed pursuant to a permit issued under sections 401 and 404 14412  
of the "Federal Water Pollution Control Act" as defined in section 14413  
6111.01 of the Revised Code or an isolated wetland permit issued 14414  
under Chapter 6111. of the Revised Code or pursuant to a no-cost 14415  
reclamation contract for the restoration of water resources 14416  
affected by past mining activities pursuant to section 1513.37 of 14417  
the Revised Code. 14418

(d) The proposed mitigation plan and mitigation activities 14419  
comply with the standards established in this section. 14420

If the chief approves restoration off the permit area in 14421  
accordance with this division, the operator shall complete all 14422

mitigation construction or other activities required by the 14423  
mitigation plan. 14424

Performance security for reclamation activities on the permit 14425  
area shall be released pursuant to division (F) of this section, 14426  
except that the release of the remaining portion of performance 14427  
security under division (F)(3)(c) of this section shall not be 14428  
approved prior to the construction of required mitigation 14429  
activities off the permit area. 14430

(B)(1) The chief may permit mining operations for the 14431  
purposes set forth in division (B)(3) of this section. 14432

(2) When an applicant meets the requirements of divisions 14433  
(B)(3) and (4) of this section, a permit without regard to the 14434  
requirement to restore to approximate original contour known as 14435  
mountain top removal set forth in divisions (A)(3) or (C)(2) and 14436  
(3) of this section may be granted for the mining of coal where 14437  
the mining operation will remove an entire coal seam or seams 14438  
running through the upper fraction of a mountain, ridge, or hill, 14439  
except as provided in division (B)(4)(a) of this section, by 14440  
removing all of the overburden and creating a level plateau or a 14441  
gently rolling contour with no highwalls remaining, and capable of 14442  
supporting postmining uses in accordance with this division. 14443

(3) In cases where an industrial, commercial, agricultural, 14444  
residential, or public facility use, including recreational 14445  
facilities, is proposed for the postmining use of the affected 14446  
land, the chief may grant a permit for a mining operation of the 14447  
nature described in division (B)(2) of this section when all of 14448  
the following apply: 14449

(a) After consultation with the appropriate land use planning 14450  
agencies, if any, the proposed postmining land use is considered 14451  
to constitute an equal or better economic or public use of the 14452  
affected land, as compared with premining use. 14453

(b) The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the use will be all of the following:	14454 14455 14456
(i) Compatible with adjacent land uses;	14457
(ii) Obtainable according to data regarding expected need and market;	14458 14459
(iii) Assured of investment in necessary public facilities;	14460
(iv) Supported by commitments from public agencies where appropriate;	14461 14462
(v) Practicable with respect to private financial capability for completion of the proposed use;	14463 14464
(vi) Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use;	14465 14466 14467
(vii) Designed by a registered engineer in conformity with professional standards established to ensure the stability, drainage, and configuration necessary for the intended use of the site.	14468 14469 14470 14471
(c) The proposed use is consistent with adjacent land uses and existing state and local land use plans and programs.	14472 14473
(d) The chief provides the governing body of the unit of general-purpose local government in which the land is located, and any state or federal agency that the chief, in the chief's discretion, determines to have an interest in the proposed use, an opportunity of not more than sixty days to review and comment on the proposed use.	14474 14475 14476 14477 14478 14479
(e) All other requirements of this chapter will be met.	14480
(4) In granting a permit pursuant to this division, the chief shall require that each of the following is met:	14481 14482

(a) The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion. 14483  
14484  
14485

(b) The reclaimed area is stable. 14486

(c) The resulting plateau or rolling contour drains inward from the outslopes except at specified points. 14487  
14488

(d) No damage will be done to natural watercourses. 14489

(e) Spoil will be placed on the mountaintop bench as is necessary to achieve the planned postmining land use, except that all excess spoil material not retained on the mountaintop bench shall be placed in accordance with division (A)(21) of this section. 14490  
14491  
14492  
14493  
14494

(f) Stability of the spoil retained on the mountaintop bench is ensured and the other requirements of this chapter are met. 14495  
14496

(5) The chief shall adopt specific rules to govern the granting of permits in accordance with divisions (B)(1) to (4) of this section and may impose such additional requirements as the chief considers necessary. 14497  
14498  
14499  
14500

(6) All permits granted under divisions (B)(1) to (4) of this section shall be reviewed not more than three years from the date of issuance of the permit unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan. 14501  
14502  
14503  
14504  
14505  
14506

(C) All of the following performance standards apply to steep-slope coal mining and are in addition to those general performance standards required by this section, except that this division does not apply to those situations in which an operator is mining on flat or gently rolling terrain on which an occasional steep slope is encountered through which the mining operation is 14507  
14508  
14509  
14510  
14511  
14512

to proceed, leaving a plain or predominantly flat area, or where 14513  
an operator is in compliance with division (B) of this section: 14514

(1) The operator shall ensure that when performing coal 14515  
mining on steep slopes, no debris, abandoned or disabled 14516  
equipment, spoil material, or waste mineral matter is placed on 14517  
the downslope below the bench or mining cut. Spoil material in 14518  
excess of that required for the reconstruction of the approximate 14519  
original contour under division (A)(3) or (C)(2) of this section 14520  
shall be permanently stored pursuant to division (A)(21) of this 14521  
section. 14522

(2) The operator shall complete backfilling with spoil 14523  
material to cover completely the highwall and return the site to 14524  
the approximate original contour, which material will maintain 14525  
stability following mining and reclamation. 14526

(3) The operator shall not disturb land above the top of the 14527  
highwall unless the chief finds that the disturbance will 14528  
facilitate compliance with the environmental protection standards 14529  
of this section, except that any such disturbance involving land 14530  
above the highwall shall be limited to that amount of land 14531  
necessary to facilitate compliance. 14532

(D)(1) The chief may permit variances for the purposes set 14533  
forth in division (D)(3) of this section, provided that the 14534  
watershed control of the area is improved and that complete 14535  
backfilling with spoil material shall be required to cover 14536  
completely the highwall, which material will maintain stability 14537  
following mining and reclamation. 14538

(2) Where an applicant meets the requirements of divisions 14539  
(D)(3) and (4) of this section, a variance from the requirement to 14540  
restore to approximate original contour set forth in division 14541  
(C)(2) of this section may be granted for the mining of coal when 14542  
the owner of the surface knowingly requests in writing, as a part 14543

of the permit application, that such a variance be granted so as 14544  
to render the land, after reclamation, suitable for an industrial, 14545  
commercial, residential, or public use, including recreational 14546  
facilities, in accordance with divisions (D)(3) and (4) of this 14547  
section. 14548

(3) A variance pursuant to division (D)(2) of this section 14549  
may be granted if: 14550

(a) After consultation with the appropriate land use planning 14551  
agencies, if any, the potential use of the affected land is 14552  
considered to constitute an equal or better economic or public 14553  
use. 14554

(b) The postmining land condition is designed and certified 14555  
by a registered professional engineer in conformity with 14556  
professional standards established to ensure the stability, 14557  
drainage, and configuration necessary for the intended use of the 14558  
site. 14559

(c) After approval of the appropriate state environmental 14560  
agencies, the watershed of the affected land is considered to be 14561  
improved. 14562

(4) In granting a variance pursuant to division (D) of this 14563  
section, the chief shall require that only such amount of spoil 14564  
will be placed off the mine bench as is necessary to achieve the 14565  
planned postmining land use, ensure stability of the spoil 14566  
retained on the bench, and meet all other requirements of this 14567  
chapter. All spoil placement off the mine bench shall comply with 14568  
division (A)(21) of this section. 14569

(5) The chief shall adopt specific rules to govern the 14570  
granting of variances under division (D) of this section and may 14571  
impose such additional requirements as the chief considers 14572  
necessary. 14573

(6) All variances granted under division (D) of this section 14574

shall be reviewed not more than three years from the date of 14575  
issuance of the permit unless the permittee affirmatively 14576  
demonstrates that the proposed development is proceeding in 14577  
accordance with the terms of the reclamation plan. 14578

(E) The chief shall establish standards and criteria 14579  
regulating the design, location, construction, operation, 14580  
maintenance, enlargement, modification, removal, and abandonment 14581  
of new and existing coal mine waste piles referred to in division 14582  
(A)(13) of this section and division (A)(5) of section 1513.35 of 14583  
the Revised Code. The standards and criteria shall conform to the 14584  
standards and criteria used by the chief of the United States army 14585  
corps of engineers to ensure that flood control structures are 14586  
safe and effectively perform their intended function. In addition 14587  
to engineering and other technical specifications, the standards 14588  
and criteria developed pursuant to this division shall include 14589  
provisions for review and approval of plans and specifications 14590  
prior to construction, enlargement, modification, removal, or 14591  
abandonment; performance of periodic inspections during 14592  
construction; issuance of certificates of approval upon completion 14593  
of construction; performance of periodic safety inspections; and 14594  
issuance of notices for required remedial or maintenance work. 14595

(F)(1) The permittee may file a request with the chief for 14596  
release of a part of a performance security under division (F)(3) 14597  
of this section. Within thirty days after any request for 14598  
performance security release under this section has been filed 14599  
with the chief, the operator shall submit a copy of an 14600  
advertisement placed at least once a week for four successive 14601  
weeks in a newspaper of general circulation in the locality of the 14602  
coal mining operation. The advertisement shall be considered part 14603  
of any performance security release application and shall contain 14604  
a notification of the precise location of the land affected, the 14605  
number of acres, the permit number and the date approved, the 14606

amount of the performance security filed and the portion sought to be released, the type and appropriate dates of reclamation work performed, and a description of the results achieved as they relate to the operator's approved reclamation plan and, if applicable, the operator's pollution abatement plan. In addition, as part of any performance security release application, the applicant shall submit copies of the letters sent to adjoining property owners, local governmental bodies, planning agencies, and sewage and water treatment authorities or water companies in the locality in which the coal mining and reclamation activities took place, notifying them of the applicant's intention to seek release from the performance security.

(2) Upon receipt of a copy of the advertisement and request for release of a performance security under division (F)(3)(c) of this section, the chief, within thirty days, shall conduct an inspection and evaluation of the reclamation work involved. The evaluation shall consider, among other things, the degree of difficulty to complete any remaining reclamation, whether pollution of surface and subsurface water is occurring, the probability of continuation or future occurrence of the pollution, and the estimated cost of abating the pollution. The chief shall notify the permittee in writing of the decision to release or not to release all or part of the performance security within sixty days after the filing of the request if no public hearing is held pursuant to division (F)(6) of this section or, if there has been a public hearing held pursuant to division (F)(6) of this section, within thirty days thereafter.

(3) The chief may release the performance security if the reclamation covered by the performance security or portion thereof has been accomplished as required by this chapter and rules adopted under it according to the following schedule:

(a) When the operator completes the backfilling, regrading,

and drainage control of an area for which performance security has 14639  
been provided in accordance with the approved reclamation plan, 14640  
and, if the area covered by the performance security is one for 14641  
which an authorization was made under division (E)(7) of section 14642  
1513.07 of the Revised Code, the operator has complied with the 14643  
approved pollution abatement plan and all additional requirements 14644  
established by the chief in rules adopted under section 1513.02 of 14645  
the Revised Code governing coal mining and reclamation operations 14646  
on pollution abatement areas, the chief shall grant a release of 14647  
fifty per cent of the performance security for the applicable 14648  
permit area. 14649

(b) After resoiling and revegetation have been established on 14650  
the regraded mined lands in accordance with the approved 14651  
reclamation plan, the chief shall grant a release in an amount not 14652  
exceeding thirty-five per cent of the original performance 14653  
security for all or part of the affected area under the permit. 14654  
When determining the amount of performance security to be released 14655  
after successful revegetation has been established, the chief 14656  
shall retain that amount of performance security for the 14657  
revegetated area that would be sufficient for a third party to 14658  
cover the cost of reestablishing revegetation for the period 14659  
specified for operator responsibility in this section for 14660  
reestablishing revegetation. No part of the performance security 14661  
shall be released under this division so long as the lands to 14662  
which the release would be applicable are contributing suspended 14663  
solids to streamflow or runoff outside the permit area in excess 14664  
of the requirements of this section or until soil productivity for 14665  
prime farmlands has returned to equivalent levels of yield as 14666  
nonmined land of the same soil type in the surrounding area under 14667  
equivalent management practices as determined from the soil survey 14668  
performed pursuant to section 1513.07 of the Revised Code. If the 14669  
area covered by the performance security is one for which an 14670  
authorization was made under division (E)(7) of section 1513.07 of 14671

the Revised Code, no part of the performance security shall be 14672  
released under this division until the operator has complied with 14673  
the approved pollution abatement plan and all additional 14674  
requirements established by the chief in rules adopted under 14675  
section 1513.02 of the Revised Code governing coal mining and 14676  
reclamation operations on pollution abatement areas. Where a silt 14677  
dam is to be retained as a permanent impoundment pursuant to 14678  
division (A)(10) of this section, the portion of performance 14679  
security may be released under this division so long as provisions 14680  
for sound future maintenance by the operator or the landowner have 14681  
been made with the chief. 14682

(c) When the operator has completed successfully all coal 14683  
mining and reclamation activities, including, if applicable, all 14684  
additional requirements established in the pollution abatement 14685  
plan approved under division (E)(7) of section 1513.07 of the 14686  
Revised Code and all additional requirements established by the 14687  
chief in rules adopted under section 1513.02 of the Revised Code 14688  
governing coal mining and reclamation operations on pollution 14689  
abatement areas, the chief shall release all or any of the 14690  
remaining portion of the performance security for all or part of 14691  
the affected area under a permit, but not before the expiration of 14692  
the period specified for operator responsibility in this section, 14693  
except that the chief may adopt rules for a variance to the 14694  
operator period of responsibility considering vegetation success 14695  
and probability of continued growth and consent of the landowner, 14696  
provided that no performance security shall be fully released 14697  
until all reclamation requirements of this chapter are fully met. 14698

(4) If the chief disapproves the application for release of 14699  
the performance security or portion thereof, the chief shall 14700  
notify the permittee, in writing, stating the reasons for 14701  
disapproval and recommending corrective actions necessary to 14702  
secure the release, and allowing the opportunity for a public 14703

adjudicatory hearing. 14704

(5) When any application for total or partial performance 14705  
security release is filed with the chief under this section, the 14706  
chief shall notify the municipal corporation in which the coal 14707  
mining operation is located by certified mail at least thirty days 14708  
prior to the release of all or a portion of the performance 14709  
security. 14710

(6) A person with a valid legal interest that might be 14711  
adversely affected by release of a performance security under this 14712  
section or the responsible officer or head of any federal, state, 14713  
or local government agency that has jurisdiction by law or special 14714  
expertise with respect to any environmental, social, or economic 14715  
impact involved in the operation or is authorized to develop and 14716  
enforce environmental standards with respect to such operations 14717  
may file written objections to the proposed release from the 14718  
performance security with the chief within thirty days after the 14719  
last publication of the notice required by division (F)(1) of this 14720  
section. If written objections are filed and an informal 14721  
conference is requested, the chief shall inform all interested 14722  
parties of the time and place of the conference. The date, time, 14723  
and location of the informal conference shall be advertised by the 14724  
chief in a newspaper of general circulation in the locality of the 14725  
coal mining operation proposed for performance security release 14726  
for at least once a week for two consecutive weeks. The informal 14727  
conference shall be held in the locality of the coal mining 14728  
operation proposed for performance security release or in Franklin 14729  
county, at the option of the objector, within thirty days after 14730  
the request for the conference. An electronic or stenographic 14731  
record shall be made of the conference proceeding unless waived by 14732  
all parties. The record shall be maintained and shall be 14733  
accessible to the parties until final release of the performance 14734  
security at issue. In the event all parties requesting the 14735

informal conference stipulate agreement prior to the requested 14736  
informal conference and withdraw their request, the informal 14737  
conference need not be held. 14738

(7) If an informal conference has been held pursuant to 14739  
division (F)(6) of this section, the chief shall issue and furnish 14740  
the applicant and persons who participated in the conference with 14741  
the written decision regarding the release within sixty days after 14742  
the conference. Within thirty days after notification of the final 14743  
decision of the chief regarding the performance security release, 14744  
the applicant or any person with an interest that is or may be 14745  
adversely affected by the decision may appeal the decision to the 14746  
reclamation commission pursuant to section 1513.13 of the Revised 14747  
Code. 14748

(8)(a) If the chief determines that a permittee is 14749  
responsible for mine drainage that requires water treatment after 14750  
reclamation is completed under the terms of the permit or that a 14751  
permittee must provide an alternative water supply after 14752  
reclamation is completed under the terms of the permit, the 14753  
permittee shall provide alternative financial security in an 14754  
amount determined by the chief prior to the release of the 14755  
remaining portion of performance security under division (F)(3)(c) 14756  
of this section. The alternative financial security shall be in an 14757  
amount that is equal to or greater than the present value of the 14758  
estimated cost over time to develop and implement mine drainage 14759  
plans and provide water treatment or in an amount that is 14760  
necessary to provide and maintain an alternative water supply, as 14761  
applicable. The alternative financial security shall include a 14762  
contract, trust, or other agreement or mechanism that is 14763  
enforceable under law to provide long-term water treatment or a 14764  
long-term alternative water supply, or both. The contract, trust, 14765  
or other agreement or mechanism included with the alternative 14766  
financial security may provide for the funding of the alternative 14767

financial security incrementally over a period of time, not to 14768  
exceed five years, with reliance on guarantees or other collateral 14769  
provided by the permittee and approved by the chief for the 14770  
balance of the alternative financial security required until the 14771  
alternative financial security has been fully funded by the 14772  
permittee. 14773

(b) The chief shall adopt rules in accordance with Chapter 14774  
119. of the Revised Code that are necessary for the administration 14775  
of division (F)(8)(a) of this section. 14776

(c) If the chief determines that a permittee must provide 14777  
alternative financial security under division (F)(8)(a) of this 14778  
section and the performance security for the permit was provided 14779  
under division (C)(2) of section 1513.08 of the Revised Code, the 14780  
permittee may fund the alternative financial security 14781  
incrementally over a period of time, not to exceed five years, 14782  
with reliance on the reclamation forfeiture fund created in 14783  
section 1513.18 of the Revised Code for the balance of the 14784  
alternative financial security required until the alternative 14785  
financial security has been fully funded by the permittee. The 14786  
permittee semiannually shall pay to the division of mineral 14787  
resources management a fee that is equal to seven and one-half per 14788  
cent of the average balance of the alternative financial security 14789  
that is being provided by reliance on the reclamation forfeiture 14790  
fund over the previous six months. All money received from the fee 14791  
shall be credited to the reclamation forfeiture fund. 14792

(9) Final release of the performance security in accordance 14793  
with division (F)(3)(c) of this section terminates the 14794  
jurisdiction of the chief under this chapter over the reclaimed 14795  
site of a surface coal mining and reclamation operation or 14796  
applicable portion of an operation. However, the chief shall 14797  
reassert jurisdiction over such a site if the release was based on 14798  
fraud, collusion, or misrepresentation of a material fact and the 14799

chief, in writing, demonstrates evidence of the fraud, collusion, 14800  
or misrepresentation. Any person with an interest that is or may 14801  
be adversely affected by the chief's determination may appeal the 14802  
determination to the reclamation commission in accordance with 14803  
section 1513.13 of the Revised Code. 14804

(G) The chief shall adopt rules governing the criteria for 14805  
forfeiture of performance security, the method of determining the 14806  
forfeited amount, and the procedures to be followed in the event 14807  
of forfeiture. Cash received as the result of such forfeiture is 14808  
the property of the state. 14809

**Sec. 1531.35.** The wildlife boater angler fund is hereby 14810  
created in the state treasury. The fund shall consist of money 14811  
credited to the fund pursuant to section 5735.051 of the Revised 14812  
Code and other money contributed to the division of wildlife for 14813  
the purposes of the fund. The fund shall be used for boating 14814  
access construction, improvements, ~~and~~ maintenance and repair of 14815  
dams and impoundments, and acquisitions, including lands and 14816  
facilities for boating access, and to pay for equipment and 14817  
personnel costs involved with those activities, on ~~lakes~~ waters on 14818  
which the operation of gasoline-powered watercraft is permissible. 14819  
However, not more than ~~two~~ five hundred thousand dollars of the 14820  
annual expenditures from the fund may be used to pay for the 14821  
equipment and personnel costs. 14822

**Sec. 1533.10.** Except as provided in this section or division 14823  
(A)(2) of section 1533.12 or section 1533.73 or 1533.731 of the 14824  
Revised Code, no person shall hunt any wild bird or wild quadruped 14825  
without a hunting license. Each day that any person hunts within 14826  
the state without procuring such a license constitutes a separate 14827  
offense. Except as otherwise provided in this section, every 14828  
applicant for a hunting license who is a resident of the state and 14829  
eighteen years of age or more shall procure a resident hunting 14830

license or an apprentice resident hunting license, the fee for 14831  
which shall be eighteen dollars unless the rules adopted under 14832  
division (B) of section 1533.12 of the Revised Code provide for 14833  
issuance of a resident hunting license to the applicant free of 14834  
charge. Except as provided in rules adopted under division (B)(2) 14835  
of that section, each applicant who is a resident of this state 14836  
and who at the time of application is sixty-six years of age or 14837  
older shall procure a special senior hunting license, the fee for 14838  
which shall be one-half of the regular hunting license fee. Every 14839  
applicant who is under the age of eighteen years shall procure a 14840  
special youth hunting license or an apprentice youth hunting 14841  
license, the fee for which shall be one-half of the regular 14842  
hunting license fee. 14843

A resident of this state who owns lands in the state and the 14844  
owner's children of any age and grandchildren under eighteen years 14845  
of age may hunt on the lands without a hunting license. A resident 14846  
of any other state who owns real property in this state, and the 14847  
spouse and children living with the property owner, may hunt on 14848  
that property without a license, provided that the state of 14849  
residence of the real property owner allows residents of this 14850  
state owning real property in that state, and the spouse and 14851  
children living with the property owner, to hunt without a 14852  
license. If the owner of land in this state is a limited liability 14853  
company or a limited liability partnership that consists of three 14854  
or fewer individual members or partners, as applicable, an 14855  
individual member or partner who is a resident of this state and 14856  
the member's or partner's children of any age and grandchildren 14857  
under eighteen years of age may hunt on the land owned by the 14858  
limited liability company or limited liability partnership without 14859  
a hunting license. In addition, if the owner of land in this state 14860  
is a trust that has a total of three or fewer trustees and 14861  
beneficiaries, an individual who is a trustee or beneficiary and 14862  
who is a resident of this state and the individual's children of 14863

any age and grandchildren under eighteen years of age may hunt on 14864  
the land owned by the trust without a hunting license. The tenant 14865  
and children of the tenant, residing on lands in the state, may 14866  
hunt on them without a hunting license. 14867

Except as otherwise provided in division (A)(1) of section 14868  
1533.12 of the Revised Code, every applicant for a hunting license 14869  
who is a nonresident of the state and who is eighteen years of age 14870  
or older shall procure a nonresident hunting license or an 14871  
apprentice nonresident hunting license, the fee for which shall be 14872  
one hundred ~~twenty-four~~ forty-nine dollars unless the applicant is 14873  
a resident of a state that is a party to an agreement under 14874  
section 1533.91 of the Revised Code, in which case the fee shall 14875  
be eighteen dollars. Apprentice resident hunting licenses, 14876  
apprentice youth hunting licenses, and apprentice nonresident 14877  
hunting licenses are subject to the requirements established under 14878  
section 1533.102 of the Revised Code and rules adopted pursuant to 14879  
it. 14880

The chief of the division of wildlife may issue a small game 14881  
hunting license expiring three days from the effective date of the 14882  
license to a nonresident of the state, the fee for which shall be 14883  
thirty-nine dollars. No person shall take or possess deer, wild 14884  
turkeys, fur-bearing animals, ducks, geese, brant, or any nongame 14885  
animal while possessing only a small game hunting license. A small 14886  
game hunting license or an apprentice nonresident hunting license 14887  
does not authorize the taking or possessing of ducks, geese, or 14888  
brant without having obtained, in addition to the small game 14889  
hunting license or the apprentice nonresident hunting license, a 14890  
wetlands habitat stamp as provided in section 1533.112 of the 14891  
Revised Code. A small game hunting license or an apprentice 14892  
nonresident hunting license does not authorize the taking or 14893  
possessing of deer, wild turkeys, or fur-bearing animals. A 14894  
nonresident of the state who wishes to take or possess deer, wild 14895

turkeys, or fur-bearing animals in this state shall procure, 14896  
respectively, a deer or wild turkey permit as provided in section 14897  
1533.11 of the Revised Code or a fur taker permit as provided in 14898  
section 1533.111 of the Revised Code in addition to a nonresident 14899  
hunting license, an apprentice nonresident hunting license, a 14900  
special youth hunting license, or an apprentice youth hunting 14901  
license, as applicable, as provided in this section. 14902

No person shall procure or attempt to procure a hunting 14903  
license by fraud, deceit, misrepresentation, or any false 14904  
statement. 14905

This section does not authorize the taking and possessing of 14906  
deer or wild turkeys without first having obtained, in addition to 14907  
the hunting license required by this section, a deer or wild 14908  
turkey permit as provided in section 1533.11 of the Revised Code 14909  
or the taking and possessing of ducks, geese, or brant without 14910  
first having obtained, in addition to the hunting license required 14911  
by this section, a wetlands habitat stamp as provided in section 14912  
1533.112 of the Revised Code. 14913

This section does not authorize the hunting or trapping of 14914  
fur-bearing animals without first having obtained, in addition to 14915  
a hunting license required by this section, a fur taker permit as 14916  
provided in section 1533.111 of the Revised Code. 14917

No hunting license shall be issued unless it is accompanied 14918  
by a written explanation of the law in section 1533.17 of the 14919  
Revised Code and the penalty for its violation, including a 14920  
description of terms of imprisonment and fines that may be 14921  
imposed. 14922

No hunting license, other than an apprentice hunting license, 14923  
shall be issued unless the applicant presents to the agent 14924  
authorized to issue the license a previously held hunting license 14925  
or evidence of having held such a license in content and manner 14926

approved by the chief, a certificate of completion issued upon 14927  
completion of a hunter education and conservation course approved 14928  
by the chief, or evidence of equivalent training in content and 14929  
manner approved by the chief. A previously held apprentice hunting 14930  
license does not satisfy the requirement concerning the 14931  
presentation of a previously held hunting license or evidence of 14932  
it. 14933

No person shall issue a hunting license, except an apprentice 14934  
hunting license, to any person who fails to present the evidence 14935  
required by this section. No person shall purchase or obtain a 14936  
hunting license, other than an apprentice hunting license, without 14937  
presenting to the issuing agent the evidence required by this 14938  
section. Issuance of a hunting license in violation of the 14939  
requirements of this section is an offense by both the purchaser 14940  
of the illegally obtained hunting license and the clerk or agent 14941  
who issued the hunting license. Any hunting license issued in 14942  
violation of this section is void. 14943

The chief, with approval of the wildlife council, shall adopt 14944  
rules prescribing a hunter education and conservation course for 14945  
first-time hunting license buyers, other than buyers of apprentice 14946  
hunting licenses, and for volunteer instructors. The course shall 14947  
consist of subjects including, but not limited to, hunter safety 14948  
and health, use of hunting implements, hunting tradition and 14949  
ethics, the hunter and conservation, the law in section 1533.17 of 14950  
the Revised Code along with the penalty for its violation, 14951  
including a description of terms of imprisonment and fines that 14952  
may be imposed, and other law relating to hunting. Authorized 14953  
personnel of the division or volunteer instructors approved by the 14954  
chief shall conduct such courses with such frequency and at such 14955  
locations throughout the state as to reasonably meet the needs of 14956  
license applicants. The chief shall issue a certificate of 14957  
completion to each person who successfully completes the course 14958

and passes an examination prescribed by the chief. 14959

**Sec. 1533.11.** (A)(1) Except as provided in this section or 14960  
section 1533.731 of the Revised Code, no person shall hunt deer on 14961  
lands of another without first obtaining an annual deer permit. 14962  
Except as provided in this section, no person shall hunt wild 14963  
turkeys on lands of another without first obtaining an annual wild 14964  
turkey permit. ~~Each~~ 14965

(2) ~~Each~~ applicant for a ~~deer or~~ wild turkey permit shall pay 14966  
an annual fee of twenty-three dollars for ~~each~~ the permit unless 14967  
the rules adopted under division (B) of section 1533.12 of the 14968  
Revised Code provide for issuance of a ~~deer or~~ wild turkey permit 14969  
to the applicant free of charge. Except as provided in rules 14970  
adopted under division (B)(2) of that section, each applicant who 14971  
is a resident of this state and who at the time of application is 14972  
sixty-six years of age or older shall procure a senior ~~deer or~~ 14973  
wild turkey permit, the fee for which shall be one-half of the 14974  
regular ~~deer or~~ wild turkey permit fee. Each applicant who is 14975  
under the age of eighteen years shall procure a youth ~~deer or~~ wild 14976  
turkey permit, the fee for which shall be one-half of the regular 14977  
~~deer or~~ wild turkey permit fee. ~~Except~~ 14978

(3) Each applicant for a deer permit who is a resident of 14979  
this state shall procure a resident deer permit, the fee for which 14980  
is twenty-three dollars unless the rules adopted under division 14981  
(B) of section 1533.12 of the Revised Code provide for issuance of 14982  
a deer permit to the applicant free of charge. Each applicant for 14983  
a deer permit who is a nonresident of this state shall procure a 14984  
nonresident deer permit, the fee for which is ninety-nine dollars 14985  
unless the rules adopted under that division provide for issuance 14986  
of a deer permit to the applicant free of charge. Except as 14987  
provided in rules adopted under division (B)(2) of section 1533.12 14988  
of the Revised Code, each applicant who is a resident of this 14989

state and who at the time of application is sixty-six years of age 14990  
or older shall procure a senior resident deer permit, the fee for 14991  
which is one-half of the regular resident deer permit fee. Each 14992  
applicant who is under the age of eighteen years, regardless of 14993  
residency, shall procure a youth deer permit, the fee for which is 14994  
one-half of the regular resident deer permit fee. 14995

(4) As used in this chapter, "deer permit" includes a 14996  
resident deer permit and a nonresident deer permit unless the 14997  
context indicates otherwise. 14998

(5) Except as provided in division (A)(2) of section 1533.12 14999  
of the Revised Code, a deer or wild turkey permit shall run 15000  
concurrently with the hunting license. The money received shall be 15001  
paid into the state treasury to the credit of the wildlife fund, 15002  
created in section 1531.17 of the Revised Code, exclusively for 15003  
the use of the division of wildlife in the acquisition and 15004  
development of land for deer or wild turkey management, for 15005  
investigating deer or wild turkey problems, and for the stocking, 15006  
management, and protection of deer or wild turkey. Every person, 15007  
while hunting deer or wild turkey on lands of another, shall carry 15008  
the person's deer or wild turkey permit and exhibit it to any 15009  
enforcement officer so requesting. Failure to so carry and exhibit 15010  
such a permit constitutes an offense under this section. The chief 15011  
of the division of wildlife shall adopt any additional rules the 15012  
chief considers necessary to carry out this section and section 15013  
1533.10 of the Revised Code. 15014

An owner who is a resident of this state or an owner who is 15015  
exempt from obtaining a hunting license under section 1533.10 of 15016  
the Revised Code and the children of the owner of lands in this 15017  
state may hunt deer or wild turkey thereon without a deer or wild 15018  
turkey permit. If the owner of land in this state is a limited 15019  
liability company or a limited liability partnership that consists 15020  
of three or fewer individual members or partners, as applicable, 15021

an individual member or partner who is a resident of this state 15022  
and the member's or partner's children of any age may hunt deer or 15023  
wild turkey on the land owned by the limited liability company or 15024  
limited liability partnership without a deer or wild turkey 15025  
permit. In addition, if the owner of land in this state is a trust 15026  
that has a total of three or fewer trustees and beneficiaries, an 15027  
individual who is a trustee or beneficiary and who is a resident 15028  
of this state and the individual's children of any age may hunt 15029  
deer or wild turkey on the land owned by the trust without a deer 15030

Revised Code. 16223

(d) Divisions (A)(4)(a) and (c) of this section do not apply 16224  
in a cleric-penitent relationship when the disclosure of any 16225  
communication the cleric receives from the penitent is in 16226

based on facts that would cause a reasonable person in similar 16232  
circumstances to suspect, that a child under eighteen years of age 16233  
or a mentally retarded, developmentally disabled, or physically 16234  
impaired person under twenty-one years of age has suffered or 16235  
faces a threat of suffering any physical or mental wound, injury, 16236  
disability, or other condition of a nature that reasonably 16237  
indicates abuse or neglect of the child may report or cause 16238  
reports to be made of that knowledge or reasonable cause to 16239

division shall make it or cause it to be made to the public 16243  
children services agency or to a municipal or county peace 16244  
officer. In the circumstances described in section 5120.173 of the 16245  
Revised Code, a person making a report or causing a report to be 16246  
made under this division shall make it or cause it to be made to 16247  
the entity specified in that section. 16248

(C) Any report made pursuant to division (A) or (B) of this 16249  
section shall be made forthwith either by telephone or in person 16250  
and shall be followed by a written report, if requested by the 16251  
receiving agency or officer. The written report shall contain: 16252

believed, as applicable, to exist, including any evidence of 16260  
previous injuries, abuse, or neglect; 16261

(3) Any other information that might be helpful in 16262  
establishing the cause of the injury, abuse, or neglect that is 16263  
known or reasonably suspected or believed, as applicable, to have 16264  
occurred or of the threat of injury, abuse, or neglect that is 16265  
known or reasonably suspected or believed, as applicable, to 16266  
exist. 16267

Any person, who is required by division (A) of this section 16268  
to report child abuse or child neglect that is known or reasonably 16269  
suspected or believed to have occurred, may take or cause to be 16270  
taken color photographs of areas of trauma visible on a child and, 16271  
if medically indicated, cause to be performed radiological 16272

(D) As used in this division, "children's advocacy center" 16274  
and "sexual abuse of a child" have the same meanings as in section 16275  
2151.425 of the Revised Code. 16276

(1) When a municipal or county peace officer receives a 16277  
report concerning the possible abuse or neglect of a child or the 16278  
possible threat of abuse or neglect of a child, upon receipt of 16279  
the report, the municipal or county peace officer who receives the 16280  
report shall refer the report to the appropriate public children 16281  
services agency. 16282

(2) When a public children services agency receives a report 16283  
pursuant to this division or division (A) or (B) of this section, 16284  
upon receipt of the report, the public children services agency 16285  
shall do both of the following: 16286

(a) Comply with section 2151.422 of the Revised Code; 16287

(b) If the county served by the agency is also served by a 16288  
children's advocacy center and the report alleges sexual abuse of 16289  
a child or another type of abuse of a child that is specified in 16290  
the memorandum of understanding that creates the center as being 16291  
within the center's jurisdiction, comply regarding the report with 16292

the protocol and procedures for referrals and investigations, with 16293  
the coordinating activities, and with the authority or 16294  
responsibility for performing or providing functions, activities, 16295  
and services stipulated in the interagency agreement entered into 16296  
under section 2151.428 of the Revised Code relative to that 16297  
center. 16298

(E) No township, municipal, or county peace officer shall 16299  
remove a child about whom a report is made pursuant to this 16300  
section from the child's parents, stepparents, or guardian or any 16301  
other persons having custody of the child without consultation 16302  
with the public children services agency, unless, in the judgment 16303  
of the officer, and, if the report was made by physician, the 16304  
physician, immediate removal is considered essential to protect 16305  
the child from further abuse or neglect. The agency that must be 16306  
consulted shall be the agency conducting the investigation of the 16307  
report as determined pursuant to section 2151.422 of the Revised 16308  
Code. 16309

(F)(1) Except as provided in section 2151.422 of the Revised 16310  
Code or in an interagency agreement entered into under section 16311  
2151.428 of the Revised Code that applies to the particular 16312  
report, the public children services agency shall investigate, 16313  
within twenty-four hours, each report of child abuse or child 16314  
neglect that is known or reasonably suspected or believed to have 16315  
occurred and of a threat of child abuse or child neglect that is 16316  
known or reasonably suspected or believed to exist that is 16317  
referred to it under this section to determine the circumstances 16318  
surrounding the injuries, abuse, or neglect or the threat of 16319  
injury, abuse, or neglect, the cause of the injuries, abuse, 16320  
neglect, or threat, and the person or persons responsible. The 16321  
investigation shall be made in cooperation with the law 16322  
enforcement agency and in accordance with the memorandum of 16323  
understanding prepared under division (J) of this section. A 16324

the time of initial contact with the person subject to the 16326  
investigation, inform the person of the specific complaints or 16327  
allegations made against the person. The information shall be 16328  
given in a manner that is consistent with division (H)(1) of this 16329  
section and protects the rights of the person making the report 16330  
under this section. 16331

A failure to make the investigation in accordance with the 16332  
memorandum is not grounds for, and shall not result in, the 16333  
dismissal of any charges or complaint arising from the report or 16334  
the suppression of any evidence obtained as a result of the report 16335  
and does not give, and shall not be construed as giving, any 16336  
rights or any grounds for appeal or post-conviction relief to any 16337  
person. The public children services agency shall report each case 16338  
to the uniform statewide automated child welfare information 16339  
system that the department of job and family services shall 16340  
maintain in accordance with section 5101.13 of the Revised Code. 16341  
The public children services agency shall submit a report of its 16342  
investigation, in writing, to the law enforcement agency. 16343

(2) The public children services agency shall make any 16344  
recommendations to the county prosecuting attorney or city 16345  
director of law that it considers necessary to protect any 16346  
children that are brought to its attention. 16347

(G)(1)(a) Except as provided in division (H)(3) of this 16348  
section, anyone or any hospital, institution, school, health 16349  
department, or agency participating in the making of reports under 16350  
division (A) of this section, anyone or any hospital, institution, 16351  
school, health department, or agency participating in good faith 16352  
in the making of reports under division (B) of this section, and 16353  
anyone participating in good faith in a judicial proceeding 16354  
resulting from the reports, shall be immune from any civil or 16355  
criminal liability for injury, death, or loss to person or 16356

property that otherwise might be incurred or imposed as a result 16357  
of the making of the reports or the participation in the judicial 16358  
proceeding. 16359

(b) Notwithstanding section 4731.22 of the Revised Code, the 16360  
physician-patient privilege shall not be a ground for excluding 16361  
evidence regarding a child's injuries, abuse, or neglect, or the 16362  
cause of the injuries, abuse, or neglect in any judicial 16363  
proceeding resulting from a report submitted pursuant to this 16364  
section. 16365

(2) In any civil or criminal action or proceeding in which it 16366  
is alleged and proved that participation in the making of a report 16367  
under this section was not in good faith or participation in a 16368  
judicial proceeding resulting from a report made under this 16369  
section was not in good faith, the court shall award the 16370  
prevailing party reasonable attorney's fees and costs and, if a 16371  
civil action or proceeding is voluntarily dismissed, may award 16372  
reasonable attorney's fees and costs to the party against whom the 16373  
civil action or proceeding is brought. 16374

(H)(1) Except as provided in divisions (H)(4) and (N) of this 16375  
section, a report made under this section is confidential. The 16376  
information provided in a report made pursuant to this section and 16377  
the name of the person who made the report shall not be released 16378  
for use, and shall not be used, as evidence in any civil action or 16379  
proceeding brought against the person who made the report. Nothing 16380  
in this division shall preclude the use of reports of other 16381  
incidents of known or suspected abuse or neglect in a civil action 16382  
or proceeding brought pursuant to division (M) of this section 16383  
against a person who is alleged to have violated division (A)(1) 16384  
of this section, provided that any information in a report that 16385  
would identify the child who is the subject of the report or the 16386  
maker of the report, if the maker of the report is not the 16387  
defendant or an agent or employee of the defendant, has been 16388

redacted. In a criminal proceeding, the report is admissible in 16389  
evidence in accordance with the Rules of Evidence and is subject 16390  
to discovery in accordance with the Rules of Criminal Procedure. 16391

(2) No person shall permit or encourage the unauthorized 16392  
dissemination of the contents of any report made under this 16393  
section. 16394

(3) A person who knowingly makes or causes another person to 16395  
make a false report under division (B) of this section that 16396  
alleges that any person has committed an act or omission that 16397  
resulted in a child being an abused child or a neglected child is 16398  
guilty of a violation of section 2921.14 of the Revised Code. 16399

(4) If a report is made pursuant to division (A) or (B) of 16400  
this section and the child who is the subject of the report dies 16401  
for any reason at any time after the report is made, but before 16402  
the child attains eighteen years of age, the public children 16403  
services agency or municipal or county peace officer to which the 16404  
report was made or referred, on the request of the child fatality 16405  
review board or the director of health pursuant to guidelines 16406  
established under section 3701.70 of the Revised Code, shall 16407  
submit a summary sheet of information providing a summary of the 16408  
report to the review board of the county in which the deceased 16409  
child resided at the time of death or to the director. On the 16410  
request of the review board or director, the agency or peace 16411  
officer may, at its discretion, make the report available to the 16412  
review board or director. If the county served by the public 16413  
children services agency is also served by a children's advocacy 16414  
center and the report of alleged sexual abuse of a child or 16415  
another type of abuse of a child is specified in the memorandum of 16416  
understanding that creates the center as being within the center's 16417  
jurisdiction, the agency or center shall perform the duties and 16418  
functions specified in this division in accordance with the 16419  
interagency agreement entered into under section 2151.428 of the 16420

Revised Code relative to that advocacy center. 16421

(5) A public children services agency shall advise a person 16422  
alleged to have inflicted abuse or neglect on a child who is the 16423  
subject of a report made pursuant to this section, including a 16424  
report alleging sexual abuse of a child or another type of abuse 16425  
of a child referred to a children's advocacy center pursuant to an 16426  
interagency agreement entered into under section 2151.428 of the 16427  
Revised Code, in writing of the disposition of the investigation. 16428  
The agency shall not provide to the person any information that 16429  
identifies the person who made the report, statements of 16430  
witnesses, or police or other investigative reports. 16431

(I) Any report that is required by this section, other than a 16432  
report that is made to the state highway patrol as described in 16433  
section 5120.173 of the Revised Code, shall result in protective 16434  
services and emergency supportive services being made available by 16435  
the public children services agency on behalf of the children 16436  
about whom the report is made, in an effort to prevent further 16437  
neglect or abuse, to enhance their welfare, and, whenever 16438  
possible, to preserve the family unit intact. The agency required 16439  
to provide the services shall be the agency conducting the 16440  
investigation of the report pursuant to section 2151.422 of the 16441  
Revised Code. 16442

(J)(1) Each public children services agency shall prepare a 16443  
memorandum of understanding that is signed by all of the 16444  
following: 16445

(a) If there is only one juvenile judge in the county, the 16446  
juvenile judge of the county or the juvenile judge's 16447  
representative; 16448

(b) If there is more than one juvenile judge in the county, a 16449  
juvenile judge or the juvenile judges' representative selected by 16450  
the juvenile judges or, if they are unable to do so for any 16451

reason, the juvenile judge who is senior in point of service or 16452  
the senior juvenile judge's representative; 16453

(c) The county peace officer; 16454

(d) All chief municipal peace officers within the county; 16455

(e) Other law enforcement officers handling child abuse and 16456  
neglect cases in the county; 16457

(f) The prosecuting attorney of the county; 16458

(g) If the public children services agency is not the county 16459  
department of job and family services, the county department of 16460  
job and family services; 16461

(h) The county humane society; 16462

(i) If the public children services agency participated in 16463  
the execution of a memorandum of understanding under section 16464  
2151.426 of the Revised Code establishing a children's advocacy 16465  
center, each participating member of the children's advocacy 16466  
center established by the memorandum. 16467

(2) A memorandum of understanding shall set forth the normal 16468  
operating procedure to be employed by all concerned officials in 16469  
the execution of their respective responsibilities under this 16470  
section and division (C) of section 2919.21, division (B)(1) of 16471  
section 2919.22, division (B) of section 2919.23, and section 16472  
2919.24 of the Revised Code and shall have as two of its primary 16473  
goals the elimination of all unnecessary interviews of children 16474  
who are the subject of reports made pursuant to division (A) or 16475  
(B) of this section and, when feasible, providing for only one 16476  
interview of a child who is the subject of any report made 16477  
pursuant to division (A) or (B) of this section. A failure to 16478  
follow the procedure set forth in the memorandum by the concerned 16479  
officials is not grounds for, and shall not result in, the 16480  
dismissal of any charges or complaint arising from any reported 16481

case of abuse or neglect or the suppression of any evidence 16482  
obtained as a result of any reported child abuse or child neglect 16483  
and does not give, and shall not be construed as giving, any 16484  
rights or any grounds for appeal or post-conviction relief to any 16485  
person. 16486

(3) A memorandum of understanding shall include all of the 16487  
following: 16488

(a) The roles and responsibilities for handling emergency and 16489  
nonemergency cases of abuse and neglect; 16490

(b) Standards and procedures to be used in handling and 16491  
coordinating investigations of reported cases of child abuse and 16492  
reported cases of child neglect, methods to be used in 16493  
interviewing the child who is the subject of the report and who 16494  
allegedly was abused or neglected, and standards and procedures 16495  
addressing the categories of persons who may interview the child 16496  
who is the subject of the report and who allegedly was abused or 16497  
neglected. 16498

(4) If a public children services agency participated in the 16499  
execution of a memorandum of understanding under section 2151.426 16500  
of the Revised Code establishing a children's advocacy center, the 16501  
agency shall incorporate the contents of that memorandum in the 16502  
memorandum prepared pursuant to this section. 16503

(5) The clerk of the court of common pleas in the county may 16504  
sign the memorandum of understanding prepared under division 16505  
(J)(1) of this section. If the clerk signs the memorandum of 16506  
understanding, the clerk shall execute all relevant 16507  
responsibilities as required of officials specified in the 16508  
memorandum. 16509

(K)(1) Except as provided in division (K)(4) of this section, 16510  
a person who is required to make a report pursuant to division (A) 16511  
of this section may make a reasonable number of requests of the 16512

public children services agency that receives or is referred the 16513  
report, or of the children's advocacy center that is referred the 16514  
report if the report is referred to a children's advocacy center 16515  
pursuant to an interagency agreement entered into under section 16516  
2151.428 of the Revised Code, to be provided with the following 16517  
information: 16518

(a) Whether the agency or center has initiated an 16519  
investigation of the report; 16520

(b) Whether the agency or center is continuing to investigate 16521  
the report; 16522

(c) Whether the agency or center is otherwise involved with 16523  
the child who is the subject of the report; 16524

(d) The general status of the health and safety of the child 16525  
who is the subject of the report; 16526

(e) Whether the report has resulted in the filing of a 16527  
complaint in juvenile court or of criminal charges in another 16528  
court. 16529

(2) A person may request the information specified in 16530  
division (K)(1) of this section only if, at the time the report is 16531  
made, the person's name, address, and telephone number are 16532  
provided to the person who receives the report. 16533

When a municipal or county peace officer or employee of a 16534  
public children services agency receives a report pursuant to 16535  
division (A) or (B) of this section the recipient of the report 16536  
shall inform the person of the right to request the information 16537  
described in division (K)(1) of this section. The recipient of the 16538  
report shall include in the initial child abuse or child neglect 16539  
report that the person making the report was so informed and, if 16540  
provided at the time of the making of the report, shall include 16541  
the person's name, address, and telephone number in the report. 16542

Each request is subject to verification of the identity of 16543  
the person making the report. If that person's identity is 16544  
verified, the agency shall provide the person with the information 16545  
described in division (K)(1) of this section a reasonable number 16546  
of times, except that the agency shall not disclose any 16547  
confidential information regarding the child who is the subject of 16548  
the report other than the information described in those 16549  
divisions. 16550

(3) A request made pursuant to division (K)(1) of this 16551  
section is not a substitute for any report required to be made 16552  
pursuant to division (A) of this section. 16553

(4) If an agency other than the agency that received or was 16554  
referred the report is conducting the investigation of the report 16555  
pursuant to section 2151.422 of the Revised Code, the agency 16556  
conducting the investigation shall comply with the requirements of 16557  
division (K) of this section. 16558

(L) The director of job and family services shall adopt rules 16559  
in accordance with Chapter 119. of the Revised Code to implement 16560  
this section. The department of job and family services may enter 16561  
into a plan of cooperation with any other governmental entity to 16562  
aid in ensuring that children are protected from abuse and 16563  
neglect. The department shall make recommendations to the attorney 16564  
general that the department determines are necessary to protect 16565  
children from child abuse and child neglect. 16566

(M) Whoever violates division (A) of this section is liable 16567  
for compensatory and exemplary damages to the child who would have 16568  
been the subject of the report that was not made. A person who 16569  
brings a civil action or proceeding pursuant to this division 16570  
against a person who is alleged to have violated division (A)(1) 16571  
of this section may use in the action or proceeding reports of 16572  
other incidents of known or suspected abuse or neglect, provided 16573  
that any information in a report that would identify the child who 16574

is the subject of the report or the maker of the report, if the maker is not the defendant or an agent or employee of the defendant, has been redacted.

(N)(1) As used in this division:

(a) "Out-of-home care" includes a nonchartered nonpublic school if the alleged child abuse or child neglect, or alleged threat of child abuse or child neglect, described in a report received by a public children services agency allegedly occurred in or involved the nonchartered nonpublic school and the alleged perpetrator named in the report holds a certificate, permit, or license issued by the state board of education under section 3301.071 or Chapter 3319. of the Revised Code.

(b) "Administrator, director, or other chief administrative officer" means the superintendent of the school district if the out-of-home care entity subject to a report made pursuant to this section is a school operated by the district.

(2) No later than the end of the day following the day on which a public children services agency receives a report of alleged child abuse or child neglect, or a report of an alleged threat of child abuse or child neglect, that allegedly occurred in or involved an out-of-home care entity, the agency shall provide written notice of the allegations contained in and the person named as the alleged perpetrator in the report to the administrator, director, or other chief administrative officer of the out-of-home care entity that is the subject of the report unless the administrator, director, or other chief administrative officer is named as an alleged perpetrator in the report. (e) Except as otherwise provided in this division, if the 17173  
amount of the drug involved equals or exceeds thirty grams but is 17174  
less than forty grams, trafficking in a controlled substance 17175

analog is a felony of the second degree, and the court shall 17176  
impose as a mandatory prison term one of the prison terms 17177  
prescribed for a felony of the second degree. If the amount of the 17178  
drug involved is within that range and if the offense was 17179  
committed in the vicinity of a school or in the vicinity of a 17180

of the first degree, and the court shall impose as a mandatory 17182  
prison term one of the prison terms prescribed for a felony of the 17183  
first degree. 17184

(f) If the amount of the drug involved equals or exceeds 17185  
forty grams but is less than fifty grams and regardless of whether 17186  
the offense was committed in the vicinity of a school or in the 17187

(g) If the amount of the drug involved equals or exceeds 17192  
fifty grams and regardless of whether the offense was committed in 17193  
the vicinity of a school or in the vicinity of a juvenile, 17194  
trafficking in a controlled substance analog is a felony of the 17195  
first degree, the offender is a major drug offender, and the court 17196  
shall impose as a mandatory prison term the maximum prison term 17197  
prescribed for a felony of the first degree. 17198

(D) In addition to any prison term authorized or required by 17199  
division (C) of this section and sections 2929.13 and 2929.14 of 17200  
the Revised Code, and in addition to any other sanction imposed 17201  
for the offense under this section or sections 2929.11 to 2929.18 17202  
of the Revised Code, the court that sentences an offender who is 17203  
convicted of or pleads guilty to a violation of division (A) of 17204  
this section shall do all of the following that are applicable 17205  
regarding the offender: 17206

(1) If the violation of division (A) of this section is a 17207

felony of the first, second, or third degree, the court shall 17208  
impose upon the offender the mandatory fine specified for the 17209  
offense under division (B)(1) of section 2929.18 of the Revised 17210  
Code unless, as specified in that division, the court determines 17211  
that the offender is indigent. Except as otherwise provided in 17212  
division (H)(1) of this section, a mandatory fine or any other 17213  
fine imposed for a violation of this section is subject to 17214  
division (F) of this section. If a person is charged with a 17215  
violation of this section that is a felony of the first, second, 17216  
or third degree, posts bail, and forfeits the bail, the clerk of 17217  
the court shall pay the forfeited bail pursuant to divisions 17218  
(D)(1) and (F) of this section, as if the forfeited bail was a 17219  
fine imposed for a violation of this section. If any amount of the 17220  
forfeited bail remains after that payment and if a fine is imposed 17221  
under division (H)(1) of this section, the clerk of the court 17222  
shall pay the remaining amount of the forfeited bail pursuant to 17223  
divisions (H)(2) and (3) of this section, as if that remaining 17224  
amount was a fine imposed under division (H)(1) of this section. 17225

(2) The court shall suspend the driver's or commercial 17226  
driver's license or permit of the offender in accordance with 17227  
division (G) of this section. 17228

(3) If the offender is a professionally licensed person, the 17229  
court immediately shall comply with section 2925.38 of the Revised 17230  
Code. 17231

(E) When a person is charged with the sale of or offer to 17232  
sell a bulk amount or a multiple of a bulk amount of a controlled 17233  
substance, the jury, or the court trying the accused, shall 17234  
determine the amount of the controlled substance involved at the 17235  
time of the offense and, if a guilty verdict is returned, shall 17236  
return the findings as part of the verdict. In any such case, it 17237  
is unnecessary to find and return the exact amount of the 17238  
controlled substance involved, and it is sufficient if the finding 17239

and return is to the effect that the amount of the controlled 17240  
substance involved is the requisite amount, or that the amount of 17241  
the controlled substance involved is less than the requisite 17242  
amount. 17243

(F)(1) Notwithstanding any contrary provision of section 17244  
3719.21 of the Revised Code and except as provided in division (H) 17245  
of this section, the clerk of the court shall pay any mandatory 17246  
fine imposed pursuant to division (D)(1) of this section and any 17247  
fine other than a mandatory fine that is imposed for a violation 17248  
of this section pursuant to division (A) or (B)(5) of section 17249  
2929.18 of the Revised Code to the county, township, municipal 17250  
corporation, park district, as created pursuant to section 511.18 17251  
or 1545.04 of the Revised Code, or state law enforcement agencies 17252  
in this state that primarily were responsible for or involved in 17253  
making the arrest of, and in prosecuting, the offender. However, 17254  
the clerk shall not pay a mandatory fine so imposed to a law 17255  
enforcement agency unless the agency has adopted a written 17256  
internal control policy under division (F)(2) of this section that 17257  
addresses the use of the fine moneys that it receives. Each agency 17258  
shall use the mandatory fines so paid to subsidize the agency's 17259  
law enforcement efforts that pertain to drug offenses, in 17260  
accordance with the written internal control policy adopted by the 17261  
recipient agency under division (F)(2) of this section. 17262

(2) Prior to receiving any fine moneys under division (F)(1) 17263  
of this section or division (B) of section 2925.42 of the Revised 17264  
Code, a law enforcement agency shall adopt a written internal 17265  
control policy that addresses the agency's use and disposition of 17266  
all fine moneys so received and that provides for the keeping of 17267  
detailed financial records of the receipts of those fine moneys, 17268  
the general types of expenditures made out of those fine moneys, 17269  
and the specific amount of each general type of expenditure. The 17270  
policy shall not provide for or permit the identification of any 17271

specific expenditure that is made in an ongoing investigation. All 17272  
financial records of the receipts of those fine moneys, the 17273  
general types of expenditures made out of those fine moneys, and 17274  
the specific amount of each general type of expenditure by an 17275  
agency are public records open for inspection under section 149.43 17276  
of the Revised Code. Additionally, a written internal control 17277  
policy adopted under this division is such a public record, and 17278  
the agency that adopted it shall comply with it. 17279

(3) As used in division (F) of this section: 17280

(a) "Law enforcement agencies" includes, but is not limited 17281  
to, the state board of pharmacy and the office of a prosecutor. 17282

(b) "Prosecutor" has the same meaning as in section 2935.01 17283  
of the Revised Code. 17284

(G) When required under division (D)(2) of this section or 17285  
any other provision of this chapter, the court shall suspend for 17286  
not less than six months or more than five years the driver's or 17287  
commercial driver's license or permit of any person who is 17288  
convicted of or pleads guilty to any violation of this section or 17289  
any other specified provision of this chapter. If an offender's 17290  
driver's or commercial driver's license or permit is suspended 17291  
pursuant to this division, the offender, at any time after the 17292  
expiration of two years from the day on which the offender's 17293  
sentence was imposed or from the day on which the offender finally 17294  
was released from a prison term under the sentence, whichever is 17295  
later, may file a motion with the sentencing court requesting 17296  
termination of the suspension; upon the filing of such a motion 17297  
and the court's finding of good cause for the termination, the 17298  
court may terminate the suspension. 17299

(H)(1) In addition to any prison term authorized or required 17300  
by division (C) of this section and sections 2929.13 and 2929.14 17301  
of the Revised Code, in addition to any other penalty or sanction 17302

imposed for the offense under this section or sections 2929.11 to 17303  
2929.18 of the Revised Code, and in addition to the forfeiture of 17304  
property in connection with the offense as prescribed in Chapter 17305  
2981. of the Revised Code, the court that sentences an offender 17306  
who is convicted of or pleads guilty to a violation of division 17307  
(A) of this section may impose upon the offender an additional 17308  
fine specified for the offense in division (B)(4) of section 17309  
2929.18 of the Revised Code. A fine imposed under division (H)(1) 17310  
of this section is not subject to division (F) of this section and 17311  
shall be used solely for the support of one or more eligible 17312  
community addiction services ~~provider~~ providers in accordance with 17313  
divisions (H)(2) and (3) of this section. 17314

(2) The court that imposes a fine under division (H)(1) of 17315  
this section shall specify in the judgment that imposes the fine 17316  
one or more eligible community addiction services ~~provider~~ 17317  
providers for the support of which the fine money is to be used. 17318  
No community addiction services provider shall receive or use 17319  
money paid or collected in satisfaction of a fine imposed under 17320  
division (H)(1) of this section unless the services provider is 17321  
specified in the judgment that imposes the fine. No community 17322  
addiction services provider shall be specified in the judgment 17323  
unless the services provider is an eligible community addiction 17324  
services provider and, except as otherwise provided in division 17325  
(H)(2) of this section, unless the services provider is located in 17326  
the county in which the court that imposes the fine is located or 17327  
in a county that is immediately contiguous to the county in which 17328  
that court is located. If no eligible community addiction services 17329  
provider is located in any of those counties, the judgment may 17330  
specify an eligible community addiction services provider that is 17331  
located anywhere within this state. 17332

(3) Notwithstanding any contrary provision of section 3719.21 17333  
of the Revised Code, the clerk of the court shall pay any fine 17334

imposed under division (H)(1) of this section to the eligible 17335  
community addiction services provider specified pursuant to 17336  
division (H)(2) of this section in the judgment. The eligible 17337  
community addiction services provider that receives the fine 17338  
moneys shall use the moneys only for the alcohol and drug 17339  
addiction services identified in the application for certification 17340  
of services under section 5119.36 of the Revised Code or in the 17341  
application for a license under section 5119.391 of the Revised 17342  
Code filed with the department of mental health and addiction 17343  
services by the community addiction services provider specified in 17344  
the judgment. 17345

(4) Each community addiction services provider that receives 17346  
in a calendar year any fine moneys under division (H)(3) of this 17347  
section shall file an annual report covering that calendar year 17348  
with the court of common pleas and the board of county 17349  
commissioners of the county in which the services provider is 17350  
located, with the court of common pleas and the board of county 17351  
commissioners of each county from which the services provider 17352  
received the moneys if that county is different from the county in 17353  
which the services provider is located, and with the attorney 17354  
general. The community addiction services provider shall file the 17355  
report no later than the first day of March in the calendar year 17356

Except as otherwise provided in this division, if the court is required to impose a mandatory prison term for the offense for which sentence is being imposed, the court also shall impose any financial sanction pursuant to section 2929.18 of the Revised Code that is required for the offense and may impose any other financial sanction pursuant to that section but may not impose any additional sanction or combination of sanctions under section 2929.16 or 2929.17 of the Revised Code.

If the offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, in addition to the mandatory term of local incarceration or the mandatory prison term required for the offense by division (G)(1) or (2) of this section, the court shall impose upon the offender a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code and may impose whichever of the following is applicable:

(b) The court has discretion to impose a prison term upon an 17453  
offender who is convicted of or pleads guilty to a felony of the 17454  
fourth or fifth degree that is not an offense of violence or that 17455  
is a qualifying assault offense if any of the following apply: 17456

(ii) If the offense is a qualifying assault offense, the 17459

specified in that division, did not provide the court with the 17469  
name of, contact information for, and program details of any 17470  
community control sanction of at least one year's duration that is 17471  
available for persons sentenced by the court. 17472

(v) The offense is a sex offense that is a fourth or fifth 17473  
degree felony violation of any provision of Chapter 2907. of the 17474  
Revised Code. 17475

(vi) In committing the offense, the offender attempted to 17476  
cause or made an actual threat of physical harm to a person with a 17477  
deadly weapon. 17478

(vii) In committing the offense, the offender attempted to 17479  
cause or made an actual threat of physical harm to a person, and 17480  
the offender previously was convicted of an offense that caused 17481  
physical harm to a person. 17482

(viii) The offender held a public office or position of 17483  
trust, and the offense related to that office or position; the 17484  
offender's position obliged the offender to prevent the offense or 17485  
to bring those committing it to justice; or the offender's 17486  
professional reputation or position facilitated the offense or was 17487  
likely to influence the future conduct of others. 17488

(ix) The offender committed the offense for hire or as part 17489

community control sanction, while on probation, or while released 17494  
from custody on a bond or personal recognizance. 17495

(c) If a court that is sentencing an offender who is 17496  
convicted of or pleads guilty to a felony of the fourth or fifth 17497  
degree that is not an offense of violence or that is a qualifying 17498  
assault offense believes that no community control sanctions are 17499  
available for its use that, if imposed on the offender, will 17500  
adequately fulfill the overriding principles and purposes of 17501  
sentencing, the court shall contact the department of 17502  
rehabilitation and correction and ask the department to provide 17503  
the court with the names of, contact information for, and program 17504  
details of one or more community control sanctions of at least one 17505  
year's duration that are available for persons sentenced by the 17506  
court. Not later than forty-five days after receipt of a request 17507  
from a court under this division, the department shall provide the 17508  
court with the names of, contact information for, and program 17509  
details of one or more community control sanctions of at least one 17510  
year's duration that are available for persons sentenced by the 17511  
court, if any. Upon making a request under this division that 17512  
relates to a particular offender, a court shall defer sentencing 17513  
of that offender until it receives from the department the names 17514  
of, contact information for, and program details of one or more 17515  
community control sanctions of at least one year's duration that 17516  
are available for persons sentenced by the court or for forty-five 17517  
days, whichever is the earlier. 17518

If the department provides the court with the names of, 17519  
contact information for, and program details of one or more 17520  
community control sanctions of at least one year's duration that 17521  
are available for persons sentenced by the court within the 17522

forty-five-day period specified in this division, the court shall 17523  
impose upon the offender a community control sanction under 17524  
division (B)(1)(a) of this section, except that the court may 17525  
impose a prison term under division (B)(1)(b) of this section if a 17526  
factor described in division (B)(1)(b)(i) or (ii) of this section 17527  
applies. If the department does not provide the court with the 17528  
names of, contact information for, and program details of one or 17529  
more community control sanctions of at least one year's duration 17530  
that are available for persons sentenced by the court within the 17531  
forty-five-day period specified in this division, the court may 17532  
impose upon the offender a prison term under division 17533  
(B)(1)(b)(iv) of this section. 17534

(d) A sentencing court may impose an additional penalty under 17535  
division (B) of section 2929.15 of the Revised Code upon an 17536  
offender sentenced to a community control sanction under division 17537  
(B)(1)(a) of this section if the offender violates the conditions 17538  
of the community control sanction, violates a law, or leaves the 17539  
state without the permission of the court or the offender's 17540  
probation officer. 17541

(2) If division (B)(1) of this section does not apply, except 17542  
as provided in division (E), (F), or (G) of this section, in 17543  
determining whether to impose a prison term as a sanction for a 17544  
felony of the fourth or fifth degree, the sentencing court shall 17545  
comply with the purposes and principles of sentencing under 17546  
section 2929.11 of the Revised Code and with section 2929.12 of 17547  
the Revised Code. 17548

(C) Except as provided in division (D), (E), (F), or (G) of 17549  
this section, in determining whether to impose a prison term as a 17550  
sanction for a felony of the third degree or a felony drug offense 17551  
that is a violation of a provision of Chapter 2925. of the Revised 17552  
Code and that is specified as being subject to this division for 17553  
purposes of sentencing, the sentencing court shall comply with the 17554

purposes and principles of sentencing under section 2929.11 of the Revised Code and with section 2929.12 of the Revised Code.

(D)(1) Except as provided in division (E) or (F) of this section, for a felony of the first or second degree, for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, and for a violation of division (A)(4) or (B) of section 2907.05 of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, it is presumed that a prison term is necessary in order to comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code. Division (D)(2) of this section does not apply to a presumption established under this division for a violation of division (A)(4) of section 2907.05 of the Revised Code.

(2) Notwithstanding the presumption established under division (D)(1) of this section for the offenses listed in that division other than a violation of division (A)(4) or (B) of section 2907.05 of the Revised Code, the sentencing court may impose a community control sanction or a combination of community control sanctions instead of a prison term on an offender for a felony of the first or second degree or for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable if it makes both of the following findings:

(a) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.

(b) A community control sanction or a combination of 17587  
community control sanctions would not demean the seriousness of 17588  
the offense, because one or more factors under section 2929.12 of 17589  
the Revised Code that indicate that the offender's conduct was 17590  
less serious than conduct normally constituting the offense are 17591  
applicable, and they outweigh the applicable factors under that 17592  
section that indicate that the offender's conduct was more serious 17593  
than conduct normally constituting the offense. 17594

(E)(1) Except as provided in division (F) of this section, 17595  
for any drug offense that is a violation of any provision of 17596  
Chapter 2925. of the Revised Code and that is a felony of the 17597  
third, fourth, or fifth degree, the applicability of a presumption 17598  
under division (D) of this section in favor of a prison term or of 17599  
division (B) or (C) of this section in determining whether to 17600  
impose a prison term for the offense shall be determined as 17601  
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 17602  
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 17603  
Revised Code, whichever is applicable regarding the violation. 17604

(2) If an offender who was convicted of or pleaded guilty to 17605  
a felony violates the conditions of a community control sanction 17606  
imposed for the offense solely by reason of producing positive 17607  
results on a drug test, the court, as punishment for the violation 17608  
of the sanction, shall not order that the offender be imprisoned 17609  
unless the court determines on the record either of the following: 17610

(a) The offender had been ordered as a sanction for the 17611  
felony to participate in a drug treatment program, in a drug 17612  
education program, or in narcotics anonymous or a similar program, 17613  
and the offender continued to use illegal drugs after a reasonable 17614  
period of participation in the program. 17615

(b) The imprisonment of the offender for the violation is 17616  
consistent with the purposes and principles of sentencing set 17617  
forth in section 2929.11 of the Revised Code. 17618

(3) A court that sentences an offender for a drug abuse offense that is a felony of the third, fourth, or fifth degree may require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes addiction and mental health treatment services and recovery ~~support services~~ supports authorized by division (A)(11) of section ~~3793.02~~ 340.03 of the Revised Code. If the court imposes treatment services and recovery ~~support services~~ supports as a community control sanction, the court shall direct the level and type of treatment service and recovery ~~support services~~ support after considering the assessment and recommendation of ~~treatment and recovery support services~~ community addiction services providers.

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20, divisions (C) to (I) of section 2967.19, or section 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.19, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses:

(1) Aggravated murder when death is not imposed or murder;

(2) Any rape, regardless of whether force was involved and regardless of the age of the victim, or an attempt to commit rape if, had the offender completed the rape that was attempted, the

(A)(1)(b) of section 2907.02 of the Revised Code and would be 17652  
sentenced under section 2971.03 of the Revised Code; 17653

(3) Gross sexual imposition or sexual battery, if the victim 17654  
is less than thirteen years of age and if any of the following 17655  
applies: 17656

(a) Regarding gross sexual imposition, the offender 17657  
previously was convicted of or pleaded guilty to rape, the former 17658  
offense of felonious sexual penetration, gross sexual imposition, 17659  
or sexual battery, and the victim of the previous offense was less 17660  
than thirteen years of age; 17661

(b) Regarding gross sexual imposition, the offense was 17662

pursuant to division (B)(6) of section 2929.14 of the Revised 17744  
Code; 17745

(15) Kidnapping, in the circumstances specified in section 17746  
2971.03 of the Revised Code and when no other provision of 17747  
division (F) of this section applies; 17748

(16) Kidnapping, abduction, compelling prostitution, 17749  
promoting prostitution, engaging in a pattern of corrupt activity, 17750  
illegal use of a minor in a nudity-oriented material or 17751  
performance in violation of division (A)(1) or (2) of section 17752  
2907.323 of the Revised Code, or endangering children in violation 17753  
of division (B)(1), (2), (3), (4), or (5) of section 2919.22 of 17754  
the Revised Code, if the offender is convicted of or pleads guilty 17755  
to a specification as described in section 2941.1422 of the 17756  
Revised Code that was included in the indictment, count in the 17757  
indictment, or information charging the offense; 17758

(17) A felony violation of division (A) or (B) of section 17759  
2919.25 of the Revised Code if division (D)(3), (4), or (5) of 17760  
that section, and division (D)(6) of that section, require the 17761  
imposition of a prison term; 17762

(18) A felony violation of section 2903.11, 2903.12, or 17763  
2903.13 of the Revised Code, if the victim of the offense was a 17764  
woman that the offender knew was pregnant at the time of the 17765  
violation, with respect to a portion of the sentence imposed 17766  
pursuant to division (B)(8) of section 2929.14 of the Revised 17767  
Code. 17768

(G) Notwithstanding divisions (A) to (E) of this section, if 17769  
an offender is being sentenced for a fourth degree felony OVI 17770  
offense or for a third degree felony OVI offense, the court shall 17771  
impose upon the offender a mandatory term of local incarceration 17772  
or a mandatory prison term in accordance with the following: 17773

(1) If the offender is being sentenced for a fourth degree 17774  
felony OVI offense and if the offender has not been convicted of 17775  
and has not pleaded guilty to a specification of the type 17776  
described in section 2941.1413 of the Revised Code, the court may 17777  
impose upon the offender a mandatory term of local incarceration 17778  
of sixty days or one hundred twenty days as specified in division 17779  
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 17780  
not reduce the term pursuant to section 2929.20, 2967.193, or any 17781  
other provision of the Revised Code. The court that imposes a 17782  
mandatory term of local incarceration under this division shall 17783  
specify whether the term is to be served in a jail, a 17784  
community-based correctional facility, a halfway house, or an 17785  
alternative residential facility, and the offender shall serve the 17786  
term in the type of facility specified by the court. A mandatory 17787  
term of local incarceration imposed under division (G)(1) of this 17788  
section is not subject to any other Revised Code provision that 17789  
pertains to a prison term except as provided in division (A)(1) of 17790  
this section. 17791

(2) If the offender is being sentenced for a third degree 17792  
felony OVI offense, or if the offender is being sentenced for a 17793  
fourth degree felony OVI offense and the court does not impose a 17794  
mandatory term of local incarceration under division (G)(1) of 17795  
this section, the court shall impose upon the offender a mandatory 17796  
prison term of one, two, three, four, or five years if the 17797  
offender also is convicted of or also pleads guilty to a 17798  
specification of the type described in section 2941.1413 of the 17799  
Revised Code or shall impose upon the offender a mandatory prison 17800  
term of sixty days or one hundred twenty days as specified in 17801  
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 17802  
if the offender has not been convicted of and has not pleaded 17803  
guilty to a specification of that type. Subject to divisions (C) 17804  
to (I) of section 2967.19 of the Revised Code, the court shall not 17805  
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 17806

any other provision of the Revised Code. The offender shall serve 17807  
the one-, two-, three-, four-, or five-year mandatory prison term 17808  
consecutively to and prior to the prison term imposed for the 17809  
underlying offense and consecutively to any other mandatory prison 17810  
term imposed in relation to the offense. In no case shall an 17811  
offender who once has been sentenced to a mandatory term of local 17812  
incarceration pursuant to division (G)(1) of this section for a 17813  
fourth degree felony OVI offense be sentenced to another mandatory 17814  
term of local incarceration under that division for any violation 17815  
of division (A) of section 4511.19 of the Revised Code. In 17816  
addition to the mandatory prison term described in division (G)(2) 17817  
of this section, the court may sentence the offender to a 17818  
community control sanction under section 2929.16 or 2929.17 of the 17819  
Revised Code, but the offender shall serve the prison term prior 17820  
to serving the community control sanction. The department of 17821  
rehabilitation and correction may place an offender sentenced to a 17822  
mandatory prison term under this division in an intensive program 17823  
prison established pursuant to section 5120.033 of the Revised 17824  
Code if the department gave the sentencing judge prior notice of 17825  
its intent to place the offender in an intensive program prison 17826  
established under that section and if the judge did not notify the 17827  
department that the judge disapproved the placement. Upon the 17828  
establishment of the initial intensive program prison pursuant to 17829  
section 5120.033 of the Revised Code that is privately operated 17830  
and managed by a contractor pursuant to a contract entered into 17831  
under section 9.06 of the Revised Code, both of the following 17832  
apply: 17833

(a) The department of rehabilitation and correction shall 17834  
make a reasonable effort to ensure that a sufficient number of 17835  
offenders sentenced to a mandatory prison term under this division 17836  
are placed in the privately operated and managed prison so that 17837  
the privately operated and managed prison has full occupancy. 17838

(b) Unless the privately operated and managed prison has full occupancy, the department of rehabilitation and correction shall not place any offender sentenced to a mandatory prison term under this division in any intensive program prison established pursuant to section 5120.033 of the Revised Code other than the privately operated and managed prison.

(H) If an offender is being sentenced for a sexually oriented offense or child-victim oriented offense that is a felony committed on or after January 1, 1997, the judge shall require the offender to submit to a DNA specimen collection procedure pursuant to section 2901.07 of the Revised Code.

(I) If an offender is being sentenced for a sexually oriented offense or a child-victim oriented offense committed on or after January 1, 1997, the judge shall include in the sentence a summary of the offender's duties imposed under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and the duration of the duties. The judge shall inform the offender, at the time of sentencing, of those duties and of their duration. If required under division (A)(2) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that section, or, if required under division (A)(6) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that division.

(J)(1) Except as provided in division (J)(2) of this section, when considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit an offense in violation of section 2923.02 of the Revised Code, the sentencing court shall consider the factors applicable to the felony category of the violation of section 2923.02 of the Revised Code instead of the factors applicable to the felony category of the offense attempted.

(2) When considering sentencing factors under this section in

relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section:

(1) "Community addiction services provider" and "recovery support" have the same meanings as in section 5119.01 of the Revised Code.

(2) "Drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

~~(2)~~(3) "Qualifying assault offense" means a violation of section 2903.13 of the Revised Code for which the penalty provision in division (C)(8)(b) or (C)(9)(b) of that section applies.

(L) At the time of sentencing an offender for any sexually oriented offense, if the offender is a tier III sex offender/child-victim offender relative to that offense and the offender does not serve a prison term or jail term, the court may require that the offender be monitored by means of a global positioning device. If the court requires such monitoring, the cost of monitoring shall be borne by the offender. If the offender is indigent, the cost of compliance shall be paid by the crime victims reparations fund.

**Sec. 2929.15.** (A)(1) If in sentencing an offender for a

felony the court is not required to impose a prison term, a 17901  
mandatory prison term, or a term of life imprisonment upon the 17902  
offender, the court may directly impose a sentence that consists 17903  
of one or more community control sanctions authorized pursuant to 17904  
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 17905  
court is sentencing an offender for a fourth degree felony OVI 17906  
offense under division (G)(1) of section 2929.13 of the Revised 17907  
Code, in addition to the mandatory term of local incarceration 17908  
imposed under that division and the mandatory fine required by 17909  
division (B)(3) of section 2929.18 of the Revised Code, the court 17910  
may impose upon the offender a community control sanction or 17911  
combination of community control sanctions in accordance with 17912  
sections 2929.16 and 2929.17 of the Revised Code. If the court is 17913  
sentencing an offender for a third or fourth degree felony OVI 17914  
offense under division (G)(2) of section 2929.13 of the Revised 17915  
Code, in addition to the mandatory prison term or mandatory prison 17916  
term and additional prison term imposed under that division, the 17917  
court also may impose upon the offender a community control 17918  
sanction or combination of community control sanctions under 17919  
section 2929.16 or 2929.17 of the Revised Code, but the offender 17920  
shall serve all of the prison terms so imposed prior to serving 17921  
the community control sanction. 17922

The duration of all community control sanctions imposed upon 17923  
an offender under this division shall not exceed five years. If 17924  
the offender absconds or otherwise leaves the jurisdiction of the 17925  
court in which the offender resides without obtaining permission 17926  
from the court or the offender's probation officer to leave the 17927  
jurisdiction of the court, or if the offender is confined in any 17928  
institution for the commission of any offense while under a 17929  
community control sanction, the period of the community control 17930  
sanction ceases to run until the offender is brought before the 17931  
court for its further action. If the court sentences the offender 17932  
to one or more nonresidential sanctions under section 2929.17 of 17933

the Revised Code, the court shall impose as a condition of the 17934  
nonresidential sanctions that, during the period of the sanctions, 17935  
the offender must abide by the law and must not leave the state 17936  
without the permission of the court or the offender's probation 17937  
officer. The court may impose any other conditions of release 17938  
under a community control sanction that the court considers 17939  
appropriate, including, but not limited to, requiring that the 17940  
offender not ingest or be injected with a drug of abuse and submit 17941  
to random drug testing as provided in division (D) of this section 17942  
to determine whether the offender ingested or was injected with a 17943  
drug of abuse and requiring that the results of the drug test 17944  
indicate that the offender did not ingest or was not injected with 17945  
a drug of abuse. 17946

(2)(a) If a court sentences an offender to any community 17947  
control sanction or combination of community control sanctions 17948  
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 17949  
Revised Code, the court shall place the offender under the general 17950  
control and supervision of a department of probation in the county 17951  
that serves the court for purposes of reporting to the court a 17952  
violation of any condition of the sanctions, any condition of 17953  
release under a community control sanction imposed by the court, a 17954  
violation of law, or the departure of the offender from this state 17955  
without the permission of the court or the offender's probation 17956  
officer. Alternatively, if the offender resides in another county 17957  
and a county department of probation has been established in that 17958  
county or that county is served by a multicounty probation 17959  
department established under section 2301.27 of the Revised Code, 17960  
the court may request the court of common pleas of that county to 17961  
receive the offender into the general control and supervision of 17962  
that county or multicounty department of probation for purposes of 17963  
reporting to the court a violation of any condition of the 17964  
sanctions, any condition of release under a community control 17965  
sanction imposed by the court, a violation of law, or the 17966

departure of the offender from this state without the permission 17967  
of the court or the offender's probation officer, subject to the 17968  
jurisdiction of the trial judge over and with respect to the 17969  
person of the offender, and to the rules governing that department 17970  
of probation. 17971

If there is no department of probation in the county that 17972  
serves the court, the court shall place the offender, regardless 17973  
of the offender's county of residence, under the general control 17974  
and supervision of the adult parole authority for purposes of 17975  
reporting to the court a violation of any of the sanctions, any 17976  
condition of release under a community control sanction imposed by 17977  
the court, a violation of law, or the departure of the offender 17978  
from this state without the permission of the court or the 17979  
offender's probation officer. 17980

(b) If the court imposing sentence upon an offender sentences 17981  
the offender to any community control sanction or combination of 17982  
community control sanctions authorized pursuant to section 17983  
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 17984  
offender violates any condition of the sanctions, any condition of 17985  
release under a community control sanction imposed by the court, 17986  
violates any law, or departs the state without the permission of 17987  
the court or the offender's probation officer, the public or 17988  
private person or entity that operates or administers the sanction 17989  
or the program or activity that comprises the sanction shall 17990  
report the violation or departure directly to the sentencing 17991  
court, or shall report the violation or departure to the county or 17992  
multicounty department of probation with general control and 17993  
supervision over the offender under division (A)(2)(a) of this 17994  
section or the officer of that department who supervises the 17995  
offender, or, if there is no such department with general control 17996  
and supervision over the offender under that division, to the 17997  
adult parole authority. If the public or private person or entity 17998

that operates or administers the sanction or the program or 17999  
activity that comprises the sanction reports the violation or 18000  
departure to the county or multicounty department of probation or 18001  
the adult parole authority, the department's or authority's 18002  
officers may treat the offender as if the offender were on 18003  
probation and in violation of the probation, and shall report the 18004  
violation of the condition of the sanction, any condition of 18005  
release under a community control sanction imposed by the court, 18006  
the violation of law, or the departure from the state without the 18007  
required permission to the sentencing court. 18008

(3) If an offender who is eligible for community control 18009  
sanctions under this section admits to being drug addicted or the 18010  
court has reason to believe that the offender is drug addicted, 18011  
and if the offense for which the offender is being sentenced was 18012  
related to the addiction, the court may require that the offender 18013  
be assessed by a properly credentialed professional within a 18014  
specified period of time and shall require the professional to 18015  
file a written assessment of the offender with the court. If a 18016  
court imposes treatment services and recovery ~~support services~~ 18017  
supports as a community control sanction, the court shall direct 18018  
the level and type of treatment services and recovery ~~support~~ 18019  
~~services~~ supports after consideration of the written assessment, 18020  
if available at the time of sentencing, and recommendations of the 18021  
professional and ~~other treatment and recovery support~~ community 18022  
addiction services providers. 18023

(4) If an assessment completed pursuant to division (A)(3) of 18024  
this section indicates that the offender is addicted to drugs or 18025  
alcohol, the court may include in any community control sanction 18026  
imposed for a violation of section 2925.02, 2925.03, 2925.04, 18027  
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 18028  
2925.37 of the Revised Code a requirement that the offender 18029  
~~participate in a~~ receive treatment and ~~recovery support~~ services 18030

~~program~~ certified under section 5119.36 of the Revised Code or 18031  
offered by another properly credentialed community addiction 18032  
services provider or receive recovery supports specified in the 18033  
statement of addiction and mental health services and recovery 18034  
supports, described in division (G) of section 5119.22` of the 18035  
Revised Code, for the relevant board of alcohol, drug addiction, 18036  
and mental health services. 18037

(B)(1) If the conditions of a community control sanction are 18038  
violated or if the offender violates a law or leaves the state 18039  
without the permission of the court or the offender's probation 18040  
officer, the sentencing court may impose upon the violator one or 18041  
more of the following penalties: 18042

(a) A longer time under the same sanction if the total time 18043  
under the sanctions does not exceed the five-year limit specified 18044  
in division (A) of this section; 18045

(b) A more restrictive sanction under section 2929.16, 18046  
2929.17, or 2929.18 of the Revised Code; 18047

(c) A prison term on the offender pursuant to section 2929.14 18048  
of the Revised Code. 18049

(2) The prison term, if any, imposed upon a violator pursuant 18050  
to this division shall be within the range of prison terms 18051  
available for the offense for which the sanction that was violated 18052  
was imposed and shall not exceed the prison term specified in the 18053  
notice provided to the offender at the sentencing hearing pursuant 18054  
to division (B)(2) of section 2929.19 of the Revised Code. The 18055  
court may reduce the longer period of time that the offender is 18056  
required to spend under the longer sanction, the more restrictive 18057  
sanction, or a prison term imposed pursuant to this division by 18058  
the time the offender successfully spent under the sanction that 18059  
was initially imposed. 18060

(C) If an offender, for a significant period of time, 18061

fulfills the conditions of a sanction imposed pursuant to section 18062  
2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 18063  
manner, the court may reduce the period of time under the sanction 18064  
or impose a less restrictive sanction, but the court shall not 18065  
permit the offender to violate any law or permit the offender to 18066  
leave the state without the permission of the court or the 18067  
offender's probation officer. 18068

(D)(1) If a court under division (A)(1) of this section 18069  
imposes a condition of release under a community control sanction 18070  
that requires the offender to submit to random drug testing, the 18071  
department of probation or the adult parole authority that has 18072  
general control and supervision of the offender under division 18073  
(A)(2)(a) of this section may cause the offender to submit to 18074  
random drug testing performed by a laboratory or entity that has 18075  
entered into a contract with any of the governmental entities or 18076  
officers authorized to enter into a contract with that laboratory 18077  
or entity under section 341.26, 753.33, or 5120.63 of the Revised 18078  
Code. 18079

(2) If no laboratory or entity described in division (D)(1) 18080  
of this section has entered into a contract as specified in that 18081  
division, the department of probation or the adult parole 18082  
authority that has general control and supervision of the offender 18083  
under division (A)(2)(a) of this section shall cause the offender 18084  
to submit to random drug testing performed by a reputable public 18085  
laboratory to determine whether the individual who is the subject 18086  
of the drug test ingested or was injected with a drug of abuse. 18087

(3) A laboratory or entity that has entered into a contract 18088  
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 18089  
shall perform the random drug tests under division (D)(1) of this 18090  
section in accordance with the applicable standards that are 18091  
included in the terms of that contract. A public laboratory shall 18092  
perform the random drug tests under division (D)(2) of this 18093

section in accordance with the standards set forth in the policies 18094  
and procedures established by the department of rehabilitation and 18095  
correction pursuant to section 5120.63 of the Revised Code. An 18096  
offender who is required under division (A)(1) of this section to 18097  
submit to random drug testing as a condition of release under a 18098  
community control sanction and whose test results indicate that 18099  
the offender ingested or was injected with a drug of abuse shall 18100  
pay the fee for the drug test if the department of probation or 18101  
the adult parole authority that has general control and 18102  
supervision of the offender requires payment of a fee. A 18103  
laboratory or entity that performs the random drug testing on an 18104  
offender under division (D)(1) or (2) of this section shall 18105  
transmit the results of the drug test to the appropriate 18106  
department of probation or the adult parole authority that has 18107  
general control and supervision of the offender under division 18108  
(A)(2)(a) of this section. 18109

**Sec. 2929.18.** (A) Except as otherwise provided in this 18110  
division and in addition to imposing court costs pursuant to 18111  
section 2947.23 of the Revised Code, the court imposing a sentence 18112  
upon an offender for a felony may sentence the offender to any 18113  
financial sanction or combination of financial sanctions 18114  
authorized under this section or, in the circumstances specified 18115  
in section 2929.32 of the Revised Code, may impose upon the 18116  
offender a fine in accordance with that section. Financial 18117  
sanctions that may be imposed pursuant to this section include, 18118  
but are not limited to, the following: 18119

(1) Restitution by the offender to the victim of the 18120  
offender's crime or any survivor of the victim, in an amount based 18121  
on the victim's economic loss. If the court imposes restitution, 18122  
the court shall order that the restitution be made to the victim 18123  
in open court, to the adult probation department that serves the 18124  
county on behalf of the victim, to the clerk of courts, or to 18125

of restitution to be made by the offender. If the court imposes 18128  
restitution, the court may base the amount of restitution it 18129  
orders on an amount recommended by the victim, the offender, a 18130

the offender pay a surcharge of not more than five per cent of the 18143  
amount of the restitution otherwise ordered to the entity 18144  
responsible for collecting and processing restitution payments. 18145

The victim or survivor may request that the prosecutor in the 18146  
case file a motion, or the offender may file a motion, for 18147  
modification of the payment terms of any restitution ordered. If 18148

of the fine based on a standard percentage of the offender's daily 18155

with the offense as prescribed in Chapter 2981. of the Revised 18280  
Code. 18281

(6) If the sum total of a mandatory fine amount imposed for a 18282

or law of this or any other state or the United States that is 18495  
substantially equivalent to any violation listed in division 18496

in committing any offense listed in division (A)(1)(b)(ii) or 18505  
described in division (A)(1)(b)(iv) of this section, if the 18506  
conduct constituting the offense that was the subject of the 18507  
conspiracy, that would have constituted the offense attempted, or 18508  
constituting the offense in which the offender was complicit was 18509  
or would have been related to the duties of the offender's public 18510  
office or to the offender's actions as a public official holding 18511  
that public office. 18512

(2) "Nonmandatory prison term" means a prison term that is 18513

and "terminal illness" have the same meanings as in section 18520  
2967.05 of the Revised Code. 18521

(B) On the motion of an eligible offender or upon its own 18522  
motion, the sentencing court may reduce the eligible offender's 18523  
aggregated nonmandatory prison term or terms through a judicial 18524  
release under this section. 18525

(C) An eligible offender may file a motion for judicial 18526  
release with the sentencing court within the following applicable 18527  
periods: 18528

(1) If the aggregated nonmandatory prison term or terms is 18529  
less than two years, the eligible offender may file the motion not 18530  
earlier than thirty days after the offender is delivered to a 18531

state correctional institution or, if the prison term includes a 18532  
mandatory prison term or terms, not earlier than thirty days after 18533  
the expiration of all mandatory prison terms. 18534

(2) If the aggregated nonmandatory prison term or terms is at 18535  
least two years but less than five years, the eligible offender 18536  
may file the motion not earlier than one hundred eighty days after 18537  
the offender is delivered to a state correctional institution or, 18538  
if the prison term includes a mandatory prison term or terms, not 18539  
earlier than one hundred eighty days after the expiration of all 18540  
mandatory prison terms. 18541

(3) If the aggregated nonmandatory prison term or terms is 18542  
five years, the eligible offender may file the motion not earlier 18543  
than four years after the eligible offender is delivered to a 18544  
state correctional institution or, if the prison term includes a 18545  
mandatory prison term or terms, not earlier than four years after 18546  
the expiration of all mandatory prison terms. 18547

(4) If the aggregated nonmandatory prison term or terms is 18548  
more than five years but not more than ten years, the eligible 18549  
offender may file the motion not earlier than five years after the 18550  
eligible offender is delivered to a state correctional institution 18551  
or, if the prison term includes a mandatory prison term or terms, 18552  
not earlier than five years after the expiration of all mandatory 18553  
prison terms. 18554

(5) If the aggregated nonmandatory prison term or terms is 18555  
more than ten years, the eligible offender may file the motion not 18556  
earlier than the later of the date on which the offender has 18557  
served one-half of the offender's stated prison term or the date 18558  
specified in division (C)(4) of this section. 18559

(D) Upon receipt of a timely motion for judicial release 18560  
filed by an eligible offender under division (C) of this section 18561  
or upon the sentencing court's own motion made within the 18562

appropriate time specified in that division, the court may deny 18563  
the motion without a hearing or schedule a hearing on the motion. 18564  
The court shall not grant the motion without a hearing. If a court 18565  
denies a motion without a hearing, the court later may consider 18566  
judicial release for that eligible offender on a subsequent motion 18567  
filed by that eligible offender unless the court denies the motion 18568  
with prejudice. If a court denies a motion with prejudice, the 18569  
court may later consider judicial release on its own motion. If a 18570  
court denies a motion after a hearing, the court shall not 18571  
consider a subsequent motion for that eligible offender. The court 18572  
shall hold only one hearing for any eligible offender. 18573

A hearing under this section shall be conducted in open court 18574  
not less than thirty or more than sixty days after the motion is 18575  
filed, provided that the court may delay the hearing for one 18576  
hundred eighty additional days. If the court holds a hearing, the 18577  
court shall enter a ruling on the motion within ten days after the 18578  
hearing. If the court denies the motion without a hearing, the 18579  
court shall enter its ruling on the motion within sixty days after 18580  
the motion is filed. 18581

(E) If a court schedules a hearing under division (D) of this 18582  
section, the court shall notify the eligible offender and the head 18583  
of the state correctional institution in which the eligible 18584  
offender is confined prior to the hearing. The head of the state 18585  
correctional institution immediately shall notify the appropriate 18586  
person at the department of rehabilitation and correction of the 18587  
hearing, and the department within twenty-four hours after receipt 18588  
of the notice, shall post on the database it maintains pursuant to 18589  
section 5120.66 of the Revised Code the offender's name and all of 18590  
the information specified in division (A)(1)(c)(i) of that 18591  
section. If the court schedules a hearing for judicial release, 18592  
the court promptly shall give notice of the hearing to the 18593  
prosecuting attorney of the county in which the eligible offender 18594

was indicted. Upon receipt of the notice from the court, the 18595  
prosecuting attorney shall do whichever of the following is 18596  
applicable: 18597

(1) Subject to division (E)(2) of this section, notify the 18598  
victim of the offense or the victim's representative pursuant to 18599  
division (B) of section 2930.16 of the Revised Code; 18600

(2) If the offense was an offense of violence that is a 18601  
felony of the first, second, or third degree, except as otherwise 18602  
provided in this division, notify the victim or the victim's 18603  
representative of the hearing regardless of whether the victim or 18604  
victim's representative has requested the notification. The notice 18605  
of the hearing shall not be given under this division to a victim 18606  
or victim's representative if the victim or victim's 18607  
representative has requested pursuant to division (B)(2) of 18608  
section 2930.03 of the Revised Code that the victim or the 18609  
victim's representative not be provided the notice. If notice is 18610  
to be provided to a victim or victim's representative under this 18611  
division, the prosecuting attorney may give the notice by any 18612  
reasonable means, including regular mail, telephone, and 18613  
electronic mail, in accordance with division (D)(1) of section 18614  
2930.16 of the Revised Code. If the notice is based on an offense 18615  
committed prior to March 22, 2013, the notice also shall include 18616  
the opt-out information described in division (D)(1) of section 18617  
2930.16 of the Revised Code. The prosecuting attorney, in 18618  
accordance with division (D)(2) of section 2930.16 of the Revised 18619  
Code, shall keep a record of all attempts to provide the notice, 18620  
and of all notices provided, under this division. Division (E)(2) 18621  
of this section, and the notice-related provisions of division (K) 18622  
of this section, division (D)(1) of section 2930.16, division (H) 18623  
of section 2967.12, division (E)(1)(b) of section 2967.19, 18624  
division (A)(3)(b) of section 2967.26, division (D)(1) of section 18625  
2967.28, and division (A)(2) of section 5149.101 of the Revised 18626

Code enacted in the act in which division (E)(2) of this section 18627  
was enacted, shall be known as "Roberta's Law." 18628

(F) Upon an offender's successful completion of 18629  
rehabilitative activities, the head of the state correctional 18630  
institution may notify the sentencing court of the successful 18631  
completion of the activities. 18632

(G) Prior to the date of the hearing on a motion for judicial 18633  
release under this section, the head of the state correctional 18634  
institution in which the eligible offender is confined shall send 18635  
to the court an institutional summary report on the eligible 18636  
offender's conduct in the institution and in any institution from 18637  
which the eligible offender may have been transferred. Upon the 18638  
request of the prosecuting attorney of the county in which the 18639  
eligible offender was indicted or of any law enforcement agency, 18640  
the head of the state correctional institution, at the same time 18641  
the person sends the institutional summary report to the court, 18642  
also shall send a copy of the report to the requesting prosecuting 18643  
attorney and law enforcement agencies. The institutional summary 18644  
report shall cover the eligible offender's participation in 18645  
school, vocational training, work, treatment, and other 18646  
rehabilitative activities and any disciplinary action taken 18647  
against the eligible offender. The report shall be made part of 18648  
the record of the hearing. A presentence investigation report is 18649  
not required for judicial release. 18650

(H) If the court grants a hearing on a motion for judicial 18651  
release under this section, the eligible offender shall attend the 18652  
hearing if ordered to do so by the court. Upon receipt of a copy 18653  
of the journal entry containing the order, the head of the state 18654  
correctional institution in which the eligible offender is 18655  
incarcerated shall deliver the eligible offender to the sheriff of 18656  
the county in which the hearing is to be held. The sheriff shall 18657  
convey the eligible offender to and from the hearing. 18658

(I) At the hearing on a motion for judicial release under 18659  
this section, the court shall afford the eligible offender and the 18660  
eligible offender's attorney an opportunity to present written 18661  
and, if present, oral information relevant to the motion. The 18662  
court shall afford a similar opportunity to the prosecuting 18663  
attorney, the victim or the victim's representative, and any other 18664  
person the court determines is likely to present additional 18665  
relevant information. The court shall consider any statement of a 18666  
victim made pursuant to section 2930.14 or 2930.17 of the Revised 18667  
Code, any victim impact statement prepared pursuant to section 18668  
2947.051 of the Revised Code, and any report made under division 18669  
(G) of this section. The court may consider any written statement 18670  
of any person submitted to the court pursuant to division (L) of 18671  
this section. After ruling on the motion, the court shall notify 18672  
the victim of the ruling in accordance with sections 2930.03 and 18673  
2930.16 of the Revised Code. 18674

(J)(1) A court shall not grant a judicial release under this 18675  
section to an eligible offender who is imprisoned for a felony of 18676  
the first or second degree, or to an eligible offender who 18677  
committed an offense under Chapter 2925. or 3719. of the Revised 18678  
Code and for whom there was a presumption under section 2929.13 of 18679  
the Revised Code in favor of a prison term, unless the court, with 18680  
reference to factors under section 2929.12 of the Revised Code, 18681  
finds both of the following: 18682

(a) That a sanction other than a prison term would adequately 18683  
punish the offender and protect the public from future criminal 18684  
violations by the eligible offender because the applicable factors 18685  
indicating a lesser likelihood of recidivism outweigh the 18686  
applicable factors indicating a greater likelihood of recidivism; 18687

(b) That a sanction other than a prison term would not demean 18688  
the seriousness of the offense because factors indicating that the 18689  
eligible offender's conduct in committing the offense was less 18690

serious than conduct normally constituting the offense outweigh 18691  
factors indicating that the eligible offender's conduct was more 18692  
serious than conduct normally constituting the offense. 18693

(2) A court that grants a judicial release to an eligible 18694  
offender under division (J)(1) of this section shall specify on 18695  
the record both findings required in that division and also shall 18696  
list all the factors described in that division that were 18697  
presented at the hearing. 18698

(K) If the court grants a motion for judicial release under 18699  
this section, the court shall order the release of the eligible 18700  
offender, shall place the eligible offender under an appropriate 18701  
community control sanction, under appropriate conditions, and 18702  
under the supervision of the department of probation serving the 18703  
court and shall reserve the right to reimpose the sentence that it 18704  
reduced if the offender violates the sanction. If the court 18705  
reimposes the reduced sentence, it may do so either concurrently 18706  
with, or consecutive to, any new sentence imposed upon the 18707  
eligible offender as a result of the violation that is a new 18708  
offense. The period of community control shall be no longer than 18709  
five years. The court, in its discretion, may reduce the period of 18710  
community control by the amount of time the eligible offender 18711  
spent in jail or prison for the offense and in prison. If the 18712  
court made any findings pursuant to division (J)(1) of this 18713  
section, the court shall serve a copy of the findings upon counsel 18714  
for the parties within fifteen days after the date on which the 18715  
court grants the motion for judicial release. 18716

If the court grants a motion for judicial release, the court 18717  
shall notify the appropriate person at the department of 18718  
rehabilitation and correction, and the department shall post 18719  
notice of the release on the database it maintains pursuant to 18720  
section 5120.66 of the Revised Code. The court also shall notify 18721  
the prosecuting attorney of the county in which the eligible 18722

offender was indicted that the motion has been granted. Unless the  
victim or the victim's representative has requested pursuant to  
division (B)(2) of section 2930.03 of the Revised Code that the  
victim or victim's representative not be provided the notice, the  
prosecuting attorney shall notify the victim or the victim's  
representative of the judicial release in any manner, and in  
accordance with the same procedures, pursuant to which the  
prosecuting attorney is authorized to provide notice of the  
hearing pursuant to division (E)(2) of this section. If the notice  
is based on an offense committed prior to March 22, 2013, the  
notice to the victim or victim's representative also shall include  
the opt-out information described in division (D)(1) of section  
2930.16 of the Revised Code.

(L) In addition to and independent of the right of a victim  
to make a statement pursuant to section 2930.14, 2930.17, or  
2946.051 of the Revised Code and any right of a person to present  
written information or make a statement pursuant to division (I)  
of this section, any person may submit to the court, at any time  
prior to the hearing on the offender's motion for judicial  
release, a written statement concerning the effects of the  
offender's crime or crimes, the circumstances surrounding the  
crime or crimes, the manner in which the crime or crimes were  
perpetrated, and the person's opinion as to whether the offender  
should be released.

(M) The changes to this section that are made on September  
30, 2011, apply to any judicial release decision made on or after  
September 30, 2011, for any eligible offender.

(N) Notwithstanding the eligibility requirements specified in  
division (A) of this section and the filing time frames specified  
in division (C) of this section and notwithstanding the findings  
required under division (J) of this section, the sentencing court,  
upon the court's own motion and after considering whether the

release of the offender into society would create undue risk to public safety, may grant a judicial release to an offender who is not serving a life sentence at any time during the offender's imposed sentence when the director of rehabilitation and correction certifies to the sentencing court through the chief medical officer for the department of rehabilitation and correction one of the following: 18755  
18756  
18757  
18758  
18759  
18760  
18761

(1) That the offender is in imminent danger of death, is medically incapacitated, or is suffering from a terminal illness; 18762  
18763

(2) That the offender has a permanent deterioration in mental or cognitive ability such that institutional confinement does not offer additional protections for public safety or against the offender's risk to reoffend; 18764  
18765  
18766  
18767

(3) That other exigent circumstances exist such that institutional confinement does not offer additional protections for public safety or against the offender's risk to reoffend. 18768  
18769  
18770

(O) The director of rehabilitation and correction shall not certify any offender under division (N) of this section who is serving a death sentence. 18771  
18772  
18773

(P) A motion made by the court under division (N) of this section is subject to the notice, hearing, and other procedural requirements specified in divisions (D), (E), (G), (H), (I), (K), and (L) of this section, except for the following: 18774  
18775  
18776  
18777

(1) The court may waive the offender's appearance at any hearing scheduled by the court if the offender's condition makes it impossible for the offender to participate meaningfully in the proceeding. 18778  
18779  
18780  
18781

(2) The court may grant the motion without a hearing, provided that the prosecuting attorney and victim or victim's representative to whom notice of the hearing was provided under division (E) of this section indicate that they do not wish to 18782  
18783  
18784  
18785

participate in the hearing or present information relevant to the 18786  
motion. 18787

(O) After granting a judicial release under division (N) of 18788  
this section, the court shall determine the health status of the 18789  
released offender annually. If the offender's health improves so 18790  
that the offender is no longer terminally ill, medically 18791  
incapacitated, or in imminent danger of death, or that the exigent 18792  
circumstances under division (N)(3) no longer exist, the court 18793  
may, upon the court's own motion, reimpose the reduced sentence. 18794  
The court shall not grant the motion without a hearing unless the 18795  
offender waives a hearing. If a hearing is held, the court shall 18796  
afford the offender and the offender's attorney an opportunity to 18797  
present written and, if the offender or offender's attorney is 18798  
present, oral information relevant to the motion. The court shall 18799  
afford a similar opportunity to the prosecuting attorney, the 18800  
victim or the victim's representative, and any other person the 18801  
court determines is likely to present additional relevant 18802  
information. A court that grants a motion under this division 18803  
shall specify its findings on the record. 18804

(R) The court may request health care records from the 18805  
department of rehabilitation and correction to verify the 18806  
certification made under division (N) of this section. 18807

**Sec. 2935.33.** (A) If a person charged with a misdemeanor is 18808  
taken before a judge of a court of record and if it appears to the 18809  
judge that the person is an alcoholic or is suffering from acute 18810  
alcohol intoxication and that the person would benefit from 18811  
services provided by a community addiction services provider 18812  
~~certified under Chapter 5119. of the Revised Code~~, the judge may 18813  
place the person temporarily ~~in~~ with a community addiction 18814  
services provider ~~certified under that chapter~~ in the area in 18815  
which the court has jurisdiction for inpatient care and treatment 18816

for an indefinite period not exceeding five days. The commitment 18817  
does not limit the right to release on bail. The judge may dismiss 18818  
a charge of a violation of division (B) of section 2917.11 of the 18819  
Revised Code or of a municipal ordinance substantially equivalent 18820  
to that division if the defendant complies with all the conditions 18821  
of treatment ordered by the court. 18822

The court may order that any fines or court costs collected 18823  
by the court from defendants who have received inpatient care from 18824  
a community addiction services provider be paid, for the benefit 18825  
of the program, to the board of alcohol, drug addiction, and 18826  
mental health services of the alcohol, drug addiction, and mental 18827  
health service district in which the community addiction services 18828  
provider is located or to the director of mental health and 18829  
addiction services. 18830

(B) If a person is being sentenced for a violation of 18831  
division (B) of section 2917.11 or section 4511.19 of the Revised 18832  
Code, a misdemeanor violation of section 2919.25 of the Revised 18833  
Code, a misdemeanor violation of section 2919.27 of the Revised 18834  
Code involving a protection order issued or consent agreement 18835  
approved pursuant to section 2919.26 or 3113.31 of the Revised 18836  
Code, or a violation of a municipal ordinance substantially 18837  
equivalent to that division or any of those sections and if it 18838  
appears to the judge at the time of sentencing that the person is 18839  
an alcoholic or is suffering from acute alcohol intoxication and 18840  
that, in lieu of imprisonment, the person would benefit from 18841  
services provided by a community addiction services provider 18842  
~~certified under Chapter 5119. of the Revised Code,~~ the court may 18843  
commit the person to close supervision in any facility in the area 18844  
in which the court has jurisdiction that is, or is operated by, 18845  
such a services provider. Such close supervision may include 18846  
outpatient services and part-time release, except that a person 18847  
convicted of a violation of division (A) of section 4511.19 of the 18848

Revised Code shall be confined to the facility for at least three 18849

section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 of 18882  
the Revised Code, and the court has reason to believe that drug or 18883  
alcohol usage by the offender was a factor leading to the criminal 18884  
offense with which the offender is charged or that, at the time of 18885  
committing that offense, the offender had a mental illness, was a 18886  
person with intellectual disability, or was a victim of a 18887  
violation of section 2905.32 of the Revised Code and that the 18888  
mental illness, status as a person with intellectual disability, 18889

2905.32 of the Revised Code was a factor leading to the offender's 18891  
criminal behavior, the court may accept, prior to the entry of a 18892  
guilty plea, the offender's request for intervention in lieu of 18893  
conviction. The request shall include a statement from the 18894  
offender as to whether the offender is alleging that drug or 18895  
alcohol usage by the offender was a factor leading to the criminal 18896

illness, was a person with intellectual disability, or was a 18899  
victim of a violation of section 2905.32 of the Revised Code and 18900  
that the mental illness, status as a person with intellectual 18901

also shall include a waiver of the defendant's right to a speedy 18905  
trial, the preliminary hearing, the time period within which the 18906  
grand jury may consider an indictment against the offender, and 18907

already occurred. The court may reject an offender's request 18909  
without a hearing. If the court elects to consider an offender's 18910  
request, the court shall conduct a hearing to determine whether 18911

the offender is eligible under this section for intervention in lieu of conviction and shall stay all criminal proceedings pending the outcome of the hearing. If the court schedules a hearing, the court shall order an assessment of the offender for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan.

If the offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court may order that the offender be assessed by ~~an a~~ a community addiction services provider ~~certified pursuant to section 5119.36 of the Revised Code~~ or a properly credentialed professional for the purpose of determining the offender's eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan. The community addiction services provider or the properly credentialed professional shall provide a written assessment of the offender to the court.

(2) The victim notification provisions of division (C) of section 2930.08 of the Revised Code apply in relation to any hearing held under division (A)(1) of this section.

(B) An offender is eligible for intervention in lieu of conviction if the court finds all of the following:

(1) The offender previously has not been convicted of or pleaded guilty to a felony offense of violence or previously has been convicted of or pleaded guilty to any felony that is not an offense of violence and the prosecuting attorney recommends that the offender be found eligible for participation in intervention in lieu of treatment under this section, previously has not been through intervention in lieu of conviction under this section or any similar regimen, and is charged with a felony for which the court, upon conviction, would impose a community control sanction on the offender under division (B)(2) of section 2929.13 of the

Revised Code or with a misdemeanor. 18944

(2) The offense is not a felony of the first, second, or 18945

division (A)(1) or (2) of section 2903.06 of the Revised Code, is 18947  
not a violation of division (A)(1) of section 2903.08 of the 18948  
Revised Code, is not a violation of division (A) of section 18949  
4511.19 of the Revised Code or a municipal ordinance that is 18950  
substantially similar to that division, and is not an offense for 18951  
which a sentencing court is required to impose a mandatory prison 18952  
term, a mandatory term of local incarceration, or a mandatory term 18953  
of imprisonment in a jail. 18954

(3) The offender is not charged with a violation of section 18955  
2925.02, 2925.04, or 2925.06 of the Revised Code, is not charged 18956  
with a violation of section 2925.03 of the Revised Code that is a 18957  
felony of the first, second, third, or fourth degree, and is not 18958  
charged with a violation of section 2925.11 of the Revised Code 18959  
that is a felony of the first, second, or third degree. 18960

(4) If an offender alleges that drug or alcohol usage by the 18961  
offender was a factor leading to the criminal offense with which 18962  
the offender is charged, the court has ordered that the offender 18963  
be assessed by ~~an~~ a community addiction services provider 18964  
~~certified pursuant to section 5119.36 of the Revised Code~~ or a 18965  
properly credentialed professional for the purpose of determining 18966  
the offender's eligibility for intervention in lieu of conviction 18967  
and recommending an appropriate intervention plan, the offender 18968  
has been assessed by ~~an~~ a community addiction services provider of 18969  
that nature or a properly credentialed professional in accordance 18970  
with the court's order, and the community addiction services 18971  
provider or properly credentialed professional has filed the 18972  
written assessment of the offender with the court. 18973

(5) If an offender alleges that, at the time of committing 18974  
the criminal offense with which the offender is charged, the 18975

offender had a mental illness, was a person with intellectual 18976  
disability, or was a victim of a violation of section 2905.32 of 18977  
the Revised Code and that the mental illness, status as a person 18978  
with intellectual disability, or fact that the offender was a 18979  
victim of a violation of section 2905.32 of the Revised Code was a 18980  
factor leading to that offense, the offender has been assessed by 18981  
a psychiatrist, psychologist, independent social worker, licensed 18982  
professional clinical counselor, or independent marriage and 18983  
family therapist for the purpose of determining the offender's 18984  
eligibility for intervention in lieu of conviction and 18985  
recommending an appropriate intervention plan. 18986

(6) The offender's drug usage, alcohol usage, mental illness, 18987  
or intellectual disability, or the fact that the offender was a 18988  
victim of a violation of section 2905.32 of the Revised Code, 18989  
whichever is applicable, was a factor leading to the criminal 18990  
offense with which the offender is charged, intervention in lieu 18991  
of conviction would not demean the seriousness of the offense, and 18992  
intervention would substantially reduce the likelihood of any 18993  
future criminal activity. 18994

(7) The alleged victim of the offense was not sixty-five 18995  
years of age or older, permanently and totally disabled, under 18996  
thirteen years of age, or a peace officer engaged in the officer's 18997  
official duties at the time of the alleged offense. 18998

(8) If the offender is charged with a violation of section 18999  
2925.24 of the Revised Code, the alleged violation did not result 19000  
in physical harm to any person, and the offender previously has 19001  
not been treated for drug abuse. 19002

(9) The offender is willing to comply with all terms and 19003  
conditions imposed by the court pursuant to division (D) of this 19004  
section. 19005

(10) The offender is not charged with an offense that would 19006

result in the offender being disqualified under Chapter 4506. of 19007  
the Revised Code from operating a commercial motor vehicle or 19008  
would subject the offender to any other sanction under that 19009  
chapter. 19010

(C) At the conclusion of a hearing held pursuant to division 19011  
(A) of this section, the court shall enter its determination as to 19012  
whether the offender is eligible for intervention in lieu of 19013  
conviction and as to whether to grant the offender's request. If 19014  
the court finds under division (B) of this section that the 19015  
offender is eligible for intervention in lieu of conviction and 19016  
grants the offender's request, the court shall accept the 19017  
offender's plea of guilty and waiver of the defendant's right to a 19018  
speedy trial, the preliminary hearing, the time period within 19019  
which the grand jury may consider an indictment against the 19020  
offender, and arraignment, unless the hearing, indictment, or 19021  
arraignment has already occurred. In addition, the court then may 19022  
stay all criminal proceedings and order the offender to comply 19023  
with all terms and conditions imposed by the court pursuant to 19024  
division (D) of this section. If the court finds that the offender 19025  
is not eligible or does not grant the offender's request, the 19026  
criminal proceedings against the offender shall proceed as if the 19027  
offender's request for intervention in lieu of conviction had not 19028  
been made. 19029

(D) If the court grants an offender's request for 19030  
intervention in lieu of conviction, the court shall place the 19031  
offender under the general control and supervision of the county 19032  
probation department, the adult parole authority, or another 19033  
appropriate local probation or court services agency, if one 19034  
exists, as if the offender was subject to a community control 19035  
sanction imposed under section 2929.15, 2929.18, or 2929.25 of the 19036  
Revised Code. The court shall establish an intervention plan for 19037  
the offender. The terms and conditions of the intervention plan 19038

shall require the offender, for at least one year from the date on 19039  
which the court grants the order of intervention in lieu of 19040  
conviction, to abstain from the use of illegal drugs and alcohol, 19041  
to participate in treatment services and recovery ~~support services~~ 19042  
supports, and to submit to regular random testing for drug and 19043

conditions, or terms and conditions similar to community control 19045  
sanctions, which may include community service or restitution, 19046  
that are ordered by the court. 19047

(E) If the court grants an offender's request for 19048  
intervention in lieu of conviction and the court finds that the 19049  
offender has successfully completed the intervention plan for the 19050  
offender, including the requirement that the offender abstain from 19051  
using illegal drugs and alcohol for a period of at least one year 19052  
from the date on which the court granted the order of intervention 19053  
in lieu of conviction, the requirement that the offender 19054  
participate in treatment services and recovery ~~support services~~ 19055  
supports, and all other terms and conditions ordered by the court, 19056  
the court shall dismiss the proceedings against the offender. 19057  
Successful completion of the intervention plan and period of 19058  
abstinence under this section shall be without adjudication of 19059  
guilt and is not a criminal conviction for purposes of any 19060  
disqualification or disability imposed by law and upon conviction 19061  
of a crime, and the court may order the sealing of records related 19062  
to the offense in question in the manner provided in sections 19063  
2953.31 to 2953.36 of the Revised Code. 19064

(F) If the court grants an offender's request for 19065  
intervention in lieu of conviction and the offender fails to 19066  
comply with any term or condition imposed as part of the 19067  
intervention plan for the offender, the supervising authority for 19068  
the offender promptly shall advise the court of this failure, and 19069  
the court shall hold a hearing to determine whether the offender 19070

failed to comply with any term or condition imposed as part of the 19071  
plan. If the court determines that the offender has failed to 19072  
comply with any of those terms and conditions, it shall enter a 19073  
finding of guilty and shall impose an appropriate sanction under 19074  
Chapter 2929. of the Revised Code. If the court sentences the 19075  
offender to a prison term, the court, after consulting with the 19076  
department of rehabilitation and correction regarding the 19077  
availability of services, may order continued court-supervised 19078  
activity and treatment of the offender during the prison term and, 19079  
upon consideration of reports received from the department 19080  
concerning the offender's progress in the program of activity and 19081  
treatment, may consider judicial release under section 2929.20 of 19082  
the Revised Code. 19083

(G) Any property forfeited under this chapter shall not be 19418

shall cause notice of the proposed sale to be given in accordance 19436  
with law. 19437

The financial records kept under the internal control policy 19615  
shall specify the amount deposited during each calendar year in 19616  
the portion of that amount that was used pursuant to this 19617  
division, and the programs in connection with which the portion of 19618  
that amount was so used. 19619

As used in this division, "community preventive education 19620

the Revised Code, of any property that is required by law to be 19625

(F) Any failure of a law enforcement officer or agency, 19631

provided the seizure itself was lawful. 19636

**Sec. 3119.27.** (A) A court that issues or modifies a court 19637

under the support order a processing charge ~~that is the greater in~~ 19640  
the amount of two per cent of the support payment to be collected 19641  
under a support order ~~or one dollar per month~~. No court or agency 19642  
may call the charge a poundage fee. 19643

(B) In each child support case that is a Title IV-D case, the 19644  
department of job and family services shall annually claim 19645  
twenty-five dollars from the processing charge described in 19646  
division (A) of this section for federal reporting purposes if the 19647  
obligee has never received assistance under Title IV-A and the 19648  
department has collected at least five hundred dollars of child 19649  
support for the obligee. The director of job and family services 19650  
shall adopt rules under Chapter 119. of the Revised Code to 19651  
implement this division, and the department shall implement this 19652  
division not later than March 31, 2008. 19653

(C) As used in this section: 19654

(1) "Annual" means the period as defined in regulations 19655  
issued by the United States secretary of health and human services 19656  
to implement the Deficit Reduction Act of 2005 (P.L. 109-171). 19657

(2) "Title IV-A" has the same meaning as in section 5107.02 19658  
of the Revised Code. 19659

(3) "Title IV-D case" has the same meaning as in section 19660  
3125.01 of the Revised Code. 19661

**Sec. 3121.03.** If a court or child support enforcement agency 19662  
that issued or modified a support order, or the agency 19663

administering the support order, is required by the Revised Code 19664  
to issue one or more withholding or deduction notices described in 19665  
this section or other orders described in this section, the court 19666  
or agency shall issue one or more of the following types of 19667  
notices or orders, as appropriate, for payment of the support and 19668  
also, if required by the Revised Code or the court, to pay any 19669  
arrearages: 19670

(A)(1) If the court or the child support enforcement agency 19671  
determines that the obligor is receiving income from a payor, the 19672  
court or agency shall require the payor to do all of the 19673  
following: 19674

(a) Withhold from the obligor's income a specified amount for 19675  
support in satisfaction of the support order and begin the 19676  
withholding no later than fourteen business days following the 19677  
date the notice is mailed or transmitted to the payor under 19678  
section 3121.035, 3123.021, or 3123.06 of the Revised Code and 19679  
division (A)(2) of this section or, if the payor is an employer, 19680

transmitted; 19683

(b) Send the amount withheld to the office of child support 19684  
in the department of job and family services pursuant to section 19685

business days after the date the obligor is paid; 19687

(c) Continue the withholding at intervals specified in the 19688  
notice until further notice from the court or child support 19689  
enforcement agency. 19690

To the extent possible, the amount specified to be withheld 19691  
shall satisfy the amount ordered for support in the support order 19692  
plus any arrearages owed by the obligor under any prior support 19693  
order that pertained to the same child or spouse, notwithstanding 19694

any applicable limitations of sections 2329.66, 2329.70, 2716.02, 19695  
2716.041, and 2716.05 of the Revised Code. However, in no case 19696  
shall the sum of the amount to be withheld and any fee withheld by 19697  
the payor as a charge for its services exceed the maximum amount 19698  
permitted under section 303(b) of the "Consumer Credit Protection 19699  
Act," 15 U.S.C. 1673(b). 19700

(2) A court or agency that imposes an income withholding 19701  
requirement shall, within the applicable time specified in section 19702  
3119.80, 3119.81, 3121.035, 3123.021, or 3123.06 of the Revised 19703  
Code, send to the obligor's payor by regular mail or via secure 19704  
federally managed data transmission interface a notice that 19705  
contains all of the information applicable to withholding notices 19706  
set forth in section 3121.037 of the Revised Code. The notice is 19707  
final and is enforceable by the court. 19708

(B)(1) If the court or child support enforcement agency 19709  
determines that the obligor has funds that are not exempt under 19710  
the laws of this state or the United States from execution, 19711  
attachment, or other legal process and are on deposit in an 19712  
account in a financial institution under the jurisdiction of the 19713  
court that issued the court support order, or in the case of an 19714  
administrative child support order, under the jurisdiction of the 19715  
common pleas court of the county in which the agency that issued 19716  
or is administering the order is located, the court or agency may 19717  
require any financial institution in which the obligor's funds are 19718  
on deposit to do all of the following: 19719

(a) Deduct from the obligor's account a specified amount for 19720  
support in satisfaction of the support order and begin the 19721  
deduction no later than fourteen business days following the date 19722  
the notice was mailed or transmitted to the financial institution 19723  
under section 3121.035 or 3123.06 of the Revised Code and division 19724  
(B)(2) of this section; 19725

(b) Send the amount deducted to the office of child support 19726

in the department of job and family services pursuant to section 19727  
3121.43 of the Revised Code immediately but not later than seven 19728  
business days after the date the latest deduction was made; 19729

(c) Provide the date on which the amount was deducted; 19730

(d) Continue the deduction at intervals specified in the 19731  
notice until further notice from the court or child support 19732  
enforcement agency. 19733

To the extent possible, the amount to be deducted shall 19734  
satisfy the amount ordered for support in the support order plus 19735  
any arrearages that may be owed by the obligor under any prior 19736  
support order that pertained to the same child or spouse, 19737  
notwithstanding the limitations of sections 2329.66, 2329.70, and 19738  
2716.13 of the Revised Code. 19739

(2) A court or agency that imposes a deduction requirement 19740  
shall, within the applicable period of time specified in section 19741  
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 19742  
to the financial institution by regular mail or via secure 19743  
federally managed data transmission interface a notice that 19744  
contains all of the information applicable to deduction notices 19745  
set forth in section 3121.037 of the Revised Code. The notice is 19746  
final and is enforceable by the court. 19747

(C) With respect to any court support order it issues, a 19748  
court may issue an order requiring the obligor to enter into a 19749  
cash bond with the court. The court shall issue the order as part 19750  
of the court support order or, if the court support order has 19751  
previously been issued, as a separate order. The cash bond shall 19752  
be in a sum fixed by the court at not less than five hundred nor 19753  
more than ten thousand dollars, conditioned that the obligor will 19754  
make payment as previously ordered and will pay any arrearages 19755  
under any prior court support order that pertained to the same 19756  
child or spouse. 19757

The order, along with an additional order requiring the 19758  
obligor to immediately notify the child support enforcement 19759  
agency, in writing, if the obligor begins to receive income from a 19760  
payor, shall be attached to and served on the obligor at the same 19761  
time as service of the court support order or, if the court 19762  
support order has previously been issued, as soon as possible 19763  
after the issuance of the order under this section. The additional 19764  
order requiring notice by the obligor shall state all of the 19765  
following: 19766

(1) That when the obligor begins to receive income from a 19767  
payor the obligor may request that the court cancel its bond order 19768  
and instead issue a notice requiring the withholding of an amount 19769  
from income for support in accordance with this section; 19770

(2) That when the obligor begins to receive income from a 19771  
payor the court will proceed to collect on the bond if the court 19772  
determines that payments due under the court support order have 19773  
not been made and that the amount that has not been paid is at 19774  
least equal to the support owed for one month under the court 19775  
support order and will issue a notice requiring the withholding of 19776  
an amount from income for support in accordance with this section. 19777  
The notice required of the obligor shall include a description of 19778  
the nature of any new employment, the name and business address of 19779  
any new employer, and any other information reasonably required by 19780  
the court. 19781

The court shall not order an obligor to post a cash bond 19782  
under this section unless the court determines that the obligor 19783  
has the ability to do so. 19784

A child support enforcement agency may not issue a cash bond 19785  
order. If a child support enforcement agency is required to issue 19786  
a withholding or deduction notice under this section with respect 19787  
to a court support order but the agency determines that no 19788  
withholding or deduction notice would be appropriate, the agency 19789

may request that the court issue a cash bond order under this 19790  
section, and upon the request, the court may issue the order. 19791

(D)(1) If the obligor under a court support order is 19792  
unemployed, has no income, and does not have an account at any 19793  
financial institution, or on request of a child support 19794  
enforcement agency under division (D)(1) or (2) of this section, 19795  
the court shall issue an order requiring the obligor, if able to 19796  
engage in employment, to seek employment or participate in a work 19797  
activity to which a recipient of assistance under Title IV-A of 19798  
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 19799  
as amended, may be assigned as specified in section 407(d) of the 19800  
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 19801  
shall include in the order ~~a requirement~~ requirements that the 19802  
obligor register with OhioMeansJobs and to notify the child 19803  
support enforcement agency on obtaining employment, obtaining any 19804  
income, or obtaining ownership of any asset with a value of five 19805  
hundred dollars or more. The court may issue the order regardless 19806  
of whether the obligee to whom the obligor owes support is a 19807  
recipient of assistance under Title IV-A of the "Social Security 19808  
Act." The court shall issue the order as part of a court support 19809  
order or, if a court support order has previously been issued, as 19810  
a separate order. If a child support enforcement agency is 19811  
required to issue a withholding or deduction notice under this 19812  
section with respect to a court support order but determines that 19813  
no withholding or deduction notice would be appropriate, the 19814  
agency may request that the court issue a court order under 19815  
division (D)(1) of this section, and, on the request, the court 19816  
may issue the order. 19817

(2) If the obligor under an administrative child support 19818  
order is unemployed, has no income, and does not have an account 19819  
at any financial institution, the agency shall issue an 19820  
administrative order requiring the obligor, if able to engage in 19821

employment, to seek employment or participate in a work activity 19822  
to which a recipient of assistance under Title IV-A of the "Social 19823  
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 19824  
may be assigned as specified in section 407(d) of the "Social 19825  
Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall 19826  
include in the order ~~a requirement~~ requirements that the obligor 19827  
register with OhioMeansJobs and to notify the agency on obtaining 19828  
employment or income, or ownership of any asset with a value of 19829  
five hundred dollars or more. The agency may issue the order 19830  
regardless of whether the obligee to whom the obligor owes support 19831  
is a recipient of assistance under Title IV-A of the "Social 19832  
Security Act." If an obligor fails to comply with an 19833  
administrative order issued pursuant to division (D)(2) of this 19834  
section, the agency shall submit a request to a court for the 19835  
court to issue an order under division (D)(1) of this section. 19836

**Sec. 3301.079.** (A)(1) The state board of education 19837  
periodically shall adopt statewide academic standards with 19838  
emphasis on coherence, focus, and essential knowledge and that are 19839  
more challenging and demanding when compared to international 19840  
standards for each of grades kindergarten through twelve in 19841  
English language arts, mathematics, science, and social studies. 19842

(a) The state board shall ensure that the standards do all of 19843  
the following: 19844

(i) Include the essential academic content and skills that 19845  
students are expected to know and be able to do at each grade 19846  
level that will allow each student to be prepared for 19847  
postsecondary instruction and the workplace for success in the 19848  
twenty-first century; 19849

(ii) Include the development of skill sets that promote 19850  
information, media, and technological literacy; 19851

career-technical education; 19857

(v) Be clearly written, transparent, and understandable by 19858  
parents, educators, and the general public. 19859

(b) Not later than July 1, 2012, the state board shall 19860  
incorporate into the social studies standards for grades four to 19861  
twelve academic content regarding the original texts of the 19862  
Declaration of Independence, the Northwest Ordinance, the 19863  
Constitution of the United States and its amendments, with 19864  
emphasis on the Bill of Rights, and the Ohio Constitution, and 19865  
their original context. The state board shall revise the model 19866  
curricula and achievement assessments adopted under divisions (B) 19867  
and (C) of this section as necessary to reflect the additional 19868  
American history and American government content. The state board 19869  
shall make available a list of suggested grade-appropriate 19870  
supplemental readings that place the documents prescribed by this 19871  
division in their historical context, which teachers may use as a 19872  
resource to assist students in reading the documents within that 19873  
context. 19874

(c) When the state board adopts or revises academic content 19875  
standards in social studies, American history, American 19876  
government, or science under division (A)(1) of this section, the 19877  
state board shall develop such standards independently and not as 19878  
part of a multistate consortium. 19879

(2) After completing the standards required by division 19880  
(A)(1) of this section, the state board shall adopt standards and 19881  
model curricula for instruction in technology, financial literacy 19882  
and entrepreneurship, fine arts, and foreign language for grades 19883

kindergarten through twelve. The standards shall meet the same 19884  
requirements prescribed in division (A)(1)(a) of this section. 19885

(3) The state board shall adopt the most recent standards 19886  
developed by the national association for sport and physical 19887  
education for physical education in grades kindergarten through 19888  
twelve or shall adopt its own standards for physical education in 19889  
those grades and revise and update them periodically. 19890

The department of education shall employ a full-time physical 19891  
education coordinator to provide guidance and technical assistance 19892  
to districts, community schools, and STEM schools in implementing 19893  
the physical education standards adopted under this division. The 19894  
superintendent of public instruction shall determine that the 19895  
person employed as coordinator is qualified for the position, as 19896  
demonstrated by possessing an adequate combination of education, 19897  
license, and experience. 19898

(4) When academic standards have been completed for any 19899  
subject area required by this section, the state board shall 19900  
inform all school districts, all community schools established 19901  
under Chapter 3314. of the Revised Code, all STEM schools 19902  
established under Chapter 3326. of the Revised Code, and all 19903  
nonpublic schools required to administer the assessments 19904  
prescribed by sections 3301.0710 and 3301.0712 of the Revised Code 19905  
of the content of those standards. Additionally, upon completion 19906  
of any academic standards under this section, the department shall 19907  
post those standards on the department's web site. 19908

(B)(1) The state board shall adopt a model curriculum for 19909  
instruction in each subject area for which updated academic 19910  
standards are required by division (A)(1) of this section and for 19911  
each of grades kindergarten through twelve that is sufficient to 19912  
meet the needs of students in every community. The model 19913  
curriculum shall be aligned with the standards, to ensure that the 19914  
academic content and skills specified for each grade level are 19915

taught to students, and shall demonstrate vertical articulation 19916  
and emphasize coherence, focus, and rigor. When any model 19917  
curriculum has been completed, the state board shall inform all 19918  
school districts, community schools, and STEM schools of the 19919  
content of that model curriculum. 19920

(2) Not later than June 30, 2013, the state board, in 19921  
consultation with any office housed in the governor's office that 19922  
deals with workforce development, shall adopt model curricula for 19923  
grades kindergarten through twelve that embed career connection 19924  
learning strategies into regular classroom instruction. 19925

(3) All school districts, community schools, and STEM schools 19926  
may utilize the state standards and the model curriculum 19927  
established by the state board, together with other relevant 19928  
resources, examples, or models to ensure that students have the 19929  
opportunity to attain the academic standards. Upon request, the 19930  
department shall provide technical assistance to any district, 19931  
community school, or STEM school in implementing the model 19932  
curriculum. 19933

Nothing in this section requires any school district to 19934  
utilize all or any part of a model curriculum developed under this 19935  
section. 19936

(C) The state board shall develop achievement assessments 19937  
aligned with the academic standards and model curriculum for each 19938  
of the subject areas and grade levels required by divisions (A)(1) 19939  
and (B)(1) of section 3301.0710 of the Revised Code. 19940

When any achievement assessment has been completed, the state 19941  
board shall inform all school districts, community schools, STEM 19942  
schools, and nonpublic schools required to administer the 19943  
assessment of its completion, and the department shall make the 19944  
achievement assessment available to the districts and schools. 19945

(D)(1) The state board shall adopt a diagnostic assessment 19946

aligned with the academic standards and model curriculum for each 19947  
of grades kindergarten through two in reading, writing, and 19948  
mathematics and for grade three in reading and writing. The 19949  
diagnostic assessment shall be designed to measure student 19950  
comprehension of academic content and mastery of related skills 19951  
for the relevant subject area and grade level. Any diagnostic 19952  
assessment shall not include components to identify gifted 19953  
students. Blank copies of diagnostic assessments shall be public 19954  
records. 19955

(2) When each diagnostic assessment has been completed, the 19956  
state board shall inform all school districts of its completion 19957  
and the department shall make the diagnostic assessment available 19958  
to the districts at no cost to the district. ~~School districts~~ 19959  
~~shall administer the diagnostic assessment pursuant to section~~ 19960  
~~3301.0715 of the Revised Code beginning the first school year~~ 19961  
~~following the development of the assessment.~~ 19962

(E) The state board shall not adopt a diagnostic or 19963  
achievement assessment for any grade level or subject area other 19964  
than those specified in this section. 19965

(F) Whenever the state board or the department consults with 19966  
persons for the purpose of drafting or reviewing any standards, 19967  
diagnostic assessments, achievement assessments, or model 19968  
curriculum required under this section, the state board or the 19969  
department shall first consult with parents of students in 19970  
kindergarten through twelfth grade and with active Ohio classroom 19971  
teachers, other school personnel, and administrators with 19972  
expertise in the appropriate subject area. Whenever practicable, 19973  
the state board and department shall consult with teachers 19974  
recognized as outstanding in their fields. 19975

If the department contracts with more than one outside entity 19976  
for the development of the achievement assessments required by 19977  
this section, the department shall ensure the interchangeability 19978

of those assessments. 19979

(G) Whenever the state board adopts standards or model 19980  
curricula under this section, the department also shall provide 19981  
information on the use of blended or digital learning in the 19982

higher grade level. However, a district board may choose not to 20319  
promote to the next grade level any student who does not take an 20320  
assessment administered under this section or make up an 20321

assessments to ensure that different versions of the same 20505  
assessment are of comparable difficulty. 20506

Field test questions and anchor questions shall not be 20507

The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (N)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public

record within three years of its administration. 20558

The department shall make the questions that become a public 20559  
record under this division readily accessible to the public on the 20560

required by this section, the district shall bear the full cost of 21030  
conducting the hearing and of issuing any revised report card. 21031

accordance with a payment schedule determined by the department. 21036

(D) If a preschool program or a licensed school child program 21638

for the licensing of preschool programs and school child programs 21678  
and for the enforcement of sections 3301.52 to 3301.59 of the 21679

school district board of education, county DD board, community 21681  
school, or eligible nonpublic school shall operate, establish, 21682  
manage, conduct, or maintain a preschool program without a license 21683  
issued under this section. A school district board of education, 21684  
county DD board, community school, or eligible nonpublic school 21685

may obtain a license under this section for a school child 21686  
program. The school district board of education, county DD board, 21687  
community school, or eligible nonpublic school shall post the 21688  
license for each preschool program and licensed school child 21689  
program it operates, establishes, manages, conducts, or maintains 21690  
in a conspicuous place in the preschool program or licensed school 21691  
child program that is accessible to parents, custodians, or 21692  
guardians and employees and staff members of the program at all 21693  
times when the program is in operation. 21694

(B) Any school district board of education, county DD board, 21695  
community school, or eligible nonpublic school that desires to 21696  
operate, establish, manage, conduct, or maintain a preschool 21697  
program shall apply to the department of education for a license 21698  
on a form that the department shall prescribe by rule. Any school 21699  
district board of education, county DD board, community school, or 21700

department shall provide at no charge to each applicant for a 21704  
license under this section a copy of the requirements under 21705  
sections 3301.52 to 3301.59 of the Revised Code and any rules 21706  
adopted under those sections. The department may establish 21707  
application fees by rule adopted under Chapter 119. of the Revised 21708  
Code, and all applicants for a license shall pay any fee 21709  
established by the department at the time of making an application 21710  
for a license. All fees collected pursuant to this section shall 21711  
be paid into the state treasury to the credit of the general 21712  
revenue fund. 21713

(C) Upon the filing of an application for a license, the 21714  
department of education shall investigate and inspect the 21715  
preschool program or school child program to determine the license 21716  
capacity for each age category of children of the program and to 21717

determine whether the program complies with sections 3301.52 to 21718  
3301.59 of the Revised Code and any rules adopted under those 21719  
sections. When, after investigation and inspection, the department 21720  
of education is satisfied that sections 3301.52 to 3301.59 of the 21721  
Revised Code and any rules adopted under those sections are 21722  
complied with by the applicant, the department of education shall 21723  
issue the program a provisional license as soon as practicable in 21724  
the form and manner prescribed by the rules of the department. The 21725  
provisional license shall be valid for one year from the date of 21726  
issuance unless revoked. 21727

(D) The department of education shall investigate and inspect 21728  
a preschool program or school child program that has been issued a 21729  
provisional license at least once during operation under the 21730  
provisional license. If, after the investigation and inspection, 21731  
the department of education determines that the requirements of 21732  
sections 3301.52 to 3301.59 of the Revised Code and any rules 21733  
adopted under those sections are met by the provisional licensee, 21734  
the department of education shall issue the program a license. The 21735  
license shall remain valid unless revoked or the program ceases 21736  
operations. 21737

(E) The department of education annually shall investigate 21738  
and inspect each preschool program or school child program 21739  
licensed under division (D) of this section to determine if the 21740  
requirements of sections 3301.52 to 3301.59 of the Revised Code 21741  
and any rules adopted under those sections are met by the program, 21742  
and shall notify the program of the results. 21743

(F) The license or provisional license shall state the name 21744  
of the school district board of education, county DD board, 21745  
community school, or eligible nonpublic school that operates the 21746  
preschool program or school child program and the license capacity 21747  
of the program. 21748

(G) The department of education may revoke the license of any 21749

preschool program or school child program that is not in 21750  
compliance with the requirements of sections 3301.52 to 3301.59 of 21751  
the Revised Code and any rules adopted under those sections. 21752

(H) If the department of education revokes a license, the 21753  
department shall not issue a license to the program within two 21754  
years from the date of the revocation. All actions of the 21755  
department with respect to licensing preschool programs and school 21756  
child programs shall be in accordance with Chapter 119. of the 21757  
Revised Code. 21758

rules under division (D) of section 3301.0712 of the Revised Code 21760  
and at least every sixth year thereafter, upon recommendations of 21761  
the superintendent of public instruction, the state board of 21762  
education shall establish a set of performance indicators that 21763  
considered as a unit will be used as one of the performance 21764  
categories for the report cards required by section 3302.03 of the 21765  
Revised Code. In establishing these indicators, the superintendent 21766  
shall consider inclusion of student performance on assessments 21767  
prescribed under section 3301.0710 or 3301.0712 of the Revised 21768  
Code, rates of student improvement on such assessments, the 21769  
breadth of coursework available within the district, and other 21770  
indicators of student success. 21771

Beginning with the report card for the 2014-2015 school year, 21772  
the performance indicators shall include an indicator that 21773  
reflects the level of services provided to, and the performance 21774  
of, students identified as gifted under Chapter 3324. of the 21775  
Revised Code. The indicator shall include the performance of 21776

prescribed by divisions (A) and (B)(1) of section 3301.0710 of the 21782  
Revised Code, a school district or building shall be considered to 21783  
have met the indicator if at least eighty per cent of the tested 21784  
students attain a score of proficient or higher on the assessment. 21785  
A school district or building shall be considered to have met the 21786  
indicator for the assessments prescribed by division (B)(1) of 21787  
section 3301.0710 of the Revised Code and only as administered to 21788  
eleventh grade students, if at least eighty-five per cent of the 21789  
tested students attain a score of proficient or higher on the 21790  
assessment. ~~Not later than July 1, 2014, the~~ 21791

The state board ~~may~~ shall adopt rules, under Chapter 119. of 21792

prescribed under section 3301.0710 or 3301.0712 of the Revised 21795  
Code, for the 2014-2015 school year and thereafter by the 21796  
following dates: 21797

(A) Not later than January 15, 2016, for the 2014-2015 school 21798

year, and for each school year thereafter. 21803

~~The superintendent shall not establish any performance~~ 21804  
~~indicator for passage of the third or fourth grade English~~ 21805

letter grade for overall academic performance and for each 21813  
separate performance measure for each school district, and each 21814  
school building in a district, in accordance with this section. 21815  
The state board shall adopt rules pursuant to Chapter 119. of the 21816  
Revised Code to establish performance criteria for each letter 21817  
grade and prescribe a method by which the department assigns each 21818  
letter grade. For a school building to which any of the 21819  
performance measures do not apply, due to grade levels served by 21820  
the building, the state board shall designate the performance 21821  
measures that are applicable to the building and that must be 21822  
calculated separately and used to calculate the building's overall 21823  
grade. The department shall issue annual report cards reflecting 21824  
the performance of each school district, each building within each 21825  
district, and for the state as a whole using the performance 21826  
measures and letter grade system described in this section. The 21827  
department shall include on the report card for each district and 21828

building. Grades shall be awarded as a percentage of the total 21836  
possible points on the performance index system as adopted by the 21837  
state board. In adopting benchmarks for assigning letter grades 21838  
under division (A)(1)(b) of this section, the state board of 21839  
education shall designate ninety per cent or higher for an "A," at 21840

"C," and less than fifty per cent for an "F." 21842

(c) The extent to which the school district or building meets 21843  
each of the applicable performance indicators established by the 21844  
state board under section 3302.02 of the Revised Code and the 21845  
percentage of applicable performance indicators that have been 21846  
achieved. In adopting benchmarks for assigning letter grades under 21847  
division (A)(1)(c) of this section, the state board shall 21848  
designate ninety per cent or higher for an "A." 21849

(d) The four- and five-year adjusted cohort graduation rates. 21850  
  
In adopting benchmarks for assigning letter grades under 21851  
division (A)(1)(d), (B)(1)(d), or (C)(1)(d) of this section, the 21852  
department shall designate a four-year adjusted cohort graduation 21853  
rate of ninety-three per cent or higher for an "A" and a five-year 21854  
cohort graduation rate of ninety-five per cent or higher for an 21855  
"A." 21856

(e) The overall score under the value-added progress 21857  
dimension of a school district or building, for which the 21858  
department shall use up to three years of value-added data as 21859  
available. The letter grade assigned for this growth measure shall 21860  
be as follows: 21861

(i) A score that is at least two standard errors of measure 21862  
above the mean score shall be designated as an "A." 21863

(ii) A score that is at least one standard error of measure 21864  
but less than two standard errors of measure above the mean score 21865  
shall be designated as a "B." 21866

graded performance measure, whether as an overall measure or as a 21878  
measure of separate subgroups, the grades for the measure shall be 21879  
calculated in the same manner as prescribed in division (A)(1)(e) 21880  
of this section. 21881

district or building disaggregated for each of the following 21883  
subgroups: students identified as gifted, students with 21884  
disabilities, and students whose performance places them in the 21885  
lowest quintile for achievement on a statewide basis. Each 21886  
subgroup shall be a separate graded measure. 21887

(2) Not later than April 30, 2013, the state board of 21888  
education shall adopt a resolution describing the performance 21889  
measures, benchmarks, and grading system for the 2012-2013 school 21890  
year and, not later than June 30, 2013, shall adopt rules in 21891

the methods by which the performance measures under division 21893  
(A)(1) of this section shall be assessed and assigned a letter 21894  
grade, including performance benchmarks for each letter grade. 21895

At least forty-five days prior to the state board's adoption 21896  
of rules to prescribe the methods by which the performance 21897  
measures under division (A)(1) of this section shall be assessed 21898  
and assigned a letter grade, the department shall conduct a public 21899  
presentation before the standing committees of the house of 21900  
representatives and the senate that consider education legislation 21901  
describing such methods, including performance benchmarks. 21902

(3) There shall not be an overall letter grade for a school 21903  
district or building for the 2012-2013 school year. 21904

(B)(1) For the 2013-2014 school year, the department shall 21905  
issue grades as described in division (E) of this section for each 21906  
of the following performance measures: 21907

building. Grades shall be awarded as a percentage of the total 21910  
possible points on the performance index system as created by the 21911  
department. In adopting benchmarks for assigning letter grades 21912  
under division (B)(1)(b) of this section, the state board shall 21913  
designate ninety per cent or higher for an "A," at least seventy 21914

state board under section 3302.03 of the Revised Code and the 21919  
percentage of applicable performance indicators that have been 21920  
achieved. In adopting benchmarks for assigning letter grades under 21921  
division (B)(1)(c) of this section, the state board shall 21922  
designate ninety per cent or higher for an "A." 21923

(d) The four- and five-year adjusted cohort graduation rates; 21924

available. 21928

(f) The value-added progress dimension score for a school 21929  
district or building disaggregated for each of the following 21930  
subgroups: students identified as gifted in superior cognitive 21931

in improving literacy in grades kindergarten through three, as 21938  
determined using a method prescribed by the state board. The state 21939  
board shall adopt rules to prescribe benchmarks and standards for 21940  
assigning grades to districts and buildings for purposes of 21941  
division (B)(1)(g) of this section. In adopting benchmarks for 21942  
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 21943  
this section, the state board shall determine progress made based 21944  
on the reduction in the total percentage of students scoring below 21945  
grade level, or below proficient, compared from year to year on 21946  
the reading and writing diagnostic assessments administered under 21947  
section 3301.0715 of the Revised Code and the third grade English 21948  
language arts assessment under section 3301.0710 of the Revised 21949  
Code, as applicable. The state board shall designate for a "C" 21950  
grade a value that is not lower than the statewide average value 21951  
for this measure. No grade shall be issued under divisions 21952  
(B)(1)(g) and (C)(1)(g) of this section for a district or building 21953  
in which less than five per cent of students have scored below 21954  
grade level on the diagnostic assessment administered to students 21955  
in kindergarten under division (B)(1) of section 3313.608 of the 21956  
Revised Code. 21957

the department shall use value-added data from the most recent 21960  
school year available and shall use assessment scores for only 21961  
those students to whom the district or building has administered 21962  
the assessments prescribed by section 3301.0710 of the Revised 21963  
Code for each of the two most recent consecutive school years. 21964

As used in this division, "high mobility school district or 21965  
building" means a school district or building where at least 21966  
twenty-five per cent of its total enrollment is made up of 21967

students who have attended that school district or building for 21968  
less than one year. 21969

(2) In addition to the graded measures in division (B)(1) of 21970

or building's report card all of the following without an assigned 21972  
letter grade: 21973

(a) The percentage of students enrolled in a district or 21974  
building participating in advanced placement classes and the 21975  
percentage of those students who received a score of three or 21976  
better on advanced placement examinations; 21977

(b) The number of a district's or building's students who 21978

enrollment options program under Chapter 3365. of the Revised Code 21981  
and state-approved career-technical courses offered through dual 21982  
enrollment or statewide articulation, that appear on a student's 21983  
transcript or other official document, either of which is issued 21984  
by the institution of higher education from which the student 21985  
earned the college credit. The credits earned that are reported 21986  
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 21987  
include any that are remedial or developmental and shall include 21988  
those that count toward the curriculum requirements established 21989  
for completion of a degree. 21990

(c) The percentage of students enrolled in a district or 21991  
building who have taken a national standardized test used for 21992  
college admission determinations and the percentage of those 21993  
students who are determined to be remediation-free in accordance 21994  
with standards adopted under division (F) of section 3345.061 of 21995  
the Revised Code; 21996

(d) The percentage of the district's or the building's 21997  
students who receive industry-recognized credentials. The state 21998

board shall adopt criteria for acceptable industry-recognized 21999  
credentials. 22000

(e) The percentage of students enrolled in a district or 22001  
building who are participating in an international baccalaureate 22002  
program and the percentage of those students who receive a score 22003  
of four or better on the international baccalaureate examinations. 22004

(f) The percentage of the district's or building's students 22005  
who receive an honors diploma under division (B) of section 22006  
3313.61 of the Revised Code. 22007

(3) Not later than December 31, 2013, the state board shall 22008  
adopt rules in accordance with Chapter 119. of the Revised Code 22009  
that prescribe the methods by which the performance measures under 22010  
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 22011  
and assigned a letter grade, including performance benchmarks for 22012  
each grade. 22013

At least forty-five days prior to the state board's adoption 22014  
of rules to prescribe the methods by which the performance 22015  
measures under division (B)(1) of this section shall be assessed 22016  
and assigned a letter grade, the department shall conduct a public 22017  
presentation before the standing committees of the house of 22018  
representatives and the senate that consider education legislation 22019  
describing such methods, including performance benchmarks. 22020

(4) There shall not be an overall letter grade for a school 22021  
district or building for the 2013-2014 school year. 22022

(C)(1) For the 2014-2015 school year and each school year 22023  
thereafter, the department shall issue grades as described in 22024  
division (E) of this section for each of the performance measures 22025  
prescribed in division (C)(1) of this section and an overall 22026  
letter grade based on an aggregate of those measures, except for 22027  
the performance measure set forth in division (C)(1)~~(h)~~(i) of this 22028  
section. The graded measures are as follows: 22029

(a) Annual measurable objectives;	22030
(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (C)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."	22031 22032 22033 22034 22035 22036 22037 22038
(c) The extent to which the school district or building meets each of the applicable performance indicators established by the state board under section 3302.03 of the Revised Code and the percentage of applicable performance indicators that have been achieved. In adopting benchmarks for assigning letter grades under division (C)(1)(c) of this section, the state board shall designate ninety per cent or higher for an "A."	22039 22040 22041 22042 22043 22044 22045
(d) The four- and five-year adjusted cohort graduation rates;	22046
(e) The overall score under the value-added progress dimension, or another measure of student academic progress if adopted by the state board, of a school district or building, for which the department shall use up to three years of value-added data as available.	22047 22048 22049 22050 22051
In adopting benchmarks for assigning letter grades for overall score on value-added progress dimension under division (C)(1)(e) of this section, the state board shall prohibit the assigning of a grade of "A" for that measure unless the district's or building's grade assigned for value-added progress dimension for all subgroups under division (C)(1)(f) of this section is a "B" or higher.	22052 22053 22054 22055 22056 22057 22058
<u>Beginning with the report cards issued for the 2015-2016 school year, the overall score under the value-added progress</u>	22059 22060

dimension under division (C)(1)(e) of this section shall include 22061  
the high school academic progress data prescribed under division 22062  
(D) of this section. 22063

For the metric prescribed by division (C)(1)(e) of this 22064  
section, the state board may adopt a student academic progress 22065  
measure to be used instead of the value-added progress dimension. 22066  
If the state board adopts such a measure, it also shall prescribe 22067  
a method for assigning letter grades for the new measure that is 22068  
comparable to the method prescribed in division (A)(1)(e) of this 22069  
section. 22070

(f) The value-added progress dimension score of a school 22071

of the Revised Code, students with disabilities, and students 22075  
whose performance places them in the lowest quintile for 22076  
achievement on a statewide basis, as determined by a method 22077  
prescribed by the state board. Each subgroup shall be a separate 22078  
graded measure. 22079

Beginning with the report cards issued for the 2015-2016 22080  
school year, the disaggregated value-added progress dimension 22081  
scores under division (C)(1)(f) of this section shall include the 22082  
high school academic progress data prescribed under division (D) 22083  
of this section, disaggregated by subgroup. 22084

The state board may adopt student academic progress measures 22085  
to be used instead of the value-added progress dimension. If the 22086  
state board adopts such measures, it also shall prescribe a method 22087  
for assigning letter grades for the new measures that is 22088  
comparable to the method prescribed in division (A)(1)(e) of this 22089  
section. 22090

(g) Whether a school district or building is making progress 22091

in improving literacy in grades kindergarten through three, as 22092  
determined using a method prescribed by the state board. The state 22093  
board shall adopt rules to prescribe benchmarks and standards for 22094  
assigning grades to a district or building for purposes of 22095  
division (C)(1)(g) of this section. The state board shall 22096  
designate for a "C" grade a value that is not lower than the 22097  
previous year's statewide average value for this measure. No grade 22098  
shall be issued under division (C)(1)(g) of this section for a 22099  
district or building in which less than five per cent of students 22100  
have scored below grade level on the kindergarten diagnostic 22101  
assessment under division (B)(1) of section 3313.608 of the 22102  
Revised Code, unless five per cent or more of students fail to 22103  
score proficient or above on the English language arts assessment 22104  
prescribed under division (A)(1)(a) of section 3301.0710 of the 22105  
Revised Code. 22106

(h) The percentage of students in the third grade to whom 22107  
both of the following apply: 22108

(i) The student has never been retained under section 22109  
3313.608 of the Revised Code and is promoted to the fourth grade. 22110

(ii) The student is not exempt from the retention provision 22111  
of section 3313.608 of the Revised Code, as prescribed in 22112  
divisions (A)(2)(a) to (e) of that section. 22113

In adopting benchmarks for assigning a letter grade under 22114  
division (C)(1)(h) of this section, the state board shall 22115  
designate ninety-seven per cent or higher for an "A." 22116

(i) For a high mobility school district or building, an 22117  
additional value-added progress dimension score. For this measure, 22118  
the department shall use value-added data from the most recent 22119  
school year available and shall use assessment scores for only 22120  
those students to whom the district or building has administered 22121  
the assessments prescribed by section 3301.0710 of the Revised 22122

Code for each of the two most recent consecutive school years. 22123

As used in this division, "high mobility school district or 22124  
building" means a school district or building where at least 22125  
twenty-five per cent of its total enrollment is made up of 22126  
students who have attended that school district or building for 22127  
less than one year. 22128

(2) In addition to the graded measures in division (C)(1) of 22129  
this section, the department shall include on a school district's 22130  
or building's report card all of the following without an assigned 22131  
letter grade: 22132

(a) The percentage of students enrolled in a district or 22133  
building who have taken a national standardized test used for 22134  
college admission determinations and the percentage of those 22135  
students who are determined to be remediation-free in accordance 22136  
with the standards adopted under division (F) of section 3345.061 22137  
of the Revised Code; 22138

(b) The percentage of students enrolled in a district or 22139  
building participating in advanced placement classes and the 22140  
percentage of those students who received a score of three or 22141  
better on advanced placement examinations; 22142

(c) The percentage of a district's or building's students who 22143  
have earned at least three college credits through advanced 22144  
standing programs, such as the college credit plus program under 22145  
Chapter 3365. of the Revised Code and state-approved 22146  
career-technical courses offered through dual enrollment or 22147  
statewide articulation, that appear on a student's college 22148  
transcript issued by the institution of higher education from 22149  
which the student earned the college credit. The credits earned 22150  
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 22151  
section shall not include any that are remedial or developmental 22152  
and shall include those that count toward the curriculum 22153

requirements established for completion of a degree.	22154
(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code;	22155 22156 22157
(e) The percentage of the district's or building's students who receive industry-recognized credentials;	22158 22159
(f) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations;	22160 22161 22162 22163
(g) The results of the college and career-ready assessments administered under division (B)(1) of section 3301.0712 of the Revised Code.	22164 22165 22166
(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2014-2015 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:	22167 22168 22169 22170 22171 22172
(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;	22173 22174
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	22175 22176
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	22177 22178

(f) Prepared for success, which shall include the performance 22184  
measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of 22185  
this section. The state board shall develop a method to determine 22186  
a grade for the component in division (C)(3)(f) of this section 22187  
using the performance measures in divisions (C)(2)(a), (b), (c), 22188  
(d), (e), and (f) of this section. When available, the state board 22189  
may incorporate the performance measure under division (C)(2)(g) 22190  
of this section into the component under division (C)(3)(f) of 22191  
this section. When determining the overall grade for the prepared 22192  
for success component prescribed by division (C)(3)(f) of this 22193  
section, no individual student shall be counted in more than one 22194  
performance measure. However, if a student qualifies for more than 22195  
one performance measure in the component, the state board may, in 22196  
its method to determine a grade for the component, specify an 22197  
additional weight for such a student that is not greater than or 22198  
equal to 1.0. In determining the overall score under division 22199  
(C)(3)(f) of this section, the state board shall ensure that the 22200  
pool of students included in the performance measures aggregated 22201  
under that division are all of the students included in the ~~four-~~ 22202  
~~and five-year~~ four-year adjusted graduation cohort. 22203

In the rules adopted under division (C)(3) of this section, 22204  
the state board shall adopt a method for determining a grade for 22205  
each component in divisions (C)(3)(a) to (f) of this section. The 22206  
state board also shall establish a method to assign an overall 22207  
grade of "A," "B," "C," "D," or "F" using the grades assigned for 22208  
each component. The method the state board adopts for assigning an 22209  
overall grade shall give equal weight to the components in 22210  
divisions (C)(3)(b) and (c) of this section. 22211

At least forty-five days prior to the state board's adoption 22212  
of rules to prescribe the methods for calculating the overall 22213  
grade for the report card, as required by this division, the 22214  
department shall conduct a public presentation before the standing 22215

committees of the house of representatives and the senate that 22216  
consider education legislation describing the format for the 22217  
report card, weights that will be assigned to the components of 22218  
the overall grade, and the method for calculating the overall 22219  
grade. 22220

(D) Not later than July 1, 2015, the ~~state board~~ department 22221  
shall develop a ~~measure of~~ method to determine student academic 22222  
progress for high school students using ~~only data from assessments~~ 22223  
~~in English language arts and mathematics. For the 2014-2015 school~~ 22224  
~~year, the department shall include this measure on a school~~ 22225  
~~district or building's report card, as applicable, without an~~ 22226  
~~assigned letter grade. Beginning with the report card for the~~ 22227  
~~2015-2016 school year, each school district and applicable school~~ 22228  
~~building shall be assigned a separate letter grade for this~~ 22229  
~~measure and the district's or building's grade for that measure~~ 22230  
~~shall be included in determining the district's or building's~~ 22231  
~~overall letter grade. This measure shall be included within the~~ 22232  
~~measure prescribed in division (C)(3)(c) of this section in the~~ 22233  
~~calculation for the overall letter grade~~ the results of the 22234  
end-of-course examinations in English language arts and 22235  
mathematics required under division (B)(2) of section 3301.0712 of 22236  
the Revised Code and a method to include such data in determining 22237  
the grades for the progress measures prescribed by divisions 22238  
(C)(1)(e) and (f) of this section. This high school academic 22239  
progress data shall be included in the grades for the measures 22240  
prescribed by divisions (C)(1)(e) and (f) of this section 22241  
beginning with the report card issued for the 2015-2016 school 22242  
year. 22243

(E) The letter grades assigned to a school district or 22244  
building under this section shall be as follows: 22245

(1) "A" for a district or school making excellent progress; 22246

(2) "B" for a district or school making above average 22247

progress;	22248
(3) "C" for a district or school making average progress;	22249
(4) "D" for a district or school making below average progress;	22250 22251
(5) "F" for a district or school failing to meet minimum progress.	22252 22253
(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories:	22254 22255 22256
(1) Performance of students by grade-level;	22257
(2) Performance of students by race and ethnic group;	22258
(3) Performance of students by gender;	22259
(4) Performance of students grouped by those who have been enrolled in a district or school for three or more years;	22260 22261
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	22262 22263 22264
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	22265 22266
(7) Performance of students grouped by those who are economically disadvantaged;	22267 22268
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	22269 22270 22271
(9) Performance of students grouped by those who are classified as limited English proficient;	22272 22273
(10) Performance of students grouped by those who have disabilities;	22274 22275

(11) Performance of students grouped by those who are 22276  
classified as migrants; 22277

(12) Performance of students grouped by those who are 22278  
identified as gifted in superior cognitive ability and the 22279  
specific academic ability fields of reading and math pursuant to 22280  
Chapter 3324. of the Revised Code. In disaggregating specific 22281  
academic ability fields for gifted students, the department shall 22282  
use data for those students with specific academic ability in math 22283  
and reading. If any other academic field is assessed, the 22284  
department shall also include data for students with specific 22285  
academic ability in that field as well. 22286

(13) Performance of students grouped by those who perform in 22287  
the lowest quintile for achievement on a statewide basis, as 22288  
determined by a method prescribed by the state board. 22289

The department may disaggregate data on student performance 22290  
according to other categories that the department determines are 22291  
appropriate. To the extent possible, the department shall 22292  
disaggregate data on student performance according to any 22293  
combinations of two or more of the categories listed in divisions 22294  
(F)(1) to (13) of this section that it deems relevant. 22295

In reporting data pursuant to division (F) of this section, 22296  
the department shall not include in the report cards any data 22297  
statistical in nature that is statistically unreliable or that 22298  
could result in the identification of individual students. For 22299  
this purpose, the department shall not report student performance 22300  
data for any group identified in division (F) of this section that 22301  
contains less than ten students. If the department does not report 22302  
student performance data for a group because it contains less than 22303  
ten students, the department shall indicate on the report card 22304  
that is why data was not reported. 22305

(G) The department may include with the report cards any 22306

additional education and fiscal performance data it deems 22307  
valuable. 22308

(H) The department shall include on each report card a list 22309  
of additional information collected by the department that is 22310  
available regarding the district or building for which the report 22311  
card is issued. When available, such additional information shall 22312  
include student mobility data disaggregated by race and 22313  
socioeconomic status, college enrollment data, and the reports 22314  
prepared under section 3302.031 of the Revised Code. 22315

The department shall maintain a site on the world wide web. 22316  
The report card shall include the address of the site and shall 22317  
specify that such additional information is available to the 22318  
public at that site. The department shall also provide a copy of 22319  
each item on the list to the superintendent of each school 22320  
district. The district superintendent shall provide a copy of any 22321  
item on the list to anyone who requests it. 22322

(I) Division (I) of this section does not apply to conversion 22323  
community schools that primarily enroll students between sixteen 22324  
and twenty-two years of age who dropped out of high school or are 22325  
at risk of dropping out of high school due to poor attendance, 22326  
disciplinary problems, or suspensions. 22327

(1) For any district that sponsors a conversion community 22328

division (C)(7) of this section, or into the content of another 23129  
class, so that every high school student receives instruction in 23130  
those concepts. In developing the curriculum required by this 23131  
paragraph, schools shall use available public-private partnerships 23132  
and resources and materials that exist in business, industry, and 23133  
through the centers for economics education at institutions of 23134  
higher education in the state. 23135

Beginning with students who enter ninth grade for the first 23136  
time on or after July 1, 2017, the two units of instruction 23137  
prescribed by division (C)(7) of this section shall include at 23138  
least one-half unit of instruction in the study of world history 23139

States Code, or English language arts, mathematics, science, or 23146  
social studies courses not otherwise required under division (C) 23147

Ohioans must be prepared to apply increased knowledge and 23149  
skills in the workplace and to adapt their knowledge and skills 23150  
quickly to meet the rapidly changing conditions of the 23151  
twenty-first century. National studies indicate that all high 23152  
school graduates need the same academic foundation, regardless of 23153  
the opportunities they pursue after graduation. The goal of Ohio's 23154  
system of elementary and secondary education is to prepare all 23155  
students for and seamlessly connect all students to success in 23156  
life beyond high school graduation, regardless of whether the next 23157  
step is entering the workforce, beginning an apprenticeship, 23158  
engaging in post-secondary training, serving in the military, or 23159  
pursuing a college degree. 23160

The requirements for graduation prescribed in division (C) of 23161  
this section are the standard expectation for all students 23162  
entering ninth grade for the first time at a public or chartered 23163  
nonpublic high school on or after July 1, 2010. A student may 23164  
satisfy this expectation through a variety of methods, including, 23165  
but not limited to, integrated, applied, career-technical, and 23166  
traditional coursework. 23167

Whereas teacher quality is essential for student success when 23168  
completing the requirements for graduation, the general assembly 23169  
shall appropriate funds for strategic initiatives designed to 23170  
strengthen schools' capacities to hire and retain highly qualified 23171  
teachers in the subject areas required by the curriculum. Such 23172  
initiatives are expected to require an investment of \$120,000,000 23173  
over five years. 23174

Stronger coordination between high schools and institutions 23175  
of higher education is necessary to prepare students for more 23176  
challenging academic endeavors and to lessen the need for academic 23177  
remediation in college, thereby reducing the costs of higher 23178  
education for Ohio's students, families, and the state. The state 23179  
board and the ~~chancellor of the Ohio board of regents~~ director of 23180  
higher education shall develop policies to ensure that only in 23181  
rare instances will students who complete the requirements for 23182  
graduation prescribed in division (C) of this section require 23183  
academic remediation after high school. 23184

School districts, community schools, and chartered nonpublic 23185  
schools shall integrate technology into learning experiences 23186  
across the curriculum in order to maximize efficiency, enhance 23187  
learning, and prepare students for success in the 23188  
technology-driven twenty-first century. Districts and schools 23189  
shall use distance and web-based course delivery as a method of 23190  
providing or augmenting all instruction required under this 23191  
division, including laboratory experience in science. Districts 23192

and schools shall utilize technology access and electronic 23193  
learning opportunities provided by the broadcast educational media 23194  
commission, ~~chancellor~~ director of higher education, the Ohio 23195  
learning network, education technology centers, public television 23196  
stations, and other public and private providers. 23197

(D) Except as provided in division (E) of this section, a 23198  
student who enters ninth grade on or after July 1, 2010, and 23199  
before July 1, 2016, may qualify for graduation from a public or 23200  
chartered nonpublic high school even though the student has not 23201  
completed the requirements for graduation prescribed in division 23202  
(C) of this section if all of the following conditions are 23203  
satisfied: 23204

(1) During the student's third year of attending high school, 23205  
as determined by the school, the student and the student's parent, 23206  
guardian, or custodian sign and file with the school a written 23207  
statement asserting the parent's, guardian's, or custodian's 23208  
consent to the student's graduating without completing the 23209  
requirements for graduation prescribed in division (C) of this 23210  
section and acknowledging that one consequence of not completing 23211  
those requirements is ineligibility to enroll in most state 23212  
universities in Ohio without further coursework. 23213

(2) The student and parent, guardian, or custodian fulfill 23214  
any procedural requirements the school stipulates to ensure the 23215  
student's and parent's, guardian's, or custodian's informed 23216  
consent and to facilitate orderly filing of statements under 23217  
division (D)(1) of this section. Annually, each district or school 23218  
shall notify the department of education of the number of students 23219  
who choose to qualify for graduation under division (D) of this 23220  
section and the number of students who complete the student's 23221  
success plan and graduate from high school. 23222

(3) The student and the student's parent, guardian, or 23223  
custodian and a representative of the student's high school 23224

jointly develop a student success plan for the student in the 23225  
manner described in division (C)(1) of section 3313.6020 of the 23226  
Revised Code that specifies the student matriculating to a 23227  
two-year degree program, acquiring a business and 23228  
industry-recognized credential, or entering an apprenticeship. 23229

(4) The student's high school provides counseling and support 23230  
for the student related to the plan developed under division 23231  
(D)(3) of this section during the remainder of the student's high 23232  
school experience. 23233

(5)(a) Except as provided in division (D)(5)(b) of this 23234  
section, the student successfully completes, at a minimum, the 23235  
curriculum prescribed in division (B) of this section. 23236

(b) Beginning with students who enter ninth grade for the 23237  
first time on or after July 1, 2014, a student shall be required 23238  
to complete successfully, at the minimum, the curriculum 23239  
prescribed in division (B) of this section, except as follows: 23240

(i) Mathematics, four units, one unit which shall be one of 23241  
the following: 23242

(I) Probability and statistics; 23243

(II) Computer programming; 23244

(III) Applied mathematics or quantitative reasoning; 23245

(IV) Any other course approved by the department using 23246  
standards established by the superintendent not later than October 23247  
1, 2014. 23248

(ii) Elective units, five units; 23249

(iii) Science, three units as prescribed by division (B) of 23250  
this section which shall include inquiry-based laboratory 23251  
experience that engages students in asking valid scientific 23252  
questions and gathering and analyzing information. 23253

The department, in collaboration with the ~~chancellor~~ director 23254

of higher education, shall analyze student performance data to 23255  
determine if there are mitigating factors that warrant extending 23256  
the exception permitted by division (D) of this section to high 23257  
school classes beyond those entering ninth grade before July 1, 23258  
2016. The department shall submit its findings and any 23259  
recommendations not later than December 1, 2015, to the speaker 23260  
and minority leader of the house of representatives, the president 23261  
and minority leader of the senate, the chairpersons and ranking 23262  
minority members of the standing committees of the house of 23263  
representatives and the senate that consider education 23264  
legislation, the state board of education, and the superintendent 23265  
of public instruction. 23266

(E) Each school district and chartered nonpublic school 23267  
retains the authority to require an even more challenging minimum 23268  
curriculum for high school graduation than specified in division 23269  
(B) or (C) of this section. A school district board of education, 23270  
through the adoption of a resolution, or the governing authority 23271  
of a chartered nonpublic school may stipulate any of the 23272  
following: 23273

(1) A minimum high school curriculum that requires more than 23274  
twenty units of academic credit to graduate; 23275

(2) An exception to the district's or school's minimum high 23276  
school curriculum that is comparable to the exception provided in 23277  
division (D) of this section but with additional requirements, 23278  
which may include a requirement that the student successfully 23279  
complete more than the minimum curriculum prescribed in division 23280  
(B) of this section; 23281

(3) That no exception comparable to that provided in division 23282  
(D) of this section is available. 23283

(F) A student enrolled in a dropout prevention and recovery 23284  
program, which program has received a waiver from the department, 23285

may qualify for graduation from high school by successfully 23286  
completing a competency-based instructional program administered 23287  
by the dropout prevention and recovery program in lieu of 23288  
completing the requirements for graduation prescribed in division 23289  
(C) of this section. The department shall grant a waiver to a 23290  
dropout prevention and recovery program, within sixty days after 23291  
the program applies for the waiver, if the program meets all of 23292  
the following conditions: 23293

(1) The program serves only students not younger than sixteen 23294  
years of age and not older than twenty-one years of age. 23295

(2) The program enrolls students who, at the time of their 23296  
initial enrollment, either, or both, are at least one grade level 23297  
behind their cohort age groups or experience crises that 23298  
significantly interfere with their academic progress such that 23299  
they are prevented from continuing their traditional programs. 23300

(3) The program requires students to attain at least the 23301  
applicable score designated for each of the assessments prescribed 23302  
under division (B)(1) of section 3301.0710 of the Revised Code or, 23303  
to the extent prescribed by rule of the state board under division 23304  
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 23305  
of that section. 23306

(4) The program develops a student success plan for the 23307  
student in the manner described in division (C)(1) of section 23308  
3313.6020 of the Revised Code that specifies the student's 23309  
matriculating to a two-year degree program, acquiring a business 23310  
and industry-recognized credential, or entering an apprenticeship. 23311

(5) The program provides counseling and support for the 23312  
student related to the plan developed under division (F)(4) of 23313  
this section during the remainder of the student's high school 23314  
experience. 23315

(6) The program requires the student and the student's 23316

parent, guardian, or custodian to sign and file, in accordance 23317  
with procedural requirements stipulated by the program, a written 23318  
statement asserting the parent's, guardian's, or custodian's 23319  
consent to the student's graduating without completing the 23320  
requirements for graduation prescribed in division (C) of this 23321  
section and acknowledging that one consequence of not completing 23322  
those requirements is ineligibility to enroll in most state 23323  
universities in Ohio without further coursework. 23324

(7) Prior to receiving the waiver, the program has submitted 23325  
to the department an instructional plan that demonstrates how the 23326  
academic content standards adopted by the state board under 23327  
section 3301.079 of the Revised Code will be taught and assessed. 23328

(8) Prior to receiving the waiver, the program has submitted 23329  
to the department a policy on career advising that satisfies the 23330  
requirements of section 3313.6020 of the Revised Code, with an 23331  
emphasis on how every student will receive career advising. 23332

(9) Prior to receiving the waiver, the program has submitted 23333  
to the department a written agreement outlining the future 23334  
cooperation between the program and any combination of local job 23335  
training, postsecondary education, nonprofit, and health and 23336  
social service organizations to provide services for students in 23337  
the program and their families. 23338

Divisions (F)(8) and (9) of this section apply only to 23339  
waivers granted on or after July 1, 2015. 23340

If the department does not act either to grant the waiver or 23341  
to reject the program application for the waiver within sixty days 23342  
as required under this section, the waiver shall be considered to 23343  
be granted. 23344

(G) Every high school may permit students below the ninth 23345  
grade to take advanced work. If a high school so permits, it shall 23346  
award high school credit for successful completion of the advanced 23347

work and shall count such advanced work toward the graduation 23348  
requirements of division (B) or (C) of this section if the 23349  
advanced work was both: 23350

(1) Taught by a person who possesses a license or certificate 23351  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 23352  
Code that is valid for teaching high school; 23353

(2) Designated by the board of education of the city, local, 23354  
or exempted village school district, the board of the cooperative 23355  
education school district, or the governing authority of the 23356  
chartered nonpublic school as meeting the high school curriculum 23357  
requirements. 23358

Each high school shall record on the student's high school 23359  
transcript all high school credit awarded under division (G) of 23360  
this section. In addition, if the student completed a seventh- or 23361  
eighth-grade fine arts course described in division (K) of this 23362  
section and the course qualified for high school credit under that 23363  
division, the high school shall record that course on the 23364  
student's high school transcript. 23365

(H) The department shall make its individual academic career 23366  
plan available through its Ohio career information system web site 23367  
for districts and schools to use as a tool for communicating with 23368  
and providing guidance to students and families in selecting high 23369  
school courses. 23370

(I) Units earned in English language arts, mathematics, 23371  
science, and social studies that are delivered through integrated 23372  
academic and career-technical instruction are eligible to meet the 23373  
graduation requirements of division (B) or (C) of this section. 23374

(J)(1) The state board, in consultation with the ~~chancellor~~ 23375  
director of higher education, shall adopt a statewide plan 23376  
implementing methods for students to earn units of high school 23377  
credit based on a demonstration of subject area competency, 23378

instead of or in combination with completing hours of classroom 23379  
instruction. The state board shall adopt the plan not later than 23380  
March 31, 2009, and commence phasing in the plan during the 23381  
2009-2010 school year. The plan shall include a standard method 23382  
for recording demonstrated proficiency on high school transcripts. 23383  
Each school district and community school shall comply with the 23384  
state board's plan adopted under this division and award units of 23385  
high school credit in accordance with the plan. The state board 23386  
may adopt existing methods for earning high school credit based on 23387  
a demonstration of subject area competency as necessary prior to 23388  
the 2009-2010 school year. 23389

(2) Not later than December 31, 2015, the state board shall 23390  
update the statewide plan adopted pursuant to division (J)(1) of 23391  
this section to also include methods for students enrolled in 23392  
seventh and eighth grade to meet curriculum requirements based on 23393  
a demonstration of subject area competency, instead of or in 23394  
combination with completing hours of classroom instruction. 23395  
Beginning with the 2016-2017 school year, each school district and 23396  
community school also shall comply with the updated plan adopted 23397  
pursuant to this division and permit students enrolled in seventh 23398  
and eighth grade to meet curriculum requirements based on subject 23399  
area competency in accordance with the plan. 23400

(K) This division does not apply to students who qualify for 23401  
graduation from high school under division (D) or (F) of this 23402  
section, or to students pursuing a career-technical instructional 23403  
track as determined by the school district board of education or 23404  
the chartered nonpublic school's governing authority. 23405  
Nevertheless, the general assembly encourages such students to 23406  
consider enrolling in a fine arts course as an elective. 23407

Beginning with students who enter ninth grade for the first 23408  
time on or after July 1, 2010, each student enrolled in a public 23409  
or chartered nonpublic high school shall complete two semesters or 23410

the equivalent of fine arts to graduate from high school. The 23411  
coursework may be completed in any of grades seven to twelve. Each 23412  
student who completes a fine arts course in grade seven or eight 23413  
may elect to count that course toward the five units of electives 23414  
required for graduation under division (C)(8) of this section, if 23415  
the course satisfied the requirements of division (G) of this 23416  
section. In that case, the high school shall award the student 23417  
high school credit for the course and count the course toward the 23418  
five units required under division (C)(8) of this section. If the 23419  
course in grade seven or eight did not satisfy the requirements of 23420  
division (G) of this section, the high school shall not award the 23421  
student high school credit for the course but shall count the 23422  
course toward the two semesters or the equivalent of fine arts 23423  
required by this division. 23424

(L) Notwithstanding anything to the contrary in this section, 23425  
the board of education of each school district and the governing 23426  
authority of each chartered nonpublic school may adopt a policy to 23427  
excuse from the high school physical education requirement each 23428  
student who, during high school, has participated in 23429  
interscholastic athletics, marching band, or cheerleading for at 23430  
least two full seasons or in the junior reserve officer training 23431  
corps for at least two full school years. If the board or 23432  
authority adopts such a policy, the board or authority shall not 23433  
require the student to complete any physical education course as a 23434  
condition to graduate. However, the student shall be required to 23435  
complete one-half unit, consisting of at least sixty hours of 23436  
instruction, in another course of study. In the case of a student 23437  
who has participated in the junior reserve officer training corps 23438  
for at least two full school years, credit received for that 23439  
participation may be used to satisfy the requirement to complete 23440  
one-half unit in another course of study. 23441

(M) It is important that high school students learn and 23442

understand United States history and the governments of both the United States and the state of Ohio. Therefore, beginning with students who enter ninth grade for the first time on or after July 1, 2012, the study of American history and American government required by divisions (B)(6) and (C)(6) of this section shall include the study of all of the following documents:

(1) The Declaration of Independence;

(2) The Northwest Ordinance;

(3) The Constitution of the United States with emphasis on the Bill of Rights;

(4) The Ohio Constitution.

The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.

The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.

used to assign a student described in division (B)(3) or (C) of 23767  
this section to a teacher, credentials or training held by 23768  
teachers currently teaching at the school, and how the school 23769  
district or community school will meet the requirements of this 23770

A school district or community school may request an 23778  
extension of a staffing plan beyond the 2013-2014 school year. 23779  
Extension requests must be submitted to the department not later 23780  
than the thirtieth day of April prior to the start of the 23781

districts and community schools in meeting the requirements of 23787  
this section. 23788

(K) The department of education shall designate one or more 23789  
staff members to provide guidance and assistance to school 23790

~~six~~ any grade outside of regular school hours. 23800

**Sec. 3313.614.** (A) As used in this section, a person 23801  
"fulfills the curriculum requirement for a diploma" at the time 23802  
one of the following conditions is satisfied: 23803

(1) The person successfully completes the high school 23804  
curriculum of a school district, a community school, a chartered 23805  
nonpublic school, or a correctional institution. 23806

(2) The person successfully completes the individualized 23807  
education program developed for the person under section 3323.08 23808  
of the Revised Code. 23809

(3) A board of education issues its determination under 23810  
section 3313.611 of the Revised Code that the person qualifies as 23811

having successfully completed the curriculum required by the 23812  
district. 23813

(B) This division specifies the assessment requirements that 23814  
must be fulfilled as a condition toward granting high school 23815  
diplomas under sections 3313.61, 3313.611, 3313.612, and 3325.08 23816  
of the Revised Code. 23817

(1) A person who fulfills the curriculum requirement for a 23818  
diploma before September 15, 2000, is not required to pass any 23819  
proficiency test or achievement test in science as a condition to 23820  
receiving a diploma. 23821

(2) A person who began ninth grade for the first time prior 23822

assessment prescribed under division (B)(2) of that section in any 23825  
subject as a condition to receiving a diploma once the person has 23826  
passed the ninth grade proficiency test in the same subject, so 23827  
long as the person passed the ninth grade proficiency test prior 23828  
to September 15, 2008. However, any such person who passes the 23829  
Ohio graduation test in any subject prior to passing the ninth 23830  
grade proficiency test in the same subject shall be deemed to have 23831  
passed the ninth grade proficiency test in that subject as a 23832  
condition to receiving a diploma. For this purpose, the ninth 23833  
grade proficiency test in citizenship substitutes for the Ohio 23834  
graduation test in social studies. If a person began ninth grade 23835  
prior to July 1, 2003, but does not pass a ninth grade proficiency 23836  
test or the Ohio graduation test in a particular subject before 23837  
September 15, 2008, and passage of a test in that subject is a 23838  
condition for the person to receive a diploma, the person must 23839  
pass the Ohio graduation test instead of the ninth grade 23840  
proficiency test in that subject to receive a diploma. 23841

(3) A (a) Except as provided in division (B)(3)(b) of this 23842  
section, a person who begins ninth grade for the first time on or 23843

based on passage of ninth grade proficiency tests. Each such 23846  
person who begins ninth grade prior to July 1, 2014, must pass 23847  
Ohio graduation tests to meet the assessment requirements 23848  
applicable to that person as a condition to receiving a diploma or 23849  
satisfy one of the conditions prescribed in division (B)(3)(b) of 23850  
this section. 23851

(b) A person who began ninth grade for the first time prior 23852  
to July 1, 2014, shall be eligible to receive a diploma if the 23853  
person meets the requirement prescribed by section 3313.618 of the 23854  
Revised Code. 23855

(c) A person who began ninth grade for the first time prior 23856  
to July 1, 2014, and who has not attained at least the applicable 23857  
scores designated under division (B)(1) of section 3301.0710 of 23858  
the Revised Code on all the assessments required by that division 23859  
shall be eligible to receive a diploma if the person meets the 23860  
requirement prescribed by rule of the state board of education as 23861  
prescribed under division (B)(3)(d) of this section. 23862

(d) Not later than December 31, 2015, the state board of 23863  
education shall adopt rules prescribing the manner in which a 23864  
person who began ninth grade for the first time prior to July 1, 23865  
2014, may be eligible for a high school diploma by combining the 23866  
requirement prescribed by section 3313.618 of the Revised Code and 23867

noncompliance with applicable laws and administrative rules under 24523  
division (F) of this section, for revocation of the approval of 24524  
sponsors under division (C) of this section, and for entering into 24525  
written agreements with sponsors. The rules shall require an 24526  
entity to submit evidence of the entity's ability and willingness 24527  
to comply with the provisions of division (D) of section 3314.03 24528  
of the Revised Code. The rules also shall require entities 24529  
approved as sponsors on and after June 30, 2005, to demonstrate a 24530  
record of financial responsibility and successful implementation 24531  
of educational programs. If an entity seeking approval on or after 24532

improvement under section 3302.03 of the Revised Code, as 24537  
determined by the department. 24538

Subject to section 3314.016 of the Revised Code, an entity 24539

requirements of this chapter. 24545

(2) The state board of education shall determine, pursuant to 24546  
criteria specified in rules adopted in accordance with Chapter 24547  
119. of the Revised Code, whether the mission proposed to be 24548  
specified in the contract of a community school to be sponsored by 24549  
a state university board of trustees or the board's designee under 24550  
division (C)(1)(e) of section 3314.02 of the Revised Code complies 24551

with the requirements of that division. Such determination of the state board is final.

(3) The state board of education shall determine, pursuant to criteria specified in rules adopted in accordance with Chapter 119. of the Revised Code, if any tax-exempt entity under section 501(c)(3) of the Internal Revenue Code that is proposed to be a sponsor of a community school is an education-oriented entity for purpose of satisfying the condition prescribed in division (C)(1)(f)(iii) of section 3314.02 of the Revised Code. Such determination of the state board is final.

(C) ~~If~~ Except in the event of revocation according to division (C)(3) of section 3314.016 of the Revised Code, if at any time the state board of education finds that a sponsor is not in compliance or is no longer willing to comply with its contract with any community school or with the department's rules for sponsorship, the state board or designee shall conduct a hearing in accordance with Chapter 119. of the Revised Code on that matter. If after the hearing, the state board or designee has confirmed the original finding, the department of education may revoke the sponsor's approval to sponsor community schools. In that case, the department's office of Ohio school sponsorship, established under section 3314.029 of the Revised Code, may assume the sponsorship of any schools with which the sponsor has contracted until the earlier of the expiration of two school years or until a new sponsor as described in division (C)(1) of section 3314.02 of the Revised Code is secured by the school's governing authority. The office of Ohio school sponsorship may extend the term of the contract in the case of a school for which it has assumed sponsorship under this division as necessary to accommodate the term of the department's authorization to sponsor the school specified in this division. Community schools sponsored under this division shall not apply to the limit on directly

authorized community schools under division (A)(3) of section 24584  
3314.029 of the Revised Code. However, nothing in this division 24585  
shall preclude a community school affected by this division from 24586  
applying for sponsorship under that section. 24587

(D) The decision of the department to disapprove an entity 24588  
for sponsorship of a community school or to revoke approval for 24589  
such sponsorship under division (C) of this section, may be 24590  
appealed by the entity in accordance with section 119.12 of the 24591  
Revised Code. 24592

(E) The department shall adopt procedures for use by a 24593  
community school governing authority and sponsor when the school 24594  
permanently closes and ceases operation, which shall include at 24595  
least procedures for data reporting to the department, handling of 24596  
student records, distribution of assets in accordance with section 24597  
3314.074 of the Revised Code, and other matters related to ceasing 24598  
operation of the school. 24599

(F)(1) In lieu of revoking a sponsor's authority to sponsor 24600  
community schools under division (C) of this section, if the 24601  
department finds that a sponsor is not in compliance with 24602  
applicable laws and administrative rules, the department shall 24603  
declare in a written notice to the sponsor the specific laws or 24604  
rules, or both, for which the sponsor is noncompliant. A sponsor 24605  
notified under division (F)(1) of this section shall respond to 24606  
the department not later than fourteen days after the notification 24607  
with a proposed plan to remedy the conditions for which the 24608  
sponsor was found to be noncompliant. The department shall approve 24609  
or disapprove the plan not later than fourteen days after 24610  
receiving it. If the plan is disapproved, the sponsor may submit a 24611  
revised plan to the department not later than fourteen days after 24612  
receiving notification of disapproval from the department or not 24613  
later than sixty days after the date the sponsor received 24614  
notification of noncompliance from the department, whichever is 24615

earlier. The department shall approve or disapprove the revised 24616  
plan not later than fourteen days after receiving it or not later 24617  
than sixty days after the date the sponsor received notification 24618  
of noncompliance from the department, whichever is earlier. A 24619  
sponsor may continue to make revisions by the deadlines prescribed 24620  
in division (F)(1) of this section to any revised plan that is 24621  
disapproved by the department until the sixtieth day after the 24622  
date the sponsor received notification of noncompliance from the 24623  
department. 24624

If a plan or a revised plan is approved, the sponsor shall 24625  
implement it not later than sixty days after the date the sponsor 24626  
received notification of noncompliance from the department or not 24627  
later than thirty days after the plan is approved, whichever is 24628  
later. If a sponsor does not respond to the department or 24629  
implement an approved compliance plan by the deadlines prescribed 24630  
by division (F)(1) of this section, or if a sponsor does not 24631  
receive approval of a compliance plan on or before the sixtieth 24632  
day after the date the sponsor received notification of 24633  
noncompliance from the department, the department shall declare in 24634  
written notice to the sponsor that the sponsor is in probationary 24635  
status, and may limit the sponsor's ability to sponsor additional 24636  
schools. 24637

(2) A sponsor that has been placed on probationary status 24638  
under division (F)(1) of this section may apply to the department 24639  
for its probationary status to be lifted. The application for a 24640  
sponsor's probationary status to be lifted shall include evidence, 24641  
occurring after the initial notification of noncompliance, of the 24642  
sponsor's compliance with applicable laws and administrative 24643  
rules. Not later than fourteen days after receiving an application 24644

school, establish a governing authority as described in division 25035  
(E) of this section for the school, and negotiate a contract with 25036  
the entity. Provided the proposing person or group adheres to the 25037  
preliminary agreement and all provisions of this chapter, the 25038  
entity shall negotiate in good faith to enter into a contract in 25039  
accordance with section 3314.03 of the Revised Code. 25040

(3) A new start-up school that is established in a school 25041  
district described in either division (A)(3)(b) or (d) of this 25042  
section may continue in existence once the school district no 25043

(D) A majority vote of the board of a sponsoring entity and a majority vote of the members of the governing authority of a community school shall be required to adopt a contract and convert the public school or educational service center building to a community school or establish the new start-up school. Beginning September 29, 2005, adoption of the contract shall occur not later than the fifteenth day of March, and signing of the contract shall occur not later than the fifteenth day of May, prior to the school year in which the school will open. The governing authority shall notify the department of education when the contract has been signed. Subject to sections 3314.013 and 3314.016 of the Revised Code, an unlimited number of community schools may be established in any school district provided that a contract is entered into for each community school pursuant to this chapter.

(E)(1) As used in this division, "immediate relatives" are limited to spouses, children, parents, grandparents, siblings, and in-laws.

Each new start-up community school established under this chapter shall be under the direction of a governing authority which shall consist of a board of not less than five individuals.

No person shall serve on the governing authority or operate the community school under contract with the governing authority so long as the person owes the state any money or is in a dispute over whether the person owes the state any money concerning the operation of a community school that has closed.

(2) No person shall serve on the governing authorities of more than five start-up community schools at the same time.

(3) No present or former member, or immediate relative of a

school, unless at least one year has elapsed since the conclusion 25080  
of the person's membership. 25081

(4) The governing authority of a start-up community school 25082  
may provide by resolution for the compensation of its members. 25083  
However, no individual who serves on the governing authority of a 25084  
start-up community school shall be compensated more than four 25085  
hundred twenty-five dollars per meeting of that governing 25086  
authority and no such individual shall be compensated more than a 25087  
total amount of five thousand dollars per year for all governing 25088  
authorities upon which the individual serves. 25089

(F)(1) A new start-up school that is established prior to 25090  
August 15, 2003, in an urban school district that is not also a 25091  
big-eight school district may continue to operate after that date 25092  
and the contract between the school's governing authority and the 25093  
school's sponsor may be renewed, as provided under this chapter, 25094  
after that date, but no additional new start-up schools may be 25095  
established in such a district unless the district is a challenged 25096  
school district as defined in this section as it exists on and 25097

(2) A community school that was established prior to June 29, 25099  
1999, and is located in a county contiguous to the pilot project 25100  
area and in a school district that is not a challenged school 25101  
district may continue to operate after that date, provided the 25102  
school complies with all provisions of this chapter. The contract 25103  
between the school's governing authority and the school's sponsor 25104  
may be renewed, but no additional start-up community school may be 25105  
established in that district unless the district is a challenged 25106  
school district. 25107

(3) Any educational service center that, on June 30, 2007, 25108

sponsors a community school that is not located in a county within 25109  
the territory of the service center or in a county contiguous to 25110  
such county may continue to sponsor that community school on and 25111  
after June 30, 2007, and may renew its contract with the school. 25112  
However, the educational service center shall not enter into a 25113  
contract with any additional community school, ~~unless the school~~ 25114  
~~is located in a county within the territory of the service center~~ 25115  
~~or in a county contiguous to such county, or~~ unless the governing 25116

to the district under sections 321.24 and 323.156 of the Revised 26180  
Code an amount equal to the following: 26181

(The number of the district's students reported by the 26182  
community school under division (B)(2)(e) of this section X the 26183  
formula amount X .20) 26184

(D) A board of education sponsoring a community school may 26185  
utilize local funds to make enhancement grants to the school or 26186  
may agree, either as part of the contract or separately, to 26187  
provide any specific services to the community school at no cost 26188  
to the school. 26189

(E) A community school may not levy taxes or issue bonds 26190  
secured by tax revenues. 26191

(F) No community school shall charge tuition for the 26192  
enrollment of any student who is a resident of this state. A 26193  
community school may charge tuition for the enrollment of any 26194  
student who is not a resident of this state. 26195

(G)(1)(a) A community school may borrow money to pay any 26196  
necessary and actual expenses of the school in anticipation of the 26197  
receipt of any portion of the payments to be received by the 26198  
school pursuant to division (C) of this section. The school may 26199  
issue notes to evidence such borrowing. The proceeds of the notes 26200  
shall be used only for the purposes for which the anticipated 26201  
receipts may be lawfully expended by the school. 26202

(b) A school may also borrow money for a term not to exceed 26203  
fifteen years for the purpose of acquiring facilities. 26204

(2) Except for any amount guaranteed under section 3318.50 of 26205  
the Revised Code, the state is not liable for debt incurred by the 26206  
governing authority of a community school. 26207

(H) The department of education shall adjust the amounts 26208  
subtracted and paid under division (C) of this section to reflect 26209  
any enrollment of students in community schools for less than the 26210  
equivalent of a full school year. The state board of education 26211  
within ninety days after April 8, 2003, shall adopt in accordance 26212  
with Chapter 119. of the Revised Code rules governing the payments 26213  
to community schools under this section including initial payments 26214  
in a school year and adjustments and reductions made in subsequent 26215

periodic payments to community schools and corresponding 26216  
deductions from school district accounts as provided under 26217  
division (C) of this section. For purposes of this section: 26218

(1) A student shall be considered enrolled in the community 26219  
school for any portion of the school year the student is 26220  
participating at a college under Chapter 3365. of the Revised 26221  
Code. 26222

(2) A student shall be considered to be enrolled in a 26223  
community school for the period of time beginning on the later of 26224  
the date on which the school both has received documentation of 26225  
the student's enrollment from a parent and the student has 26226  
commenced participation in learning opportunities as defined in 26227  
the contract with the sponsor, or thirty days prior to the date on 26228  
which the student is entered into the education management 26229  
information system established under section 3301.0714 of the 26230  
Revised Code. For purposes of applying this division and divisions 26231  
(H)(3) and (4) of this section to a community school student, 26232  
"learning opportunities" shall be defined in the contract, which 26233  
shall describe both classroom-based and non-classroom-based 26234  
learning opportunities and shall be in compliance with criteria 26235  
and documentation requirements for student participation which 26236  
shall be established by the department. Any student's instruction 26237  
time in non-classroom-based learning opportunities shall be 26238  
certified by an employee of the community school. A student's 26239  
enrollment shall be considered to cease on the date on which any 26240  
of the following occur: 26241

(a) The community school receives documentation from a parent 26242  
terminating enrollment of the student. 26243

(b) The community school is provided documentation of a 26244  
student's enrollment in another public or private school. 26245

(c) The community school ceases to offer learning 26246

opportunities to the student pursuant to the terms of the contract 26247  
with the sponsor or the operation of any provision of this 26248  
chapter. 26249

Except as otherwise specified in this paragraph, beginning in 26250  
the 2011-2012 school year, any student who completed the prior 26251  
school year in an internet- or computer-based community school 26252  
shall be considered to be enrolled in the same school in the 26253  
subsequent school year until the student's enrollment has ceased 26254  
as specified in division (H)(2) of this section. The department 26255  
shall continue subtracting and paying amounts for the student 26256  
under division (C) of this section without interruption at the 26257  
start of the subsequent school year. However, if the student 26258  
without a legitimate excuse fails to participate in the first one 26259  
hundred five consecutive hours of learning opportunities offered 26260  
to the student in that subsequent school year, the student shall 26261  
be considered not to have re-enrolled in the school for that 26262  
school year and the department shall recalculate the payments to 26263  
the school for that school year to account for the fact that the 26264  
student is not enrolled. 26265

(3) The department shall determine each community school 26266  
student's percentage of full-time equivalency based on the 26267  
percentage of learning opportunities offered by the community 26268  
school to that student, reported either as number of hours or 26269  
number of days, is of the total learning opportunities offered by 26270  
the community school to a student who attends for the school's 26271  
entire school year. However, no internet- or computer-based 26272  
community school shall be credited for any time a student spends 26273  
participating in learning opportunities beyond ten hours within 26274  
any period of twenty-four consecutive hours. Whether it reports 26275  
hours or days of learning opportunities, each community school 26276  
shall offer not less than nine hundred twenty hours of learning 26277  
opportunities during the school year. 26278

(4) With respect to the calculation of full-time equivalency 26279  
under division (H)(3) of this section, the department shall waive 26280  
the number of hours or days of learning opportunities not offered 26281  
to a student because the community school was closed during the 26282  
school year due to disease epidemic, hazardous weather conditions, 26283  
law enforcement emergencies, inoperability of school buses or 26284  
other equipment necessary to the school's operation, damage to a 26285  
school building, or other temporary circumstances due to utility 26286  
failure rendering the school building unfit for school use, so 26287  
long as the school was actually open for instruction with students 26288  
in attendance during that school year for not less than the 26289  
minimum number of hours required by this chapter. The department 26290  
shall treat the school as if it were open for instruction with 26291  
students in attendance during the hours or days waived under this 26292  
division. 26293

(I) The department of education shall reduce the amounts paid 26294  
under this section to reflect payments made to colleges under 26295  
section 3365.07 of the Revised Code. 26296

(J)(1) No student shall be considered enrolled in any 26297  
internet- or computer-based community school or, if applicable to 26298  
the student, in any community school that is required to provide 26299  
the student with a computer pursuant to division (C) of section 26300  
3314.22 of the Revised Code, unless both of the following 26301  
conditions are satisfied: 26302

(a) The student possesses or has been provided with all 26303  
required hardware and software materials and all such materials 26304  
are operational so that the student is capable of fully 26305  
participating in the learning opportunities specified in the 26306  
contract between the school and the school's sponsor as required 26307  
by division (A)(23) of section 3314.03 of the Revised Code; 26308

(b) The school is in compliance with division (A) of section 26309  
3314.22 of the Revised Code, relative to such student. 26310

(2) In accordance with policies adopted jointly by the 26311  
superintendent of public instruction and the auditor of state, the 26312  
department shall reduce the amounts otherwise payable under 26313  
division (C) of this section to any community school that includes 26314  
in its program the provision of computer hardware and software 26315  
materials to any student, if such hardware and software materials 26316  
have not been delivered, installed, and activated for each such 26317  
student in a timely manner or other educational materials or 26318  
services have not been provided according to the contract between 26319  
the individual community school and its sponsor. 26320

The superintendent of public instruction and the auditor of 26321  
state shall jointly establish a method for auditing any community 26322  
school to which this division pertains to ensure compliance with 26323  
this section. 26324

The superintendent, auditor of state, and the governor shall 26325  
jointly make recommendations to the general assembly for 26326  
legislative changes that may be required to assure fiscal and 26327  
academic accountability for such schools. 26328

(K)(1) If the department determines that a review of a 26329  
community school's enrollment is necessary, such review shall be 26330  
completed and written notice of the findings shall be provided to 26331  
the governing authority of the community school and its sponsor 26332  
within ninety days of the end of the community school's fiscal 26333  
year, unless extended for a period not to exceed thirty additional 26334  
days for one of the following reasons: 26335

(a) The department and the community school mutually agree to 26336  
the extension. 26337

(b) Delays in data submission caused by either a community 26338  
school or its sponsor. 26339

(2) If the review results in a finding that additional 26340  
funding is owed to the school, such payment shall be made within 26341

thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.

(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for any of the following:

(1) Any student who has graduated from the twelfth grade of a public or nonpublic high school;

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one

or more of the assessments required by that section and was not 26372  
excused pursuant to division (C)(1) or (3) of that section, unless 26373  
the superintendent of public instruction grants the student a 26374  
waiver from the requirement to take the assessment and a parent is 26375  
not paying tuition for the student pursuant to section 3314.26 of 26376  
the Revised Code. The superintendent may grant a waiver only for 26377  
good cause in accordance with rules adopted by the state board of 26378  
education. 26379

(4) Any student who has attained the age of twenty-two years, 26380  
except for veterans of the armed services whose attendance was 26381  
interrupted before completing the recognized twelve-year course of 26382  
the public schools by reason of induction or enlistment in the 26383  
armed forces and who apply for enrollment in a community school 26384  
not later than four years after termination of war or their 26385  
honorable discharge. If, however, any such veteran elects to 26386  
enroll in special courses organized for veterans for whom tuition 26387  
is paid under federal law, or otherwise, the department shall not 26388  
subtract from a school district's state aid account and shall not 26389  
pay to a community school under division (C) of this section any 26390  
amount for that veteran. 26391

**Sec. 3314.091.** (A) A school district is not required to 26392  
provide transportation for any native student enrolled in a 26393  
community school if the district board of education has entered 26394  
into an agreement with the community school's governing authority 26395  
that designates the community school as responsible for providing 26396  
or arranging for the transportation of the district's native 26397  
students to and from the community school. For any such agreement 26398  
to be effective, it must be certified by the superintendent of 26399  
public instruction as having met all of the following 26400  
requirements: 26401

(1) It is submitted to the department of education by a 26402

deadline which shall be established by the department. 26403

(2) In accordance with divisions (C)(1) and (2) of this 26404  
section, it specifies qualifications, such as residing a minimum 26405  
distance from the school, for students to have their 26406  
transportation provided or arranged. 26407

(3) The transportation provided by the community school is 26408  
subject to all provisions of the Revised Code and all rules 26409  
adopted under the Revised Code pertaining to pupil transportation. 26410

(4) The sponsor of the community school also has signed the 26411  
agreement. 26412

(B)(1) For the school year that begins on July 1, 2007, a 26413  
school district is not required to provide transportation for any 26414  
native student enrolled in a community school, if the community 26415  
school during the previous school year transported the students 26416  
enrolled in the school or arranged for the students' 26417  
transportation, even if that arrangement consisted of having 26418  
parents transport their children to and from the school, but did 26419  
not enter into an agreement to transport or arrange for 26420  
transportation for those students under division (A) of this 26421  
section, and if the governing authority of the community school by 26422  
July 15, 2007, submits written notification to the district board 26423  
of education stating that the governing authority is accepting 26424  
responsibility for providing or arranging for the transportation 26425  
of the district's native students to and from the community 26426  
school. 26427

(2) Except as provided in division (B)(4) of this section, 26428  
for any school year subsequent to the school year that begins on 26429  
July 1, 2007, a school district is not required to provide 26430  
transportation for any native student enrolled in a community 26431  
school if the governing authority of the community school, by the 26432  
thirty-first day of January of the previous school year, submits 26433

written notification to the district board of education stating 26434  
that the governing authority is accepting responsibility for 26435  
providing or arranging for the transportation of the district's 26436  
native students to and from the community school. If the governing 26437  
authority of the community school has previously accepted 26438  
responsibility for providing or arranging for the transportation 26439  
of a district's native students to and from the community school, 26440  
under division (B)(1) or (2) of this section, and has since 26441  
relinquished that responsibility under division (B)(3) of this 26442  
section, the governing authority shall not accept that 26443  
responsibility again unless the district board consents to the 26444  
governing authority's acceptance of that responsibility. 26445

(3) A governing authority's acceptance of responsibility 26446  
under division (B)(1) or (2) of this section shall cover an entire 26447  
school year, and shall remain in effect for subsequent school 26448  
years unless the governing authority submits written notification 26449  
to the district board that the governing authority is 26450  
relinquishing the responsibility. However, a governing authority 26451  
shall not relinquish responsibility for transportation before the 26452  
end of a school year, and shall submit the notice relinquishing 26453  
responsibility by the thirty-first day of January, in order to 26454  
allow the school district reasonable time to prepare 26455  
transportation for its native students enrolled in the school. 26456

(4)(a) For any school year that begins on or after July 1, 26457  
2014, a school district is not required to provide transportation 26458  
for any native student enrolled in a community school scheduled to 26459  
open for operation in the current school year, if the governing 26460  
authority of the community school, by the fifteenth day of April 26461  
of the previous school year, submits written notification to the 26462  
district board of education stating that the governing authority 26463  
is accepting responsibility for providing or arranging for the 26464  
transportation of the district's native students to and from the 26465

community school. 26466

(b) The governing authority of a community school that 26467  
accepts responsibility for transporting its students under 26468  
division (B)(4)(a) of this section shall comply with divisions 26469  
(B)(2) and (3) of this section to renew or relinquish that 26470  
authority for subsequent school years. 26471

(C)(1) A community school governing authority that enters 26472  
into an agreement under division (A) of this section, or that 26473  
accepts responsibility under division (B) of this section, shall 26474  
provide or arrange transportation free of any charge for each of 26475  
its enrolled students who is required to be transported under 26476  
section 3327.01 of the Revised Code ~~or who would otherwise be~~ 26477  
~~transported by the school district under the district's~~ 26478  
~~transportation policy.~~ The governing authority shall report to the 26479  
department of education the number of students transported or for 26480  
whom transportation is arranged under this section in accordance 26481  
with rules adopted by the state board of education. 26482

(2) The governing authority may provide or arrange 26483  
transportation for any other enrolled student who is not eligible 26484  
for transportation in accordance with division (C)(1) of this 26485  
section and may charge a fee for such service up to the actual 26486  
cost of the service. 26487

(3) Notwithstanding anything to the contrary in division 26488  
(C)(1) or (2) of this section, a community school governing 26489  
authority shall provide or arrange transportation free of any 26490  
charge for any disabled student enrolled in the school for whom 26491  
the student's individualized education program developed under 26492  
Chapter 3323. of the Revised Code specifies transportation. 26493

(D)(1) If a school district board and a community school 26494  
governing authority elect to enter into an agreement under 26495  
division (A) of this section, the department of education shall 26496

make payments to the community school according to the terms of 26497  
the agreement for each student actually transported under division 26498  
(C)(1) of this section. 26499

If a community school governing authority accepts 26500  
transportation responsibility under division (B) of this section, 26501  
the department shall make payments to the community school for 26502  
each student actually transported or for whom transportation is 26503  
arranged by the community school under division (C)(1) of this 26504  
section, calculated as follows: 26505

(a) For any fiscal year which the general assembly has 26506  
specified that transportation payments to school districts be 26507  
based on an across-the-board percentage of the district's payment 26508  
for the previous school year, the per pupil payment to the 26509  
community school shall be the following quotient: 26510

(i) The total amount calculated for the school district in 26511  
which the child is entitled to attend school for student 26512  
transportation other than transportation of children with 26513  
disabilities; divided by 26514

(ii) The number of students included in the district's 26515  
transportation ADM for the current fiscal year, as calculated 26516  
under section 3317.03 of the Revised Code, plus the number of 26517  
students enrolled in the community school not counted in the 26518  
district's transportation ADM who are transported under division 26519  
(B)(1) or (2) of this section. 26520

(b) For any fiscal year which the general assembly has 26521  
specified that the transportation payments to school districts be 26522  
calculated in accordance with section 3317.0212 of the Revised 26523  
Code and any rules of the state board of education implementing 26524  
that section, the payment to the community school shall be the 26525  
amount so calculated on a per rider basis that otherwise would be 26526  
paid to the school district in which the student is entitled to 26527

attend school by the method of transportation the district would 26528  
have used. The community school, however, is not required to use 26529  
the same method to transport that student. 26530

(c) Divisions (D)(1)(a) and (b) of this section do not apply 26531  
to fiscal years 2012 and 2013. Rather, for each of those fiscal 26532  
years, the per pupil payment to a community school for 26533  
transporting a student shall be the total amount paid under former 26534  
section 3306.12 of the Revised Code for fiscal year 2011 to the 26535  
school district in which the child is entitled to attend school 26536  
divided by that district's "qualifying ridership," as defined in 26537  
that section for fiscal year 2011. 26538

As used in this division "entitled to attend school" means 26539  
entitled to attend school under section 3313.64 or 3313.65 of the 26540  
Revised Code. 26541

(2) The department shall deduct the payment under division 26542  
(D)(1) of this section from the state education aid, as defined in 26543  
section 3314.08 of the Revised Code, and, if necessary, the 26544  
payment under sections 321.14 and 323.156 of the Revised Code, 26545  
that is otherwise paid to the school district in which the student 26546  
enrolled in the community school is entitled to attend school. The 26547  
department shall include the number of the district's native 26548  
students for whom payment is made to a community school under 26549  
division (D)(1) of this section in the calculation of the 26550  
district's transportation payment under section 3317.0212 of the 26551  
Revised Code and the operating appropriations act. 26552

(3) A community school shall be paid under division (D)(1) of 26553  
this section only for students who are eligible as specified in 26554  
section 3327.01 of the Revised Code and division (C)(1) of this 26555  
section, and whose transportation to and from school is actually 26556  
provided, who actually utilized transportation arranged, or for 26557  
whom a payment in lieu of transportation is made by the community 26558  
school's governing authority. To qualify for the payments, the 26559

community school shall report to the department, in the form and 26560  
manner required by the department, data on the number of students 26561  
transported or whose transportation is arranged, the number of 26562  
miles traveled, cost to transport, and any other information 26563  
requested by the department. 26564

(4) A community school shall use payments received under this 26565  
section solely to pay the costs of providing or arranging for the 26566  
transportation of students who are eligible as specified in 26567  
section 3327.01 of the Revised Code and division (C)(1) of this 26568  
section, which may include payments to a parent, guardian, or 26569  
other person in charge of a child in lieu of transportation. 26570

(E) Except when arranged through payment to a parent, 26571  
guardian, or person in charge of a child, transportation provided 26572  
or arranged for by a community school pursuant to an agreement 26573  
under this section is subject to all provisions of the Revised 26574  
Code, and all rules adopted under the Revised Code, pertaining to 26575  
the construction, design, equipment, and operation of school buses 26576  
and other vehicles transporting students to and from school. The 26577  
drivers and mechanics of the vehicles are subject to all 26578  
provisions of the Revised Code, and all rules adopted under the 26579  
Revised Code, pertaining to drivers and mechanics of such 26580

district's valuation index. 26913

(3) If the district's median income index is greater than or 26914  
equal to the district's valuation index the upper limit, then the 26915  
district's ~~wealth index~~ capacity measure shall be equal to {the 26916  
district's valuation index + [(the district's median income index 26917  
- the upper limit) X (0.20 in fiscal year 2016 or 0.40 in fiscal 26918  
year 2017)]}. 26919

For purposes of these calculations, "upper limit" and "lower 26920  
limit" shall be computed pursuant to section 3317.018 of the 26921  
Revised Code. 26922

(D) Determine the district's state share ~~index~~ percentage as 26923

(6) "Total ridership" means the average number of total 27398  
riders who are provided school bus service by a school district 27399  
during the first full week of October. 27400

(B) Not later than the fifteenth day of October each year, 27401  
each city, local, and exempted village school district shall 27402

district's transportation cost per student by dividing the 27410  
district's total costs for school bus service in the previous 27411

fiscal year by its ~~qualifying~~ total ridership in the previous 27412  
fiscal year. 27413

(2) After excluding districts that do not provide school bus 27414  
service and the ten districts with the highest transportation 27415  
costs per student and the ten districts with the lowest 27416  
transportation costs per student, divide the aggregate cost for 27417  
school bus service for the remaining districts in the previous 27418  
fiscal year by the aggregate ~~qualifying~~ total ridership of those 27419  
districts in the previous fiscal year. 27420

(D) The department shall calculate the statewide 27421  
transportation cost per mile as follows: 27422

(1) Determine each city, local, and exempted village school 27423  
district's transportation cost per mile by dividing the district's 27424

its total number of miles driven for school bus service in the 27426  
previous fiscal year. 27427

(2) After excluding districts that do not provide school bus 27428  
service and the ten districts with the highest transportation 27429  
costs per mile and the ten districts with the lowest 27430  
transportation costs per mile, divide the aggregate cost for 27431  
school bus service for the remaining districts in the previous 27432  
fiscal year by the aggregate miles driven for school bus service 27433  
in those districts in the previous fiscal year. 27434

(E) The department shall calculate each city, local, and 27435  
exempted village school district's transportation payment as 27436  
follows: 27437

(1) Multiply the statewide transportation cost per student by 27438  
the district's qualifying ridership for the current fiscal year. 27439

(2) Multiply the statewide transportation cost per mile by 27440  
the district's total number of miles driven for school bus service 27441  
in the current fiscal year. 27442

(3) Multiply the greater of the amounts calculated under 27443  
divisions (E)(1) and (2) of this section by the greater of ~~sixty~~ 27444  
fifty per cent or the district's state share ~~index~~ percentage, as 27445  
defined in section 3317.02 of the Revised Code. 27446

(F) In addition to funds paid under division (E) of this 27447  
section, each city, local, and exempted village district shall 27448  
receive in accordance with rules adopted by the state board of 27449  
education a payment for students transported by means other than 27450  
school bus service and whose transportation is not funded under 27451  
division (C) of section 3317.024 of the Revised Code. The rules 27452  
shall include provisions for school district reporting of such 27453  
students. 27454

~~(G)(1) In fiscal years 2014 and 2015, the department shall 27455

of this section, based on state appropriations. 27458~~

~~(2) In addition to the prorated payment under division (G)(1) 27459  
of this section, in fiscal years 2014 and 2015, the department 27460  
shall pay each school district that meets the conditions 27461  
prescribed in division (G)(3) of this section an additional amount 27462  
equal to the difference of (a) the amounts calculated under 27463  
division (E) of this section and prescribed in division (F) of 27464  
this section minus (b) that prorated payment. 27465~~

~~(3) Division (G)(2) of this section applies to each school 27466

~~(b) The district's state share index is greater than or equal 27471  
to 0.50. 27472~~

**Sec. 3317.0213.** (A) The department of education shall compute 27480  
and pay in accordance with this section additional state aid for 27481  
preschool ~~special education~~ children with disabilities to each 27482  
city, local, and exempted village school district and to each 27483  
institution, as defined in section 3323.091 of the Revised Code. 27484  
Funding shall be provided for children who are not enrolled in 27485  
kindergarten and who are under age six on the thirtieth day of 27486  
September of the academic year, or on the first day of August of 27487  
the academic year if the school district in which the child is 27488  
enrolled has adopted a resolution under division (A)(3) of section 27489  
3321.01 of the Revised Code, but not less than age three on the 27490  
first day of December of the academic year. 27491

The additional state aid shall be calculated under the 27492  
following formula: 27493

(\$4,000 X the number of students who are preschool ~~special~~ 27494  
~~education~~ children with disabilities) + the sum of the following: 27495

(1) The district's or institution's category one special 27496  
education ~~preschool~~ students who are preschool children with 27497  
disabilities X the amount specified in division (A) of section 27498  
3317.013 of the Revised Code X the district's state share ~~index~~ 27499  
percentage X 0.50; 27500

(2) The district's or institution's category two special 27501  
education ~~preschool~~ students who are preschool children with 27502  
disabilities X the amount specified in division (B) of section 27503

3317.013 of the Revised Code X the district's state share ~~index~~ 27504  
percentage X 0.50; 27505

(3) The district's or institution's category three special 27506  
education ~~preschool~~ students who are preschool children with 27507  
disabilities X the amount specified in division (C) of section 27508  
3317.013 of the Revised Code X the district's state share ~~index~~ 27509  
percentage X 0.50; 27510

(4) The district's or institution's category four special 27511  
education ~~preschool~~ students who are preschool children with 27512  
disabilities X the amount specified in division (D) of section 27513  
3317.013 of the Revised Code X the district's state share ~~index~~ 27514  
percentage X 0.50; 27515

(5) The district's or institution's category five special 27516  
education ~~preschool~~ students who are preschool children with 27517  
disabilities X the amount specified in division (E) of section 27518  
3317.013 of the Revised Code X the district's state share ~~index~~ 27519  
percentage X 0.50; 27520

(6) The district's or institution's category six special 27521  
education ~~preschool~~ students who are preschool children with 27522  
disabilities X the amount specified in division (F) of section 27523  
3317.013 of the Revised Code X the district's state share ~~index~~ 27524  
percentage X 0.50. 27525

The special education disability categories for preschool 27526  
children used in this section are the same categories prescribed 27527  
in section 3317.013 of the Revised Code. 27528

As used in division (A) of this section, the state share 27529  
~~index~~ percentage of a student enrolled in an institution is the 27530  
state share ~~index~~ percentage of the school district in which the 27531  
student is entitled to attend school under section 3313.64 or 27532  
3313.65 of the Revised Code. 27533

(B) If an educational service center is providing services to 27534

~~preschool special education~~ students who are preschool children with disabilities under agreement with the city, local, or exempted village school district in which the students are entitled to attend school, that district may authorize the department to transfer funds computed under this section to the service center providing those services.

(C) If a county DD board is providing services to ~~preschool special education~~ students who are preschool children with disabilities under agreement with the city, local, or exempted village school district in which the students are entitled to attend school, the department shall deduct from the district's payment computed under division (A) of this section the total amount of those funds that are attributable to the students served by the county DD board and pay that amount to that board.

**Sec. 3317.0214.** (A) The department shall compute and pay in accordance with this section additional state aid to school districts for students in categories two through six special education ADM. If a district's costs for the fiscal year for a student in its categories two through six special education ADM exceed the threshold catastrophic cost for serving the student, the district may submit to the superintendent of public instruction documentation, as prescribed by the superintendent, of all its costs for that student. Upon submission of documentation for a student of the type and in the manner prescribed, the department shall pay to the district an amount equal to the sum of the following:

(1) One-half of the district's costs for the student in excess of the threshold catastrophic cost;

(2) The product of one-half of the district's costs for the student in excess of the threshold catastrophic cost multiplied by the district's state share ~~index~~ percentage.

(B) For purposes of division (A) of this section, the threshold catastrophic cost for serving a student equals:

(1) For a student in the school district's category two, three, four, or five special education ADM, twenty-seven thousand three hundred seventy-five dollars;

(2) For a student in the district's category six special education ADM, thirty-two thousand eight hundred fifty dollars.

(C) The district shall report under division (A) of this section, and the department shall pay for, only the costs of educational expenses and the related services provided to the student in accordance with the student's individualized education program. Any legal fees, court costs, or other costs associated with any cause of action relating to the student may not be included in the amount.

**Sec. 3317.0217.** Payment of the amount calculated for a school district under this section shall be made under division (A) of section 3317.022 of the Revised Code.

For purposes of the calculations under this section, "school district" shall mean a school district with a formula ADM greater than zero.

(A) The department of education shall annually compute targeted assistance funds to school districts, as follows:

(1) Calculate the local wealth per pupil of each school district, which equals the following sum:

(a) One-half times the quotient of (i) the district's three-year average valuation divided by (ii) its formula ADM; plus

(b) One-half times the quotient of (i) the average of the total federal adjusted gross income of the school district's residents for the three years most recently reported under section 3317.021 of the Revised Code divided by (ii) its formula ADM.

(2) Rank all school districts in order of local wealth per pupil, from the district with the lowest local wealth per pupil to the district with the highest local wealth per pupil.

(3) Compute the statewide wealth per pupil, which equals the following sum:

(a) One-half times the quotient of (i) the sum of the three-year average valuations for all school districts divided by (ii) the sum of formula ADM counts for all school districts; plus

(b) One-half times the quotient of (i) the sum of the three-year average total federal adjusted gross incomes for all school districts divided by (ii) the sum of formula ADM counts for all school districts.

(4) Compute each district's ~~wealth index~~ capacity measure by dividing the statewide wealth per pupil by the district's local wealth per pupil.

(5) Compute the per pupil targeted assistance for each eligible school district in accordance with the following formula:

(Threshold local wealth per pupil - the district's local wealth per pupil)

X target millage X the district's ~~wealth index~~ capacity measure

Where:

(a) An "eligible school district" means a school district with a local wealth per pupil less than that of the school district with the 490th lowest local wealth per pupil.

(b) "Threshold local wealth per pupil" means the local wealth per pupil of the school district with the 490th lowest local wealth per pupil.

(c) "Target millage" means 0.006.

If the result of the calculation for a school district under division (A)(5) of this section is less than zero, the district's

targeted assistance shall be zero. 27626

(6) Calculate the aggregate amount to be paid as targeted 27627  
assistance funds to each school district under division (A) of 27628  
section 3317.022 of the Revised Code by multiplying the per pupil 27629  
targeted assistance computed under division (A)(5) of this section 27630  
by the district's net formula ADM. 27631

As used in this division, a district's "net formula ADM" 27632  
means its formula ADM minus the number of community school 27633  
students certified under division (B)(3)(d) of section 3317.03 of 27634  
the Revised Code X 0.75, the number of internet- and 27635  
computer-based community school students certified under division 27636  
(B)(3)(e) of that section, the number of science, technology, 27637  
engineering, and mathematics school students certified under 27638  
division (B)(3)(j) of that section X 0.75, and the number of 27639  
scholarship students certified under divisions (B)(3)(f), (g), and 27640  
(l) of that section. 27641

(B) The department shall annually compute supplemental 27642  
targeted assistance funds to school districts, as follows: 27643

(1) Compute each district's agricultural percentage as the 27644  
quotient of (a) the three-year average tax valuation of real 27645  
property in the district that is classified as agricultural 27646  
property divided by (b) the three-year average tax valuation of 27647  
all of the real property in the district. For purposes of this 27648  
computation: 27649

(a) For fiscal year 2016, a district's "three-year average 27650  
tax valuation" means the average of a district's tax valuation for 27651  
fiscal tax years 2012, 2013, and 2014 2014, and 2015. 27652

(b) For fiscal year 2017, a district's "three-year average 27653  
tax valuation" means the average of a district's tax valuation for 27654  
tax years 2014, 2015, and 2016. 27655

(2) Determine each district's agricultural targeted 27656

percentage as follows: 27657

(a) If a district's agricultural percentage is greater than 27658  
or equal to 0.10, then the district's agricultural targeted 27659  
percentage shall be equal to 0.40. 27660

(b) If a district's agricultural percentage is less than 27661  
0.10, then the district's agricultural targeted percentage shall 27662  
be equal to 4 X the district's agricultural percentage. 27663

(3) Calculate the aggregate amount to be paid as supplemental 27664  
targeted assistance funds to each school district under division 27665  
(A) of section 3317.022 of the Revised Code by multiplying the 27666  
district's agricultural targeted percentage by the amount 27667  
calculated for the district under division (A)(6) of this section. 27668

**Sec. 3317.051.** (A) As used in this section, "gifted unit ADM" 27669  
means a school district's formula ADM minus the number of students 27670  
reported by a district under divisions (A)(2)(a) and (i) of 27671  
section 3317.03 of the Revised Code. 27672

(B) The department of education shall compute and pay to a 27673  
school district funds based on units for services to students 27674  
identified as gifted under Chapter 3324. of the Revised Code as 27675  
prescribed by this section. 27676

(C) The department shall allocate gifted units for a school 27677  
district as follows: 27678

(1) One gifted coordinator unit shall be allocated for every 27679  
3,300 students in a district's gifted unit ADM, with a minimum of 27680  
0.5 units and a maximum of 8 units allocated for the district. 27681

(2) One gifted intervention specialist unit shall be 27682  
allocated for every 1,100 students in a district's gifted unit 27683  
ADM, with a minimum of 0.3 units allocated for the district. 27684

(D) The department shall pay the following amount to a school 27685  
district for gifted units: 27686

~~(1) In fiscal year 2014, \$37,000 multiplied by the number of units allocated to a school district under division (C) of this section;~~ 27687  
27688  
27689

to division (A) of this section, the commission shall conduct 28119  
on-site visits to school districts identified as having classroom 28120  
facility needs to confirm the findings of the periodic assessment 28121  
and further evaluate the classroom facility needs of the district. 28122  
The evaluation shall assess the district's need to construct or 28123  
acquire new classroom facilities and may include an assessment of 28124  
the district's need for building additions or for the 28125  
reconstruction of existent buildings in lieu of constructing or 28126

Code; 28161

(c) The commission makes a finding that such available funds 28162  
would be more thoroughly utilized if on-site visits were extended 28163  
to the next highest percentile. 28164

(D) Notwithstanding divisions (B) and (C) of this section, in 28165  
any fiscal year, the commission may limit the number of districts 28166

the moneys available and moneys necessary to undertake projects 28168  
under sections 3318.01 to ~~3318.33~~ 3318.32 of the Revised Code for 28169

capital biennium that were not spent or encumbered, or for which 28174  
an encumbrance has been canceled under section 3318.05 of the 28175  
Revised Code, shall be used by the commission only for projects 28176  
under sections 3318.01 to 3318.20 of the Revised Code, subject to 28177  
appropriation by the general assembly. 28178

In the second year of a capital biennium, any funds 28179  
appropriated to the Ohio school facilities commission for 28180  
classroom facilities projects under this chapter that were not 28181  
spent or encumbered in the first year of the biennium and which 28182  
are in excess of an amount equal to half of the appropriations for 28183  
the capital biennium, or for which an encumbrance has been 28184  
canceled under section 3318.05 of the Revised Code, shall be used 28185  
by the commission only for projects under sections 3318.01 to 28186  
3318.20, 3318.32, 3318.351, 3318.364, 3318.37, 3318.371, 3318.38, 28187

exempted village, or local school district's project lapses as 28191  
provided in section 3318.05 of the Revised Code, or if conditional 28192  
approval of a joint vocational school district's project lapses as 28193  
provided in division (D) of section 3318.41 of the Revised Code, 28194  
because the district's electors have not approved the ballot 28195  
measures necessary to generate the district's portion of the basic 28196  
project cost, and if the district board desires to seek a new 28197  
conditional approval of the project, the district board shall 28198  
request that the Ohio school facilities commission set the scope, 28199  
basic project cost, and school district portion of the basic 28200  
project cost prior to resubmitting the ballot measures to the 28201  
electors. To do so, the commission shall use the district's 28202  
current assessed tax valuation and the district's percentile for 28203  
the prior fiscal year. For a district that has entered into an 28204  
agreement under section 3318.36 of the Revised Code and desires to 28205  
proceed with a project under sections 3318.01 to 3318.20 of the 28206  
Revised Code, the district's portion of the basic project cost 28207  
shall be the percentage specified in that agreement. The project 28208  
scope and basic costs established under this division shall be 28209  
valid for ~~one year~~ thirteen months from the date the commission 28210

approves them. 28211

(B) Upon the commission's approval under division (A) of this 28212  
section, the district board may submit the ballot measures to the 28213  
district's electors for approval of the project based on the new 28214  
project scope and estimated costs. Upon electoral approval of 28215  
those measures, the district shall be given first priority for 28216  
project funding as such funds become available. 28217

(C) When the commission determines that funds are available 28218  
for the district's project, the commission shall do all of the 28219  
following: 28220

(1) Determine the school district portion of the basic 28221  
project cost under section 3318.032 of the Revised Code, in the 28222  
case of a city, exempted village, or local school district, or 28223  
under section 3318.42 of the Revised Code, in the case of a joint 28224  
vocational school district; 28225

(2) Conditionally approve the project and submit it to the 28226  
controlling board for approval pursuant to section 3318.04 of the 28227  
Revised Code; 28228

(3) Encumber funds for the project under section 3318.11 of 28229  
the Revised Code; 28230

~~3318.33~~ 3318.32 of the Revised Code. 28240

The Ohio school facilities commission is a body corporate and politic, an agency of state government and an instrumentality of the state, performing essential governmental functions of this state. The carrying out of the purposes and the exercise by the Ohio school facilities commission of its powers conferred by sections 3318.01 to ~~3318.33~~ 3318.32 of the Revised Code are essential public functions and public purposes of the state. The Ohio school facilities commission may, in its own name, sue and be sued, enter into contracts, and perform all the powers and duties given to it by sections 3318.01 to ~~3318.33~~ 3318.32 of the Revised Code, but it does not have and shall not exercise the power of eminent domain. In its discretion and as it determines appropriate, the Ohio school facilities commission may delegate to any of its members, executive director, or other employees any of the Ohio school facilities commission's powers and duties to carry out its functions.

(B) The Ohio school facilities commission shall consist of seven members, three of whom are voting members. The voting members of the Ohio school facilities commission shall be the director of the office of budget and management, the director of administrative services, and the superintendent of public instruction, or their designees. Of the nonvoting members, two shall be members of the senate appointed by the president of the senate, and two shall be members of the house of representatives appointed by the speaker of the house. Each of the appointees of the president, and each of the appointees of the speaker, shall be members of different political parties.

Nonvoting members shall serve as members of the Ohio school facilities commission during the legislative biennium for which they are appointed, except that any such member who ceases to be a member of the legislative house from which the member was appointed shall cease to be a member of the Ohio school facilities

commission. Each nonvoting member shall be appointed within 28273  
thirty-one days of the end of the term of that member's 28274  
predecessor. Such members may be reappointed. Vacancies of 28275  
nonvoting members shall be filled in the manner provided for 28276  
original appointments. 28277

Members of the Ohio school facilities commission shall serve 28278  
without compensation. 28279

After the initial nonvoting members of the Ohio school 28280  
facilities commission have been appointed, the Ohio school 28281  
facilities commission shall meet and organize by electing voting 28282  
members as the chairperson and vice-chairperson of the Ohio school 28283  
facilities commission, who shall hold their offices until the next 28284  
organizational meeting of the Ohio school facilities commission. 28285

vice-chairperson, who shall serve until the next annual 28290  
organizational meeting. The Ohio school facilities commission 28291  
shall adopt rules pursuant to section 111.15 of the Revised Code 28292  
for the conduct of its internal business and shall keep a journal 28293

school facilities commission shall meet at least once each 28295  
calendar quarter. 28296

Two voting members of the Ohio school facilities commission 28297  
constitute a quorum, and the affirmative vote of two members is 28298  
necessary for approval of any action taken by the Ohio school 28299  
facilities commission. A vacancy in the membership of the Ohio 28300  
school facilities commission does not impair a quorum from 28301  
exercising all the rights and performing all the duties of the 28302  
Ohio school facilities commission. Meetings of the Ohio school 28303  
facilities commission may be held anywhere in the state and shall 28304

be held in compliance with section 121.22 of the Revised Code. 28305

(C) The Ohio school facilities commission shall file an 28306  
annual report of its activities and finances with the governor, 28307  
speaker of the house of representatives, president of the senate, 28308  
and chairpersons of the house and senate finance committees. 28309

For purposes of the program, beginning July 1, 2003, the 28331  
commission annually may set aside up to two per cent of the 28332

(C) The commission shall not provide assistance for any 28339  
distinct part of a project under sections 3318.40 to 3318.45 of 28340  
the Revised Code that when completed will be used exclusively for 28341  
an adult education program or exclusively for operation of a 28342  
driver training school for instruction leading to the issuance of 28343  
a commercial driver's license under Chapter 4506. of the Revised 28344  
Code, except for life safety items and basic building components 28345  
necessary for complete and continuous construction or renovation 28346  
of a classroom facility as determined by the commission. 28347

(D) The commission shall not provide assistance under 28348  
sections 3318.40 to 3318.45 of the Revised Code to acquire 28349  
classroom facilities for vocational educational instruction at a 28350  
location under the control of a school district that is a member 28351  
of a joint vocational school district. Any assistance to acquire 28352  
classroom facilities for vocational educational instruction at 28353  
such location shall be provided to the school district that is a 28354  
member of the joint vocational school district through other 28355  
provisions of this chapter when that member school district is 28356  
eligible for assistance under those provisions. 28357

(E) By September 1, 2003, the commission shall assess the 28358  
classroom facilities needs of at least five joint vocational 28359  
school districts, according to the order of priority prescribed in 28360  
division (B) of section 3318.42 of the Revised Code, and based on 28361  
the results of those assessments shall determine the extent to 28362  
which amendments to the specifications adopted under section 28363  
3318.311 of the Revised Code are warranted. The commission, 28364  
thereafter, may amend the specifications as provided in that 28365  
section. 28366

(F) After the commission has conducted the assessments 28367  
prescribed in division (E) of this section, the commission shall 28368  
establish, by rule adopted in accordance with section 111.15 of 28369  
the Revised Code, guidelines for the commission to use in deciding 28370

number of facilities and the basic project cost of projects as 28373

even though the facilities do not comply with the specifications 28378  
adopted under section 3318.311 of the Revised Code; 28379

(2) Under what circumstances, if any, particular classroom 28380

Code, this section applies to any person who is employed under a 28384

cent of the time employed providing student instruction. However, 28388  
this section does not apply to any person who is employed as a 28389  
substitute teacher or as an instructor of adult education. 28390

(A)(1) Not later than July 1, 2013, the board of education of 28391

evaluation policy adopted pursuant to division (A) of this section 28403  
in accordance with divisions (A)(1)(c) and (F) of section 3319.112 28404  
of the Revised Code. Notwithstanding anything to the contrary in 28405  
Chapter 4117. of the Revised Code, the updates adopted under 28406  
division (A)(2) of this section prevail over any conflicting 28407  
provisions of a collective bargaining agreement entered into on or 28408  
after the effective date of this amendment. 28409

(B) ~~When~~ (1) Except as provided for in division (B)(2) of 28410  
this section, when using measures of student academic growth as a 28411  
component of a teacher's evaluation, those measures shall include 28412  
the value-added progress dimension prescribed by section 3302.021 28413  
of the Revised Code or an alternative student academic progress 28414  
measure if adopted under division (C)(1)(e) of section 3302.03 of 28415  
the Revised Code. ~~For~~ 28416

(2) For teachers of grade levels and subjects for which the 28417  
value-added progress dimension or alternative student academic 28418  
progress measure is not applicable, the board shall administer 28419  
assessments on the list developed under division (B)(2) of section 28420  
3319.112 of the Revised Code. If those assessments are not 28421  
available for the applicable grade level or subject, the board 28422  
shall instead use the method of attributing student growth 28423  
prescribed by division (A)(1)(c) of that section. 28424

(C)(1) The board shall conduct an evaluation of each teacher 28425  
employed by the board at least once each school year, except as 28426  
provided in division (C)(2) of this section. The evaluation shall 28427  
be completed by the first day of May and the teacher shall receive 28428  
a written report of the results of the evaluation by the tenth day 28429

of May. 28430

(2)(a) The board may evaluate each teacher who received a 28431  
rating of accomplished on the teacher's most recent evaluation 28432  
conducted under this section once every three school years, ~~so~~ 28433  
~~long as the teacher's student academic growth measure, for the~~ 28434  
~~most recent school year for which data is available, is average or~~ 28435  
~~higher, as determined by the department of education.~~ 28436

(b) The board may evaluate each teacher who received a rating 28437  
of skilled on the teacher's most recent evaluation conducted under 28438  
this section once every two years, so long as the teacher's 28439  
student academic growth measure, for the most recent school year 28440  
for which data is available, is average or higher, as determined 28441  
by the department of education. 28442

(c) For each teacher who is evaluated pursuant to division 28443  
(C)(2) of this section, the evaluation shall be completed by the 28444  
first day of May of the applicable school year, and the teacher 28445  
shall receive a written report of the results of the evaluation by 28446  
the tenth day of May of that school year. 28447

fifty per cent or more of the school year, as calculated by the 28452  
board. 28453

revise the recommendations, and shall resubmit the  
recommendations, whether revised or not, to the state board not

In all city, local, and exempted village school districts, 29623  
the board shall provide transportation for all children who are so 29624  
disabled that they are unable to walk to and from the school for 29625  
which the state board of education prescribes minimum standards 29626  
pursuant to division (D) of section 3301.07 of the Revised Code 29627

national origin. 29648

**Sec. 3327.02.** (A) After considering each of the following 29649  
factors, the board of education of a city, exempted village, or 29650  
local school district, or a community school governing authority 29651  
providing transportation pursuant to section 3314.091 of the 29652  
Revised Code, may determine that it is impractical to transport a 29653

pupil who is eligible for transportation to and from a school 29654  
under section 3327.01 of the Revised Code: 29655

(1) The time and distance required to provide the 29656  
transportation; 29657

(2) The number of pupils to be transported; 29658

(3) The cost of providing transportation in terms of 29659  
equipment, maintenance, personnel, and administration; 29660

(4) Whether similar or equivalent service is provided to 29661  
other pupils eligible for transportation; 29662

(5) Whether and to what extent the additional service 29663  
unavoidably disrupts current transportation schedules; 29664

(6) Whether other reimbursable types of transportation are 29665  
available. 29666

(B)~~(1)~~ Based on its consideration of the factors established 29667  
in division (A) of this section, the board or governing authority 29668  
may pass a resolution declaring the impracticality of 29669  
transportation. The resolution shall include each pupil's name and 29670  
the reason for impracticality. 29671

~~(2)~~ The board or governing authority shall report its 29672  
determination to the state board of education in a manner 29673  
determined by the state board. 29674

~~(3)~~ ~~The board of education of a local school district~~ 29675  
~~additionally shall submit the resolution for concurrence to the~~ 29676  
~~educational service center that contains the local district's~~ 29677  
~~territory. If the educational service center governing board~~ 29678  
~~considers transportation by school conveyance practicable, it~~ 29679  
~~shall so inform the local board and transportation shall be~~ 29680  
~~provided by such local board. If the educational service center~~ 29681  
~~board agrees with the view of the local board, the local board may~~ 29682  
~~offer payment in lieu of transportation as provided in this~~ 29683

~~section.~~ 29684

(C) After passing the resolution declaring the impracticality of transportation, the district board or governing authority shall offer to provide payment in lieu of transportation by doing the following:

(1) In accordance with guidelines established by the department of education, informing the pupil's parent, guardian, or other person in charge of the pupil of both of the following:

(a) The ~~board's~~ resolution;

(b) The right of the pupil's parent, guardian, or other person in charge of the pupil to accept the offer of payment in lieu of transportation or to reject the offer and instead request the department to initiate mediation procedures.

(2) Issuing the pupil's parent, guardian, or other person in charge of the pupil a contract or other form on which the parent, guardian, or other person in charge of the pupil is given the option to accept or reject the board's offer of payment in lieu of transportation.

(D) If the parent, guardian, or other person in charge of the pupil accepts the offer of payment in lieu of providing transportation, the board or governing authority shall pay the parent, guardian, or other person in charge of the pupil an amount that shall be not less than the amount determined by the general assembly as the minimum for payment in lieu of transportation, and not more than the amount determined by the department of education as the average cost of pupil transportation for the previous school year. Payment may be prorated if the time period involved is only a part of the school year.

(E)(1)(a) Upon the request of a parent, guardian, or other person in charge of the pupil who rejected the payment in lieu of transportation, the department shall conduct mediation procedures.

(b) If the mediation does not resolve the dispute, the state board of education shall conduct a hearing in accordance with Chapter 119. of the Revised Code. The state board may approve the payment in lieu of transportation or may order the district board of education or governing authority to provide transportation. The decision of the state board is binding in subsequent years and on future parties in interest provided the facts of the determination remain comparable.

(2) The school district or governing authority shall provide transportation for the pupil from the time the parent, guardian, or other person in charge of the pupil requests mediation until the matter is resolved under division (E)(1)(a) or (b) of this section.

(F)(1) If the department determines that a school district board or governing authority has failed or is failing to provide transportation as required by division (E)(2) of this section or as ordered by the state board under division (E)(1)(b) of this section, the department shall order the school district board or governing authority to pay to the pupil's parent, guardian, or other person in charge of the pupil, an amount equal to the state average daily cost of transportation as determined by the state board of education for the previous year. The school district board or governing authority shall make payments on a schedule ordered by the department.

(2) If the department subsequently finds that a school district board is not in compliance with an order issued under division (F)(1) of this section and the affected pupils are enrolled in a nonpublic or community school, the department shall deduct the amount that the board is required to pay under that order from any pupil transportation payments the department makes to the school district board under section 3317.0212 of the Revised Code or other provisions of law. The department shall use

the moneys so deducted to make payments to the nonpublic or 29747  
community school attended by the pupil. The department shall 29748  
continue to make the deductions and payments required under this 29749  
division until the school district board either complies with the 29750  
department's order issued under division (F)(1) of this section or 29751  
begins providing transportation. 29752

(G) A nonpublic or community school that receives payments 29753  
from the department under division (F)(2) of this section shall do 29754  
either of the following: 29755

(1) Disburse the entire amount of the payments to the parent, 29756  
guardian, or other person in charge of the pupil affected by the 29757  
failure of the school district of residence to provide 29758  
transportation; 29759

(2) Use the entire amount of the payments to provide 29760  
acceptable transportation for the affected pupil. 29761
