ENGROSSED SUBSTITUTE SENATE BILL 6096

Passed Legislature - 2015 3rd Special Session

State of Washington 64th Legislature 2015 Regular Session

By Senate Ways & Means (originally sponsored by Senators Becker, Litzow, Parlette, Bailey, Hill, Fain, Dammeier, Brown, Rivers, Roach, and McAuliffe)

READ FIRST TIME 04/07/15.

1 AN ACT Relating to cancer research; adding a new chapter to Title 2 43 RCW; and providing an expiration date.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 <u>NEW SECTION.</u> Sec. 1. FINDINGS AND INTENT. (1) The legislature 5 finds the following:

6 (a) Washington has an existing infrastructure of world-class 7 cancer research and care centers for children and adults that can 8 develop and apply new techniques for the prevention of cancer and 9 care of cancer patients throughout Washington;

(b) Sustained investment in cancer research, prevention, and care is critical to reducing long-term health costs, saving lives, and relieving pain and suffering;

(c) Promoting the health of state residents is a fundamental public purpose and governmental function. Action to promote cancer research and prevention to improve the quality of life of the people of Washington is consistent with this fundamental public purpose; and

(d) Additional public resources dedicated exclusively to cancer
research will provide sustained investment in cancer research to the
benefit of the people of Washington.

20 (2) It is the intent of the legislature in enacting this act to:

(a) Optimize the use of public funds by giving priority to
 research utilizing the best science and technology with the greatest
 potential to improve health outcomes;

4 (b) Increase the value of our public investments by leveraging
5 our state's existing cancer research facilities and talent, as well
6 as clinical and therapeutic resources;

7 (c) Incentivize additional investment by requiring private or
8 other nonstate resources to match public funds;

9 (d) Protect and benefit Washington taxpayers by funding proposals 10 for cancer research that are reviewed by an independent scientific 11 panel;

12 (e) Require fiscal and public accountability through independent 13 audits, open public meetings and hearings, and annual reports to the 14 public; and

(f) Create jobs and encourage investments that will generate new tax revenues in our state, and advance the biotech, medical device, and health care information technology industries in Washington.

18 <u>NEW SECTION.</u> Sec. 2. DEFINITIONS. The definitions in this 19 section apply throughout this chapter unless the context clearly 20 requires otherwise.

33 <u>NEW SECTION.</u> Sec. 3. CANCER RESEARCH ENDOWMENT AUTHORITY. (1) 34 The cancer research endowment authority is created. The powers of the 35 authority are vested in and must be exercised by a board. The board 36 consists of thirteen members appointed by the governor:

37 (a) Two members must be appointed from nominations submitted by
 38 the presidents of the University of Washington and Washington State
 39 University;

1 (b) Two members must be appointed from nominations submitted by 2 the Fred Hutchinson cancer research center, Seattle cancer care 3 alliance, and the Seattle children's research institute;

4 (c) Two members must be appointed from nominations submitted by 5 patient advocacy organizations;

6 (d) Two members must be appointed from nominations submitted by 7 representatives of businesses or industries engaged in the 8 commercialization of life sciences research or cancer research;

9 (e) One member must be appointed from a list of at least three 10 nominated by the speaker of the house of representatives;

(f) One member must be appointed from a list of at least three nominated by the president of the senate;

13 (g) One member must be appointed from nominations submitted by 14 entities or systems that provide health care delivery services;

(h) One member from nominations provided by private sector donors to the fund. However, the governor may reject all nominations and request a new list from which the governor must select the member; and

19

(i) The remaining member must be a member of the public.

In soliciting nominations and appointing members, the 20 (2) 21 governor must seek to identify individuals from throughout the state having relevant knowledge, experience, and expertise with regard to 22 (a) cancer research, prevention, and care; (b) health care consumer 23 24 issues; (C) government finance and budget; and (d) the 25 commercialization of life sciences or cancer research. In soliciting nominations and appointing members, the governor 26 must seek individuals who will contribute to the geographic diversity of the 27 board, with the goal that at least five board members be from 28 29 counties with a population less than one million persons. Appointments must be made on or before July 1, 2016. 30

31 (3) The term of a member is four years from the date of their appointment except the initial term of the members in subsection 32 (1)(d) through (i) of this section must be two years to create a 33 staggered appointment process. A member may be appointed to not more 34 than two full consecutive terms. A member appointed by the governor 35 36 may be removed by the governor for cause under RCW 43.06.070 and 43.06.080. The members may not be compensated but may be reimbursed, 37 38 solely from the fund, for expenses incurred in the discharge of their duties under this chapter. 39

40

(4) Seven members of the board constitute a quorum.

ESSB 6096.PL

1 (5) The members must elect a chair, treasurer, and secretary 2 annually, and other officers as the members determine necessary, and 3 may adopt bylaws or rules for their own government.

4 (6) Meetings of the board must be held in accordance with the 5 open public meetings act, chapter 42.30 RCW, and at the call of the 6 chair or when a majority of the members so requests. Meetings of the 7 board may be held at any location within or out of the state, and 8 members may participate in a meeting of the board by means of a 9 conference telephone or similar communication equipment under RCW 10 23B.08.200.

11 <u>NEW SECTION.</u> Sec. 4. AUTHORITY—GENERAL POWERS. The authority 12 has all the general powers necessary to carry out its purposes and 13 duties and to exercise its specific powers. In addition to other 14 powers specified in this chapter, the authority may:

15

(1) Sue and be sued in its own name;

16 (2) Make and execute agreements, contracts, and other 17 instruments, with any public or private person or entity, including 18 commercial entities, in accordance with this chapter;

19 (3) Employ, contract with, or engage independent counsel, 20 financial advisors, auditors, other technical or professional 21 assistants, and such other personnel as are necessary or desirable to 22 implement this chapter;

(4) Exercise any other power reasonably required to implement thepurposes of this chapter; and

25 (5) Delegate any of its powers and duties if consistent with the 26 purposes of this chapter.

27 <u>NEW SECTION.</u> Sec. 5. CANCER RESEARCH ENDOWMENT PROGRAM. (1) The 28 cancer research endowment program is created. The purpose of the 29 program is to make grants to public and private entities, including 30 commercial entities, to fund or reimburse the entities pursuant to 31 agreement for the promotion of cancer research to be conducted in the 32 state. The authority is to oversee and guide the program, including 33 the solicitation, selection, and award of grants.

34 (2) The board must develop a plan for the allocation of projected 35 amounts in the CARE fund, which it must update annually, following at 36 least one annual public hearing. The plan must provide for 37 appropriate funding continuity and take into account the projected speed at which revenues will be available and amounts that can be
 spent during the plan period.

(3) The authority must solicit requests for grant funding and 3 evaluate the requests by reference to factors such as: (a) The 4 quality of the proposed research or program; (b) its potential to 5 б improve health outcomes of persons with cancer, with particular attention to the likelihood that it will also lower health care 7 costs, substitute for a more costly diagnostic or treatment modality, 8 or offer a breakthrough treatment for a particular cancer or cancer-9 related condition or disease; (c) its potential for leveraging 10 11 additional funding; (d) its potential to provide additional health 12 care benefits or benefit other human diseases or conditions; (e) its potential to stimulate life science, health care, and biomedical 13 employment in the state; (f) the geographic diversity of the grantees 14 within Washington; (g) evidence of potential royalty, sales, 15 or 16 licensing revenue, or other commercialization-related revenue and 17 contractual means to recapture such income for purposes of this chapter; and (h) evidence of public and private collaboration. 18

19 (4) The authority may not award a grant for a proposal that was 20 not recommended by an independent expert scientific review and 21 advisory committee under section 6 of this act.

22 (5) The authority must issue an annual report to the public that sets forth its activities with respect to the CARE fund, including 23 24 grants awarded, grant-funded work in progress, research 25 accomplishments, prevention, and care activities, and future program 26 directions with respect to cancer research, prevention, and care. Each annual report regarding activities of the cancer research 27 endowment program and CARE fund must include, but not be limited to, 28 29 the following: The number and dollar amounts of grants; the grantees for the prior year; the authority's administrative expenses; 30 an 31 assessment of the availability of funding for cancer research, 32 prevention, and care from sources other than the authority; a summary 33 of research, prevention, and care-related findings, including promising new areas for investment; and a report on the benefits to 34 35 Washington of its programs to date.

36 (6) The authority's first annual report must include a proposed 37 operating plan for the design, implementation, and administration of 38 an endowment program supporting the purposes of the authority and 39 program.

р. б

1 (7) The authority must adopt policies to ensure that all 2 potential conflicts have been disclosed and that all conflicts have 3 been eliminated or mitigated.

4 (8) The authority must establish standards to ensure that 5 recipients of grants for cancer research, prevention, or care 6 purchase goods and services from Washington suppliers to the extent 7 reasonably possible.

8 <u>NEW SECTION.</u> Sec. 6. INDEPENDENT EXPERT SCIENTIFIC REVIEW AND ADVISORY COMMITTEE. (1) In addition to any advisory boards the 9 10 authority determines to establish, the authority must establish one 11 or more independent expert scientific review and advisory committees for the purposes of evaluating grant proposals for cancer research 12 13 and recommending grants to be made from the CARE fund; advising the authority during the development and review of its strategic plans 14 15 for cancer research; and advising the authority on scientific and 16 other matters in furtherance of the cancer research purposes of this 17 act.

18 (2) Each independent expert scientific review and advisory committee must consist of individuals with nationally recognized 19 expertise in the scientific, clinical, ethical, commercial, and 20 regulatory aspects of cancer research, prevention, and care. The 21 board must appoint the members of the committee. Preliminary review 22 23 of grant proposals may be made by a panel of such committee or an 24 independent contractor chosen by the board upon recommendation of the 25 committee, but all recommendations for grants to be made from the 26 CARE fund may be made only upon majority vote of the committee.

27 <u>NEW SECTION.</u> **Sec. 7.** PROGRAM ADMINISTRATOR. (1) The program 28 administrator must provide services to the board and has the 29 following duties and responsibilities:

30 (a) Jointly with the board, solicit and receive gifts, grants, 31 and bequests, and enter into contribution agreements with private 32 entities and public entities, including commercial entities, in order 33 to use those moneys to fund grants awarded by the authority;

(b) Establish a cancer research endowment fund to be known as the CARE fund. The CARE fund must be a separate private account outside the state treasury into which grants and contributions received from public and private sources as well as state matching funds must be deposited, and from which funds for grants awarded by the authority

1 must be disbursed. Once moneys in the cancer research endowment fund 2 match transfer account are subject to an agreement under section 9(6) 3 of this act and are deposited in the CARE fund under this section, 4 the moneys in the CARE fund are not considered state money, common 5 cash, or revenue to the state;

6 (c) Manage the CARE fund, its obligations, and investments as to 7 achieve the maximum possible rate of return on investment in the CARE 8 fund;

9 (d) Establish policies and procedures to facilitate the orderly 10 process of grant application, review, selection, and notification; 11 and

12 (e) Distribute CARE funds to selected entities through grant agreements. Grant agreements must set forth the terms and conditions 13 14 the grant and must include, but not be limited to: (i) of Deliverables to be provided by the recipient pursuant to the grant; 15 (ii) the circumstances under which the grant amount would be required 16 17 to be repaid or the circumstances under which royalty, sales, or licensing revenue, or other commercialization-related revenue would 18 shared; and (iii) indemnification, dispute 19 be required to be resolution, and any other terms and conditions as are customary for 20 21 grant agreements or are deemed reasonable by the board. The program administrator may negotiate with any grantee the costs associated 22 with performing scientific activities funded by grants. 23

24 (2) Periodically, but not less often than every three years, the 25 authority and the department must conduct a request for proposals and 26 retain the services of an independent auditor with experience in performance auditing of research granting entities similar to the 27 authority. The independent auditor must review the authority's 28 29 strategic plan, program, and program administrator and publish a report assessing their performance and providing recommendations for 30 31 improvement. The authority must hold at least one public hearing at 32 which the results of each audit are presented and discussed.

33 NEW SECTION. Sec. 8. CHARITABLE CONTRIBUTIONS. The program administrator may create additional legal entities and take such 34 35 action as may be necessary or advisable to enable the CARE fund to charitable contributions. In 36 accept addition, the program administrator may provide technical assistance, information, 37 and 38 training to private employers and other potential donors to establish

programs that facilitate charitable contributions to the CARE fund
 including tobacco use premium surcharge programs.

3 <u>NEW SECTION.</u> Sec. 9. CANCER RESEARCH ENDOWMENT FUND MATCH 4 TRANSFER ACCOUNT. (1) The cancer research endowment fund match 5 transfer account is created in the custody of the state treasurer as 6 a nonappropriated account to be used solely and exclusively for the 7 cancer research endowment program created in section 5 of this act. 8 The purpose of the account is to provide matching funds for the CARE 9 fund and administrative costs.

10 (2) Revenues to the account must consist of deposits into the 11 account, legislative appropriations, and any gifts, grants, or 12 donations received by the department for this purpose.

13 (3) The legislature must appropriate a state match, up to a maximum of ten million dollars annually, beginning July 1, 2016, and 14 15 each July 1st following the end of the fiscal year from tax 16 collections and penalties generated from enforcement of state taxes 17 on cigarettes and other tobacco products by the state liquor and cannabis board or other federal, state or local 18 law or tax enforcement agency, as determined by the department of revenue. Tax 19 20 collections include any cigarette tax, other tobacco product tax, and retail sales and use tax. 21

(4) Expenditures, in the form of matching funds, from the account may be made only upon receipt of proof from the program administrator of nonstate or private contributions to the CARE fund for the cancer research endowment program. Expenditures, in the form of matching funds, may not exceed the total amount of nonstate or private contributions.

(5) Only the director of the department or the director's designee may authorize expenditures from the cancer research endowment fund match transfer account. Such authorization must be made as soon as practicable following receipt of proof as required under subsection (4) of this section.

33 (6) The department must enter into an appropriate agreement with 34 the program administrator to demonstrate exchange of consideration 35 for the matching funds.

36

<u>NEW SECTION.</u> Sec. 10. This chapter expires July 1, 2025.

<u>NEW SECTION.</u> Sec. 11. Sections 1 through 10 of this act
 constitute a new chapter in Title 43 RCW.
